I. PURPOSE

The purposes of the Audit Committee (“*Committee*”) is to provide assistance to the Board of Directors (the “*Board*”) of Amyris, Inc. (the “*Company*”) in fulfilling the Board’s oversight of the Company’s accounting and system of internal controls, the quality and integrity of the Company’s financial reports and the independence and performance of the Company’s independent registered public accounting firm (“*Independent Auditors*”).

In order to fulfill its purpose, the Audit Committee is to:

- oversee the Company’s accounting and financial reporting processes and audits of Company’s consolidated financial statements;
- oversee the Company’s relationship with its independent auditors (“*Independent Auditors*”), including appointing or changing Company’s auditors and ensuring their independence;
- facilitate communication among the Independent Auditors and the Company’s financial and senior management and the Board; and
- monitor the periodic reviews of the adequacy of the accounting and financial reporting processes and systems of internal control that are conducted by the Independent Auditors and the Company’s financial and senior management.

This charter sets forth the authority and responsibility of the Committee in fulfilling its purpose. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of the Company’s management and the Independent Auditors.

II. MEMBERSHIP

- The Audit Committee will consist of three or more members of the Board, with the exact number being determined by the Board. Each member of the Audit Committee shall be an “independent director” as defined under the applicable rules, regulations and listing requirements of the principal stock exchange where the Company’s common stock is listed for trading, as amended from time to time (the “*Exchange Rules*”), except as may otherwise be permitted by the Exchange Rules;
- At least one member of the Audit Committee must have past employment experience in finance, accounting or financial oversight, as required by the Exchange Rules;

- Each member of the Audit Committee must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement; and
- The Audit Committee members shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the “*Chair*”). If the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings.

The principal responsibilities and duties of the Committee in serving the purposes outlined in Section I of this Charter are set forth below. These duties are set forth as a guide with the understanding that the Committee will carry them out in a manner that is appropriate given the Company’s needs and circumstances. The Committee may supplement them as appropriate and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities.
