Note 1—Background

Hertz Global Holdings, Inc. ("Hertz Global" when including its subsidiaries and variable interest entities and "Hertz Holdings" excluding its subsidiaries and variable interest entities) was incorporated in Delaware in 2015 to serve as the top-level holding company for Rental Car Intermediate Holdings, LLC, which wholly owns The Hertz Corporation ("Hertz" and interchangeably with Hertz Global, the "Company"), Hertz Global's primary operating company. Hertz was incorporated in Delaware in 1967 and is a successor to corporations that have been engaged in the vehicle rental and leasing business since 1918. Hertz operates its vehicle rental business globally primarily through the Hertz, Dollar and Thrifty brands from company-owned, licensee and franchisee locations in the United States ("U.S."), Africa, Asia, Australia, Canada, the Caribbean, Europe, Latin America, the Middle East and New Zealand. Through its Donlen subsidiary, Hertz provides vehicle leasing and fleet management services.

Note 2—Basis of Presentation and Recently Issued Accounting Pronouncements

Basis of Presentation

This Quarterly Report on Form 10-Q combines the quarterly reports on Form 10-Q for the quarterly period ended September 30, 2018 of Hertz Global and Hertz. Hertz Global consolidates Hertz for financial statement purposes, therefore, disclosures that relate to activities of Hertz also apply to Hertz Global. In the sections that combine disclosure of Hertz Global and Hertz, this report refers to actions as being actions of the Company, or Hertz Global, which is appropriate because the business is one enterprise and Hertz Global operates the business through Hertz. When appropriate, Hertz Global and Hertz are named specifically for their individual disclosures and any significant differences between the operations and results of Hertz Global and Hertz are separately disclosed and explained.

The Company's unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). In the opinion of management, the unaudited condensed consolidated financial statements reflect all adjustments of a normal recurring nature that are necessary for a fair presentation of the results for the interim periods presented. Interim results are not necessarily indicative of results for a full year.

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and footnotes. Actual results could differ materially from those estimates.

The December 31, 2017 unaudited condensed consolidated balance sheet data is derived from audited financial statements but does not include all disclosures required by U.S. GAAP. The information included in this Quarterly Report on Form 10-Q should be read in conjunction with information included in the Company's Form 10-K for the year ended December 31, 2017 (the "2017 Form 10-K"), as filed with the Securities and Exchange Commission ("SEC") on February 27, 2018. Certain prior period amounts have been reclassified to conform with current period presentation.

As disclosed below in "Recently Issued Accounting Pronouncements," the Company adopted the financial statement disclosure guidance "Restricted Cash" on January 1, 2018.
Principles of Consolidation

The unaudited condensed consolidated financial statements of Hertz Global include the accounts of Hertz Global and its wholly owned and majority owned U.S. and international subsidiaries. The unaudited condensed consolidated financial statements of Hertz include the accounts of Hertz and its wholly owned and majority owned U.S. and international subsidiaries. The Company is the primary beneficiary of certain variable interest entities, therefore, the assets, liabilities, results of operations and cash flows of the variable interest entities are included in the Company's unaudited condensed consolidated financial statements. The Company accounts for its investment in joint ventures using the equity method when it has significant influence but not control and is not the primary beneficiary. All significant intercompany transactions have been eliminated in consolidation.

Out of Period Adjustments

The Company identified a misstatement in its 2016 financial statements, related to the income tax provision, that it corrected in the second quarter of 2017. The cumulative impact of the adjustment was an increase in net loss of approximately $10 million. There was no impact to loss before income taxes. The misstatement related to an error in the tax provision for U.S. income of a foreign equity investment transaction for fiscal year 2016. The Company considered both quantitative and qualitative factors in assessing the materiality of the item and determined that the misstatement was not material to any prior period and not material to the nine months ended September 30, 2017.

Recently Issued Accounting Pronouncements

Adopted

Revenue from Contracts with Customers

In May 2014, the Financial Accounting Standards Board (the "FASB") issued guidance that replaced most existing revenue recognition guidance in U.S. GAAP. The FASB also issued several amendments and updates to the new revenue standard (collectively, "Topic 606"). Topic 606 applies to all contracts with customers except for leases, insurance contracts, financial instruments, certain nonmonetary exchanges and certain guarantees. The core principle of Topic 606 is that an entity should recognize revenue from customers for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services, as well as when an entity should recognize revenue gross as a principal or net as an agent and how an entity should identify performance obligations. Topic 606 requires disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments. The Company adopted Topic 606 on the effective date, January 1, 2018, using a modified retrospective approach applied to all contracts. Prior periods have not been retrospectively adjusted.

The impact to the Company's financial position, results of operations and cash flows is primarily for revenue associated with the redemption of points earned by customers under the Company's loyalty programs ("loyalty points"). For transactions that generate loyalty points to the customer, a portion of revenue is deferred until the loyalty points are redeemed by the customer. The amount of revenue deferred is equivalent to the retail value of each loyalty point less an estimated amount representing loyalty points that are not expected to be redeemed.
The cumulative effect of applying the new guidance to all contracts with customers that were not completed as of January 1, 2018 has been recorded as an adjustment to accumulated deficit, net of tax, as of the adoption date as follows:

The following table presents the amounts for line items in the Company’s unaudited condensed consolidated balance sheet, statement of operations and cash flows impacted by the adoption of Topic 606 as compared to the amounts that would have been recognized in accordance with legacy guidance. Restricted Cash

In November 2016, the FASB issued guidance that clarifies existing guidance on the classification and presentation of restricted cash in the statement of cash flows. The guidance requires entities to show the changes in the total of cash, cash equivalents, restricted cash and restricted cash equivalents in the statement of cash flows. Additionally, entities will no longer present transfers between cash and cash equivalents and restricted cash and restricted cash equivalents in the statement of cash flows. The Company adopted this guidance retrospectively in accordance with the effective date on January 1, 2018.

#### Leases

In February 2016, the FASB issued guidance that replaces the existing lease guidance in U.S. GAAP. The new guidance ("Topic 842") establishes a right-of-use ("ROU") model that requires a lessee to record on the balance sheet a ROU asset and corresponding lease liability based on the present value of future lease payments for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. Topic 842 also expands the requirements for lessees to record leases embedded in other arrangements. Additionally, enhanced quantitative and qualitative disclosures surrounding leases are required which provide financial statement users the ability to assess the amount, timing and uncertainty of cash flows arising from leases. Topic 842 is effective for annual periods beginning after December 15, 2018 and interim periods within those annual periods with early adoption permitted. The Company intends to adopt this guidance, in accordance with the effective date, on January 1, 2019. A modified retrospective transition approach is required for...
both lessees and lessors for existing leases at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. The Company intends to avail itself of the allowable practical expedients for existing or expired contracts of lessees and lessors wherein the Company would not be required to reassess whether such contracts contain leases, the lease classification or the initial direct costs. Additionally, with respect to its real estate and fleet leases, the Company intends to avail itself of the practical expedient for lessees which allows it to elect an accounting policy by class of underlying asset to combine lease and non-lease components. The Company does not intend to utilize the practical expedient which allows the use of hindsight by lessees and lessors in determining the lease term and in assessing impairment of its ROU assets. The Company is in the process of evaluating whether to avail itself of other allowable practicable expedients during transition.

In July 2018, the FASB issued guidance related to Topic 842 that provides an additional transition method that would allow the Company to only apply the new lease standard in the year of adoption. Additionally, the guidance provides a practical expedient for lessors that would allow the Company to elect as an accounting policy, by class of underlying asset, to combine non-lease components with the related lease components, if certain conditions are met. This could allow the Company to account for all revenue earned from the operations of rental vehicles and from other forms of rental related activities under the new lease guidance. The Company plans to adopt the new transition method which allows the application of the standard at the adoption date, January 1, 2019, and will recognize a cumulative-effect adjustment to the opening balances of retained earnings in the period of adoption. The Company intends to avail itself of the practical expedient for lessors which allows it to elect an accounting policy by class of underlying asset to combine lease and non-lease components, with respect to its real estate and fleet leases.

Lessees

Adoption of Topic 842 will result in a material increase in the Company's lease-related assets and liabilities on its balance sheet, primarily for leases of rental locations and other assets. Additionally, adoption of this guidance will impact the statement of cash flows with respect to the presentation of the Company's operating activities, but is not expected to impact its presentation of investing or financing activities. Adoption of Topic 842 is not expected to have a material impact on the Company's results of operations. The Company has reached conclusions on key accounting assessments related to its leases which includes an accounting policy election to not recognize ROU assets or lease liabilities for short-term leases (i.e., those with a term of 12 months or less). The Company is performing an analysis of its lease portfolio to ensure proper application of the new guidance including implementation of internal controls over financial reporting.

Lessor

The Company has concluded that revenue earned from the rental and leasing of vehicles and from other forms of rental related activities wherein an identified asset is transferred to the customer and the customer has the ability to control that asset is within the scope of this guidance and that additional disclosures regarding lease revenue are required upon adoption. The Company is in the process of evaluating the breakdown of its vehicle rental revenues into lease and non-lease components to determine if the recognition timing and pattern of transfer of the non-lease components meet the practical expedient requirements. There is no impact to the nature, timing or recognition of rental lease revenue upon adoption of this guidance.

Reporting Comprehensive Income

In February 2018, the FASB issued guidance that allows a reclassification from accumulated other comprehensive income to retained earnings for the stranded tax effects resulting from the U.S. Tax Cuts and Jobs Act ("TCJA"). The guidance is effective for annual periods beginning after December 15, 2018, and interim periods within those annual periods. The guidance should be applied either in the period of adoption or retrospectively to each period in which the effect of the change in the U.S. federal corporate income tax rate in the TCJA is recognized. The Company will adopt this guidance on January 1, 2019, in accordance with the effective date. Adoption of this guidance will result in a reclassification of certain amounts from accumulated other comprehensive income to retained earnings as of the date adopted.
Changes to Disclosure Requirements for Defined Benefit Plans

In August 2018, the FASB issued guidance that modifies disclosure requirements for employers that sponsor defined benefit pension or other postretirement plans to remove disclosures no longer considered cost beneficial, add disclosures identified as relevant and clarify certain disclosure requirements. The guidance is effective for annual periods beginning after December 15, 2020 using a retrospective transition method. Early adoption is permitted. The Company is in the process of determining the timing of adoption and assessing the overall impact of adopting this guidance on its disclosures.

Customer’s Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement

In August 2018, the FASB issued guidance on a customer’s accounting for implementation fees paid in a cloud computing service contract arrangement that addresses which implementation costs to capitalize as an asset and which costs to expense. Capitalized implementation fees are to be expensed over the term of the cloud computing arrangement, and the expense is required to be recognized in the same line item in the income statement as the associated hosting service expenses. The entity is also required to present the capitalized implementation fees on the balance sheet in the same line item as the prepayment for hosting service fees associated with the cloud computing arrangement.

The guidance is effective for annual periods beginning after December 15, 2019, and interim periods within those annual periods using a retrospective or prospective transition method. Early adoption is permitted, including adoption in any interim period. The Company is in the process of determining the method and timing of adoption and assessing the overall impact of adopting this guidance on its financial position, results of operations and cash flows.

Note 5—Intangible Asset Impairment

As a result of declines in revenue and profitability of the Company and a decline in the share price of Hertz Global's common stock, the Company performed an impairment analysis of its indefinite-lived intangible assets as of June 30, 2017 using the relief from royalty method, a measurement using level 3 inputs under the U.S. GAAP fair value hierarchy. As a result of the analysis, the Company concluded that there was an impairment of the Dollar Thrifty tradename in its U.S. Rental Car segment and recorded a charge of $86 million. The impairment was largely due to a decrease in long-term revenue projections coupled with an increase in the weighted average cost of capital. The carrying value of the Dollar Thrifty tradename subsequent to recording the impairment charge is approximately $934 million, representing its estimated fair value.

HVF II Series 2017-A Notes: In March 2018, HVF II terminated all $500 million of commitments under the HVF II Series 2017-A Notes.

HVF II U.S. Vehicle Medium Term Notes

HVF II Series 2018-2 Notes and HVF II Series 2018-3 Notes: In June 2018, HVF II issued the Series 2018-2 Rental Car Asset Backed Notes, Class A, Class B, Class C and Class D ("the HVF II Series 2018-2 Notes") and the Series 2018-3 Rental Car Asset Backed Notes, Class A, Class B, Class C and Class D ("the HVF II Series 2018-3 Notes") in an aggregate principal amount of approximately $426 million. Hertz purchased the Class D Notes of each such series and as a result, approximately $26 million of the aggregate principal amount is eliminated in consolidation. There is subordination within the HVF II Series 2018-2 Notes and the HVF II Series 2018-3 Notes based on class.

HVF II Series 2018-1 Notes: In January 2018, HVF II issued the Series 2018-1 Rental Car Asset Backed Notes, Class A, Class B, Class C and Class D ("the HVF II Series 2018-1 Notes") in an aggregate principal amount of approximately $1.1 billion. Hertz purchased the Class D Notes of such series and as a result, approximately $58 million of the aggregate principal amount is eliminated in consolidation. There is subordination within the HVF II Series 2018-1 Notes based on class.

HFLF Medium Term Notes

HFLF Series 2018-1 Notes: In May 2018, HFLF issued the Series 2018-1 Asset-Backed Notes, Class A, Class B, Class C, Class D, and Class E (collectively, the "HFLF Series 2018-1 Notes") in an aggregate principal amount of $550 million. The HFLF Series 2018-1 Notes are fixed rate, except for the Class A-1 Notes which are floating rate and carry an interest rate based upon a spread to one-month LIBOR. A portion of the net proceeds of this issuance were used to reduce amounts outstanding under the HFLF Series 2013-2 Notes.

Vehicle Debt - Other

European Vehicle Notes

In March 2018, HHN BV issued 5.50% Senior Notes due March 2023 in an aggregate original principal amount of €500 million (the "2023 Notes"). A portion of the net proceeds from this issuance were used in April 2018 to fully redeem all €425 million of 4.375% Senior Notes due January 2019, and the Company recorded $20 million of charges for the early redemption premium and write-off of deferred financing costs.

European Revolving Credit Facility

In March 2018, HHN BV amended its credit agreement ("European Revolving Credit Facility") to provide for aggregate maximum borrowing capacity (subject to borrowing base availability) of up to €438 million during the peak rental season, for a seasonal commitment period through October 2018. Following the expiration of the seasonal commitment period, aggregate maximum borrowings available under the European Revolving Credit Facility will revert to €235 million (subject to borrowing base availability). In October 2018, the European Revolving Credit Facility was terminated, as further described below.
European ABS

In October 2018, International Fleet Financing No.2 B.V ("IFF No. 2"), a special purpose entity which is intended to be bankruptcy remote, issued variable funding rental car asset backed notes that permit borrowings by IFF No. 2 on a revolving basis in an aggregate amount up to €1.0 billion with a term of two years ("European ABS"). The European ABS is the primary vehicle financing facility for the Company's vehicle rental operations in France, the Netherlands, Germany and Spain. The lenders under the European ABS have been granted a security interest in the owned rental vehicles used in the Company's vehicle rental operations in these countries and certain contractual rights related to such vehicles.

In connection with the above transaction, the Company terminated the European Revolving Credit Facility and the European Securitization.

Canadian Securitization

In May 2018, TCL Funding Limited Partnership, a bankruptcy remote, indirect, wholly owned, special purpose subsidiary of Hertz, amended its supplemental indenture for its Series 2015-A Variable Funding Rental Car Asset Backed Notes (the "Funding LP Series 2015-A Notes") to provide for aggregate maximum borrowing capacity (subject to borrowing base availability) of up to CAD$410 million during the peak rental season, for a seasonal commitment period through October 2018. Following the expiration of the seasonal commitment period, aggregate maximum borrowings available under the Funding LP Series 2015-A Notes will revert to CAD$350 million (subject to borrowing base availability).

U.K. Financing Facility

In May 2018, Hertz U.K. Limited amended its credit agreement ("U.K. Financing Facility") to provide for aggregate maximum borrowing capacity (subject to asset availability) of up to £287.5 million during the peak rental season, and in July 2018, the U.K. Financing Facility was further amended to provide for aggregate maximum borrowing capacity (subject to asset availability) of up to £300 million during the peak rental season, for a seasonal commitment period through September 2018. Following the expiration of the seasonal commitment period, aggregate maximum borrowings available under the U.K. Financing Facility reverted to £250 million (subject to asset availability).

Borrowing Capacity and Availability

Borrowing capacity and availability comes from the Company’s “revolving credit facilities,” which are a combination of variable funding asset-backed securitization facilities, cash-flow-based revolving credit facilities, asset-based revolving credit facilities and a standalone $400 million letter of credit facility (the “Letter of Credit Facility”). Creditors under each such asset-backed securitization facility and asset-based revolving credit facility have a claim on a specific pool of assets as collateral. The Company's ability to borrow under each such asset-backed securitization facility and asset-based revolving credit facility is a function of, among other things, the value of the assets in the relevant collateral pool. With respect to each such asset-backed securitization facility and asset-based revolving credit facility, the Company refers to the amount of debt it can borrow given a certain pool of assets as the borrowing base.

The Company refers to "Remaining Capacity" as the maximum principal amount of debt permitted to be outstanding under the respective facility (i.e., with respect to a variable funding asset-backed securitization facility or asset-based revolving credit facility, the amount of debt the Company could borrow assuming it possessed sufficient assets as collateral) less the principal amount of debt then-outstanding under such facility. With respect to a variable funding asset-backed securitization facility or asset-based revolving credit facility, the Company refers to "Availability Under Borrowing Base Limitation" as the lower of Remaining Capacity or the borrowing base less the principal amount of debt then-outstanding under such facility (i.e., the amount of debt that can be borrowed given the collateral possessed at such time). With respect to the Senior RCF and the Letter of Credit Facility, "Availability Under Borrowing Base Limitation" is the same as "Remaining Capacity" since borrowings under the Senior RCF and the Letter of Credit Facility are not subject to a borrowing base.
The following facilities were available to the Company as of September 30, 2018, and are presented net of any outstanding letters of credit:

**Letters of Credit**

As of September 30, 2018, there were outstanding standby letters of credit totaling $672 million. As disclosed above, the Company terminated letters of credit issued under the Senior RCF and reissued such letters of credit under the Letter of Credit Facility. Issued letters of credit primarily support the Company's insurance programs, vehicle rental concessions and leaseholds as well as to provide credit enhancement for its asset-backed securitization facilities. Of this amount, $360 million was issued under the Senior RCF and $301 million was issued under the Letter of Credit Facility. As of September 30, 2018, none of the issued letters of credit have been drawn upon.

**Special Purpose Entities**

Substantially all of the Company's revenue earning vehicles and certain related assets are owned by special purpose entities, or are encumbered in favor of the lenders under the various credit facilities, other secured financings and asset-backed securities programs. None of such assets (including the assets owned by Hertz Vehicle Financing II LP, Hertz Vehicle Financing LLC, Rental Car Finance LLC, DNRS II LLC, HFLF, Donlen Trust and various international subsidiaries that facilitate the Company's international securitizations) are available to satisfy the claims of general creditors.

The Company has a 25% ownership interest in "IFF No. 2", whose sole purpose is to provide commitments to lend in various currencies subject to borrowing bases comprised of revenue earning vehicles and related assets of certain of Hertz International, Ltd.’s subsidiaries. IFF No. 2 is a variable interest entity and the Company is the primary beneficiary, therefore, the assets, liabilities, and results of operations of IFF No. 2 are included in the Company's unaudited condensed consolidated financial statements. As of September 30, 2018 and December 31, 2017, IFF No. 2 had total assets of $776 million and $524 million, respectively, primarily comprised of loan receivables, and total liabilities of $776 million and $524 million, respectively, primarily comprised of debt and loan payables.

**Covenant Compliance**

The financial covenant provides that Hertz’s consolidated first lien net leverage ratio, as defined in the credit agreements governing the Senior RCF and the Letter of Credit Facility, as of the last day of any fiscal quarter following and including
fiscal quarter ending December 31, 2017 (the "Covenant Leverage Ratio"), may not exceed a ratio of 3.00 to 1.00. As of September 30, 2018, Hertz was in compliance with the Covenant Leverage Ratio.

Note 7—Revenue

The Company recognizes two types of revenue: (i) revenue from contracts with customers; and (ii) lease revenue, which is generated through the fleet leasing operations of its Donlen subsidiary.

As disclosed in the Revenue from Contracts with Customers section of Note 2, “Basis of Presentation and Recently Issued Accounting Pronouncements” ("Note 2"), the Company adopted Topic 606 in accordance with the effective date on January 1, 2018. Note 2 includes disclosures regarding the Company’s method of adoption and the impact on the Company’s financial position, results of operations and cash flows.

In the Leases section of Note 2, the Company discloses that it has concluded that revenue earned from vehicle rentals, and from other forms of rental related activities wherein an identified asset is transferred to the customer and the customer has the ability to control that asset, will be accounted for under Topic 842 upon its adoption. Until the Company adopts Topic 842, vehicle rental and rental related revenues are recognized in accordance with Topic 606.

The Company recognizes revenue net of any taxes or non-concession fees collected from customers on behalf of governmental authorities.

Revenue from Contracts with Customers

The Company operates at airport rental locations in the U.S. and internationally ("airport") and at off airport locations also in the U.S. and internationally ("off airport"). For the Company's airport company-operated rental locations, the Company has obtained concessions or similar leasing agreements or arrangements, granting it the right to conduct a vehicle rental business at the respective airport. The terms of an airport concession typically require the Company to pay the airport's operator concession fees based upon a specified percentage of the revenues it generates at the airport, subject to a minimum annual guarantee. The terms of the Company's concessions typically do not forbid it from seeking, and in a few instances require it to seek, reimbursement from customers for concession fees it pays; however, in certain jurisdictions the law limits or forbids the Company from doing so. Where the Company is required or permitted to seek such reimbursement, it is its general practice to do so. The Company's airport rental customers are typically airline travelers; whereas the Company's off airport rental customers include people who prefer to rent vehicles closer to their home or place of work for business or leisure purposes, as well as those needing to travel to or from airports. The Company's off airport customers also include people who have been referred by, or whose rental costs are being wholly or partially reimbursed by, insurance companies following accidents in which their vehicles were damaged, those expecting to lease vehicles that are not yet available from their leasing companies and replacement renters. In addition, the Company's off airport customers include drivers for transportation network companies ("TNC").
The following table presents revenues from contracts with customers by reportable segment and disaggregated by product/service and type of location and customer:

### Vehicle Rental and Rental Related Revenues

The Company recognizes revenue from its vehicle rental operations when persuasive evidence of a contract exists, the performance obligations have been satisfied, the transaction price is fixed or determinable and collection is reasonably assured. Performance obligations associated with vehicle rental transactions are satisfied over the rental period, except for the portion associated with loyalty points, as further described below. Rental periods are short term in nature. Therefore, the Company has elected to apply the practical expedient which eliminates the requirement to disclose information about remaining performance obligations. Performance obligations associated with rental related activities, such as charges to the customer for the fueling of vehicles and value-added services such as loss damage waivers, insurance products, navigation units, supplemental equipment and other consumables, are also satisfied over the rental period. Revenue from charges that are passed through to the customer, such as gasoline, vehicle licensing and airport concession fees, is recorded on a gross basis with a corresponding charge to direct vehicle and operating.
expense. Sales commissions paid to third parties are generally expensed when incurred due to the short-term nature of the related transaction on which the commission was earned and are recorded within selling, general and administrative expense. Payments are due from customers at the completion of the rental, except for customers with negotiated payment terms, generally net 30 days or less, which are invoiced and remain as accounts receivable until collected.

Loyalty Programs - The Company offers loyalty programs, primarily Hertz Gold Plus Rewards, wherein customers are eligible to earn loyalty points that are redeemable for free rental days or can be converted to loyalty points for redemption of products and services under loyalty programs of other companies. Each transaction that generates loyalty points results in the deferral of revenue equivalent to the retail value of the redemption of the loyalty points. The associated revenue is recognized when the customer redeems the loyalty points at some point in the future. The retail value of loyalty points is estimated based on the expected retail value of the future vehicle rental to be provided less an estimated amount representing loyalty points that are not expected to be redeemed ("breakage"). Breakage is estimated on a quarterly basis and includes significant assumptions such as historical breakage trends and internal Company forecasts. During the three and nine months ended September 30, 2018, based on the net impact of loyalty points earned and redeemed by customers, the Company recorded a net revenue deferral of $9 million and $5 million, respectively. As of September 30, 2018, the value of unredeemed loyalty points is $271 million, which is recorded as a contract liability in accrued liabilities in the accompanying unaudited condensed consolidated balance sheet.

Customer Rebates - The Company has business customers that rent vehicles based on terms that have been negotiated through contracts with their employers, or other entities with which they are associated ("commercial contracts"), which can differ substantially from the terms on which the Company rents vehicles to the general public. Some of the commercial contracts contain provisions which allow for rebates to the entity based on achieving a specific rental volume threshold. Rebates are treated as variable consideration and are recognized as a reduction of revenue at the time of the rental based on the rebate expected to be earned by the entity.

Licensee Revenue

The Company has franchise agreements which allow an independent entity to rent their vehicles under the Company’s brands, primarily Hertz, Dollar or Thrifty, for a fee ("franchise fee"). Franchise fees are earned over time for the duration of the franchise agreement and are typically based on the larger of a minimum payment or an amount representing a percentage of net sales of the franchised business. Franchise fees are recognized as earned and when collectability is reasonably assured. Franchise fees that relate to a future contract term, such as initial fees or renewal fees, are deferred and recognized over the term of the franchise agreement. The Company has elected to apply one of the practical expedients under Topic 606, and as such the value of unsatisfied performance obligations for sales-based royalty fees from franchisees is not disclosed.

Ancillary Retail Vehicle Sales Revenue

Ancillary retail vehicle sales represent revenues generated from the sale of warranty contracts, financing and title fees, and other ancillary services associated with vehicles disposed of at the Company’s retail outlets. These revenues are recorded at the point in time when the Company sells the product or provides the service to the customer. These revenues exclude the sale price of the vehicle which is a component of the gain or loss on the disposition and is included in depreciation of revenue earning vehicles and lease charges, net.

Fleet Management Revenue

The Company's Donlen subsidiary generates revenue from various fleet management services, such as fuel purchasing and management, preventive maintenance, repair consultation, toll management and accident management. Fleet management revenue is recognized net of any fees collected from customers on behalf of third-party service providers, as services are rendered.
Contract Balances

The Company recognizes receivables and liabilities resulting from its contracts with customers. Contract receivables primarily consist of receivables from customers for vehicle rentals. Contract liabilities primarily consist of obligations to customers for prepaid vehicle rentals and related to the Company’s points-based loyalty programs.

The contract liability balance as of September 30, 2018 is $351 million and is included in accrued liabilities in the accompanying unaudited condensed consolidated balance sheet. The contract liability as of January 1, 2018, after giving effect to the adoption of Topic 606, was $345 million and revenue recognized during the nine months ended September 30, 2018 for such contract liabilities is $129 million. The contract liability as of June 30, 2018 was $412 million and revenue recognized during the three months ended September 30, 2018 for such contract liabilities is $164 million.

Note 8—Income Tax (Provision) Benefit

The Company recognized the income tax effects of the tax reform legislation commonly referred to as the Tax Cuts and Jobs Act ("TCJA") in its audited consolidated financial statements included in the Company’s 2017 Form 10-K in accordance with Staff Accounting Bulletin No. 118, which provides SEC staff guidance for the application of Topic 740, Income Taxes, in the reporting period in which the TCJA was signed into law. The guidance also provides for a measurement period of up to one year from the enactment date for the Company to complete the accounting for the U.S. tax law changes. As such, the Company’s 2017 financial position reflects the provisional estimate of the income tax effects of the TCJA, which was based on certain assumptions and the Company’s interpretation of the law at that time.

During the third quarter of 2018, the Company further analyzed tax liabilities associated with the deemed repatriation of cumulative earnings from foreign subsidiaries. As a result of the analysis, the Company has recorded a non-cash tax expense of approximately $15 million, consisting of a $25 million one-time transition tax liability, offset by $10 million of remeasured net operating losses. The amounts recorded are estimates and are subject to change as the Company continues to analyze the impact of TCJA provisions.

The income tax provision for the three and nine months ended September 30, 2018 also incorporates the TCJA’s changes to deductions for executive compensation and meals and entertainment. Other provisions include global intangible low-tax income ("GILTI"), base erosion anti-avoidance tax ("BEAT"), foreign-derived intangible income ("FDII") and an interest expense deduction limitation. As of September 30, 2018, the Company estimates no short-to-medium term tax liability resulting from GILTI, BEAT, FDII, or the interest limitation. These estimates are based on the Company’s current interpretation of the TCJA. These assumptions and interpretations may change as the interpretation of the TCJA evolves and as additional clarification and implementation guidance are issued.

Changes in the estimates described above could potentially affect the measurement of deferred tax assets and liabilities or potentially give rise to new deferred tax amounts.

Hertz Global

The effective tax rate for the three months ended September 30, 2018 and 2017 is (23)% and (35)%, respectively. The effective tax rate for the nine months ended September 30, 2018 and 2017 is 9% and 27%, respectively.

The Company recorded a tax provision of $41 million for the three months ended September 30, 2018, compared to $50 million for the three months ended September 30, 2017. The effective income tax rate and related tax expense are lower for the three months ended September 30, 2018 primarily due to the reduced corporate tax rate as a result of the TCJA, tax credits, and the composition of earnings by jurisdictions, partially offset by a net provisional amount of $15 million for the one-time transition tax related to TCJA.

The Company recorded a tax benefit of $12 million for the nine months ended September 30, 2018, compared to $108 million for the nine months ended September 30, 2017. The effective income tax rate and related tax benefit are lower.
for the nine months ended September 30, 2018 primarily due to the reduced corporate tax rate as a result of the TCJA, reduced corporate losses, and the composition of earnings by jurisdictions, partially offset by a net provisional amount of $15 million for the one-time transition tax related to TCJA.

**Hertz**

The effective tax rate for the three months ended September 30, 2018 and 2017 is (23)% and (35)%, respectively. The effective tax rate for the nine months ended September 30, 2018 and 2017 is 8% and 27%, respectively.

The Company recorded a tax provision of $42 million for the three months ended September 30, 2018, compared to $50 million for the three months ended September 30, 2017. The effective income tax rate and related tax expense are lower for the three months ended September 30, 2018 primarily due to the reduced corporate tax rate as a result of the TCJA, tax credits, and the composition of earnings by jurisdictions, partially offset by a net provisional amount of $15 million for the one-time transition tax related to TCJA.

The Company recorded a tax benefit of $10 million for the nine months ended September 30, 2018, compared to $107 million for the nine months ended September 30, 2017. The effective income tax rate and related tax benefit are lower for the nine months ended September 30, 2018 primarily due to the reduced corporate tax rate as a result of the TCJA, reduced corporate losses, and the composition of earnings by jurisdictions, partially offset by a net provisional amount of $15 million for the one-time transition tax related to TCJA.

**Note 9—Earnings (Loss) Per Share - Hertz Global**

Basic earnings (loss) per share has been computed based upon the weighted average number of common shares outstanding. Diluted earnings (loss) per share has been computed based upon the weighted average number of common shares outstanding plus the effect of all potentially dilutive common stock equivalents, except when the effect would be anti-dilutive.

The following table sets forth the computation of basic and diluted earnings (loss) per share:

**Note 10—Fair Value Measurements**

**Assets and Liabilities Measured at Fair Value on a Recurring Basis**

The fair value of cash, restricted cash, accounts receivable, accounts payable and accrued expenses, to the extent the underlying liability will be settled in cash, approximates the carrying values because of the short-term nature of these instruments.
Cash Equivalents, Restricted Cash Equivalents and Investments

The Company’s cash equivalents and restricted cash equivalents primarily consist of investments in money market funds and time deposits. The Company determines the fair value of cash equivalents using a market approach based on quoted prices in active markets (Level 1 inputs).

Investments in equity securities that are measured at fair value on a recurring basis consist of marketable securities.

The following table summarizes the ending balances of the Company’s cash equivalents, restricted cash equivalents and investments:

Debt Obligations

The fair value of debt is estimated based on quoted market rates as well as borrowing rates currently available to the Company for loans with similar terms and average maturities (Level 2 inputs).

Assets and Liabilities Measured at Fair Value on a Non-Recurring Basis

In March 2017, as further described in Note 3, “Acquisitions and Divestitures,” the Company determined it had an other than temporary loss in value of its equity method investment. In June 2017, as further described in Note 5, “Intangible Asset Impairment,” the Company recorded impairment charges for the Dollar Thrifty tradename.

The Company measured the assets and liabilities of its Brazil Operations at fair value as of March 31, 2017 and June 30, 2017, while held for sale, and recorded a pre-tax gain of $4 million and a loss of $4 million, respectively. The Brazil Operations were sold in August 2017 and the Company recorded a pre-tax gain of $6 million as further described in Note 3, “Acquisitions and Divestitures.”

Note 11—Contingencies and Off-Balance Sheet Commitments

Legal Proceedings

Public Liability and Property Damage

The Company is currently a defendant in numerous actions and has received numerous claims on which actions have not yet been commenced for public liability and property damage arising from the operation of motor vehicles rented from the Company. The obligation for public liability and property damage on self-insured U.S. and international vehicles, as stated on the accompanying unaudited condensed consolidated balance sheets, represents an estimate for both reported accident claims not yet paid and claims incurred but not yet reported. The related liabilities are recorded on a non-discounted basis. Reserve requirements are based on rental volume and actuarial evaluations of historical accident claim experience and trends, as well as future projections of ultimate losses, expenses, premiums and
administrative costs. As of September 30, 2018 and December 31, 2017, the Company's liability recorded for public liability and property damage matters is $439 million and $427 million, respectively. The Company believes that its analysis is based on the most relevant information available, combined with reasonable assumptions, and that the Company may prudently rely on this information to determine the estimated liability. The liability is subject to significant uncertainties. The adequacy of the liability reserve is regularly monitored based on evolving accident claim history and insurance related state legislation changes. If the Company's estimates change or if actual results differ from these assumptions, the amount of the recorded liability is adjusted to reflect these results.

Other Matters

From time to time the Company is a party to various legal proceedings, typically involving operational issues common to the vehicle rental business, including claims by employees and former employees, and governmental investigations. The Company has summarized below the most significant legal proceedings to which the Company was and/or is a party to during the nine months ended September 30, 2018 or the period after September 30, 2018, but before the filing of this Report on Form 10-Q.

In re Hertz Global Holdings, Inc. Securities Litigation - In November 2013, a purported shareholder class action, Pedro Ramirez, Jr. v. Hertz Global Holdings, Inc., et al., was commenced in the U.S. District Court for the District of New Jersey naming Old Hertz Holdings (as defined in the Company's 2017 Form 10-K) and certain of its officers as defendants and alleging violations of the federal securities laws. The complaint alleged that Old Hertz Holdings made material misrepresentations and/or omissions of material fact in its public disclosures during the period from February 25, 2013 through November 4, 2013, in violation of Section 10(b) and 20(a) of the Securities Exchange Act of 1934, as amended, and Rule 10b-5 promulgated thereunder. The complaint sought an unspecified amount of monetary damages on behalf of the purported class and an award of costs and expenses, including counsel fees and expert fees. In June 2014, Old Hertz Holdings responded to the amended complaint by filing a motion to dismiss. After a hearing in October 2014, the court granted Old Hertz Holdings' motion to dismiss the complaint. The dismissal was without prejudice and plaintiff was granted leave to file a second amended complaint within 30 days of the order. In November 2014, plaintiff filed a second amended complaint which shortened the putative class period such that it was not alleged to have commenced until May 18, 2013 and made allegations that were not substantively very different than the allegations in the prior complaint. In early 2015, this case was assigned to a new federal judge in the District of New Jersey, and Old Hertz Holdings responded to the second amended complaint by filing another motion to dismiss. On July 22, 2015, the court granted Old Hertz Holdings' motion to dismiss without prejudice and ordered that plaintiff could file a third amended complaint on or before August 22, 2015. On August 21, 2015, plaintiff filed a third amended complaint. The third amended complaint included additional allegations, named additional current and former officers as defendants and expanded the putative class period such that it was alleged to span from February 14, 2013 to July 16, 2015. Plaintiffs filed a fourth amended complaint to add a new plaintiff on March 1, 2016. Old Hertz Holdings and the individual defendants moved to dismiss the fourth amended complaint in its entirety with prejudice on March 24, 2016, and plaintiff filed its opposition to same. The court granted Old Hertz Holdings' motion to dismiss with prejudice on April 27, 2017. The plaintiffs appealed to the United States Court of Appeals for the Third Circuit and filed their Initial Brief in November 2017. Old Hertz Holdings joined by two of the individual defendants along with a separate brief by one of the individual defendants - filed Opposition Briefs in January 2018. The plaintiffs' Reply Brief was thereafter filed in February 2018. Oral arguments were held on June 12, 2018. On September 20, 2018, the Third Circuit affirmed the dismissal of the fourth amended complaint with prejudice.

Governmental Investigations - In June 2014, the Company was advised by the staff of the New York Regional Office of the Securities and Exchange Commission ("SEC") that it is investigating the events disclosed in certain of the Company’s filings with the SEC. In addition, starting in June 2016 the Company has had communications with the U.S. Attorney’s Office for the District of New Jersey regarding the same or similar events. The investigations and communications generally involve the restatements included in the Old Hertz Holdings Form 10-K for the year ended December 31, 2014, as filed with the SEC on July 16, 2015 and related accounting for prior periods. The Company has and intends to continue to cooperate with all requests related to the foregoing. The Company is engaged in discussions with the enforcement staff of the New York office of...
the SEC ("Staff") to resolve certain matters under investigation. Any proposed settlement that might result from discussions with the Staff would be subject to additional reviews and approvals, including acceptance and authorization by the SEC. The Company cannot predict the ultimate timing or the final terms of a possible settlement, including any settlement amount. The Company has accrued a loss contingency of $13.6 million which is its best estimate of probable loss based on current circumstances. It is possible that the final settlement could result in losses that exceed the accrual and could be material to the Company's consolidated financial condition, results of operations or cash flows.

Additionally, the Company previously identified certain activities in Brazil that raised issues under the Foreign Corrupt Practices Act (the "FCPA") and other federal and local laws, which the Company self-reported to appropriate government entities. The matters associated with the FCPA and other federal matters have been resolved without further action by the applicable U.S. government entities. The Company is continuing its cooperation with respect to matters under local Brazilian laws. The Company has accrued a loss contingency with respect to the ongoing Brazil-related matters that is not material. However, it is possible that an adverse outcome with respect to the ongoing matters in Brazil could result in losses that could be material to the Company's consolidated financial condition, results of operations or cash flows in any particular reporting period.

French Road Tax - The French Tax Authority has challenged the historic practice of several vehicle rental companies, including Hertz France, of registering vehicles in jurisdictions where it is established and where the road tax payable with respect to those vehicles is lower than the road tax payable in the jurisdictions where the vehicles will primarily be used. In respect of a period in 2005, the Company has unsuccessfully appealed the French tax assessment to the highest Administrative court in France. In respect of a period from 2003 to 2005, following an adverse judgment, the Company appealed the French Tax Authority’s assessment to the Civil Court of Appeal. In March 2017, the Company received an adverse judgment in the 2003-2005 road tax appeal from the Civil Court of Appeal. The Company appealed this decision to the Supreme Civil Court in May 2017. In December 2017, the French Tax Authority issued an assessment for registration tax for the year 2014 and the Company submitted a rebuttal to the French Tax Authority in February 2018. The Company began reserving for this matter in 2015 and assesses the reserve on a quarterly basis as part of the financial statements close process.

In addition to the matters described above, the Company maintains an internal compliance program through which it from time to time identifies other potential violations of laws and regulations applicable to the Company. When the Company identifies such matters, the Company conducts an internal investigation and otherwise cooperates with governmental authorities, as appropriate.

The Company has established reserves for matters where the Company believes that losses are probable and can be reasonably estimated. Other than the aggregate reserve established for claims for public liability and property damage, none of those reserves are material. For matters, including certain of those described above, where the Company has not established a reserve, the ultimate outcome or resolution cannot be predicted at this time, or the amount of ultimate loss, if any, cannot be reasonably estimated. These matters are subject to many uncertainties and the outcome of the individual litigated matters is not predictable with assurance. It is possible that certain of the actions, claims, inquiries or proceedings, including those discussed above, could be decided unfavorably to the Company or any of its subsidiaries involved. Accordingly, it is possible that an adverse outcome from such a proceeding could exceed the amount accrued in an amount that could be material to the accompanying consolidated financial condition, results of operations or cash flows in any particular reporting period.

Indemnification Obligations

In the ordinary course of business, the Company has executed contracts involving indemnification obligations customary in the relevant industry and indemnifications specific to a transaction such as the sale of a business. These indemnification obligations might include claims relating to the following: environmental matters; intellectual property rights; governmental regulations and employment-related matters; customer, supplier and other commercial contractual relationships; and financial matters. Specifically, the Company has indemnified various parties for the costs associated
with remediating numerous hazardous substance storage, recycling or disposal sites in many states and, in some instances, for natural resource damages. The amount of any such expenses or related natural resource damages for which the Company may be held responsible could be substantial. In addition, Hertz entered into customary indemnification agreements with Hertz Holdings and certain of the Company's stockholders and their affiliates pursuant to which Hertz Holdings and Hertz will indemnify those entities and their respective affiliates, directors, officers, partners, members, employees, agents, representatives and controlling persons, against certain liabilities arising out of performance of a consulting agreement with Hertz Holdings and each of such entities and certain other claims and liabilities, including liabilities arising out of financing arrangements or securities offerings. The Company has entered into customary indemnification agreements with each of its directors and certain of its officers. Performance under these indemnification obligations would generally be triggered by a breach of terms of the contract or by a third-party claim. In connection with the Spin-Off, the Company executed an agreement with Herc Holdings that contains mutual indemnification clauses and a customary indemnification provision with respect to liability arising out of or resulting from assumed legal matters. The Company regularly evaluates the probability of having to incur costs associated with these indemnification obligations and has accrued for expected losses that are probable and estimable.

Note 12—Related Party Transactions

Agreements with the Icahn Group

In the normal course of business, the Company purchases goods and services and leases property from entities controlled by Carl C. Icahn and his affiliates, including The Pep Boys - Manny, Moe & Jack (collectively, the "Icahn Group"). During the three months ended September 30, 2018 and 2017, the Company purchased approximately $10 million and $3 million, respectively, worth of goods and services from these related parties. During the nine months ended September 30, 2018 and 2017, the Company purchased approximately $27 million and $8 million, respectively, worth of goods and services from these related parties.

In May 2018, the Company sold approximately $36 million of marketable securities to the Icahn Group at the then current market price of such securities.

Transactions between Hertz Holdings and Hertz

In June 2017, Hertz entered into a master loan agreement with Hertz Holdings for a facility size of $425 million with an expiration in June 2018 (the "2017 Master Loan"). The interest rate is based on the U.S. Dollar LIBOR rate plus a margin.

In June 2018, upon expiration of the 2017 Master Loan, Hertz entered into a new master loan agreement with Hertz Holdings for a facility size of $425 million with an expiration in June 2019 (the "2018 Master Loan") where amounts outstanding under the 2017 Master Loan were transferred to the 2018 Master Loan. The interest rate is based on the U.S. Dollar LIBOR rate plus a margin. As of September 30, 2018 and December 31, 2017, there was $115 million and $107 million, respectively, outstanding under the 2018 Master Loan representing advances and any accrued but unpaid interest.

As of September 30, 2018 and December 31, 2017, Hertz has a due to affiliate in the amount of $65 million, which represents its tax-related liability to Hertz Holdings.

The above amounts are included in equity in the accompanying unaudited condensed consolidated balance sheets of Hertz.
Other Relationships

In January 2018, Hertz entered into a Master Motor Vehicle Lease and Management Agreement (the "767 Lease Agreement") pursuant to which Hertz granted 767 Auto Leasing LLC ("767"), an entity affiliated with the Icahn Group, the option to acquire certain vehicles from Hertz at rates aligned with the rates at which Hertz sells vehicles to third parties. Hertz will lease the vehicles, purchased by 767 under the 767 Lease Agreement or from third parties, under a mutually developed fleet plan and Hertz will manage, service, repair, sell and maintain those leased vehicles on behalf of 767. Hertz will rent the leased vehicles to drivers of TNC, including Lyft, Inc. drivers, from rental counters within locations leased or owned by affiliates of 767, including locations operated under a master lease agreement with The Pep Boys - Manny, Joe & Jack. The 767 Lease Agreement has an initial term of 18 months and is subject to automatic six-month renewals thereafter, unless terminated by either party (with or without cause) prior to the start of any such six-month renewal. 767’s payment obligations under the 767 Lease Agreement are guaranteed by American Entertainment Properties Corp. ("American"), an entity affiliated with Mr. Icahn. American contributed $15 million and $25 million to 767 during the three and nine months ended September 30, 2018, respectively. During the three and nine months ended September 30, 2018, the Company sold approximately 1,000 and 1,600 vehicles, respectively, to 767 for approximately $11 million and $18 million, respectively.

The Company is entitled to 25% of the profit from the rental of the leased vehicles, as specified in the 767 Lease Agreement, which is variable and based primarily on the rental revenue, less certain costs, such as depreciation, licensing and maintenance expenses. The Company has determined that it is the primary beneficiary of 767 due to its power to direct the activities of 767 that most significantly impact 767’s economic performance and the Company’s obligation to absorb 25% of 767’s gains/losses. Accordingly, 767 is consolidated by the Company as a VIE.

Note 13—Segment Information

The Company has identified three reportable segments, which are organized based on the products and services provided by its operating segments and the geographic areas in which its operating segments conduct business, as follows:

- **U.S. Rental Car ("U.S. RAC")** - rental of vehicles (cars, crossovers and light trucks), as well as sales of value-added services, in the U.S. and consists of the Company’s U.S. operating segment;
- **International Rental Car ("International RAC")** - rental and leasing of vehicles (cars, vans, crossovers and light trucks), as well as sales of value-added services, internationally and consists of the Company's Europe and Other International operating segments, which are aggregated into a reportable segment based primarily upon similar economic characteristics, products and services, customers, delivery methods and general regulatory environments;
- **All Other Operations** - primarily consists of the Company's Donlen business, which provides vehicle leasing and fleet management services, together with other business activities which represent less than 2% of revenues and expenses of the segment.

In addition to the above reportable segments, the Company has corporate operations ("Corporate") which includes general corporate assets and expenses and certain interest expense (including net interest on non-vehicle debt).
The following tables provide significant statement of operations and balance sheet information by segment for each of Hertz Global and Hertz, as well as adjusted pre-tax income (loss), the segment measure of profitability.

Note 14—Guarantor and Non-Guarantor Condensed Consolidating Financial Information - Hertz

The following condensed consolidating financial information presents the Condensed Consolidating Balance Sheets as of September 30, 2018 and December 31, 2017, the Condensed Consolidating Statements of Operations and Comprehensive Income (Loss) for the three and nine months ended September 30, 2018 and 2017 and the Statements of Cash Flows for the nine months ended September 30, 2018 and 2017 of (a) The Hertz Corporation, ("Parent"); (b) the Parent's subsidiaries that guarantee the Senior Notes issued by the Parent ("Guarantor Subsidiaries"); (c) the Parent's subsidiaries that do not guarantee the Senior Notes issued by the Parent ("Non-Guarantor Subsidiaries"); (d) elimination entries necessary to consolidate the Parent with the Guarantor Subsidiaries and Non-Guarantor Subsidiaries ("Eliminations"); and of (e) Hertz on a consolidated basis.

Investments in subsidiaries are accounted for using the equity method for purposes of the consolidating presentation. The principal elimination entries relate to investments in subsidiaries and intercompany balances and transactions. The Guarantor Subsidiaries are 100% owned by the Parent and all guarantees are full and unconditional and joint and several. Additionally, substantially all of the assets of the Guarantor Subsidiaries are pledged under the Senior Facilities and Senior Second Priority Secured Notes, and consequently will not be available to satisfy the claims of Hertz’s general creditors. In lieu of providing separate unaudited financial statements for the Guarantor Subsidiaries, Hertz has included the accompanying condensed consolidating financial statements based on Rule 3-10 of the SEC's Regulation S-X. Management of Hertz does not believe that separate financial statements of the Guarantor Subsidiaries are material to Hertz’s investors; therefore, separate financial statements and other disclosures concerning the Guarantor Subsidiaries are not presented.

During the preparation of the condensed consolidating financial information of The Hertz Corporation and Subsidiaries as of and for the year ended December 31, 2017, it was determined that there were classification errors within the investing section of the statements of cash flows that resulted in overstatement of capital contributions to subsidiaries and return of capital from subsidiaries for the Parent and classification errors within the financing section of the statements of cash flows that resulted in overstatement of capital contributions received from parent and payment of dividends and returns of capital for the Non-Guarantor Subsidiaries. The overstatement was $164 million for the nine months ended September 30, 2017. The errors, which the Company has determined are not material to this disclosure, had no impact to cash from investing activities for the Parent or cash from financing activities of the Non-Guarantor Subsidiaries, and had no impact to any cash flows of the Guarantor Subsidiaries. These errors are eliminated in
consolidation and therefore have no impact on the Company’s unaudited condensed consolidated financial condition, results of operations or cash flows. The Company has revised the Condensed Consolidating Statements of Cash Flows for the Parent, Non-Guarantor Subsidiaries and Eliminations for the nine months ended September 30, 2017 to correct for these errors.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Hertz Global Holdings, Inc. (together with its consolidated subsidiaries and variable interest entities, "Hertz Global") is a holding company and its principal, wholly owned subsidiary is The Hertz Corporation (together with its consolidated subsidiaries and variable interest entities, "Hertz"). As Hertz Global consolidates Hertz for financial statement purposes, disclosures that relate to activities of Hertz also apply to Hertz Global, unless otherwise noted. Hertz comprises approximately the entire balance of Hertz Global's assets, liabilities and operating cash flows. In addition, Hertz's operating revenues and operating expenses comprise nearly 100% of Hertz Global's revenues and operating expenses. As such, Management's Discussion and Analysis of Financial Condition and Results of Operations ("MD&A") that follows for Hertz also applies to Hertz Global in all material respects, and differences between the operations and results of Hertz and Hertz Global are separately disclosed and explained. We sometimes use the words "we," "our," "us," and the "Company" in this MD&A for disclosures that relate to all of Hertz and Hertz Global.

This MD&A should be read in conjunction with the MD&A presented in our 2017 Form 10-K and the unaudited condensed consolidated financial statements and accompanying notes included in Part I, Item 1 of this Report on Form 10-Q for the quarterly period ended September 30, 2018 (this "Report"), which include additional information about our accounting policies, practices and the transactions underlying our financial results. The preparation of our unaudited condensed consolidated financial statements in conformity with U.S. GAAP requires us to make estimates and assumptions that affect the reported amounts in our unaudited condensed consolidated financial statements and the accompanying notes including vehicle depreciation and various claims and contingencies related to lawsuits, taxes and other matters arising during the normal course of business. We apply our best judgment, our knowledge of existing facts and circumstances and our knowledge of actions that we may undertake in the future in determining the estimates that will affect our unaudited condensed consolidated financial statements. We evaluate our estimates on an ongoing basis using our historical experience, as well as other factors we believe to be appropriate under the circumstances, such as current economic conditions, and adjust or revise our estimates as circumstances change. As future events and their effects cannot be determined with precision, actual results may differ from these estimates.

In this MD&A we refer to certain key metrics and non-GAAP measures, including the following:

- Adjusted Pre-Tax Income (Loss) - important to management because it allows management to assess the operational performance of our business, exclusive of certain items, and allows management to assess the performance of the entire business on the same basis as the segment measure of profitability. Management believes that it is important to investors for the same reasons it is important to management and because it allows them to assess our operational performance on the same basis that management uses internally.

- Net Depreciation Per Unit Per Month - important to management and investors as depreciation of revenue earning vehicles and lease charges is one of our largest expenses for the vehicle rental business and is driven by the number of vehicles, expected residual values at the time of disposal and expected hold period of the vehicles. Net Depreciation Per Unit Per Month is reflective of how we are managing the costs of our vehicles and facilitates a comparison with other participants in the vehicle rental industry.

- Total Revenue Per Transaction Day ("Total RPD," also referred to as "pricing") - important to management and investors as it represents a measurement of the changes in underlying pricing in the vehicle rental business and encompasses the elements in vehicle rental pricing that management has the ability to control.

- Total Revenue Per Unit Per Month ("Total RPU") - important to management and investors as it provides a measure of revenue productivity relative to the total number of vehicles in our fleet whether owned or leased ("Average Vehicles" or "fleet capacity").

- Transaction Days - important to management and investors as it represents the number of revenue generating days ("volume"). It is used as a component to measure Total RPD and Vehicle Utilization. Transaction Days represent the total number of 24-hour periods, with any partial period counted as one transaction day, that vehicles were on rent (the period between when a rental contract is opened and closed) in a given period. Thus, it is possible for a vehicle to attain more than one transaction day in a 24-hour period.

- Vehicle Utilization - important to management and investors because it is the measurement of the proportion of our vehicles that are being used to generate revenues relative to fleet capacity. Higher vehicle utilization means more vehicles are being utilized to generate revenue.
ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

Key metrics and non-GAAP measures should not be considered in isolation and should not be considered superior to, or a substitute for, financial measures calculated in accordance with U.S. GAAP. The above key metrics and non-GAAP measures are defined, and the non-GAAP measures are reconciled to their most comparable U.S. GAAP measure, in the “Footnotes to the Results of Operations and Selected Operating Data by Segment Tables” section of this MD&A.

OUR COMPANY

Hertz Global was incorporated in Delaware in 2015 to serve as the top-level holding company for Rental Car Intermediate Holdings, LLC, which wholly owns Hertz, Hertz Global’s primary operating company. Hertz was incorporated in Delaware in 1967 and is a successor to corporations that have been engaged in the vehicle rental and leasing business since 1918.

We operate our vehicle rental business globally through the Hertz, Dollar and Thrifty brands from approximately 10,200 corporate and franchisee locations in North America, Europe, Latin America, Africa, Asia, Australia, the Caribbean, the Middle East and New Zealand. We are one of the largest worldwide airport general use vehicle rental companies and our Hertz brand name is one of the most recognized globally, signifying leadership in quality rental services and products. We have an extensive network of rental locations in the U.S. and in all major European markets. We believe that we maintain one of the leading airport vehicle rental brand market shares, by overall reported revenues, in the U.S. and at major airports in Europe where data regarding vehicle rental concessionaire activity is available. We are a leading provider of comprehensive, integrated vehicle leasing and fleet management solutions through our Donlen subsidiary.

OVERVIEW OF OUR BUSINESS AND OPERATING ENVIRONMENT

We are engaged principally in the business of renting and leasing vehicles primarily through our Hertz, Dollar and Thrifty brands. In addition to vehicle rental, we provide comprehensive, integrated vehicle leasing and fleet management solutions through our Donlen subsidiary. We have a diversified revenue base and a highly variable cost structure and are able to adjust fleet capacity, the most significant determinant of our costs, over time to meet expectations of market demand. Our profitability is primarily a function of the volume, mix and pricing of rental transactions and the utilization of vehicles, the related ownership cost of vehicles and other operating costs. Significant changes in the purchase price or residual values of vehicles or interest rates can have a significant effect on our profitability depending on our ability to adjust pricing for these changes. We continue to balance our mix of non-program and program vehicles based on market conditions, including residual values. Our business requires significant expenditures for vehicles, and consequently we require substantial liquidity to finance such expenditures. See “Liquidity and Capital Resources” below.

Our strategy includes optimization of our vehicle rental operations, disciplined performance management and evaluation of all locations and the pursuit of same-store sales growth.

Our total revenues primarily are derived from rental and related charges and consist of:

- Vehicle rental revenues - revenues from all company-operated vehicle rental operations, including charges to customers for the reimbursement of costs incurred relating to airport concession fees and vehicle license fees, the fueling of vehicles and revenues associated with value-added services associated with vehicle rentals, including the sale of loss or collision damage waivers, liability insurance coverage, parking and other products and fees, ancillary revenues associated with the retail vehicle sales channel and certain royalty fees from our franchisees (such fees are less than 2% of total revenues each period); and
- All other operations revenues - revenues from vehicle leasing and fleet management services by our Donlen business and other business activities.

Our expenses primarily consist of:

- Direct vehicle and operating expense ("DOE") - primarily wages and related benefits, commissions and concession fees paid to airport authorities, travel agents and others, facility, self-insurance and reservation
ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

costs and other costs relating to the operation and rental of revenue earning vehicles, such as damage, maintenance and fuel costs;

• Depreciation expense and lease charges, net relating to revenue earning vehicles (including net gains or losses on the disposal of such vehicles);

• Selling, general and administrative expense ("SG&A"), which includes costs for information technology and finance transformation programs; and

• Interest expense, net.

Our Business Segments

We have identified three reportable segments, which are organized based on the products and services provided by our operating segments and the geographic areas in which our operating segments conduct business, as follows:

• U.S. Rental Car ("U.S. RAC") - Rental of vehicles, as well as sales of value-added services, in the U.S.;

• International Rental Car ("International RAC") - Rental and leasing of vehicles, as well as sales of value-added services, internationally; and

• All Other Operations - Comprised primarily of our Donlen business, which provides vehicle leasing and fleet management services, and other business activities.

In addition to the above reportable segments, we have Corporate operations. We assess performance and allocate resources based upon the financial information for our operating segments.

Fleet

We periodically review and adjust the mix between program and non-program vehicles in our fleet in an effort to optimize the mix of vehicles. Program vehicles generally provide us with flexibility to increase or reduce the size of our fleet based on economic demand. When we increase the percentage of program vehicles, the average age of our fleet decreases since the average holding period for program vehicles is shorter than for non-program vehicles. We dispose of our non-program vehicles via auction, dealer-direct and our retail locations. Non-program vehicles disposed of through our retail outlets allow us the opportunity for value-added revenue, such as warranty, financing and title fees. We adjust the ratio of program and non-program vehicles in our fleet as needed based on contract negotiations and the economic environment pertaining to our industry.

Seasonality

Our vehicle rental operations are a seasonal business, with decreased levels of business in the winter months and heightened activity during the spring and summer peak ("our peak season") for the majority of countries where we generate our revenues. To accommodate increased demand, we increase our available fleet and staff during the second and third quarters of the year. As business demand declines, vehicles and staff are decreased accordingly. A number of our other major operating costs, including airport concession fees, commissions and vehicle liability expenses, are directly related to revenues or transaction volumes. In addition, our management expects to utilize enhanced process improvements, including utilization initiatives and the use of our information technology systems, to help manage our variable costs. Generally, between 70% and 75% of our annual operating costs represent variable costs, while the remaining costs are fixed or semi-fixed. We also maintain a flexible workforce, with a significant number of part-time and seasonal workers. Certain operating expenses, including real estate taxes, rent, insurance, utilities, maintenance and other facility-related expenses, the costs of operating our information technology systems and minimum staffing costs, remain fixed and cannot be adjusted for seasonal demand.

Adoption of the new Revenue Standard

Effective January 1, 2018, we adopted the new revenue standard, Topic 606, which resulted in a net increase to beginning accumulated deficit in the amount of $189 million related to the cumulative effect of our loyalty program. The adoption of Topic 606 did not have a significant impact to our results of operations for the third quarter and nine months ended September 30, 2018. See the Revenue from Contracts with Customers section in Note 2, “Basis of Presentation and Recently Issued Accounting Pronouncements” for further information.

Three Months Ended September 30, 2018 Compared with Three Months Ended September 30, 2017

Total revenues increased $186 million, or 7%, due primarily to an increase of $167 million and $15 million in our U.S. RAC and All Other Operations segments, respectively. U.S. RAC revenues increased due to 7% higher volume, comprised of a 17% increase for our off airport business and a 2% increase for our airport business, while Total RPD increased 3% for the segment. Total revenues in our All Other Operations segment increased $15 million primarily due to an increase in Donlen's leasing volume. Revenues for the International RAC segment increased slightly and, excluding a $14 million fx impact, increased $18 million, or 3%, driven by a 3% increase in Total RPD.

DOE increased $111 million year over year primarily due to an increase of $98 million in our U.S. RAC segment and $12 million in our International RAC segment. The increase in our U.S. RAC segment was primarily due to increased core rental volumes, transportation network companies ("TNC") rentals and investments in additional personnel related to our transformation initiatives. Excluding an $8 million fx impact, DOE for International RAC increased $20 million primarily due to increased personnel and other vehicle expenses.
ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

Depreciation of revenue earning vehicles and lease charges, net decreased $28 million, or 4%, primarily due to a $41 million decrease in our U.S. RAC segment resulting from favorable acquisition prices and residual values, and opportunistic sales of certain models. The decrease was partially offset by an $11 million increase in our All Other Operations segment.

SG&A increased $48 million, or 22%, in the third quarter of 2018 compared to 2017, primarily due to an increase of $63 million in marketing, information technology and finance transformation program costs, litigation charges, including the loss contingency related to the previously disclosed accounting review and investigation, incentive compensation and other expenses, offset by a $15 million decrease due to labor related matters and other expenses. The above changes are primarily related to our U.S. RAC segment and corporate operations.

Vehicle interest expense, net increased $25 million, or 28%, in the third quarter of 2018 compared to 2017 primarily due to higher market interest rates, increased margins on bank funded facilities and an increase in debt levels due to higher average fleet.

Non-vehicle interest expense, net decreased $14 million, or 16%, in the third quarter of 2018 compared to 2017, primarily due to decreased outstanding non-vehicle debt balances, partially offset by the impact of higher interest rates primarily associated with a higher LIBOR.

We had other income of $7 million for the third quarter of 2018 compared to $12 million in the third quarter of 2017. Other income in 2018 was primarily comprised of a pre-tax gain on marketable securities. Other income in 2017 was primarily comprised of a pre-tax gain on the sale of our Brazil Operations recorded in the International RAC segment and a pre-tax gain resulting from a return of capital from an equity method investment.

The effective tax rate in the third quarter of 2018 was (23%) compared to (35%) in the third quarter of 2017. We recorded a tax provision of $42 million in the third quarter of 2018 compared to $50 million in the third quarter of 2017. The effective income tax rate and related tax provision were lower primarily due to the reduced corporate tax rate as a result of the TCJA, tax credits, and the composition of earnings by jurisdictions, partially offset by a net provisional amount of $15 million for the one-time transition tax related to TCJA. The provisional amount for the one-time transition tax related to TCJA may change in the fourth quarter of 2018 once we finalize our calculation.

Adjusted Pre-tax Income was $242 million in the third quarter of 2018 compared to $189 million in the third quarter of 2017. See footnote (a) in the "Footnotes to the Results of Operations and Selected Operating Data by Segment Tables" for a summary and description of reconciling adjustments on a consolidated basis.

Total revenues increased $496 million, or 7%, due primarily to an increase of $348 million, $106 million and $42 million in our U.S. RAC, International RAC, and All Other Operations segments, respectively. U.S. RAC revenues increased due to a 7% increase in volume, comprised of a 15% increase for our off airport business and a 2% increase for our airport business, and increased Total RPD of 1%. Excluding a $66 million fx impact, International RAC revenues increased $40 million, or 2%, driven by a 3% increase in Total RPD, partially offset by a 1% decrease in transaction days. Total revenues in our All Other Operations segment increased primarily due to an increase in Donlen's leasing volume.

DOE increased $308 million year over year primarily due to increases of $266 million and $44 million in our U.S. RAC and International RAC segments, respectively. The increase in our U.S. RAC segment was primarily due to increased core rental volumes (those excluding TNC rentals), investments in additional personnel related to our transformation initiatives and TNC rentals. Excluding the $43 million fx impact, DOE for International RAC was nearly flat.
ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

Depreciation of revenue earning vehicles and lease charges, net decreased $124 million, or 6%, primarily due to a $183 million decrease in our U.S. RAC segment resulting from decreases in losses on disposal of revenue earning vehicles due to stabilization in residual values and a 14 percentage point increase in dispositions through dealer direct and retail sales channels. The decrease was partially offset by an increase of $31 million and $28 million in our International RAC and All Other Operations segments, respectively. Excluding a $16 million fx impact, depreciation of revenue earning vehicles and lease charges, net for our International RAC segment increased $15 million resulting from higher per vehicle depreciation rates. The increase in All Other Operations was due to an increase in Donlen's leasing volume.

SG&A increased $104 million, or 16%, in the nine months of 2018 compared to 2017, due to an increase of $143 million in marketing, information technology and finance transformation program costs, incentive compensation, litigation charges, including the loss contingency related to the previously disclosed accounting review and investigation, which totals $13.6 million, and other expenses, partially offset by a $39 million decrease due to labor related matters and other expenses. The above changes are primarily related to the U.S. RAC and International RAC segments, and our corporate operations. Excluding the $10 million fx impact, SG&A for International RAC increased $6 million.

Vehicle interest expense, net increased $94 million, or 39%, in the nine months of 2018 compared to 2017 primarily due to higher market interest rates, an increase in margins on bank funded facilities, an increase in debt levels due to higher average fleet and an increase in loss on extinguishment of debt.

Non-vehicle interest expense, net decreased $6 million, or 3%, in the nine months of 2018 compared to 2017, primarily due to decreased outstanding non-vehicle debt balances during the period and a decrease in loss on extinguishment of debt, partially offset by the impact of higher interest rates largely attributable to a higher LIBOR and the issuance of our Senior Second Priority Secured Notes in June 2017.

We had intangible asset impairments of $86 million related to the Dollar Thrifty tradename in the nine months of 2017 with no comparable charges in the nine months of 2018.

We had other income of $36 million in the nine months of 2018 compared to other expense of $19 million in the nine months of 2017. Other income in 2018 was primarily comprised of a $21 million pre-tax gain on marketable securities and a $6 million legal settlement received in the second quarter related to an oil spill in the Gulf of Mexico in 2010, which relate to our corporate operations and U.S. RAC segment, respectively. Other expense in 2017 was primarily comprised of a $30 million impairment of an equity method investment which was partially offset by a pre-tax gain resulting from a return of capital from an equity method investment, and a pre-tax gain on the sale of our Brazil Operations.

The effective tax rate in the nine months of 2018 was 8% compared to 27% in the nine months of 2017. We recorded a tax benefit of $10 million in the nine months of 2018 compared to $107 million in the nine months of 2017. The effective income tax rate and related tax benefit were lower primarily due to the reduced corporate tax rate as a result of the TCJA, reduced corporate losses, and the composition of earnings by jurisdictions, partially offset by a net provisional amount of $15 million for the one-time transition tax liability related to TCJA. The provisional amount for the one-time transition tax related to TCJA may change in the fourth quarter of 2018 once we finalize our calculation.

Adjusted Pre-tax Income was $49 million in the nine months of 2018 compared to Adjusted Pre-tax Loss of $103 million in the nine months of 2017. See footnote (a) in the "Footnotes to the Results of Operations and Selected Operating Data by Segment Tables" for a summary and description of reconciling adjustments on a consolidated basis.

CONSOLIDATED RESULTS OF OPERATIONS - HERTZ GLOBAL

The above discussion for Hertz also applies to Hertz Global.

Hertz Global had $2 million and $5 million of interest expense, net for the third quarter and nine months of 2018, respectively, and $1 million and $4 million of interest expense, net for the third quarter and nine months of 2017.

respectively, that was incremental to the amounts shown for Hertz. This amount represents interest associated with amounts outstanding under a master loan agreement between the companies. Hertz includes this amount as interest income in its statement of operations, but this amount is eliminated in consolidation for purposes of presenting Hertz Global. Hertz had $1 million of income tax provision for the third quarter of 2018 that was incremental to the amounts shown for Hertz Global. Hertz Global had $2 million of income tax benefit for the nine months of 2018 and $1 million of income tax benefit for the nine months of 2017 that was incremental to the amounts shown for Hertz.

Three Months Ended September 30, 2018 Compared with Three Months Ended September 30, 2017

Total U.S. RAC revenues were $1.9 billion in the third quarter of 2018, an increase of $167 million, or 10%, from the third quarter of 2017. Transaction Days increased 7%, while Total RPD increased 3%. Increased volume was driven by a 17% increase in our off airport business and a 2% increase in our airport business. Off airport volume increased primarily due to growth in TNC, insurance replacement and retail rentals. Airport volume increased due to growth in corporate contracted rentals. Off airport revenues comprised 31% of total revenues for the segment in the third quarter of 2018 as compared to 28% in the third quarter of 2017. Total RPD increased due to growth in nearly all customer segments.

Depreciation rates are reviewed on a quarterly basis based on management's routine review of present and estimated future market conditions and their effect on residual values at the time of disposal. Depreciation rates being used to compute the provision for depreciation of revenue earning vehicles are adjusted on certain vehicles in our vehicle rental operations to reflect changes in the estimated residual values to be realized when revenue earning vehicles are sold based on the expected hold period for the vehicles. The change in estimate, based on the review completed for U.S. RAC during the third quarter of 2018, resulted in a reduction to depreciation expense of $30 million. The third quarter of 2018 rate change reflects favorable acquisition prices and residual values, and opportunistic sales of certain models. The change in estimate, based on the review completed for U.S. RAC during the third quarter of 2017, resulted in a decrease in depreciation expense of $13 million which reflected the stabilization of residual values and a two month

increase in the assumed hold period for model year 2017 vehicles to accommodate increased volume in our off airport rentals.

Depreciation of revenue earning vehicles and lease charges, net for U.S. RAC decreased by $41 million, or 9%, in the third quarter of 2018 compared to 2017. The decrease year over year was primarily the result of improved residual values and opportunistic sales of certain models. Net Depreciation Per Unit Per Month decreased to $261 in the third quarter of 2018 compared to $306 in the third quarter of 2017.

DOE for U.S. RAC increased $98 million, or 10%, of which $47 million was driven by higher core rental volume, $17 million was driven by growth in TNC rentals and $12 million was driven by incremental investments in additional personnel related to our transformation initiatives. Also contributing to the increase are the following:

- Increased transportation expense of $9 million driven by higher rates from third-party transportation providers and additional trucking for pre-owned vehicle purchases.
- Increased damage expense of $7 million related to weather events.
- Increased fuel expense of $7 million due to higher market fuel prices compared to 2017.

DOE as a percentage of total revenues for U.S. RAC was 58% for the third quarters of both 2018 and 2017. SG&A as a percentage of total revenues for U.S. RAC was 7% for the third quarter of 2018 compared to 6% for the third quarter of 2017, an increase of 130 bps, primarily due to an increase of $24 million in incremental marketing investments.

Income before income taxes for U.S. RAC was $203 million in the third quarter of 2018 compared to $131 million in the third quarter of 2017. The $72 million year over year favorable variance was primarily due to the impact of increased revenues and decreased depreciation expense on our revenue earning vehicles. The favorable variance was partially offset by the increase in DOE and SG&A and an $18 million increase in vehicle related interest expense due to higher market interest rates, increased margins on bank funded facilities and an increase in debt levels due to higher average fleet.

Adjusted Pre-tax Income for U.S. RAC was $222 million in the third quarter of 2018 compared to $158 million in the third quarter of 2017. See footnote (a) in the "Footnotes to the Results of Operations and Selected Operating Data by Segment Tables" for a summary and description of reconciling adjustments on a consolidated basis.

Total U.S. RAC revenues were $4.9 billion in the nine months of 2018, an increase of $348 million, or 8%, from the nine months of 2017. Transaction Days increased 7%, while Total RPD increased 1%. Increased volume was driven by a 15% increase in our off airport business and a 2% increase in our airport business. Off airport volume increased due to growth in TNC and insurance replacement rentals. Airport volume increased due to growth in corporate contracted rentals. Off airport revenues comprised 30% of total revenues for the segment in the nine months of 2018 as compared to 28% in the nine months of 2017. Total RPD increased primarily due to growth in TNC and retail customer segments.

Depreciation rates are reviewed on a quarterly basis based on management's routine review of present and estimated future market conditions and their effect on residual values at the time of disposal. Depreciation rates being used to compute the provision for depreciation of revenue earning vehicles are adjusted on certain vehicles in our vehicle rental operations to reflect changes in the estimated residual values to be realized when revenue earning vehicles are sold based on the expected hold period for the vehicles. The changes in estimate, based on reviews completed for U.S. RAC during the nine months of 2018, resulted in a reduction to depreciation expense of $20 million. The nine months of 2018 rate change reflects favorable residual values, particularly on mid and full-size sedans, and opportunistic sales of certain vehicles, partially offset by the impact of unfavorable residual values on regular and large sport utility vehicles. The changes in estimate, based on reviews completed for U.S. RAC during the nine months of 2017, resulted in additional depreciation expense of $68 million which reflected shortened hold periods on certain non-program vehicles.

58
as we rebalanced the fleet, our onboarding of a richer mix of premium model year 2017 vehicles, and declining residual values primarily experienced in the first half of the year.

Depreciation of revenue earning vehicles and lease charges, net for U.S. RAC decreased by $183 million, or 12%, in the nine months of 2018 compared to 2017. The decrease year over year was primarily the result of improved residual values and a 14 percentage point increase in dispositions through dealer direct and retail sales channels. Net Depreciation Per Unit Per Month decreased to $282 in the nine months of 2018 compared to $336 in the nine months of 2017.

DOE for U.S. RAC increased $266 million, or 10%, of which $93 million was driven by core rental volume, $56 million was driven by incremental investments in additional personnel related to our transformation initiatives and $46 million was driven by growth in TNC rentals. Also contributing to the increase are the following:

- Increased transportation expense of $26 million driven by increased usage, higher rates from third-party transportation providers and additional trucking for pre-owned vehicle purchases and fleet optimization.
- Increased facility expenses of $15 million primarily driven by increased rent and facility services.
- Increased other vehicle expense of $11 million primarily driven by increased licensing fees in certain states.
- Increased fuel expense of $10 million due to higher market fuel prices compared to 2017.

DOE as a percentage of total revenues for U.S. RAC was 61% for the nine months of 2018 compared to 60% for the nine months of 2017, an increase of 110 bps. SG&A as a percentage of total revenues for U.S. RAC was 7% for the nine months of 2018 compared to 6% for the nine months of 2017, an increase of 70 bps, primarily due to an increase of $48 million in incremental marketing investments.

Income before income taxes for U.S. RAC was $145 million in the nine months of 2018 compared to loss before income taxes of $147 million in the nine months of 2017. The $292 million year over year improvement was primarily due to the impact of increased revenues, decreased depreciation expense on our revenue earning vehicles and the impairment of the Dollar Thrifty tradename in the second half of 2017. The improvement was partially offset by an increase in DOE and SG&A and an $11 million increase in interest expense, net primarily driven by vehicle related interest expense due to higher market interest rates, an increase in margins on bank funded facilities, and an increase in debt levels due to higher average fleet.

Adjusted Pre-tax Income for U.S. RAC was $200 million in the nine months of 2018 compared to $5 million in the nine months of 2017. See footnote (a) in the "Footnotes to the Results of Operations and Selected Operating Data by Segment Tables" for a summary and description of reconciling adjustments on a consolidated basis.

Three Months Ended September 30, 2018 Compared with Three Months Ended September 30, 2017

Total revenues for International RAC increased $4 million, or 1%, in the third quarter of 2018 compared to 2017. Excluding a $14 million fx impact, revenues increased $18 million, or 3%, driven by a 3% increase in Total RPD. Excluding the impact of the sale of our Brazil operations in 2017, total revenues for International RAC increased $12 million, or 2%, Total RPD increased 1% due to improved pricing in leisure markets, and transaction days increased 2% due primarily to growth in corporate contracted and van rentals.

Depreciation of revenue earning vehicles and lease charges, net for International RAC increased $2 million, or 2%, in the third quarter of 2018 compared to 2017. Excluding a $3 million fx impact, depreciation of revenue earning vehicles and lease charges, net increased $5 million or 4% primarily due to higher per vehicle depreciation rates which were primarily driven by declining residual values on diesel vehicles in Europe. Net Depreciation Per Unit Per Month for International RAC increased 3% to $205 from $199 for the third quarter of 2018 versus 2017.

DOE for International RAC increased $12 million compared to the prior year. Excluding an $8 million fx impact, DOE increased $20 million, or 5% compared to the prior year driven by an increase of $9 million in personnel related expenses for the summer peak season and $9 million in other vehicle expenses, including maintenance and damage charges, due to fleet mix.

DOE as a percentage of total revenues for International RAC was 52% for the third quarter of 2018 compared to 51% for the third quarter of 2017, an increase of 140 bps, and SG&A as a percentage of total revenues for International RAC was 9% for the third quarter of 2018 and 2017.
ITEM 2. MANAGEMENT’S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

Income before income taxes for International RAC was $131 million in the third quarter of 2018 compared to $152 million in the third quarter of 2017. The $21 million year over year unfavorable variance was primarily due to the increase in DOE and depreciation expense on our revenue earning vehicles. Additionally, there was a $6 million pre-tax gain recorded on the sale of our Brazil operations in 2017 with no comparable gain in 2018.

Adjusted Pre-tax Income for International RAC was $133 million in the third quarter of 2018 compared to $147 million in the third quarter of 2017. See footnote (a) in the "Footnotes to the Results of Operations and Selected Operating Data by Segment Tables" for a summary and description of reconciling adjustments on a consolidated basis.

Total revenues for International RAC increased $106 million, or 6%, in the nine months of 2018 compared to 2017. Excluding a $66 million fx impact, revenues increased $40 million, or 2%, driven by an increase in pricing, partially offset by lower volume. Total RPD for International RAC increased 3% due to improved pricing in our leisure markets and the sale of our lower RPD operations in Brazil in the third quarter of 2017. Transaction days decreased 1% mostly due to the sale of our Brazil operations. Excluding the impact of the sale of our Brazil operations, total revenues for International RAC increased $139 million, or 8%, Total RPD increased 1%, and transaction days increased 3%.

Depreciation of revenue earning vehicles and lease charges, net for International RAC increased $31 million, or 10%, in the nine months of 2018 compared to 2017. Excluding a $16 million fx impact, depreciation of revenue earning vehicles and lease charges, net increased $15 million or 5% primarily due to higher per vehicle depreciation rates, which was primarily driven by declining residual values on diesel vehicles in Europe. Net Depreciation Per Unit Per Month for International RAC increased 6% to $208 from $197 for the nine months of 2018 versus 2017.

DOE for International RAC increased $44 million in the nine months of 2018 compared to 2017. Excluding a $43 million fx impact, DOE was flat driven by a $19 million decrease in public liability and property damage expense due to favorable case development and fewer large claims, and a charge recorded in 2017 resulting from a terrorist event. The decrease was partially offset by an increase of $12 million in field compensation.

DOE as a percentage of total revenues for International RAC was 56% for the nine months of 2018 compared to 57% for the nine months of 2017, a decrease of 90 bps, and SG&A as a percentage of total revenues for International RAC was 10% for the nine months of both 2018 and 2017.

Income before income taxes for International RAC was $169 million in the nine months of 2018 compared to $189 million in the nine months of 2017. The $20 million unfavorable variance year over year was primarily due to an increase in DOE and depreciation expense on our revenue earning vehicles. Additionally, there was an increase of $30 million in interest expense, net primarily due to a $20 million loss on extinguishment of debt associated with the redemption of the 4.375% European Vehicle Senior Notes due January 2019 and higher interest rates on our outstanding debt balances. Also, there was a $16 million increase in SG&A primarily due to the impact of foreign currency exchange rates. The above were partially offset by increased revenues.

Adjusted Pre-tax Income for International RAC was $201 million in the nine months of 2018 compared to $200 million in the nine months of 2017. See footnote (a) in the "Footnotes to the Results of Operations and Selected Operating Data by Segment Tables" for a summary and description of reconciling adjustments on a consolidated basis.

Donlen had favorable results in the third quarter and nine months of 2018 as compared to the third quarter and nine months of 2017. Donlen units under lease increased 4% in the third quarter of 2018 versus 2017 and increased 3% in the nine months of 2018 versus 2017. Growth in units under lease, as well as a richer mix of vehicles, resulted in increased revenues and depreciation expense. Additionally, there were increased charges related to new leases entered into beginning in 2017 with fewer comparable leases entered into in 2018, resulting in a decrease in DOE. The decrease in overall average vehicles in the third quarter and nine months of 2018 as compared to the third quarter and nine months of 2017 was due to a reduction in non-lease units in our maintenance management programs which drive a lower revenue per unit when compared to lease units under these programs.

Footnotes to the Results of Operations and Selected Operating Data by Segment Tables

(a) Adjusted Pre-tax Income (Loss) is calculated as income (loss) before income taxes plus non-cash acquisition accounting charges, debt-related charges relating to the amortization and write-off of debt financing costs and debt discounts and premiums, goodwill, intangible and tangible asset impairments and write downs, information technology and finance transformation costs, net income or loss attributable to noncontrolling interests, and certain other miscellaneous or non-recurring items. Adjusted Pre-tax Income (Loss) is important because it allows management to assess operational performance of our business, exclusive of the items mentioned above. It also allows management to assess the performance of the entire business on the same basis as the segment measure of profitability. Management believes that it is important to investors for the same reasons it is important to management and because it allows them to assess our operational performance on the same basis that management uses internally. When evaluating our operating performance, investors should not consider Adjusted Pre-tax Income (Loss) in isolation of, or as a substitute for, measures of our financial performance, such as net income (loss) or income (loss) before income taxes. The contribution of our reportable segments to Adjusted Pre-tax Income (Loss) and reconciliation to the most comparable consolidated U.S. GAAP measure are presented below.

(1) Represents general corporate expenses, non-vehicle interest expense, as well as other business activities.

(2) Represents incremental expense associated with amortization of other intangible assets and depreciation of property and equipment relating to acquisition accounting.

(3) Primarily represents debt-related charges relating to the amortization of deferred financing costs and debt discounts and premiums.

(4) In 2018, primarily represents $20 million of early redemption premium and write-off of deferred financing costs associated with the full redemption of the 4.375% European Senior Notes due January 2019 in April 2018. In 2017, represents $6 million of early redemption premium and write-off of deferred financing costs associated with the redemption of certain notes and a $2 million write-off of deferred financing costs associated with the termination of commitments under the Senior RCF incurred during the second quarter.
ITEM 2. MANAGEMENT’S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

(5) Represents charges incurred under restructuring actions as defined in U.S. GAAP, excluding impairments and asset write-downs, which are shown separately in the table. Also includes restructuring related charges such as incremental costs incurred directly supporting business transformation initiatives. Such costs include transition costs incurred in connection with business process outsourcing arrangements and incremental costs incurred to facilitate business process re-engineering initiatives that involve significant organization redesign and extensive operational process changes. Also includes consulting costs, legal fees, the loss contingency, which totals $13.6 million for the nine months of 2018, and other expenses related to the previously disclosed accounting review and investigation.

(6) In 2017, represents a second quarter $86 million impairment of the Dollar Thrifty tradename and a first quarter impairment of $30 million related to an equity method investment.

(7) Represents costs associated with our information technology and finance transformation programs, both of which are multi-year initiatives to upgrade and modernize our systems and processes.

(8) Represents miscellaneous or non-recurring items. In 2018, includes net loss attributable to noncontrolling interests, a $4 million and $21 million pre-tax gain on marketable securities during the third quarter and nine months, respectively, and a $6 million legal settlement received in the second quarter related to an oil spill in the Gulf of Mexico in 2010. In 2017, includes net expenses of $13 million resulting from hurricanes, partially offset by a $6 million pre-tax gain on the sale of our Brazil Operations in the third quarter. Also, includes second quarter charges of $6 million for labor-related matters and $5 million relating to PLPD as a result of a terrorist event.

(b) Transaction Days represent the total number of 24-hour periods, with any partial period counted as one Transaction Day, that vehicles were on rent (the period between when a rental contract is opened and closed) in a given period. Thus, it is possible for a vehicle to attain more than one Transaction Day in a 24-hour period.

(c) Average Vehicles are determined using a simple average of the number of vehicles at the beginning and end of a given period. Among other things, Average Vehicles is used to calculate our Vehicle Utilization which represents the portion of our vehicles that are being utilized to generate revenue. Vehicle Utilization is calculated by dividing total Transaction Days by Available Car Days. The calculation of Vehicle Utilization is shown in the table below.

LIQUIDITY AND CAPITAL RESOURCES

Our U.S. and international operations are funded by cash provided by operating activities and by extensive financing arrangements maintained by us in the U.S. and internationally.

As of September 30, 2018, we had $761 million of cash and cash equivalents and $265 million of restricted cash. Of these amounts, $372 million of cash and cash equivalents and $47 million of restricted cash was held by our subsidiaries outside of the U.S. If not in the form of loan repayments, repatriation of some of these funds under current regulatory and tax law for use in domestic operations would expose us to additional taxes.

We believe that cash and cash equivalents generated by our operations and cash received on the disposal of vehicles, together with amounts available under various liquidity facilities and refinancing options available to us in the capital markets, will be sufficient to fund operating requirements for the next twelve months.

Cash Flows - Hertz

As of September 30, 2018, Hertz had cash, cash equivalents, restricted cash and restricted cash equivalents of $1.0 billion as compared to $1.5 billion as of December 31, 2017. The following table summarizes the net change in cash, cash equivalents and restricted cash for the periods shown:

During the nine months of 2018, there was a $33 million decrease in cash outflows from working capital accounts period over period and an increase of cash inflows of $7 million from net income (loss), excluding non-cash and non-operating items. The change from working capital accounts was due to a $123 million increase in cash primarily driven by additional accruals for operational expenses, partially offset by a $90 million decrease in cash primarily from additional customer receivables and prepaid expense items, all of which were the result of increased rental volume during the period.

Our primary investing activities relate to the acquisition and disposal of revenue earning vehicles. We expended an additional $1.4 billion on revenue earning vehicles in 2018, primarily in the U.S. RAC operations, to increase the average fleet size and enrich the fleet mix.

Net financing cash inflows were $2.3 billion for the nine months of 2018 compared to $2.1 billion for the nine months of 2017. The variance was primarily driven by an increase of $1.3 billion in net cash inflows in 2018 for vehicle debt related to our richer fleet mix and larger fleet size. Comparatively, in June 2017, we issued non-vehicle debt of $1.25 billion and repaid $250 million of 4.25% Senior Notes, with the remaining proceeds being included in restricted cash. Additionally, we had $120 million outstanding on the Senior RCF at September 30, 2017.

Cash Flows - Hertz Global

As of September 30, 2018, Hertz Global had cash, cash equivalents, restricted cash and restricted cash equivalents of $1.0 billion as compared to $1.5 billion as of December 31, 2017. The following table summarizes the net change in cash, cash equivalents and restricted cash for the periods shown:

between Hertz and Hertz Global and cash outflows by Hertz Global for the purchase of treasury shares. There were no purchases of treasury shares by Hertz Global during the nine months of 2018 or 2017.

Financing

Our primary liquidity needs include servicing of vehicle and non-vehicle debt, the payment of operating expenses and capital projects and purchases of revenue earning vehicles to be used in our operations. Our primary sources of funding are operating cash flows, cash received on the disposal of revenue earning vehicles, borrowings under our revolving credit facilities and access to the credit markets. Substantially all of our revenue earning vehicles and certain related assets are owned by special purpose entities, or are encumbered in favor of our lenders under our various credit facilities, other secured financings and asset-backed securities programs. None of such assets are available to satisfy the claims of our general creditors.

We are highly leveraged, and a substantial portion of our liquidity needs arise from debt service on our indebtedness and from the funding of our costs of operations and capital expenditures. Our practice is to maintain sufficient total liquidity through cash from operations, credit facilities and other financing arrangements, to mitigate any adverse effect on our operations resulting from adverse financial market conditions.

Refer to Part I, Item 1, Note 6, “Debt,” to the Notes to our unaudited condensed consolidated financial statements included in this Quarterly Report on Form 10-Q for information on our outstanding debt obligations and our borrowing capacity and availability under our revolving credit facilities as of September 30, 2018. Cash paid for interest during the nine months of 2018 was $268 million for interest on vehicle debt and $171 million for interest on non-vehicle debt. Cash paid for interest during the nine months of 2017 was $212 million for interest on vehicle debt and $164 million for interest on non-vehicle debt.

Details of our corporate liquidity were as follows:

Approximately $1.8 billion of vehicle debt and $16 million of non-vehicle debt will mature during the twelve months following the issuance of this Report (the "next twelve months") and we will need to refinance a portion of the debt. We have reviewed the maturing debt obligations and determined that it is probable that we will be able, and have the intent, to repay or refinance these facilities at such times as we deem appropriate prior to their maturities. We believe that cash generated from operations, cash received on the disposal of vehicles, together with amounts available under various liquidity facilities and refinancing options available to us, will be adequate to permit us to meet our debt maturities over the next twelve months.

Covenants

The indentures for the Senior Notes and the Senior Second Priority Secured Notes contain covenants that, among other things, limit or restrict the ability of the Hertz credit group to incur additional indebtedness, incur guarantee obligations, prepay certain indebtedness, make certain restricted payments (including paying dividends, redeeming stock or making other distributions to parent entities of Hertz and other persons outside of the Hertz credit group), make investments, create liens, transfer or sell assets, merge or consolidate, and enter into certain transactions with Hertz’s affiliates that are not members of the Hertz credit group.

Certain of our other debt instruments and credit facilities (including the Senior Facilities and the Letter of Credit Facility) contain a number of covenants that, among other things, limit or restrict the ability of the borrowers and the guarantors to dispose of assets, incur additional indebtedness, incur guarantee obligations, prepay certain indebtedness, make certain restricted payments (including paying dividends, share repurchases or making other distributions), create liens,
make investments, make acquisitions, engage in mergers, fundamentally change the nature of their business, make capital expenditures, or engage in certain transactions with certain affiliates.

The Senior RCF and the Letter of Credit Facility contain a financial maintenance covenant applicable to such facilities. Such covenant provides that Hertz’s consolidated first lien net leverage ratio, as defined in the credit agreements governing such facilities (together, the “Senior Credit Agreement”), as of the last day of any fiscal quarter (the “Covenant Leverage Ratio”), may not exceed a ratio of 3.00 to 1.00.

As of September 30, 2018, Hertz was in compliance with the Covenant Leverage Ratio with a ratio of 1.50 to 1.00, as calculated in accordance with the Senior Credit Agreement. Consolidated EBITDA, as defined in the Senior Credit Agreement, is a component of the calculation of the Covenant Leverage Ratio and is a non-GAAP financial measure that is not a measure of operating results, but instead is a measure used to determine compliance with the Covenant Leverage Ratio under the Senior Credit Agreement. Consolidated EBITDA is generally defined in the Senior Credit Agreement as consolidated net income plus the sum of income taxes, non-vehicle interest expense, non-vehicle depreciation and amortization expense, and non-cash charges or losses, as further adjusted for certain other items permitted in calculating covenant compliance under the Senior RCF and the Letter of Credit Facility, including add-backs for non-recurring, unusual or extraordinary charges, business optimization expenses or other restructuring charges or reserves.

Based on available liquidity from our expected operating results, the Senior RCF and other financing arrangements, Hertz expects to continue to be in compliance with the Covenant Leverage Ratio for at least the next twelve months.

As previously disclosed, we identified a classification error in our first quarter 2017 statement of cash flows that we corrected in the second quarter of 2017 related to our former operations in Brazil. Correction of the error resulted in a $25 million decrease to revenue earning vehicles expenditures and proceeds from disposal of revenue earning vehicles for the first quarter of 2017 and a $25 million increase of revenue earning vehicles expenditures and proceeds from disposal of revenue earning vehicles for the second quarter of 2017 in the table above. These revisions had no impact on the third quarter of 2017. Additionally, there was no impact on 2017 net capital expenditures for revenue earning vehicles and no impact on the 2017 totals.
The table below sets forth net capital expenditures for revenue earning vehicles by segment for the periods shown:

As previously disclosed, we revised our capital asset expenditures, non-vehicle for a correction of error related to intangible software assets for which no payment was made as of June 30, 2017. The correction resulted in a decrease in capital asset expenditures, non-vehicle of $13 million and $6 million for the first and second quarter of 2017, respectively. The cumulative error of $25 million was corrected in the third quarter of 2017. Accordingly, we revised our capital asset expenditures, non-vehicle for the third quarter of 2017 by a decrease of $19 million in the table above. These revisions had no impact on the 2017 totals.

CONTRACTUAL OBLIGATIONS

As of September 30, 2018, there have been no material changes outside of the ordinary course of business to our known contractual obligations as set forth in the table included in Part I, Item 7, "Management's Discussion and Analysis of Financial Condition and Results of Operations" included in our 2017 Form 10-K. Changes to our aggregate indebtedness, including related interest and terms for new issuances, are described in Part I, Item 6, "Debt," to the Notes to our unaudited condensed consolidated financial statements included in this Report.

OFF-BALANCE SHEET COMMITMENTS AND ARRANGEMENTS

Indemnification Obligations

There have been no significant changes to our indemnification obligations as compared to those disclosed in Note 16, "Contingencies and Off-Balance Sheet Commitments" of the Notes to our consolidated financial statements included in our 2017 Form 10-K under the caption Item 8, "Financial Statements and Supplementary Data."

We regularly evaluate the probability of having to incur costs associated with indemnification obligations and will accrue for expected losses when they are probable and estimable.

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

For a discussion of recent accounting pronouncements, see Note 2, "Basis of Presentation and Recently Issued Accounting Pronouncements," to the Notes to our unaudited condensed consolidated financial statements included in this Report ("Note 2").

As disclosed in Note 2, we adopted Topic 606 in accordance with the effective date on January 1, 2018. The Revenue from Contracts with Customers section of Note 2 includes disclosures regarding our method of adoption and the impact on our financial position, results of operations and cash flows. See Note 7, "Revenue," for information regarding our accounting policies for revenue recognition, including the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers, as well as other required disclosures under Topic 606.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Certain statements contained or incorporated by reference in this Report on Form 10-Q and in reports we subsequently file with the United States Securities and Exchange Commission ("SEC") on Forms 10-K and 10-Q and file or furnish on Form 8-K, and in related comments by our management, include "forward-looking statements." Forward-looking statements include information concerning our liquidity and our possible or assumed future results of operations, including descriptions of our business strategies. These statements often include words such as "believe," "expect," "project," "potential," "anticipate," "intend," "plan," "estimate," "seek," "will," "may," "would," "should," "could," "forecasts" or similar expressions. These statements are based on certain assumptions that we have made in light of our experience in the industry as well as our perceptions of historical trends, current conditions, expected future developments and other factors we believe are appropriate in these circumstances. We believe these judgments are reasonable, but you should understand that these statements are not guarantees of performance or results, and our actual results could differ materially from those expressed in the forward-looking statements due to a variety of important factors, both positive and negative, that may be revised or supplemented in subsequent reports on Forms 10-K, 10-Q and 8-K.

Important factors that could affect our actual results and cause them to differ materially from those expressed in forward-looking statements include, among others, those that may be disclosed from time to time in subsequent reports filed with the SEC, those described under "Item 1A—Risk Factors" included in our 2017 Form 10-K and the following, which were derived in part from the risks set forth in "Item 1A—Risk Factors" of our 2017 Form 10-K:

- any claims, investigations or proceedings arising as a result of the restatement in 2015 of our previously issued financial results;
- our ability to remediate the material weaknesses in our internal controls over financial reporting;

- occurrences that disrupt rental activity during our peak periods;
- increased vehicle costs due to declines in the value of our non-program vehicles;
- our ability to purchase adequate supplies of competitively priced vehicles and risks relating to increases in the cost of the vehicles we purchase;
- our ability to accurately estimate future levels of rental activity and adjust the number and mix of vehicles used in our rental operations accordingly;
- our ability to maintain sufficient liquidity and the availability to us of additional or continued sources of financing for our revenue earning vehicles and to refinance our existing indebtedness;
- our ability to adequately respond to changes in technology and customer demands;
- our access to third-party distribution channels and related prices, commission structures and transaction volumes;
- an increase in our vehicle costs or disruption to our rental activity, particularly during our peak periods, due to safety recalls by the manufacturers of our vehicles;
- a major disruption in our communication or centralized information networks;
- financial instability of the manufacturers of our vehicles;
- any impact on us from the actions of our franchisees, dealers and independent contractors;
- our ability to sustain operations during adverse economic cycles and unfavorable external events (including war, terrorist acts, natural disasters and epidemic disease);

- our ability to successfully integrate acquisitions and complete dispositions;
- our ability to maintain favorable brand recognition and a coordinated and comprehensive branding and portfolio strategy;
- costs and risks associated with litigation and investigations;
- risks related to our indebtedness, including our substantial amount of debt, our ability to incur substantially more debt, the fact that substantially all of our consolidated assets secure certain of our outstanding indebtedness and increases in interest rates or in our borrowing margins;
- our ability to meet the financial and other covenants contained in our Senior Facilities and the Letter of Credit Facility, our outstanding unsecured Senior Notes, our outstanding Senior Second Priority Secured Notes and certain asset-backed and asset-based arrangements;
- changes in accounting principles, or their application or interpretation, and our ability to make accurate estimates and the assumptions underlying the estimates, which could have an effect on operating results;
- risks associated with operating in many different countries, including the risk of a violation or alleged violation of applicable anticorruption or antibribery laws and our ability to repatriate cash from non-U.S. affiliates without adverse tax consequences;
ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS (CONTINUED)

- our ability to successfully implement our information technology and finance transformation programs;

- changes to our senior management team and the dependence of our business operations on our senior management team;
- the effect of tangible and intangible asset impairment charges;
- our exposure to uninsured claims in excess of historical levels;
- fluctuations in interest rates and commodity prices;
- our exposure to fluctuations in foreign currency exchange rates; and
- other risks and uncertainties described from time to time in periodic and current reports that we file with the SEC.

You should not place undue reliance on forward-looking statements. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the foregoing cautionary statements. All such statements speak only as of the date made, and we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are exposed to a variety of market risks, including the effects of changes in interest rates (including credit spreads), foreign currency exchange rates and fluctuations in fuel prices. We manage our exposure to these market risks through our regular operating and financing activities and, when deemed appropriate, through the use of derivative financial instruments. Derivative financial instruments are viewed as risk management tools and have not been used for speculative or trading purposes. In addition, derivative financial instruments are entered into with a diversified group of major financial institutions in order to manage our exposure to counterparty nonperformance on such instruments.

There have been no material changes to the information reported under Part II, Item 7A, “Quantitative and Qualitative Disclosures About Market Risk,” included in our 2017 Form 10-K.

ITEM 4. CONTROLS AND PROCEDURES

HERTZ GLOBAL

Evaluation of Disclosure Controls and Procedures

Our senior management has evaluated the effectiveness of the design and operation of our disclosure controls and procedures (as defined under Exchange Act Rules 13a-15(e) and 15d-15(e)) as of the end of the period covered by this Quarterly Report on Form 10-Q. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that as of September 30, 2018, due to the identification of material weaknesses in our internal control over financial reporting, as further described in Item 9A of our 2017 Form 10-K, our disclosure controls and procedures were not effective to provide reasonable assurance that the information required to be disclosed by us in the reports that we file or submit under the Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the SEC’s rules and forms, and that such information is accumulated and communicated to management as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control over Financial Reporting

During the three months ended September 30, 2018, we have taken, and continue to take, the actions described below to remediate our existing material weaknesses which have materially affected or are reasonably likely to materially affect the Company’s internal control over financial reporting.

Income Taxes

To address the material weakness associated with controls over the analysis and assessment of income tax effects related to non-recurring transactions, the provision for income taxes and state deferred tax asset valuation allowances, during the three months ended September 30, 2018 management implemented quarterly control activities and enhanced and designed specific year-end control activities to assess the accounting for significant complex transactions and other tax related judgments.

To remediate our existing material weaknesses, we require additional time to complete the implementation of our remediation plans and demonstrate the effectiveness of our remediation efforts. The material weaknesses cannot be considered remediated until the applicable remedial controls operate for a sufficient period of time and management has concluded, through testing, that these controls are operating effectively.

(a) Class A Advances
(i) **Class A Advance Requests.** Subject to the terms of this Agreement, including, with respect to any Class A Advance, satisfaction of the Class A Funding Conditions, the aggregate principal amount of the Class A Notes may be increased from time to time. On any Business Day (provided, with respect to any Class A Ordinary Advance only, such Business Day is during the Revolving Period), the Issuer, subject to this Sub-Clause 2.2 (Advances), may increase the Class A Principal Amount (such increase, including any increase resulting from a Class A Investor Group Maximum Principal Increase Amount, is referred to as a "Class A Advance"), by increasing the principal amounts of the Class A Notes allocated ratably by their respective Class A Commitment Percentages in accordance with Sub-Clause 2.2(a)(iv) (Class A Advance Allocations); provided that the aggregate amount of all outstanding Class A Reserve Advances and Class A Ordinary Advances may not exceed the aggregate Class A Commitment of each Class A Investor Group; and further provided that such Class A Advance shall not cause the total amount of Class A Advances in any calendar month to exceed five (5).

(A) Whenever the Issuer wishes a Class A Conduit Investor, or if there is no Class A Conduit Investor with respect to any Class A Investor Group, the Class A Committed Note Purchaser with respect to such Class A Investor Group, to make a Class A Advance, the Issuer shall notify the Administrative Agent, the related Class A Funding Agent and the Issuer Security Trustee by providing written notice substantially in the form of Exhibit J-1 (Class A Form of Advance Notice) hereto delivered to the Administrative Agent, the Issuer Security Trustee and such Class A Funding Agent (with a copy of such notice delivered to the Class A Committed Note Purchasers) no later than 11:30 a.m. (London time) on the third Business Day prior to the proposed Class A Advance (which notice may be combined with the notice delivered pursuant to Sub-Clause 2.1(c) (Additional Investor Groups) in the case of a Class A Ordinary Advance in connection with a Class A Additional Investor Group Initial Principal Amount, or pursuant to Sub-Clause 2.1(d) (Investor Group Maximum Principal Increase), in the case of a Class A Ordinary Advance in connection with a Class A Investor Group Maximum Principal Increase Amount). Each such notice shall be irrevocable and shall in each case refer to this Agreement and specify (i) whether such Class A Advance is a Class A Ordinary Advance or a Class A Reserve Advance, (ii) the expected repayment date of such Class A Advance and (iii) the aggregate amount of the requested Class A Advance to be made on such date; provided, however, if, with respect to any Class A Ordinary Advance, the Issuer receives a Class A Delayed Funding Notice in accordance with Sub-Clause 2.2(a)(v) (Delayed Funding Procedures) by 6:00 p.m. (London time) on the third Business Day prior to the date of any proposed Class A Ordinary Advance, the Issuer shall have the right to revoke the Class A Advance Request for such Class A Ordinary Advance by providing the Administrative Agent and each Class A Funding Agent (with a copy to the Issuer Security Trustee and each Class A Committed Note Purchaser) written notice, by telecopy or electronic mail, of such revocation no later than 10:00 a.m. (London time) on the second Business Day prior to the proposed date of such Class A Ordinary Advance.

(B) Each Class A Funding Agent shall promptly advise its related Class A Conduit Investor, or if there is no Class A Conduit Investor with respect to any Class A Investor Group, its related Class A Committed Note Purchaser, of any notice given pursuant to Sub-Clause 2.2(a)(i) (Class A Advance Requests) and, with respect to any Class A Ordinary Advance, if there is a Class A Conduit Investor with respect to any Class A Investor Group, shall
promptly thereafter (but in no event later than 11:00 a.m. (London time) on the second Business Day preceding the
date of such proposed Class A Advance), notify the Issuer and the related Class A Committed Note Purchaser(s),
whether such Class A Conduit Investor has determined to make such Class A Advance.

(ii) **Party Obligated to Fund Class A Advances.** Upon the Issuer’s request in accordance with Sub-Clause 2.2(a)(i) (Class A Advances):

(A) each Class A Conduit Investor, if any, may fund Class A Ordinary Advances (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) from time to time during the Revolving Period;

(B) if any Class A Conduit Investor determines that it will not make a Class A Ordinary Advance (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) or any portion of a Class A Advance (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount), then such Class A Conduit Investor shall notify the Administrative Agent and the Class A Funding Agent with respect to such Class A Conduit Investor, and each Class A Committed Note Purchaser with respect to such Class A Conduit Investor, subject to Sub-Clause 2.2(a)(v) (Class A Delayed Funding Procedures) shall fund its pro rata portion (by Class A Committed Note Purchaser Percentage) of the Class A Commitment Percentage with respect to such Class A Investor Group of such Class A Ordinary Advance (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) not funded by such Class A Conduit Investor;

(C) if there is no Class A Conduit Investor with respect any Class A Investor Group, then the Class A Committed Note Purchaser(s) with respect to such Class A Investor Group, subject to Sub-Clause 2.2(a)(v) (Class A Delayed Funding Procedures), shall fund Class A Ordinary Advances (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) from time to time; and

(D) each Class A Conduit Investor, or each Class A Committed Note Purchaser if there is no Class A Conduit Investor with respect to any Class A Investor Group, shall fund any Class A Reserve Advance.

(iii) **Class A Conduit Investor Funding.** Each Class A Conduit Investor hereby agrees with respect to itself that it will use commercially reasonable efforts to fund Class A Advances made by its Class A Investor Group through the issuance of Class A Commercial Paper; provided that, (i) no Class A Conduit Investor will have any obligation to use commercially reasonable efforts to fund Class A Advances made by its Class A Investor Group through the issuance of Class A Commercial Paper at any time that the funding of such Class A Advance through the issuance of Class A Commercial Paper would be prohibited by the program documents governing such Class A Conduit Investor’s commercial paper program, (ii) nothing herein is (or shall be construed) as a commitment by any Class A Conduit Investor to fund any Class A Advance through the issuance of Class A Commercial Paper; provided further that, the Class A Conduit Investors shall not, and shall not be obligated to, fund or pay any Class A Ordinary Advance pursuant to this Agreement unless (i) the respective Class A Conduit Investor has received funds that may be used to make such funding or other payment and which funds are not required to repay any of the commercial paper notes (“Class A CP Notes”) issued by such Class A Conduit Investor when due and (ii) after giving effect to such funding or payment, either (x)
such Class A Conduit Investor could issue Class A CP Notes to refinance all of its outstanding Class A CP Notes (assuming such outstanding Class A CP Notes matured at such time) in accordance with the program documents governing its commercial paper program or (y) all of the Class A CP Notes are paid in full. Any amount that a Class A Conduit Investor does not pay pursuant to the operation of the second proviso of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or obligation of such Class A Conduit Investor for any such insufficiency.

(iv) **Class A Advance Allocations.** The Issuer shall allocate the proposed Class A Advance among the Class A Investor Groups ratably by their respective Class A Commitment Percentages; provided that, in the event that one or more Class A Additional Investor Groups becomes party to this Agreement in accordance with Sub-Clause 2.1(c) (Additional Investor Groups) or one or more Class A Investor Group Maximum Principal Increases are effected in accordance with Sub-Clause 2.1(d) (Investor Group Maximum Principal Increase), any Class A Additional Investor Group Initial Principal Amount in connection with the addition of each such Class A Additional Investor Group, any Class A Investor Group Maximum Principal Increase Amount in connection with each such Class A Investor Group Maximum Principal Increase and each Class A Advance subsequent to either of the foregoing shall be allocated solely to such Class A Additional Investor Groups and/or such Class A Investor Groups, as applicable, until (and only until) the Class A Principal Amount is allocated ratably among all Class A Investor Groups (based upon each such Class A Commitment Percentage after giving effect to such Class A Additional Investor Group becoming party hereto and/or each such Class A Investor Group Maximum Principal Increase, as applicable); provided further that on or prior to the Payment Date immediately following the date on which any such Class A Additional Investor Group becomes party hereto or a Class A Investor Group Maximum Principal Increase occurs, the Issuer shall use commercially reasonable efforts to request Class A Advances and/or effect Class A Voluntary Decreases to the extent necessary to cause (after giving effect to such Class A Advances and Class A Voluntary Decreases) the Class A Principal Amount to be allocated ratably among all Class A Investor Groups (based upon each such Class A Investor Group’s Class A Commitment Percentage after giving effect to such Class A Additional Investor Group becoming party hereto or such Class A Investor Group Maximum Principal Increase, as applicable).

(v) **Class A Delayed Funding Procedures.**

(A) A Class A Delayed Funding Purchaser, upon receipt of any notice of a Class A Ordinary Advance pursuant to Sub-Clause 2.2(a), promptly (but in no event later than 6:00 p.m. (London time) on the third Business Day prior to the proposed date of such Class A Ordinary Advance) may notify the Issuer in writing (a “[Class A Delayed Funding Notice](#)”) of its election to designate such Class A Ordinary Advance as a delayed Class A Ordinary Advance (such Class A Ordinary Advance, a “[Class A Designated Delayed Advance](#)”). If such Class A Delayed Funding Purchaser’s ratable portion of such Class A Ordinary Advance exceeds its Class A Required Non-Delayed Amount (such excess amount, the “[Class A Permitted Delayed Amount](#)”), then the Class A Delayed Funding Purchaser shall also include in the Class A Delayed Funding Notice the portion of such Class A Ordinary Advance (such amount as specified in the Class A Delayed Funding Notice, not to exceed such Class A Delayed Funding Purchaser’s Class A Permitted Delayed Amount, the “[Class A Delayed Amount](#)”) that the Class A Delayed Funding Purchaser has elected to fund on a Business Day that is on or prior
to the thirty-fifth (35th) day following the proposed date of such Class A Ordinary Advance (such date as specified in the Class A Delayed Funding Notice, the “Class A Delayed Funding Date”) rather than on the date for such Class A Ordinary Advance specified in the related Class A Advance Request.

(B) If (A) one or more Class A Delayed Funding Purchasers provide a Class A Delayed Funding Notice to the Issuer specifying a Class A Delayed Amount in respect of any Class A Ordinary Advance and (B) the Issuer shall not have revoked the notice of the Class A Ordinary Advance by 10:00 a.m. (London time) two Business Days preceding the proposed date of such Class A Ordinary Advance, then the Issuer, by no later than 11:30 a.m. (London time) two Business Days preceding the date of such proposed Class A Ordinary Advance, may (but shall have no obligation to) direct each Class A Available Delayed Amount Committed Note Purchaser to fund an additional portion of such Class A Ordinary Advance on the proposed date of such Class A Ordinary Advance equal to such Class A Available Delayed Amount Committed Note Purchaser’s proportionate share (based upon the relative Class A Committed Note Purchaser Percentage of such Class A Available Delayed Amount Committed Note Purchasers) of the aggregate Class A Delayed Amount with respect to the proposed Advance; provided that, (i) no Class A Available Delayed Amount Committed Note Purchaser shall be required to fund any portion of its proportionate share of such aggregate Class A Delayed Amount that would cause its Class A Investor Group Principal Amount to exceed its Class A Maximum Investor Group Principal Amount and (ii) any Class A Conduit Investor, if any, in the Class A Available Delayed Amount Committed Note Purchaser’s Investor Group may, in its sole discretion, agree to fund such proportionate share of such aggregate Class A Delayed Amount.

(C) Upon receipt of any notice of a Class A Delayed Amount in respect of a Class A Advance pursuant to Sub-Clause 2.2(v)(B) (Class A Delayed Funding Procedures), a Class A Available Delayed Amount Committed Note Purchaser, promptly (but in no event later than 6:00 p.m. (London time) on the Business Day prior to the proposed date of such Class A Advance) may notify the Issuer in writing (a “Class A Second Delayed Funding Notice”) of its election to decline to fund a portion of its proportionate share of such Class A Delayed Amount (such portion, the “Second Delayed Funding Notice Amount”); provided that, the Class A Second Delayed Funding Notice Amount shall not exceed the excess, if any, of (A) such Class A Available Delayed Amount Committed Note Purchaser’s proportionate share of such Class A Delayed Amount over (B) such Class A Available Delayed Amount Committed Note Purchaser’s Class A Required Non-Delayed Amount (after giving effect to the funding of any amount in respect of such Class A Advance to be made by such Class A Available Delayed Amount Committed Note Purchaser or the Class A Conduit Investor in such Class A Available Delayed Amount Committed Note Purchaser’s Class A Investor Group) (such excess amount, the “Class A Second Permitted Delayed Amount”), and upon any such election, such Class A Available Delayed Amount Committed Note Purchaser shall include in the Class A Second Delayed Funding Notice the Class A Second Delayed Funding Notice Amount.

(vi) Funding Class A Advances
Subject to the other conditions set forth in this Sub-Clause 2.2(a) (Class A Advances), on the date of each Class A Ordinary Advance, each Class A Conduit Investor and Class A Committed Note Purchaser(s) funding such Class A Ordinary Advance shall make available to the Issuer its portion of the amount of such Class A Ordinary Advance (other than any Class A Delayed Amount) by wire transfer in Euros in same day funds to the Issuer Principal Collection Account no later than 2:00 p.m. (London time) on the date of such Class A Ordinary Advance. Proceeds from any Class A Ordinary Advance shall be deposited into the Issuer Principal Collection Account.

Subject to the other conditions set forth in this Sub-Clause 2.2(a) (Class A Advances), on the date of each Class A Reserve Advance, each Class A Conduit Investor and Class A Committed Note Purchaser(s) funding such Class A Reserve Advance shall make available to the Issuer its portion of the amount of such Class A Reserve Advance by wire transfer in Euros in same day funds to the Issuer Reserve Account no later than 2:00 p.m. (London time) on the date of such Class A Reserve Advance. Proceeds from any Class A Reserve Advance shall be deposited into the Issuer Reserve Account.

A Class A Delayed Funding Purchaser that delivered a Class A Delayed Funding Notice in respect of a Class A Delayed Amount shall be obligated to fund such Class A Delayed Amount on the related Class A Delayed Funding Date in the manner set forth in the next succeeding sentence, irrespective of whether the Commitment Termination Date shall have occurred on or prior to such Class A Delayed Funding Date or the Issuer would be able to satisfy the Class A Funding Conditions on such Class A Delayed Funding Date. Such Class A Delayed Funding Purchaser shall:

(i) (if applicable) pay the sum of the Class A Second Delayed Funding Notice Amount related to such Class A Delayed Amount, if any, to the Issuer no later than 2:00 p.m. (London time) on the related Class A Delayed Funding Date by wire transfer in Euros in same day funds to the Issuer Principal Collection Account, and

(ii) pay the Class A Delayed Funding Reimbursement Amount related to such Class A Delayed Amount, if any, on such related Class A Delayed Funding Date to each applicable Class A Funding Agent in immediately available funds for the ratable benefit of the related Class A Available Delayed Amount Purchasers that funded the Class A Delayed Amount on the date of the Class A Advance related to such Class A Delayed Amount in accordance with Sub-Clause 2.2(a)(v)(C) (Class A Delayed Funding Procedures).

Class A Funding Defaults. If, by 2:00 p.m. (London time) on the date of any Class A Advance, one or more Class A Committed Note Purchasers in a Class A Investor Group (each, a “Class A Defaulting Committed Note Purchaser,” and each Class A Committed Note Purchaser in the related Class A Investor Group that is not a Class A Defaulting Committed Note Purchaser, a “Class A Non-Defaulting Committed Note Purchaser”) fails to make its portion of such Class A Advance, available to the Issuer pursuant to Sub-Clause 2.2(a)(vi) (Funding Class A Advances) (the aggregate amount unavailable to the Issuer as a result of any such failure being herein called an “Class A Advance Deficit”), then the Class A Funding Agent for such Class A Investor Group, by no later than 2:30 p.m. (London time) on the
applicable date of such Class A Advance, shall instruct each Class A Non-Defaulting Committed Note Purchaser in the same
Class A Investor Group as the Class A Defaulting Committed Note Purchaser to pay, by no later than 3:00 p.m. (London
time), in immediately available funds, to the Issuer Principal Collection Account, an amount equal to the lesser of (i) such
Class A Non-Defaulting Committed Note Purchaser’s pro rata portion (based upon the relative Class A Committed Note
Purchaser Percentage of such Class A Non-Defaulting Committed Note Purchasers) of the Class A Advance Deficit and (ii)
the amount by which such Class A Non-Defaulting Committed Note Purchaser’s pro rata portion (by Class A Committed
Note Purchaser Percentage) of the Class A Maximum Investor Group Principal Amount for such Class A Investor Group
exceeds the portion of the Class A Investor Group Principal Amount for such Class A Investor Group funded by such Class
A Non-Defaulting Committed Note Purchaser (determined after giving effect to all Advances already made by such Class A
Investor Group on such date). A Class A Defaulting Committed Note Purchaser shall forthwith, upon demand, pay to the
applicable Funding Agent for the ratable benefit of the Class A Non-Defaulting Committed Note Purchasers all amounts paid
by each such Class A Non-Defaulting Committed Note Purchaser on behalf of such Class A Defaulting Committed Note
Purchaser, together with interest thereon, for each day from the date a payment was made by a Class A Non-Defaulting
Committed Note Purchaser until the date such Class A Non-Defaulting Committed Note Purchaser has been paid such
amounts in full, at a rate per annum equal to the sum of the Reference Rate plus 0.50% per annum. For the avoidance of
doubt, no Class A Delayed Funding Purchaser that has provided a Class A Delayed Funding Notice in respect of a Class A
Advance shall be considered to be in default of its obligation to fund its Class A Delayed Amount or be treated as a Class A
Defaulting Committed Note Purchaser hereunder unless and until it has failed to fund the Class A Delayed Funding
Reimbursement Amount or the Class A Second Delayed Funding Notice Amount on the related Class A Delayed Funding
Date in accordance with Sub-Clause 2.2(a)(vi)(B) (Funding Class A Advances).

(b) Class B Advances

(i) Class B Advance Requests. Subject to the terms of this Agreement, including satisfaction of the Class B Funding Conditions,
the aggregate principal amount of the Class B Notes may be increased from time to time. On any Business Day during the
Revolving Period, the Issuer, subject to this Sub-Clause 2.2(b) (Class B Advances), may increase the Class B Principal
Amount (such increase, including any increase resulting from a Class B Investor Group Maximum Principal Increase
Amount, is referred to as an “Class B Advance”), by increasing the principal amounts of the Class B Notes allocated ratably
by their respective Class B Commitment Percentages in accordance with Sub-Clause 2.2(b)(iv) (Class B Advance
Allocations).

(A) Whenever the Issuer wishes a Class B Conduit Investor, or if there is no Class B Conduit Investor with respect to
any Class B Investor Group, the Class B Committed Note Purchaser with respect to such Class B Investor Group, to
make a Class B Advance, the Issuer shall notify the Administrative Agent, the related Class B Funding Agent and
the Issuer Security Trustee by providing written notice substantially in the form of Exhibit J-2 (Class B Form of
Advance Notice) delivered to the Administrative Agent, the Issuer Security Trustee and such Class B Funding Agent
(with a copy of such notice delivered to the Class B Committed Note Purchasers) no later than 11:30 a.m. (London
time) on the third Business Day prior to the proposed Class B Advance (which notice may be combined with the
notice delivered

pursuant to Sub-Clause 2.1(c) (Additional Investor Groups) in the case of a Class B Advance in connection with a
Class B Additional Investor Group Initial Principal Amount, or pursuant to Sub-Clause 2.1(d) (Investor Group
Maximum Principal Increase), in the case of a Class B Advance in connection with a Class B Investor Group
Maximum Principal Increase Amount). Each such notice shall be irrevocable and shall in each case refer to this
Agreement and specify the aggregate amount of the requested Class B Advance to be made on such date; provided,
however, if the Issuer receives a Class B Delayed Funding Notice in accordance with Sub-Clause 2.2(b)(v) (Class B
Delayed Funding Procedures) by 6:00 p.m. (London time) on the third Business Day prior to the date of any
proposed Class B Advance, the Issuer shall have the right to revoke the Class B Advance Request by providing the
Administrative Agent and each Class B Funding Agent (with a copy to the Issuer Security Trustee and each Class B
Committed Note Purchaser) written notice, by telecopy or electronic mail, of such revocation no later than 10:00
a.m. (London time) on the second Business Day prior to the proposed date of such Class B Advance.

(B) Each Class B Funding Agent shall promptly advise its related Class B Conduit Investor, or if there is no Class B
Conduit Investor with respect to any Class B Investor Group, its related Class B Committed Note Purchaser, of any
notice given pursuant to Sub-Clause 2.2(b)(i) (Class B Advance Requests) and, if there is a Class B Conduit Investor
with respect to any Class B Investor Group, shall promptly thereafter (but in no event later than 11:00 a.m. (London
time) on the second Business Day preceding the date of such proposed Class B Advance), notify the Issuer and the
related Class B Committed Note Purchaser(s), whether such Class B Conduit Investor has determined to make such
Class B Advance.

(ii) Party Obligated to Fund Class B Advances. Upon the Issuer’s request in accordance with Sub-Clause 2.2(b)(i) (Class B
Advances):

(A) each Class B Conduit Investor, if any, may fund Class B Advances (whether as a Class B Non-Delayed Amount or a
Class B Delayed Amount) from time to time during the Revolving Period;

(B) if any Class B Conduit Investor determines that it will not make a Class B Advance (whether as a Class B Non-
Delayed Amount or a Class B Delayed Amount) or any portion of a Class B Advance (whether as a Class B Non-
Delayed Amount or a Class B Delayed Amount), then such Class B Conduit Investor shall notify the Administrative
Agent and the Class B Funding Agent with respect to such Class B Conduit Investor, and each Class B Committed
Note Purchaser with respect to such Class B Conduit Investor, subject to Sub-Clause 2.2(b)(v) (Class B Delayed
Funding Procedures) shall fund its pro rata portion (by Class B Committed Note Purchaser Percentage) of the Class
B Commitment Percentage with respect to such Class B Investor Group of such Class B Advance (whether as a Class B
Non-Delayed Amount or a Class B Delayed Amount) not funded by such Class B Conduit Investor; and

(C) if there is no Class B Conduit Investor with respect any Class B Investor Group, then the Class B Committed Note
Purchaser(s) with respect to such Class B Investor Group, subject to Sub-Clause 2.2(b)(v) (Class B Delayed
Funding Procedures), shall fund Class B Advances (whether as a Class B Non-Delayed Amount or a Class B
Delayed Amount) from time to time.
(iii) **Class B Conduit Investor Funding.** Each Class B Conduit Investor hereby agrees with respect to itself that it will use commercially reasonable efforts to fund Class B Advances made by its Class B Investor Group through the issuance of Class B Commercial Paper; provided that, (i) no Class B Conduit Investor will have any obligation to use commercially reasonable efforts to fund Class B Advances made by its Class B Investor Group through the issuance of Class B Commercial Paper at any time that the funding of such Class B Advance through the issuance of Class B Commercial Paper would be prohibited by the program documents governing such Class B Conduit Investor’s commercial paper program, (ii) nothing herein is (or shall be construed) as a commitment by any Class B Conduit Investor to fund any Class B Advance through the issuance of Class B Commercial Paper; provided further that, the Class B Conduit Investors shall not, and shall not be obligated to, fund or pay any amount pursuant to this Agreement unless (i) the respective Class B Conduit Investor has received funds that may be used to make such funding or other payment and which funds are not required to repay any of the commercial paper notes ("Class B CP Notes") issued by such Class B Conduit Investor when due and (ii) after giving effect to such funding or payment, either (x) such Class B Conduit Investor could issue Class B CP Notes to refinance all of its outstanding Class B CP Notes (assuming such outstanding Class B CP Notes matured at such time) in accordance with the program documents governing its commercial paper program or (y) all of the Class B CP Notes are paid in full. Any amount that a Class B Conduit Investor does not pay pursuant to the operation of the second proviso of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or obligation of such Class B Conduit Investor for any such insufficiency.

(iv) **Class B Advance Allocations.** The Issuer shall allocate the proposed Class B Advance among the Class B Investor Groups ratably by their respective Class B Commitment Percentages; provided that, in the event that one or more Class B Additional Investor Groups becomes party to this Agreement in accordance with Sub-Clause 2.1(c) (Additional Investor Groups) or one or more Class B Investor Group Maximum Principal Increases are effected in accordance with Sub-Clause 2.1(d) (Investor Group Maximum Principal Increase), any Class B Additional Investor Group Initial Principal Amount in connection with the addition of each such Class B Additional Investor Group, any Class B Investor Group Maximum Principal Increase Amount in connection with each such Class B Additional Investor Group Maximum Principal Increase and each Class B Advance subsequent to either of the foregoing shall be allocated solely to such Class B Additional Investor Groups and/or such Class B Investor Groups, as applicable, until (and only until) the Class B Principal Amount is allocated ratably among all Class B Investor Groups (based upon each such Class B Commitment Percentage after giving effect to each such Class B Additional Investor Group becoming party hereto and/or each such Class B Investor Group Maximum Principal Increase, as applicable); provided further that on or prior to the Payment Date immediately following the date on which any such Class B Additional Investor Group becomes party hereto or a Class B Investor Group Maximum Principal Increase occurs, the Issuer shall use commercially reasonable efforts to request Class B Advances and/or effect Class B Voluntary Decreases to the extent necessary to cause (after giving effect to such Class B Advances and Class B Voluntary Decreases) the Class B Principal Amount to be allocated ratably among all Class B Investor Groups (based upon each such Class B Investor Group’s Class B Commitment Percentage after giving effect to such Class B Additional Investor Group becoming party hereto or such Class B Investor Group Maximum Principal Increase, as applicable).

(v) **Class B Delayed Funding Procedures.**
A Class B Delayed Funding Purchaser, upon receipt of any notice of a Class B Advance pursuant to Sub-Clause 2.2(b)(i), promptly (but in no event later than 6:00 p.m. (London time) on the third Business Day prior to the proposed date of such Class B Advance) may notify the Issuer in writing (a “Class B Delayed Funding Notice”) of its election to designate such Class B Advance as a delayed Class B Advance (such Class B Advance, a “Class B Designated Delayed Advance”). If such Class B Delayed Funding Purchaser’s ratable portion of such Class B Advance exceeds its Class B Required Non-Delayed Amount (such excess amount, the “Class B Permitted Delayed Amount”), then the Class B Delayed Funding Purchaser shall also include in the Class B Delayed Funding Notice the portion of such Class B Advance (such amount as specified in the Class B Delayed Funding Notice, not to exceed such Class B Delayed Funding Purchaser’s Class B Permitted Delayed Amount, the “Class B Delayed Amount”) that the Class B Delayed Funding Purchaser has elected to fund on a Business Day that is on or prior to the thirty-fifth (35th) day following the proposed date of such Class B Advance (such date as specified in the Class B Delayed Funding Notice, the “Class B Delayed Funding Date”) rather than on the date for such Class B Advance specified in the related Class B Advance Request.

(B) If (A) one or more Class B Delayed Funding Purchasers provide a Class B Delayed Funding Notice to the Issuer specifying a Class B Delayed Amount in respect of any Class B Advance and (B) the Issuer shall not have revoked the notice of the Class B Advance by 10:00 a.m. (London time) two Business Days preceding the proposed date of such Class B Advance, then the Issuer, by no later than 11:30 a.m. (London time) two Business Days preceding the date of such proposed Class B Advance, may (but shall have no obligation to) direct each Class B Available Delayed Amount Committed Note Purchaser to fund an additional portion of such Class B Advance on the proposed date of such Class B Advance equal to such Class B Available Delayed Amount Committed Note Purchaser’s proportionate share (based upon the relative Class B Available Delayed Amount Committed Note Purchaser Percentage of such Class B Available Delayed Amount Committed Note Purchasers) of the aggregate Class B Delayed Amount with respect to the proposed Advance; provided that, (i) no Class B Available Delayed Amount Committed Note Purchaser shall be required to fund any portion of its proportionate share of such aggregate Class B Delayed Amount that would cause its Class B Investor Group Principal Amount to exceed its Class B Maximum Investor Group Principal Amount and (ii) any Class B Conduit Investor, if any, in the Class B Available Delayed Amount Committed Note Purchaser’s Investor Group may, in its sole discretion, agree to fund such proportionate share of such aggregate Class B Delayed Amount.

(C) Upon receipt of any notice of a Class B Delayed Amount in respect of a Class B Advance pursuant to Sub-Clause 2.2(b)(v)(B) (Class B Delayed Funding Procedures), a Class B Available Delayed Amount Committed Note Purchaser, promptly (but in no event later than 6:00 p.m. (London time) on the Business Day prior to the proposed date of such Class B Advance, may notify the Issuer in writing (a “Class B Second Delayed Funding Notice Amount”); provided that, the Class B Second Delayed Funding Notice Amount shall not exceed the excess, if any, of (A) such Class B Available Delayed Amount Committed

16
Note Purchaser’s proportionate share of such Class B Delayed Amount over (B) such Class B Available Delayed Amount Committed Note Purchaser’s Class B Required Non-Delayed Amount (after giving effect to the funding of any amount in respect of such C Class B Advance to be made by such Class B Available Delayed Amount Committed Note Purchaser or the Class B Conduit Investor in such Class B Available Delayed Amount Committed Note Purchaser’s Class B Investor Group) (such excess amount, the “Class B Second Permitted Delayed Amount”), and upon any such election, such Class B Available Delayed Amount Committed Note Purchaser shall include in the Class B Second Delayed Funding Notice the Class B Second Delayed Funding Notice Amount.

(vi) **Funding Class B Advances**

(A) Subject to the other conditions set forth in this Sub-Clause 2.2(b) (Class B Advances), on the date of each Class B Advance, each Class B Conduit Investor and Class B Committed Note Purchaser(s) funding such Class B Advance shall make available to the Issuer its portion of the amount of such Class B Advance (other than any Class B Delayed Amount) by wire transfer in Euros in same day funds to the Issuer Principal Collection Account no later than 2:00 p.m. (London time) on the date of such Class B Advance. Proceeds from any Class B Advance shall be deposited into the Issuer Principal Collection Account.

(B) A Class B Delayed Funding Purchaser that delivered a Class B Delayed Funding Notice in respect of a Class B Delayed Amount shall be obligated to fund such Class B Delayed Amount on the related Class B Delayed Funding Date in the manner set forth in the next succeeding sentence, irrespective of whether the Commitment Termination Date shall have occurred on or prior to such Class B Delayed Funding Date or the Issuer would be able to satisfy the Class B Funding Conditions on such Class B Delayed Funding Date. Such Class B Delayed Funding Purchaser shall (i) (if applicable) pay the sum of the Class B Second Delayed Funding Notice Amount related to such Class B Delayed Amount, if any, to the Issuer no later than 2:00 p.m. (London time) on the related Class B Delayed Funding Date by wire transfer in Euros in same day funds to the Issuer Principal Collection Account, and (ii) pay the Class B Delayed Funding Reimbursement Amount related to such Class B Delayed Amount, if any, on such related Class B Delayed Funding Date to each applicable Class B Funding Agent in immediately available funds for the ratable benefit of the related Class B Available Delayed Amount Purchasers that funded the Class B Delayed Amount on the date of the related Class B Advance related to such Class B Delayed Amount in accordance with Sub-Clause 2.2(b)(v)(C) (Class B Delayed Funding Procedures), based on the relative amount of such Class B Delayed Amount funded by such Class B Available Delayed Amount Purchaser on the date of such Class B Advance pursuant to Sub-Clause 2.2(b)(v)(C) (Class B Delayed Funding Procedures).

(vii) **Class B Funding Defaults.** If, by 2:00 p.m. (London time) on the date of any Class B Advance, one or more Class B Committed Note Purchasers in a Class B Investor Group (each, a “Class B Defaulting Committed Note Purchaser,” and each Class B Committed Note Purchaser in the related Class B Investor Group that is not a Class B Defaulting Committed Note Purchaser, a “Class B Non-Defaulting Committed Note Purchaser”) fails to make its portion of such Class B Advance, available to the Issuer pursuant to Sub-Clause 2.2(b)(vi) (Funding Class B Advances)
(the aggregate amount unavailable to the Issuer as a result of any such failure being herein called an “Class B Advance Deficit”), then the Class B Funding Agent for such Class B Investor Group, by no later than 2:30 p.m. (London time) on the applicable date of such Class B Advance, shall instruct each Class B Non-Defaulting Committed Note Purchaser in the same Class B Investor Group as the Class B Defaulting Committed Note Purchaser to pay, by no later than 3:00 p.m. (London time), in immediately available funds, to the Issuer Principal Collection Account, an amount equal to the lesser of (i) such Class B Non-Defaulting Committed Note Purchaser’s pro rata portion (based upon the relative Class B Committed Note Purchaser Percentage of such Class B Non-Defaulting Committed Note Purchasers) of the Class B Advance Deficit and (ii) the amount by which such Class B Non-Defaulting Committed Note Purchaser’s pro rata portion (by Class B Committed Note Purchaser Percentage) of the Class B Maximum Investor Group Principal Amount for such Class B Investor Group exceeds the portion of the Class B Investor Group Principal Amount for such Class B Investor Group funded by such Class B Non-Defaulting Committed Note Purchaser (determined after giving effect to all Advances already made by such Class B Investor Group on such date). A Class B Defaulting Committed Note Purchaser shall forthwith, upon demand, pay to the applicable Funding Agent for the ratable benefit of the Class B Non-Defaulting Committed Note Purchasers all amounts paid by each such Class B Non-Defaulting Committed Note Purchaser on behalf of such Class B Defaulting Committed Note Purchaser, together with interest thereon, for each day from the date a payment was made by a Class B Non-Defaulting Committed Note Purchaser until the date such Class B Non-Defaulting Committed Note Purchaser has been paid such amounts in full, at a rate per annum equal to the sum of the Reference Rate plus 0.50% per annum. For the avoidance of doubt, no Class B Delayed Funding Purchaser that has provided a Class B Delayed Funding Notice in respect of a Class B Advance shall be considered to be in default of its obligation to fund its Class B Delayed Amount or be treated as a Class B Defaulting Committed Note Purchaser hereunder unless and until it has failed to fund the Class B Delayed Funding Reimbursement Amount or the Class B Second Delayed Funding Notice Amount on the related Class B Delayed Funding Date in accordance with Sub-Clause 2.2(b)(vi)(B) (Funding Class B Advances).

(c) No obligation to make Class A Advance Requests or Class B Advance Requests. For the avoidance of doubt, the Issuer is not obliged to make any Class A Advance Requests or Class B Advance Requests, save that the Issuer shall deliver a Class A Advance Request to the Administrative Agent, the Class A Funding Agents and the Issuer Security Trustee (i) on the third Business Day prior to the Payment Date immediately preceding the Commitment Termination Date, in an amount equal to the Required Reserve Advance Amount and (ii) upon the occurrence of a Liquidation Event, in an amount equal to the Required Reserve Advance Amount; provided that, if the Issuer obtains actual knowledge of the occurrence of a Liquidation Event after 10:30 a.m. (London time) on any Business Day, the Class A Advance Request required to be delivered in accordance with item (ii) of this Sub-Clause 2.2(c) shall be delivered no later than 11:30 a.m. (London time) on the next succeeding Business Day; provided further that, no Class A Advance Request shall be required in accordance with item (ii) of this Sub-Clause 2.2(c) if a Class A Advance Request shall have previously been delivered in accordance with item (i) of this Sub-Clause 2.2(c).

2.3 Procedure for Decreasing the Principal Amount

(a) Principal Decreases. Subject to the terms of this Agreement, the aggregate principal amount of the Issuer Notes may be decreased from time to time.
(b) Expected Decrease

(i) The expected repayment date of each Class A Advance shall be specified in the Class A Advance Request, which shall be a Payment Date or an Alternative Payment Date (such date, the "Expected Payment Date"), provided that, with respect to the Class A Initial Advance Amount with respect to each Class A Noteholder as of the Closing Date, the Expected Payment Date shall be the first Alternative Payment Date.

(ii) Should the Issuer wish to repay a Class A Advance on its Expected Payment Date (the amount of such Class A Advance to be repaid, the "Class A Expected Decrease Amount"), then the Issuer shall provide notice to each Class A Noteholder, each Class A Conduit Investor, each Class A Committed Note Purchaser, the Administrative Agent and the Issuer Security Trustee at least 3 Business Days prior to such Expected Payment Date. Each such notice shall set forth the date of such Class A Expected Decrease, the related Class A Expected Decrease Amount, whether the Issuer is electing to pay any Class A Terminated Purchaser in connection with such Class A Expected Decrease, and the amount to be paid to such Class A Terminated Purchaser (if any).

(iii) Any Class A Advance which is repaid on a Payment Date or an Alternative Payment Date shall be payable in accordance with Clause 5 (Priority of Payments) (such repayment, a "Class A Expected Decrease").

(iv) If the Issuer does not provide notice in accordance with Sub-Clause 2.3(b)(ii) above, then the relevant Class A Advance shall not be due and payable on its Expected Payment Date but instead will become due and payable on the earlier of the next Alternative Payment Date and the next Payment Date, in each case immediately after such Expected Payment Date. For the avoidance of doubt, and subject to all Class A Advances being due and payable on the Expected Final Payment Date, there is no limit on the number of times which the Expected Payment Date may be extended in accordance with this Sub-Clause 2.3(b)(iv).

(c) Mandatory Decrease

(i) Obligation to Decrease Class A Notes. If any Class A Excess Principal Event shall have occurred and be continuing, then, within five (5) Business Days following the Issuer’s discovery of such Class A Excess Principal Event, the Issuer shall withdraw from the Issuer Principal Collection Account an amount equal to the lesser of (x) the amount then on deposit in such account and available for distribution to effect a reduction in the Class A Principal Amount pursuant to Sub-Clause 5.2(c) (Application of Funds in the Issuer Principal Collection Account), and (y) the amount necessary so that, after giving effect to all Class A Voluntary Decreases prior to such date, no such Class A Excess Principal Event shall exist, and distribute the lesser of such (x) and (y) to the Class A Noteholders in respect of principal of the Class A Notes to make a reduction in the Class A Principal Amount in accordance with Sub-Clause 5.2 (Application of Funds in the Issuer Principal Collection Account) (each reduction of the Principal Amount pursuant to this paragraph (i), a "Class A Excess Principal Mandatory Decrease" and the amount of each such reduction, the "Class A Excess Principal Mandatory Decrease Amount").

(ii) Obligation to Decrease Class B Notes. If any Class B Excess Principal Event shall have occurred and be continuing, then, within five (5) Business Days following the Issuer’s discovery of such Class B Excess Principal Event, the Issuer shall withdraw from the Issuer Principal Collection Account an amount equal to the lesser of (x) the amount then on deposit in such account and available for distribution to effect a reduction in the Class B Principal Amount pursuant to Sub-Clause 5.2(c)
(Application of Funds in the Issuer Principal Collection Account), and (y) the amount necessary so that, after giving effect to all Class B Voluntary Decreases prior to such date, no such Class B Excess Principal Event shall exist, and distribute the lesser of such (x) and (y) to the Class B Noteholders in respect of principal of the Class B Notes to make a reduction in the Class B Principal Amount in accordance with Sub-Clause 5.2 (Application of Funds in the Issuer Principal Collection Account) (each reduction of the Principal Amount pursuant to this paragraph (i), a “Class B Excess Principal Mandatory Decrease” and the amount of each such reduction, the “Class B Excess Principal Mandatory Decrease Amount”).

(iii) Illegality in respect of Class A Notes. If, in any applicable jurisdiction, it becomes unlawful for a Class A Noteholder to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in any Class A Advance:

(A) that Class A Noteholder shall promptly notify the relevant Class A Funding Agent and the Administrative Agent upon becoming aware of that event;

(B) upon the relevant Class A Funding Agent notifying the Issuer, the Class A Commitment of that Class A Noteholder will be immediately cancelled; and

(C) to the extent that the Class A Noteholder’s Class A Note has not been transferred pursuant to Clause 9 (Transfers, Replacements and Assignments), the Issuer shall withdraw from the Issuer Principal Collection Account an amount equal to the amount necessary to reduce the Principal Amount Outstanding of such Class A Note to zero (such reduction, a “Class A Illegality Mandatory Decrease” and the amount of each such reduction, the “Class A Illegality Mandatory Decrease Amount”).

(iv) Illegality in respect of Class B Notes. If, in any applicable jurisdiction, it becomes unlawful for a Class B Noteholder to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in any Class B Advance:

(B) upon the relevant Class B Funding Agent notifying the Issuer, the Class B Commitment of that Class B Noteholder will be immediately cancelled; and

(C) to the extent that the Class B Noteholder’s Class B Note has not been transferred pursuant to Clause 9 (Transfers, Replacements and Assignments), the Issuer shall withdraw from the Issuer Principal Collection Account an amount equal to the amount necessary to reduce the Principal Amount Outstanding of such Class B Note to zero (such reduction, a “Class B Illegality Mandatory Decrease” and the amount of each such reduction, the “Class B Illegality Mandatory Decrease Amount”).

(v) Breakage. Subject to and in accordance with Sub-Clause 3.6 (Funding Losses), (x) with respect to each Class A Excess Principal Mandatory Decrease or Class A Illegality Mandatory Decrease, the Issuer shall reimburse each Class A Investor Group or Class A Noteholder (as the case may be) on the next succeeding Payment Date for any associated breakage costs payable as a result of such Class A Excess Principal Mandatory Decrease or Class A Illegality Mandatory Decrease and (y)
with respect to each Class B Excess Principal Mandatory Decrease or Class B Illegality Mandatory Decrease, the Issuer shall reimburse each Class B Investor Group or Class B Noteholder (as the case may be) on the next succeeding Payment Date for any associated breakage costs payable as a result of such Class B Excess Principal Mandatory Decrease or Class B Illegality Mandatory Decrease.

(vi) **Notice of Mandatory Decrease.** Upon discovery of any Class A Excess Principal Event, the Issuer, within two (2) Business Days of such discovery, shall deliver written notice of any related Class A Excess Principal Mandatory Decreases, any related Class A Excess Principal Mandatory Decrease Amount and the date of any such Class A Excess Principal Mandatory Decrease to the Administrative Agent, the Issuer Security Trustee and each Class A Noteholder. Each such notice shall set forth the date of such Class A Voluntary Decrease, the related Class A Voluntary Decrease Amount, whether the Issuer is electing to pay any Class A Terminated Purchaser in connection with such Class A Voluntary Decrease, and the amount to be paid to such Class A Terminated Purchaser (if any).

(ii) **Procedures for Class B Voluntary Decrease.** On any Business Day, upon at least three (3) Business Days’ prior notice to each Class B Noteholder and provided that no Potential Amortization Event with respect to the Class A Notes has occurred, each Class B Conduit Investor, each Class B Committed Note Purchaser, the Administrative Agent and the Issuer Security Trustee, the Issuer may decrease the Class B Principal Amount in whole or in part (each such reduction of the Principal Amount pursuant to this Sub-Clause 2.3(d) (“Voluntary Decrease”)) by withdrawing from the Issuer Principal Collection Account an amount up to the sum of all amounts then on deposit in such account and available for distribution to effect a Class B Voluntary Decrease pursuant to Sub-Clause 5.2 (Application of Funds in the Issuer Principal Collection Account), and distributing the amount of such withdrawal (such amount, the “Class B Voluntary Decrease Amount”) to the Class B Noteholders as specified in Sub-Clause 5.2 (Application of Funds in the Issuer Principal Collection Account) on a pro rata basis amongst the Class B Noteholders other than the Class B Terminated Purchasers. ### 2.5 Reduction of Maximum Principal Amount

(a) **Reduction of Class A Maximum Principal Amount.** The Issuer, upon three (3) Business Days’ notice to the Administrative Agent, each Class A Funding Agent, each Class A Conduit Investor and each Class A Committed Note Purchaser, may effect a reduction (but
without prejudice of the Issuer right to effect a Class A Investor Group Maximum Principal Increase with respect to any Class A Investor Group or add any Class A Additional Investor Group in the future, in each case in accordance with Sub-Clause 2.1 (Initial Purchase; Additional Issuer Notes) of the Class A Maximum Principal Amount and a corresponding reduction of each Class A Maximum Investor Group Principal Amount; provided that, with respect to any such reduction effected pursuant to this Sub-Clause 2.5(a) (Reduction of Class A Maximum Principal Amount):

(i) any such reduction (A) will be limited to the undrawn portion of the Class A Maximum Principal Amount as of such date, although any such reduction may be combined with a Class A Decrease effected pursuant to and in accordance with Sub-Clause 2.3 (Procedure for Decreasing the Principal Amount), and (B) must be in a minimum amount of EUR 10,000,000; provided that, solely for the purposes of this Sub-Clause 2.5(a)(i) (Reduction of Class A Maximum Principal Amount), such undrawn portion of the Class A Maximum Principal Amount as of such date shall not include any then unfunded Delayed Amounts relating to any Class A Advance the notice with respect to which the Issuer shall not have revoked as of the date of such reduction; and

(ii) Any amounts relating to the Issuer Collateral or the Issuer Secured Obligations obtained by the Issuer Security Trustee on account of or as a result of the exercise by the Issuer Security Trustee of any rights or remedies specified in this Clause 7 (Amortization Events and Remedies) shall be held by the Issuer Security Trustee as additional collateral for the repayment of Issuer Secured Obligations and shall be applied as provided in Clause 5 (Priority of Payments).

7.4 **Other Remedies**

Subject to the terms and conditions of this Agreement, the Issuer Security Trust Deed and the Issuer Note Framework Agreement, if an Amortization Event occurs and is continuing, the Issuer Security Trustee may pursue any remedy available to it on behalf of the Noteholders under applicable law or in equity to collect the payment of principal of or interest on the Issuer Notes or to enforce the performance of any provision of such Issuer Notes, this Agreement or any other Issuer Related Document. All remedies are cumulative to the extent permitted by law.

7.5 **Control by Required Noteholders**

The Required Noteholders may direct the time, method and place of conducting any proceeding for any remedy available to the Issuer Security Trustee on behalf of the Noteholders or exercising any trust or power conferred on the Issuer Security Trustee. Subject to the provisions of the Issuer Security Trust Deed, the Issuer Security Trustee may, however, refuse to follow any direction that conflicts with law, this Agreement or the Issuer Note Framework Agreement, that the Issuer Security Trustee determines may be materially prejudicial to the rights of other Noteholders, or that may involve the Issuer Security Trustee in personal liability.
7.6 Right of Holders to Bring Suit

Subject to the provisions of Clause 21 (Limited Recourse and Non-Petition) of the Issuer Security Trust Deed, the right of any Noteholder to bring suit for the enforcement of any payment of principal of or interest on any Note, in each case, on or after the respective due dates thereof expressed in such Note, is absolute and unconditional and shall not be impaired or affected without the consent of such Noteholder.

7.7 Collection Suit by the Issuer Security Trustee

If any Amortization Event arising from the failure to make a payment in respect of the Issuer Notes occurs and is continuing, the Issuer Security Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal and interest remaining unpaid on the Issuer Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Issuer Security Trustee, its agents and counsel.

7.8 The Issuer Security Trustee May File Proofs of Claim

The Issuer Security Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Issuer Security Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Issuer Security Trustee, its agents and counsel) and the Noteholders relating to the Issuer Collateral or the Issuer Secured Obligations allowed in any judicial proceedings relative to the Issuer (or any other obligor under the Issuer Notes), its creditors or its property, and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claim and any custodian in any such judicial proceeding is hereby authorized by each Noteholder to make such payments to the Issuer Security Trustee and, in the event that the Issuer Security Trustee shall consent to the making of such payments directly to such Noteholders, to pay the Issuer Security Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Issuer Security Trustee, its agents and counsel. Nothing herein contained shall be deemed to authorize the Issuer Security Trustee to authorize or consent to or accept or adopt on behalf of any such Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Issuer Notes of any Noteholder or the rights of any such Noteholder thereof, or to authorize the Issuer Security Trustee to vote in respect of the claim of any such Noteholder in any such proceeding.

7.9 Priorities

If the Issuer Security Trustee collects any money pursuant to this Clause 7 (Amortization Events and Remedies), the Issuer Security Trustee shall pay out the money in accordance with the provisions of Clause 5 (Priority of Payments).

7.10 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Issuer Security Trustee or to the holders of Issuer Notes is intended to be exclusive of any other right or remedy, and every right or remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under this Agreement or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy under this Agreement, or otherwise, shall not prevent the concurrent assertion or employment of any other valid right or remedy.

7.11 Delay or Omission Not Waiver

No delay or omission of the Issuer Security Trustee or of any Noteholder to exercise any right or remedy accruing upon any Amortization Event shall impair any such right or remedy or constitute

53
a waiver of any such Amortization Event or acquiescence thereto (other than any such right or remedy that by its terms requires such Amortization Event to be continuing at the time of exercising such right or remedy). Every right and remedy given by this Clause 7 (Amortization Events and Remedies) or by law to the Issuer Security Trustee or to each Noteholder may be exercised from time to time, and as often as may be deemed expedient, by the Issuer Security Trustee or such Noteholder, as the case may be. For the avoidance of doubt, this Sub-Clause 7.11 (Delay or Omission Not Waiver) shall be subject to and qualified in its entirety by the provisions of Sub-Clause 11.10 (Amendments) and paragraph 2 (Amendments) of Annex 2 (Covenants).

7.12 Reassignment of Surplus

After termination of this Agreement and the payment in full of the Issuer Secured Obligations, any proceeds of the Issuer Collateral received or held by the Issuer Security Trustee shall be turned over to the Issuer and the Issuer Collateral shall be reassigned to the Issuer by the Issuer Security Trustee without recourse to the Issuer Security Trustee and without any representations, warranties or agreements of any kind.

8 [RESERVED]

9 TRANSFERS, REPLACEMENTS AND ASSIGNMENTS

9.1 Transfer of Issuer Notes

(a) Other than in accordance with this Clause 9, the Issuer Notes will not be permitted to be transferred, assigned, exchanged or otherwise pledged or conveyed by the Noteholders.

(b) Subject to the terms and restrictions set forth in this Issuer Note Framework Agreement and this Agreement (including, without limitation, Clause 9.3), the holder of any Class A Note may transfer the same in whole or in part, in an amount equivalent to an authorized denomination, under a written instrument of transfer in form satisfactory to the Issuer and the Registrar and accompanied by a certificate substantially in the form of Exhibit E-1 hereto; provided that, if the holder of any Class A Note transfers, in whole or in part, its interest in any Class A Note pursuant to (i) a Class A Assignment and Assumption Agreement substantially in the form of Exhibit G-1 hereto or (ii) a Class A Investor Group Supplement substantially in the form of Exhibit H-1 hereto, then such Noteholder will not be required to submit a certificate substantially in the form of Exhibit E-1 hereto upon transfer of its interest in such Class A Note; provided further that, notwithstanding anything to the contrary contained in this Agreement, no Class A Note shall be transferrable to any Disqualified Party without the prior written consent of an Authorized Officer of the Issuer, which consent may be withheld for any reason in the Issuer’s sole and absolute discretion.

(c) Subject to the terms and restrictions set forth in this Issuer Note Framework Agreement and this Agreement (including, without limitation, Clause 9.3), the holder of any Class B Note may transfer the same in whole or in part, in an amount equivalent to an authorized denomination, under a written instrument of transfer in form satisfactory to the Issuer and the Registrar and accompanied by a certificate substantially in the form of Exhibit E-2 hereto; provided that, if the holder of any Class B Note transfers, in whole or in part, its interest in any Class B Note pursuant to (i) a Class B Assignment and Assumption Agreement substantially in the form of Exhibit G-2 hereto or (ii) a Class B Investor Group Supplement substantially in the form of Exhibit H-2 hereto, then such Noteholder will not be required to submit a certificate substantially in the form of Exhibit E-2 hereto upon transfer of its interest in such Class B Note; provided further that, notwithstanding anything to the contrary contained in this Agreement, no Class B Note shall be transferrable to any Disqualified Party without the prior written consent of an Authorized Officer of the Issuer, which consent may be withheld for any reason in the Issuer’s sole and absolute discretion.
9.2 Replacement of Investor Group

(a) Replacement of Class A Investor Group

(i) Notwithstanding anything to the contrary contained herein or in any other Related Document, in the event that:

(A) any Class A Affected Person shall request reimbursement for amounts owing pursuant to any Specified Cost Section,

(B) a Class A Committed Note Purchaser shall become a Class A Defaulting Committed Note Purchaser, and such Class A Defaulting Committed Note Purchaser shall fail to pay any amounts in accordance with Sub-Clause 2.2(a)(vii) (Funding Defaults) within five (5) Business days after demand from the applicable Class A Funding Agent,

(C) any Class A Committed Note Purchaser or Class A Conduit Investor shall (x) become a Non-Extending Purchaser or (y) deliver a Class A Delayed Funding Notice or a Class A Second Delayed Funding Notice,

(D) as of any date of determination (A) the rolling average Class A CP Rate applicable to the Class A CP Tranche attributable to any Class A Conduit Investor for any three (3) month period is equal to or greater than the greater of (I) the Class A CP Rate applicable to such Class A CP Tranche attributable to such Class A Conduit Investor at the start of such period plus 0.50% and (II) the product of (x) the Class A CP Rate applicable to such Class A CP Tranche attributable to such Class A Conduit Investor at the start of such period and (y) 125%, (B) any portion of the Class A Investor Group Principal Amount with respect to such Class A Conduit Investor is being continued or maintained as a Class A CP Tranche as of such date and (C) the circumstance described in paragraph (A) does not apply to more than two Class A Conduit Investors as of such date, or

(E) any Class A Committed Note Purchaser or Class A Conduit Investor fails to give its consent to any amendment, modification, termination or waiver of any Issuer Related Document (a “Class A Action”), by the date specified by the Issuer, for which (A) at least half of the percentage of the Class A Committed Note Purchasers and the Class A Conduit Investors required for such Class A Action have consented to such Class A Action, and (B) the percentage of the Class A Committed Note Purchasers and the Class A Conduit Investors required for such Class A Action have not consented to such Class A Action or provided written notice that they intend to consent (each, a “Class A Non-Consenting Purchaser”, and each such Class A Committed Note Purchaser or Class A Conduit Investor described in Sub-Clauses (A) through (E) of this Clause 9.2, a “Class A Potential Terminated Purchaser”),

the Issuer shall be permitted, upon no less than seven (7) days’ notice (the “Class A Purchaser Termination Notice”) to the Administrative Agent, each Class A Conduit Investor, each Class A Committed Note Purchaser and each Class A Funding Agent related to each Class A Conduit Investor and Class A Committed Note Purchaser including the Class A Potential Terminated Purchaser, to (x)(1) elect to terminate the Class A Commitment, if any, of such Class A Potential Terminated
Purchaser on the date specified in such Class A Purchaser Termination Notice, and (2) prepay on the date of such termination such Class A Potential Terminated Purchaser’s portion of the Class A Investor Group Principal Amount for such Class A Potential Terminated Purchaser’s Class A Investor Group and all accrued and unpaid interest thereon, if any, or (y) elect to cause such Class A Potential Terminated Purchaser to (and the Class A Potential Terminated Purchaser must) assign its Class A Commitment to a replacement purchaser who may be an existing Class A Conduit Investor, Class A Committed Note Purchaser, Class A Program Support Provider or other Class A Noteholder (each, a “Class A Replacement Purchaser” and, any such Class A Potential Terminated Purchaser with respect to which the Issuer has made any such election, a “Class A Terminated Purchaser”). In the case of a Class A Purchaser Termination Notice delivered in connection with any Class A Potential Terminated Purchaser who is a Class A Non-Consenting Purchaser pursuant to Sub-Clause 9.2(a)(i)(E), such Class A Purchaser Termination Notice shall specify each Class A Committed Note Purchaser and Class A Conduit Investor that is a Class A Potential Terminated Purchaser and shall provide that any Class A Committed Note Purchaser or Class A Conduit Investor that is not a Class A Potential Terminated Purchaser may notify the Issuer of its election to become a Class A Non-Consenting Purchaser and additional Class A Potential Terminated Purchaser (each, a “Revoking Lender”). The Issuer shall be permitted to make any election specified in clauses (x) or (y) of this final paragraph of Sub-Clause 9.2(a)(i) with respect to each Revoking Lender, upon which election by the Issuer each such Revoking Lender shall become an additional Class A Terminated Purchaser on the date specified in the Class A Purchaser Termination Notice delivered with respect to each Class A Potential Terminated Purchaser pursuant to the immediately preceding sentence. No Class A Purchaser Termination Notice shall be required to be delivered with respect to a Revoking Lender who becomes a Class A Potential Terminated Purchaser.

(ii) The Issuer shall not make an election described in Sub-Clause 9.2(a) unless (i) no Amortization Event or Potential Amortization Event with respect to Class A Notes shall have occurred and be continuing at the time of such election (unless such Amortization Event or Potential Amortization Event would no longer be continuing after giving effect to such election), (ii) in respect of an election described in clause (y) of the final paragraph of Sub-Clause 9.2(a)(i) only, on or prior to the effectiveness of the applicable assignment, the Class A Terminated Purchaser shall have been paid its portion of the Class A Investor Group Principal Amount for such Class A Terminated Purchaser’s Class A Investor Group and all accrued and unpaid interest thereon, if any, by or on behalf of the Issuer or the related Class A Replacement Purchaser, (iii) in the event that the Class A Terminated Purchaser is a Non-Extending Purchaser, the Class A Replacement Purchaser, if any, shall have agreed to the applicable extension of the Commitment Termination Date and (iv) in the event that the Class A Terminated Purchaser is a Class A Non-Consenting Purchaser, the Class A Replacement Purchaser, if any, shall have consented to the applicable amendment, modification, termination or waiver. Each Class A Terminated Purchaser hereby agrees to take all actions reasonably necessary, at the expense of the Issuer, to permit a Class A Replacement Purchaser to succeed to its rights and obligations hereunder. Notwithstanding the foregoing, the consent of each then-current member of an existing Class A Investor Group (other than any Class A Terminated Purchaser in such Class A Investor Group) shall be required in order for a Class A Replacement Purchaser to join any such Class A Investor Group. Upon the effectiveness of any such assignment to a Class A Replacement Purchaser, (i) such Class A Replacement Purchaser shall become a “Class A Committed Note Purchaser” or “Class A Conduit Investor”, as applicable, hereunder for all purposes of this Agreement and the other Issuer Related Documents, (ii) such Class A Replacement Purchaser shall have a Class A Commitment and a Class A Committed Note Purchaser Percentage.
in an amount not less than the Class A Terminated Purchaser’s Commitment and Class A Committed Note Purchaser
Percentage assumed by it, (iii) the Class A Commitment of the Class A Terminated Purchaser shall be terminated in all
respects and the Class A Committed Note Purchaser Percentage of such Class A Terminated Purchaser shall become zero and
(iv) the Administrative Agent shall revise Schedule 2 hereto to reflect the foregoing paragraphs (i) through (iii).

(b) Replacement of Class B Investor Group

(i) Notwithstanding anything to the contrary contained herein or in any other Related Document, in the event that:

(A) any Class B Affected Person shall request reimbursement for amounts owing pursuant to any Specified Cost Section,

(B) a Class B Committed Note Purchaser shall become a Class B Defaulting Committed Note Purchaser, and such Class

Defaults) within five (5) Business days after demand from the applicable Class B Funding Agent,

(C) any Class B Committed Note Purchaser or Class B Conduit Investor shall (x) become a Non-Extending Purchaser or
(y) deliver a Class B Delayed Funding Notice or a Class B Second Delayed Funding Notice,

(D) as of any date of determination (A) the rolling average Class B CP Rate applicable to the Class B CP Tranche
attributable to any Class B Conduit Investor for any three (3) month period is equal to or greater than the greater of
(I) the Class B CP Rate applicable to such Class B CP Tranche attributable to such Class B Conduit Investor at the
start of such period plus 0.50% and (II) the product of (x) the Class B CP Rate applicable to such Class B CP
Tranche attributable to such Class B Conduit Investor at the start of such period and (y) 125%, (B) any portion of
the Class B Investor Group Principal Amount with respect to such Class B Conduit Investor is being continued or
maintained as a Class B CP Tranche as of such date and (C) the circumstance described in paragraph (A) does not
apply to more than two Class B Conduit Investors as of such date, or

(E) any Class B Committed Note Purchaser or Class B Conduit Investor fails to give its consent to any amendment,
modification, termination or waiver of any Issuer Related Document (an “Class B Action”), by the date specified by
the Issuer, for which (A) at least half of the percentage of the Class B Committed Note Purchasers and the Class B
Conduit Investors required for such Class B Action have consented to such Class B Action, and (B) the percentage
of the Class B Committed Note Purchasers and the Class B Conduit Investors required for such Class B Action have
not consented to such Class B Action or provided written notice that they intend to consent (each, a “Class B Non-
Consenting Purchaser”, and each such Class B Committed Note Purchaser or Class B Conduit Investor described in
Sub-Clauses (A) through (E) of this Clause 9.2, a “Class B Potential Terminated Purchaser”),

the Issuer shall be permitted, upon no less than seven (7) days’ notice to the Administrative Agent, a Class B Potential
Terminated Purchaser and its related Class B Funding Agent, to (x)(1) elect to terminate the Class B Commitment, if any, of
such Class B Potential Terminated Purchaser on the date specified in such
termination notice, and (2) prepay on the date of such termination such Class B Potential Terminated Purchaser’s portion of the Class B Investor Group Principal Amount for such Class B Potential Terminated Purchaser’s Class B Investor Group and all accrued and unpaid interest thereon, if any, or (y) elect to cause such Class B Potential Terminated Purchaser to (and the Class B Potential Terminated Purchaser must) assign its Class B Commitment to a replacement purchaser who may be an existing Class B Conduit Investor, or Committed Note Purchaser, Class B Program Support Provider or other Class B Noteholder (each, a “Class B Replacement Purchaser” and, any such Class B Potential Terminated Purchaser with respect to which the Issuer has made any such election, a “Class B Terminated Purchaser”).

(ii) The Issuer shall not make an election described in Sub-Clause 9.2(b) unless (i) no Amortization Event or Potential Amortization Event with respect to Class B Notes shall have occurred and be continuing at the time of such election (unless such Amortization Event or Potential Amortization Event would no longer be continuing after giving effect to such election), (ii) in respect of an election described in clause (y) of the final paragraph of Sub-Clause 9.2(b)(i) only, on or prior to the effectiveness of the applicable assignment, the Class B Terminated Purchaser shall have been paid its portion of the Class B Investor Group Principal Amount for such Class B Terminated Purchaser’s Class B Investor Group and all accrued and unpaid interest thereon, if any, by or on behalf of the Issuer or the related Class B Replacement Purchaser, (iii) in the event that the Class B Terminated Purchaser is a Non-Extending Purchaser, the Class B Replacement Purchaser, if any, shall have agreed to the applicable extension of the Commitment Termination Date and (iv) in the event that the Class B Terminated Purchaser is a Class B Non-Consenting Purchaser, the Class B Replacement Purchaser, if any, shall have consented to the applicable amendment, modification, termination or waiver. Each Class B Terminated Purchaser hereby agrees to take all actions reasonably necessary, at the expense of the Issuer, to permit a Class B Replacement Purchaser to succeed to its rights and obligations hereunder. Notwithstanding the foregoing, the consent of each then-current member of an existing Class B Investor Group (other than any Class B Terminated Purchaser in such Class B Investor Group) shall be required in order for a Class B Replacement Purchaser to join any such Class B Investor Group. Upon the effectiveness of any such assignment to a Class B Replacement Purchaser, (i) such Class B Replacement Purchaser shall become a “Class B Committed Note Purchaser” or “Class B Conduit Investor”, as applicable, hereunder for all purposes of this Agreement and the other Issuer Related Documents, (ii) such Class B Replacement Purchaser shall have a Class B Commitment and a Class B Committed Note Purchaser Percentage in an amount not less than the Class B Terminated Purchaser’s Commitment and Class B Committed Note Purchaser Percentage assumed by it, (iii) the Class B Commitment of the Class B Terminated Purchaser shall be terminated in all respects and the Class B Committed Note Purchaser Percentage of such Class B Terminated Purchaser shall become zero and (iv) the Administrative Agent shall revise Schedule 2 hereto to reflect the foregoing paragraphs (i) through (iii).

9.3 Assignments

(a) Class A Assignments

(i) Any Class A Committed Note Purchaser may at any time sell all or any part of its rights and obligations under this Agreement and the Class A Notes, with the prior written consent of the Issuer, which consent shall not be unreasonably withheld, to one or more financial institutions (a “Class A Acquiring Committed Note Purchaser”) pursuant to an assignment and assumption agreement, substantially in the form of Exhibit G-1 (the “Class A Assignment and Assumption Agreement”).

58
executed by such Class A Acquiring Committed Note Purchaser, such assigning Class A Committed Note Purchaser, the
Class A Funding Agent with respect to such Class A Committed Note Purchaser and the Issuer and delivered to the
Administrative Agent; provided that, the consent of the Issuer to any such assignment shall not be required (i) after the
occurrence and during the continuance of an Amortization Event with respect to the Class A Notes or (ii) if such Class A
Acquiring Committed Note Purchaser is an Affiliate of such assigning Class A Committed Note Purchaser; provided further,
that the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable)
to an assignment to a potential Class A Acquiring Committed Note Purchaser that is a Disqualified Party. An assignment by
a Class A Committed Note Purchaser that is part of a Class A Investor Group that includes a Class A Conduit Investor to a
Class A Investor Group that does not include a Class A Conduit Investor may be made pursuant to this Sub-Clause 9.3(a);
provided that, immediately prior to such assignment each Class A Conduit Investor that is part of the assigning Class A
Investor Group shall be deemed to have assigned all of its rights and obligations in the Class A Notes (and its rights and
obligations hereunder and under each other Issuer Related Document) in respect of such assigned interest to its related Class
A Committed Note Purchaser pursuant to Sub-Clause 9.3(a)(vii). Notwithstanding anything to the contrary herein, any
assignment by a Class A Committed Note Purchaser to a different Class A Investor Group that includes a Class A Conduit
Investor shall be made pursuant to Sub-Clause 9.3(a)(iii), and not this Sub-Clause 9.3(a).

(ii) Without limiting Sub-Clause 9.3(a), each Class A Conduit Investor may assign all or a portion of the Class A Investor
Group Principal Amount with respect to such Class A Conduit Investor and its rights and obligations under this Agreement and each
other Issuer Related Document to which it is a party (or otherwise to which it has rights) to a Class A Conduit Assignee with
respect to such Class A Conduit Investor without the prior written consent of the Issuer. Upon such assignment by a Class A
Conduit Investor to a Class A Conduit Assignee:

(A) such Class A Conduit Assignee shall be the owner of the Class A Investor Group Principal Amount or such portion
thereof with respect to such Class A Conduit Investor;

(B) the related administrative or managing agent for such Class A Conduit Assignee will act as the Class A Funding
Agent for such Class A Conduit Assignee hereunder, with all corresponding rights and powers, express or implied,
granted to the Class A Funding Agent hereunder or under each other Issuer Related Document;

(C) such Class A Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related
parties, in each case relating to the Class A Commercial Paper and/or the Class A Notes, shall have the benefit of all
the rights and protections provided to such Class A Conduit Investor herein and in each other Issuer Related
Document (including any limitation on recourse against such Class A Conduit Assignee as provided in this
paragraph);

(D) such Class A Conduit Assignee shall assume all of such Class A Conduit Investor’s obligations, if any, hereunder
and under each other Issuer Related Document with respect to such portion of the Class A Investor Group Principal
Amount and such Class A Conduit Investor shall be released from such obligations;
(E) all distributions in respect of the Class A Investor Group Principal Amount or such portion thereof with respect to such Class A Conduit Investor shall be made to the applicable Class A Funding Agent on behalf of such Class A Conduit Assignee;

(F) the definition of the term “Class A CP Rate” with respect to the portion of the Class A Investor Group Principal Amount with respect to such Class A Conduit Investor, as applicable funded with commercial paper issued by such Class A Conduit Assignee from time to time shall be determined in the manner set forth in the definition of “Class A CP Rate” applicable to such Class A Conduit Assignee on the basis of the interest rate or discount applicable to commercial paper issued by such Class A Conduit Assignee (rather than any other Class A Conduit Investor);

(G) the defined terms and other terms and provisions of this Agreement and each other Issuer Related Documents shall be interpreted in accordance with the foregoing; and

(H) if reasonably requested by the Class A Funding Agent with respect to such Class A Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Class A Funding Agent may reasonably request to evidence and give effect to the foregoing.

No assignment by any Class A Conduit Investor to a Class A Conduit Assignee of all or any portion of the Class A Investor Group Principal Amount with respect to such Class A Conduit Investor shall in any way diminish the obligation of the Class A Committed Note Purchasers in the same Class A Investor Group as such Class A Conduit Investor under Clause 2.2 to fund any Class A Advance not funded by such Class A Conduit Investor or such Class A Conduit Assignee.

(iii) Any Class A Conduit Investor and the Class A Committed Note Purchaser with respect to such Class A Conduit Investor (or, with respect to any Class A Investor Group without a Class A Conduit Investor, the related Class A Committed Note Purchaser) at any time may sell all or any part of their respective (or, with respect to a Class A Investor Group without a Class A Conduit Investor, its) rights and obligations under this Agreement and the Class A Notes, with the prior written consent of the Issuer, which consent shall not be unreasonably withheld, to a Class A Investor Group with respect to which each acquiring Class A Conduit Investor is a multi-seller commercial paper conduit, whose commercial paper has ratings of at least “A-2” from S&P and “P2” from Moody’s and that includes one or more financial institutions providing support to such multi-seller commercial paper conduit (an “Class A Acquiring Investor Group”) pursuant to a transfer supplement, substantially in the form of Exhibit II (the “Class A Investor Group Supplement”), executed by such Class A Acquiring Investor Group, the Class A Funding Agent with respect to such Class A Acquiring Investor Group (including each Class A Conduit Investor (if any) and the Class A Committed Note Purchasers with respect to such Class A Investor Group), such assigning Class A Conduit Investor and the Class A Committed Note Purchasers with respect to such Class A Conduit Investor, the Class A Funding Agent with respect to such assigning Class A Conduit Investor and Class A Committed Note Purchasers and the Issuer and delivered to the Administrative Agent; provided that, the consent of the Issuer to any such assignment shall not be required (i) after the occurrence and during the continuance of an Amortization Event with respect to the Class A Notes or (ii) where the acquiring Class A Conduit Investor is an Affiliate of the assigning Class A Conduit Investor

60
(so long as such acquiring Class A Conduit Investor is a multi-seller commercial paper conduit, whose commercial paper has ratings of at least “A-2” from S&P and “P2” from Moody’s); provided further that the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to a potential Class A Acquiring Investor Group that (a) has ratings of at least “A-2” from S&P and “P2” from Moody’s, but does not have ratings of at least “A-1” from S&P or “P1” from Moody’s if such assignment will result in a material increase in the Issuer’s costs of financing with respect to the applicable Issuer Notes or (b) is a Disqualified Party.

(iv) Any Class A Committed Note Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities (“Class A Participants”) participations in its Class A Committed Note Purchaser Percentage of the Class A Maximum Investor Group Principal Amount with respect to it and the other Class A Committed Note Purchasers included in the related Class A Investor Group, its Class A Note and its rights hereunder (or, in each case, a portion thereof) pursuant to documentation in form and substance satisfactory to such Class A Committed Note Purchaser and the Class A Participant; provided, however, that (i) in the event of any such sale by a Class A Committed Note Purchaser to a Class A Participant, (A) such Class A Committed Note Purchaser’s obligations under this Agreement shall remain unchanged, (B) such Class A Committed Note Purchaser shall remain solely responsible for the performance thereof and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Class A Committed Note Purchaser in connection with its rights and obligations under this Agreement, (ii) no Class A Committed Note Purchaser shall sell any participating interest under which the Class A Participant shall have any right to approve, veto, consent, waive or otherwise influence any approval, consent or waiver of such Class A Committed Note Purchaser with respect to any amendment, consent or waiver with respect to this Agreement or any other Issuer Related Document, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Class A Committed Note Purchasers hereunder, and (iii) no Class A Committed Note Purchaser shall sell any participating interest to any Disqualified Party. A Class A Participant shall have the right to receive reimbursement for amounts due pursuant to each Specified Cost Section but only to the extent that the related selling Class A Committed Note Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sub-Clause 3.8, only to the extent such Class A Participant shall have complied with the provisions of Sub-Clause 3.8 as if such Class A Participant were a Class A Committed Note Purchaser. Each such Class A Participant shall be deemed to have agreed to the provisions set forth in Sub-Clause 3.10 as if such Class A Participant were a Class A Committed Note Purchaser.

(v) The Issuer authorizes each Class A Committed Note Purchaser to disclose to any Class A Participant or Class A Acquiring Committed Note Purchaser (each, a “Class A Transferee”) and any prospective Class A Transferee any and all financial information in such Class A Committed Note Purchaser’s possession concerning the Issuer, the Issuer Collateral, the Issuer Administrator and the Issuer Related Documents that has been delivered to such Class A Committed Note Purchaser by the Issuer in connection with such Class A Committed Note Purchaser’s credit evaluation of the Issuer, the Issuer Collateral and the Issuer Administrator. For the avoidance of doubt, no Class A Committed Note Purchaser may disclose any of the foregoing information to any Class A Transferee who is a Disqualified Party without the prior written consent of an Authorized Officer of the Issuer, which consent may be withheld for any reason in the Issuer’s sole and absolute discretion.
(vi) Notwithstanding any other provision set forth in this Agreement, each Class A Conduit Investor or, if there is no Class A Conduit Investor with respect to any Class A Investor Group, the Class A Committed Note Purchaser with respect to such Class A Investor Group may at any time grant to one or more Class A Program Support Providers (or, in the case of a Class A Conduit Investor, to its related Class A Committed Note Purchaser) a participating interest in, security interest or lien on, or otherwise transfer and assign to one or more Class A Program Support Providers (or, in the case of a Class A Conduit Investor, to its related Class A Committed Note Purchaser), such Class A Conduit Investor’s or, if there is no Class A Conduit Investor with respect to any Class A Investor Group, the related Class A Committed Note Purchaser’s interests in the Class A Advances made hereunder and such Class A Program Support Provider (or such Class A Committed Note Purchaser, as the case may be), with respect to its participating or assigned interest, shall be entitled to the benefits granted to such Class A Conduit Investor or Class A Committed Note Purchaser, as applicable, under this Agreement.

(vii) Notwithstanding any other provision set forth in this Agreement, each Class A Conduit Investor may at any time, without the consent of the Issuer, transfer and assign all or a portion of its rights in the Issuer Notes (and its rights hereunder and under other Issuer Related Documents) to its related Class A Committed Note Purchaser. Furthermore, each Class A Conduit Investor may at any time grant a security interest in or security on, all or any portion of its interests under this Agreement, its Class A Note and each other Issuer Related Document to (i) its related Class A Committed Note Purchaser, (ii) its Class A Funding Agent, (iii) any Class A Program Support Provider who, at any time now or in the future, provides program liquidity or credit enhancement, including an insurance policy for such Class A Conduit Investor relating to the Class A Commercial Paper or the Issuer Notes, (iv) any other Person who, at any time now or in the future, provides liquidity or credit enhancement for the Class A Conduit Investors, including an insurance policy relating to the Class A Commercial Paper or the Class A Notes or (v) any security trustee or security agent for any of the foregoing; provided, however, any such security interest or lien shall be released upon assignment of its Note to its related Class A Committed Note Purchaser. Each Class A Committed Note Purchaser may assign its Class A Commitment, or all or any portion of its interest under its Class A Note, this Agreement and each other Issuer Related Document to any Person with the prior written consent of the Issuer, such consent not to be unreasonably withheld; provided that, the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to any Person that is a Disqualified Party. Notwithstanding any other provisions set forth in this Agreement, each Class A Committed Note Purchaser may at any time create a security interest in all or any portion of its rights under this Agreement, its Class A Notes and the Issuer Related Document in favor of any Governmental Authority.

(b) **Class B Assignments**

(i) Any Class B Committed Note Purchaser may at any time sell all or any part of its rights and obligations under this Agreement and the Class B Notes, with the prior written consent of the Issuer, which consent shall not be unreasonably withheld, to one or more financial institutions (a “Class B Acquiring Committed Note Purchaser”) pursuant to an assignment and assumption agreement, substantially in the form of Exhibit G-2 (the “Class B Assignment and Assumption Agreement”), executed by such Class B Acquiring Committed Note Purchaser, such assigning Class B Committed Note Purchaser, the Class B Funding Agent with respect to such Class B Committed Note Purchaser and the Issuer and delivered to the Administrative Agent; provided that, the consent of the Issuer to any such assignment.
shall not be required (i) after the occurrence and during the continuance of an Amortization Event with respect to the Class B Notes or (ii) if such Class B Acquiring Committed Note Purchaser is an Affiliate of such assigning Class B Committed Note Purchaser; provided further, that the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to a potential Class B Acquiring Committed Note Purchaser that is a Disqualified Party. An assignment by a Class B Committed Note Purchaser that is part of a Class B Investor Group that includes a Class B Conduit Investor to a Class B Investor Group that does not include a Class B Conduit Investor may be made pursuant to this Sub-Clause 9.3(a); provided that, immediately prior to such assignment each Class B Conduit Investor that is part of the assigning Class B Investor Group shall be deemed to have assigned all of its rights and obligations in the Class B Notes (and its rights and obligations hereunder and under each other Issuer Related Document) in respect of such assigned interest to its related Class B Committed Note Purchaser pursuant to Sub-Clause 9.3(a)(vii). Notwithstanding anything to the contrary herein, any assignment by a Class B Committed Note Purchaser to a different Class B Investor Group that includes a Class B Conduit Investor shall be made pursuant to Sub-Clause 9.3(a)(iii), and not this Sub-Clause 9.3(a).

(ii) Without limiting Sub-Clause 9.3(a), each Class B Conduit Investor may assign all or a portion of the Class B Investor Group Principal Amount with respect to such Class B Conduit Investor and its rights and obligations under this Agreement and each other Issuer Related Document to which it is a party (or otherwise to which it has rights) to a Class B Conduit Assignee without the prior written consent of the Issuer. Upon such assignment by a Class B Conduit Investor to a Class B Conduit Assignee:

(A) such Class B Conduit Assignee shall be the owner of the Class B Investor Group Principal Amount or such portion thereof with respect to such Class B Conduit Investor;

(B) the related administrative or managing agent for such Class B Conduit Assignee will act as the Class B Funding Agent for such Class B Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Class B Funding Agent hereunder or under each other Issuer Related Document;

(C) such Class B Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties, in each case relating to the Class B Commercial Paper and/or the Class B Notes, shall have the benefit of all the rights and protections provided to such Class B Conduit Investor herein and in each other Issuer Related Document (including any limitation on recourse against such Class B Conduit Assignee as provided in this paragraph);

(D) such Class B Conduit Assignee shall assume all of such Class B Conduit Investor’s obligations, if any, hereunder and under each other Issuer Related Document with respect to such portion of the Class B Investor Group Principal Amount and such Class B Conduit Investor shall be released from such obligations;

(E) all distributions in respect of the Class B Investor Group Principal Amount or such portion thereof with respect to such Class A Conduit Investor shall
be made to the applicable Class B Funding Agent on behalf of such Class B Conduit Assignee;

(F) the definition of the term “Class B CP Rate” with respect to the portion of the Class B Investor Group Principal Amount with respect to such Class B Conduit Investor, as applicable funded with commercial paper issued by such Class B Conduit Assignee from time to time shall be determined in the manner set forth in the definition of “Class B CP Rate” applicable to such Class B Conduit Assignee on the basis of the interest rate or discount applicable to commercial paper issued by such Class B Conduit Assignee (rather than any other Class B Conduit Investor);

(G) the defined terms and other terms and provisions of this Agreement and each other Issuer Related Documents shall be interpreted in accordance with the foregoing; and

(H) if reasonably requested by the Class B Funding Agent with respect to such Class A Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Class B Funding Agent may reasonably request to evidence and give effect to the foregoing.

No assignment by any Class B Conduit Investor to a Class B Conduit Assignee of all or any portion of the Class B Investor Group Principal Amount with respect to such Class B Conduit Investor shall in any way diminish the obligation of the Class B Committed Note Purchasers in the same Class B Investor Group as such Class B Conduit Investor under Clause 2.2 to fund any Class B Advance not funded by such Class B Conduit Investor or such Class B Conduit Assignee.

(iii) Any Class B Conduit Investor and the Class B Committed Note Purchaser with respect to such Class B Conduit Investor (or, with respect to any Class A Investor Group without a Class B Conduit Investor, the related Class B Committed Note Purchaser) at any time may sell all or any part of their respective (or, with respect to a Class B Investor Group without a Class B Conduit Investor, its) rights and obligations under this Agreement and the Class B Notes, with the prior written consent of the Issuer, which consent shall not be unreasonably withheld, to a Class B Investor Group with respect to which each acquiring Class B Conduit Investor is a multi-seller commercial paper conduit, whose commercial paper has ratings of at least “A-2” from S&P and “P2” from Moody’s and that includes one or more financial institutions providing support to such multi-seller commercial paper conduit (an “Class B Acquiring Investor Group”) pursuant to a transfer supplement, substantially in the form of Exhibit H (the “Class B Investor Group Supplement”), executed by such Class B Acquiring Investor Group, the Class B Funding Agent with respect to such Class B Acquiring Investor Group (including each Class B Conduit Investor (if any) and the Class B Committed Note Purchasers with respect to such Class B Investor Group), such assigning Class B Conduit Investor and the Class B Committed Note Purchasers with respect to such Class B Conduit Investor, the Class B Funding Agent with respect to such assigning Class B Conduit Investor and Class B Committed Note Purchasers and the Issuer and delivered to the Administrative Agent; provided that, the consent of the Issuer to any such assignment shall not be required after the occurrence and during the continuance of an Amortization Event with respect to the Class B Notes; provided further that the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to a potential Class B Acquiring Investor Group that (a) has ratings of at least “A-2” from S&P and “P2”
by Moody’s, but does not have ratings of at least “A-1” from S&P or “P1” by Moody’s if such assignment will result in a material increase in the Issuer’s costs of financing with respect to the applicable Issuer Notes or (b) is a Disqualified Party.

(iv) Any Class B Committed Note Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities (“Class B Participants”) participations in its Class B Committed Note Purchaser Percentage of the Class B Maximum Investor Group Principal Amount with respect to it and the other Class B Committed Note Purchasers included in the related Class B Investor Group, its Class B Note and its rights hereunder (or, in each case, a portion thereof) pursuant to documentation in form and substance satisfactory to such Class B Committed Note Purchaser and the Class B Participant; provided, however, that (i) in the event of any such sale by a Class B Committed Note Purchaser to a Class B Participant, (A) such Class B Committed Note Purchaser’s obligations under this Agreement shall remain unchanged, (B) such Class B Committed Note Purchaser shall remain solely responsible for the performance thereof and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Class B Committed Note Purchaser in connection with its rights and obligations under this Agreement, (ii) no Class B Committed Note Purchaser shall sell any participating interest under which the Class B Participant shall have any right to approve, veto, consent, waive or otherwise influence any approval, consent or waiver of such Class B Committed Note Purchaser with respect to any amendment, consent or waiver with respect to this Agreement or any other Issuer Related Document, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Class B Committed Note Purchasers hereunder, and (iii) no Class B Committed Note Purchaser shall sell any participating interest to any Disqualified Party. A Class B Participant shall have the right to receive reimbursement for amounts due pursuant to each Specified Cost Section but only to the extent that the related selling Class B Committed Note Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sub-Clause 3.8, only to the extent such Class B Participant shall have complied with the provisions of Sub-Clause 3.8 as if such Class B Participant were a Class B Committed Note Purchaser. Each such Class B Participant shall be deemed to have agreed to the provisions set forth in Sub-Clause 3.10 as if such Class B Participant were a Class B Committed Note Purchaser.

(v) The Issuer authorizes each Class B Committed Note Purchaser to disclose to any Class B Participant or Class B Acquiring Committed Note Purchaser (each, a “Class B Transferee”) and any prospective Class B Transferee any and all financial information in such Class B Committed Note Purchaser’s possession concerning the Issuer, the Issuer Collateral, the Issuer Administrator and the Issuer Related Documents that has been delivered to such Class B Committed Note Purchaser by the Issuer in connection with such Class B Committed Note Purchaser’s credit evaluation of the Issuer, the Issuer Collateral and the Issuer Administrator. For the avoidance of doubt, no Class B Committed Note Purchaser may disclose any of the foregoing information to any Class B Transferee who is a Disqualified Party without the prior written consent of an Authorized Officer of the Issuer, which consent may be withheld for any reason in the Issuer’s sole and absolute discretion.

(vi) Notwithstanding any other provision set forth in this Agreement, each Class B Conduit Investor or, if there is no Class B Conduit Investor with respect to any Class B Investor Group, the Class B Committed Note Purchaser with respect to such Class B Investor Group may at any time grant to one or more Class B Program Support Providers (or, in the case of a Class B Conduit Investor, to its related Class B
Committed Note Purchaser) a participating interest in, security interest or lien on, or otherwise transfer and assign to one or more Class B Program Support Providers (or, in the case of a Class B Conduit Investor, to its related Class A Committed Note Purchaser), such Class B Conduit Investor’s or, if there is no Class B Conduit Investor with respect to any Class B Investor Group, the related Class B Committed Note Purchaser’s interests in the Class B Advances made hereunder and such Class B Program Support Provider (or such Class B Committed Note Purchaser, as the case may be), with respect to its participating or assigned interest, shall be entitled to the benefits granted to such Class B Conduit Investor or Class B Committed Note Purchaser, as applicable, under this Agreement.

(vii) Notwithstanding any other provision set forth in this Agreement, each Class B Conduit Investor may at any time, without the consent of the Issuer, transfer and assign all or a portion of its rights in the Class B Notes (and its rights hereunder and under other Issuer Related Documents) to its related Class B Committed Note Purchaser. Furthermore, each Class B Conduit Investor may at any time grant a security interest in or security on, all or any portion of its interests under this Agreement, its Class B Note and each other Issuer Related Document to (i) its related Class B Committed Note Purchaser, (ii) its Class B Funding Agent, (iii) any Class B Program Support Provider who, at any time now or in the future, provides program liquidity or credit enhancement, including an insurance policy for such Class B Conduit Investor relating to the Class B Commercial Paper or the Class B Notes, (iv) any other Person who, at any time now or in the future, provides liquidity or credit enhancement for the Class B Conduit Investors, including an insurance policy relating to the Class B Commercial Paper or the Class B Notes or (v) any security trustee or security agent for any of the foregoing; provided, however, any such security interest or lien shall be released upon assignment of its Class B Note to its related Class B Committed Note Purchaser. Each Class B Committed Note Purchaser may assign its Class B Commitment, or all or any portion of its interest under its Issuer Note, this Agreement and each other Issuer Related Document to any Person with the prior written consent of the Issuer, such consent not to be unreasonably withheld; provided that, the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to any Person that is a Disqualified Party. Notwithstanding any other provisions set forth in this Agreement, each Class B Committed Note Purchaser may at any time create a security interest in all or any portion of its rights under this Agreement, its Class B Notes and the Issuer Related Document in favor of any other Governmental Authority.

Each of the Class A Conduit Investors, the Class A Committed Note Purchasers and the Class A Funding Agents hereby designates and appoints Credit Agricole Corporate and Investment Bank as the Administrative Agent hereunder, and hereby authorizes the Administrative Agent to take such actions as agent on their behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of this Agreement together with such powers as are reasonably incidental thereto. Following the issuance of Class B Notes, any Class B Conduit Investors, Class B Committed Note Purchasers and Class B Funding Agents shall designate and appoint Credit Agricole Corporate and Investment Bank as the Administrative Agent hereunder and the Administrative Agent shall be authorized to take such actions as agent on their behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of this Agreement together with such powers as are reasonably incidental thereto. The Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Conduit Investor, any
Committed Note Purchaser or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or Liabilities on the part of the Administrative Agent shall be read into this Agreement or otherwise exist for the Administrative Agent. In performing its functions and duties hereunder, the Administrative Agent shall act solely as agent for the Conduit Investors, the Committed Note Purchasers and the Funding Agents and does not assume nor shall it be deemed to have assumed any obligation or relationship of trust or agency with or for the Issuer or any of its successors or assigns. The Administrative Agent shall not be required to take any action that exposes the Administrative Agent to personal liability or that is contrary to this Agreement or applicable law. The appointment and authority of the Administrative Agent hereunder shall terminate upon the indefeasible payment in full of the Issuer Notes and all other amounts owed by the Issuer hereunder to the Class A Investor Groups and the Class B Investor Groups (the “Aggregate Unpaids”).

10.2 Delegation of Duties

The Administrative Agent may execute any of its duties under this Agreement by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

10.3 Exculpatory Provisions

Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be (a) liable for any action lawfully taken or omitted to be taken by it or them under or in connection with this Agreement (except for its, their or such Person’s own gross negligence or willful misconduct), or (b) responsible in any manner to any Conduit Investor, any Committed Note Purchaser or any Funding Agent for any recitals, statements, representations or warranties made by the Issuer contained in this Agreement or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Agreement for the due execution, legality, value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other document furnished in connection herewith, or for any failure of the Issuer to perform its obligations hereunder, or for the satisfaction of any condition specified in Clause 2. The Administrative Agent shall not be under any obligation to any Conduit Investor, any Committed Note Purchaser or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Agreement, or to inspect the properties, books or records of the Issuer. The Administrative Agent shall not be deemed to have knowledge of any Amortization Event, Potential Amortization Event or Liquidation Event unless the Administrative Agent has received notice from the Issuer, any Conduit Investor, any Committed Note Purchaser or any Funding Agent.

10.4 Reliance

The Administrative Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel, independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall in all cases be fully justified in failing or refusing to take any action under this Agreement or any other document furnished in connection herewith unless it shall first receive such advice or concurrence of any Conduit Investor, any Committed Note Purchaser or any Funding Agent as it deems appropriate or it shall first be indemnified to its satisfaction by any Conduit Investor, any Committed Note Purchaser or any Funding Agent, provided that, unless and until the Administrative Agent shall have received such advice, the Administrative Agent may take or refrain from taking any action, as the Administrative Agent shall deem advisable and in the best interests of the Conduit Investors, the Committed Note Purchasers and the Funding Agents. To the extent any Conduit Investor, any Committed Note Purchaser or any Funding Agent is required to indemnify the Administrative Agent, such Conduit Investor, Committed Note Purchaser or Funding Agent shall be...
entitled to be indemnified by the Issuer in an amount equal to the amount to be paid to the Administrative Agent. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, in accordance with a request of the Required Noteholders and such request and any action taken or failure to act pursuant thereto shall be binding upon the Conduit Investors, the Committed Note Purchasers and the Funding Agents.

10.5 Non-Reliance on the Administrative Agent and Other Purchasers

Each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of the Issuer, shall be deemed to constitute any representation or warranty by the Administrative Agent. Each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents represent and warrant to the Administrative Agent that they have and will, independently and without reliance upon the Administrative Agent and based on such documents and information as they have deemed appropriate, made their own appraisal of and investigation into the business, operations, property, prospects, financial and other conditions and creditworthiness of the Issuer and made its own decision to enter into this Agreement.

10.6 The Administrative Agent in its Individual Capacity

The Administrative Agent and any of its Affiliates may purchase, hold and transfer, as the case may be, Issuer Notes and may otherwise make loans to, accept deposits from, and generally engage in any kind of business with the Issuer or any Affiliate of the Issuer as though the Administrative Agent were not the Administrative Agent hereunder.

10.7 Successor Administrative Agent

The Administrative Agent may, upon thirty (30) days’ notice to the Issuer and each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents, and the Administrative Agent will, upon the direction of the Required Noteholders as of such date, resign as Administrative Agent. If the Administrative Agent shall resign, then the Investor Groups, during such 30 day period, shall appoint an Affiliate of a member of the Investor Groups as a successor agent. If for any reason no successor Administrative Agent is appointed by the Investor Groups during such 30 day period, then effective upon the expiration of such 30 day period, the Issuer for all purposes shall deal directly with the Funding Agents. After any retiring Administrative Agent’s resignation hereunder as Administrative Agent, the provisions of Sub-Clause 11.4 and this Clause 10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement.

10.8 Authorization and Action of Funding Agents

Each Conduit Investor and each Committed Note Purchaser is hereby deemed to have designated and appointed the Funding Agent set forth next to such Conduit Investor’s name, or if there is no Conduit Investor with respect to any Investor Group, the Committed Note Purchaser’s name with respect to such Investor Group, on Schedule 2 hereto as the agent of such Person hereunder, and hereby authorizes such Funding Agent to take such actions as agent on its behalf and to exercise such powers as are delegated to such Funding Agent by the terms of this Agreement together with such powers as are reasonably incidental thereto. Each Funding Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with the related Investor Group, and no implied covenants, functions, responsibilities, duties, obligations or Liabilities on the part of such Funding Agent shall be read into this Agreement or otherwise exist for such Funding Agent. In performing its functions and duties hereunder, each Funding Agent shall act solely as agent for the related Investor Group and does not assume nor shall it be deemed to have assumed any obligation or relationship of trust or agency with or for the Issuer or any of its successors or
assigns. Each Funding Agent shall not be required to take any action that exposes such Funding Agent to personal liability or that is contrary to this Agreement or Applicable Law. The appointment and authority of the Funding Agent hereunder shall terminate upon the indefeasible payment in full of the Aggregate Unpaids.

Each Funding Agent may execute any of its duties under this Agreement by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

10.10 Exculpatory Provisions

Neither any Funding Agent nor any of their directors, officers, agents or employees shall be (a) liable for any action lawfully taken or omitted to be taken by it or them under or in connection with this Agreement (except for its, their or such Person’s own gross negligence or willful misconduct), or (b) responsible in any manner to the related Investor Group for any recitals, statements, representations or warranties made by the Issuer contained in this Agreement or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Agreement, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other document furnished in connection herewith, or for any failure of the Issuer to perform its obligations hereunder, or for the satisfaction of any condition specified in Clause 2. No Funding Agent shall be under any obligation to its related Investor Group to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Agreement, or to inspect the properties, books or records of the Issuer. No Funding Agent shall be deemed to have knowledge of any Amortization Event, Potential Amortization Event or Liquidation Event, unless such Funding Agent has received notice from the Issuer (or any agent or designee thereof) or its related Investor Group.

10.11 Reliance

Each Funding Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of the Administrative Agent and legal counsel, independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall in all cases be fully justified in failing or refusing to take any action under this Agreement or any other document furnished in connection herewith unless it shall first receive such advice or concurrence of the related Investor Group as it deems appropriate or it shall first be indemnified to its satisfaction by the related Investor Group, provided that, unless and until such Funding Agent shall have received such advice, such Funding Agent may take or refrain from taking any action, as such Funding Agent shall deem advisable and in the best interests of the related Investor Group. Each Funding Agent shall in all cases be fully protected in acting, or in refraining from acting, in accordance with a request of the related Investor Group and such request and any action taken or failure to act pursuant thereto shall be binding upon its related Investor Group.

10.12 Non-Reliance on the Funding Agent and Other Purchasers

Each Investor Group expressly acknowledges that neither its related Funding Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by such Funding Agent hereafter taken, including any review of the affairs of the Issuer, shall be deemed to constitute any representation or warranty by such Funding Agent. Each Investor Group represents and warrants to its related Funding Agent that it has and will, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the
business, operations, property, prospects, financial and other conditions and creditworthiness of the Issuer and made its own decision to enter into this Agreement.

10.13 The Funding Agent in its Individual Capacity

Each Funding Agent and any of its Affiliates may purchase, hold and transfer, as the case may be, the Issuer Notes and may otherwise make loans to, accept deposits from, and generally engage in any kind of business with the Issuer or any Affiliate of the Issuer as though such Funding Agent were not a Funding Agent hereunder.

10.14 Successor Funding Agent

Each Funding Agent will, upon the direction of its related Investor Group, resign as such Funding Agent. If such Funding Agent shall resign, then the related Investor Group shall appoint an Affiliate of a member of its related Investor Group as a successor agent. If for any reason no successor Funding Agent is appointed by the related Investor Group, then effective upon the resignation of such Funding Agent, the Issuer for all purposes shall deal directly with such Investor Group. After any retiring Funding Agent’s resignation hereunder as Funding Agent, subject to the limitations set forth herein, the provisions of Sub-Clause 11.4 and this Clause 10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Funding Agent under this Agreement.

(a) The Administrative Agent may resign and appoint one of its Affiliates as successor by giving notice to the Funding Agents and the Issuer.

(b) Alternatively the Administrative Agent may resign by giving thirty (30) days’ notice to the Funding Agents and the Issuer, in which case the Required Supermajority Noteholders (after consultation with the Issuer) may appoint a successor Administrative Agent.

(c) If the Required Supermajority Noteholders have not appointed a successor Administrative Agent in accordance with paragraph (b) above within twenty (20) days after notice of resignation was given, the retiring Administrative Agent (after consultation with the Issuer) may appoint a successor Administrative Agent.

(d) The retiring Administrative Agent shall, at its own cost, make available to the successor Administrative Agent such documents and records and provide such assistance as the successor Administrative Agent may reasonably request for the purposes of performing its functions as Administrative Agent under the Related Documents.

(e) The Administrative Agent’s resignation notice shall only take effect upon the appointment of a successor.

(ii) June 25, 2021 beyond which expiry date will not be extended (or, if such date is not a Business Day (as defined below), the immediately succeeding Business Day) (the “Letter of Credit Expiration Date”). The Issuing Bank hereby agrees that the Letter of Credit Expiration Date shall be automatically extended, without amendment, to the earlier of (i) the date that is one year from the then current Letter of Credit Expiration Date and (ii) June 25, 2021, unless, no fewer than sixty (60) days before the then current Letter of Credit Expiration Date, we notify you in writing by registered mail (return receipt), registered courier or email that this letter of credit will not be extended beyond the then current Letter of Credit Expiration Date.

The terms “Beneficiary” or “Beneficiaries” refers herein (and in each Annex hereto) to the Issuer and the Issuer Security Trustee as trustee on behalf of the Issuer. Any action taken by one Beneficiary hereunder shall bind each of them. Any drawing by either Beneficiary will constitute a drawing by both. Capitalized terms used herein and not defined herein shall have the meanings set forth in the master definitions and constructions agreement signed by, amongst others, the parties to the Issuer Facility Agreement, dated 25 September 2018, as amended, modified or supplemented from time to time.

The Issuing Bank irrevocably authorizes the Beneficiaries to draw on it, in accordance with the terms and conditions and subject to the reductions in amount as hereinafter set forth, (1) in one or more draws by one or more of either of the Issuer’s or the Issuer Security Trustee’s drafts, each drawn on the Issuing Bank at the Issuing Bank’s Office (including by way of email), payable at sight on a Business Day (as defined below), and accompanied by either of the Issuer’s or the Issuer Security Trustee’s written and completed certificate signed by the Issuer or the Issuer Security Trustee (as applicable) in substantially the form of Annex A (Certificate of Credit Demand) attached hereto (any such draft accompanied by such certificate being a “Credit Demand”), an amount equal to the face amount of each such draft but in the aggregate amount not exceeding the Letter of Credit Amount as in effect on such Business Day (as defined below) and (2) in one or more draws by one or more of either of the Issuer’s or the Issuer Security Trustee’s drafts, each drawn on the Issuing Bank at the Issuing Bank’s Office (including by way of email), payable at sight on a Business Day (as defined below), and accompanied by either of the Issuer’s or the Issuer Security Trustee’s written and completed certificate signed by the Issuer or the Issuer Security Trustee (as applicable) in substantially the form of Annex B (Certificate of Termination Demand) attached hereto (any such draft accompanied by such certificate being a “Termination Demand”), an amount equal to the face amount of each such draft but in the aggregate amount not exceeding the Letter of Credit Amount as in effect on such Business Day.

In this Letter of Credit, “Business Day” means any day other than a Saturday, Sunday or other day on which banks are authorized or required by law to close in New York City, New York.

Upon the Issuing Bank honoring any Credit Demand or Termination Demand presented hereunder, the Letter of Credit Amount shall automatically be decreased by an amount equal
to the amount of such Credit Demand or Termination Demand. In addition to the foregoing reduction, (i) upon the Issuing Bank honoring any Termination Demand in respect of the entire Letter of Credit Amount presented to it hereunder, the amount available to be drawn under this Letter of Credit shall automatically be reduced to zero and this Letter of Credit shall be terminated and (ii) no amount decreased on the honoring of any Termination Demand shall be reinstated. The Issuing Bank shall notify each Beneficiary in writing of any such reimbursement and the corresponding amount of the reinstatement of the Letter of Credit Amount.

The Letter of Credit Amount shall be automatically reinstated when and to the extent, but only when and to the extent, that (i) the Issuing Bank is reimbursed by Hertz (or by the Issuer under Clause 5.6 (Past Due Rental Payments) or Clause 5.7 (Letters of Credit and L/C Cash Collateral Account) of the Issuer Facility Agreement) for any amount drawn hereunder as a Credit Demand and (ii) the Issuing Bank receives written notice from Hertz in substantially the form of Annex C (Certificate of Reinstatement of Letter of Credit Amount) hereto that no Event of Bankruptcy with respect to Hertz has occurred and is continuing; provided, however, that the Letter of Credit Amount shall, in no event, be reinstated to an amount in excess of the then current Letter of Credit Amount (without giving effect to any reduction to the Letter of Credit Amount that resulted from any such Credit Demand).

The Letter of Credit Amount shall be automatically reduced in accordance with the terms of a written request from either the Issuer or the Issuer Security Trustee (in each case with the prior consent of Hertz) to the Issuing Bank in substantially the form of Annex E (Notice of Reduction of Letter of Credit Amount) attached hereto that is acknowledged and agreed to in writing by the Issuing Bank. The Letter of Credit Amount shall be automatically increased upon receipt by (and written acknowledgment of such receipt by) the Issuer or the Issuer Security Trustee of written notice from the Issuing Bank in substantially the form of Annex F (Notice of Increase of Letter of Credit Amount) attached hereto certifying that the Letter of Credit Amount has been increased and setting forth the amount of such increase, which increase shall not result in the Letter of Credit Amount exceeding an amount equal to [●] (€[●]).

Each Credit Demand and Termination Demand shall be dated the date of its presentation, and shall be presented (and, for the avoidance of doubt, may be presented by way of facsimile in accordance with the notice provisions set out below) to the Issuing Bank at the Issuing Bank’s Office, Attention: [●]. If the Issuing Bank receives any Credit Demand or Termination Demand at such office, all in strict conformity with the terms and conditions of this Letter of Credit, not later than [12:00 p.m. (New York City time)] on a Business Day prior to the termination hereof, the Issuing Bank will make such funds available by [4:00 p.m. (New York City time)] [on the same day] in accordance with the relevant Beneficiary’s payment instructions. If the Issuing Bank receives any Credit Demand or Termination Demand at such office, all in strict conformity with the terms and conditions of this Letter of Credit, after [12:00 p.m. (New York City time)] on a Business Day prior to the termination hereof, the Issuing Bank will make the funds available by [4:00 p.m. (New York City time)]
on the [next succeeding Business Day] in accordance with the relevant Beneficiary’s payment instructions. All payments made by the Issuing Bank under this Letter of Credit shall be made by deposit of same day funds into the designated account specified in the relevant Credit Demand or Termination Demand, as the case may be, and shall be made with the Issuing Bank’s own funds.

In the event there is more than one draw request on the same Business Day, the draw requests shall be honored in the following order: (1) Credit Demands and (2) the Termination Demand.

Upon the earliest of (i) the date on which the Issuing Bank honors a Termination Demand presented hereunder to the extent of the Letter of Credit Amount as in effect on such date, (ii) the date on which the Issuing Bank receives written notice from Beneficiary (in each case with the prior consent of Hertz) that an alternate letter of credit or other credit facility has been substituted for this Letter of Credit and (iii) the Letter of Credit Expiration Date, this Letter of Credit shall automatically terminate and the Beneficiaries shall surrender this Letter of Credit to the undersigned Issuing Bank on such day.

2 GUARANTEE AND INDEMNITY

2.1 Consideration

The Guarantor acknowledges that each FleetCo is acting in reliance on the Guarantor incurring obligations and giving rights under this guarantee and indemnity.

2.2 Guarantee

The Guarantor irrevocably and unconditionally guarantees to each FleetCo:

(a) to promptly pay on demand the Guaranteed Money in accordance with the Relevant Documents; and

(b) the punctual performance by each Lessee, each Servicer and each Administrator of all its other obligations to the relevant FleetCo under the Relevant Documents (“Obligations”).

2.3 Non-payment or non-performance

If any of the Lessees, Servicers or Administrators (to the extent applicable) does not:

(a) pay any Guaranteed Money (or money which would be Guaranteed Money if its payment was enforceable, valid and not illegal) in accordance with the Relevant Documents, the Guarantor must pay that money promptly on demand as if it was the principal obligor; or

(b) perform any of its Obligations, the Guarantor must punctually perform, or procure the punctual performance of, those obligations (without the need for demand by the FleetCos) in accordance with the Relevant Documents.

2.4 Indemnity

(a) The Guarantor indemnifies each FleetCo against, and must pay to each FleetCo promptly on demand, amounts equal to any Loss of each FleetCo as a result of or in connection with:

(i) any obligation or liability of, or obligation or liability guaranteed by, the Guarantor under this Clause 2.4 (or which would be such an obligation or liability if enforceable, valid and not illegal) being or becoming unenforceable, invalid or illegal;

(ii) any Lessee failing, or being unable, to pay any Guaranteed Money or any of the Lessees, Servicers or Administrators failing, or being unable, to perform any of the Obligations; or

(iii) any Guaranteed Money (or money which would be Guaranteed Money if it were recoverable) not being recoverable from any Lessee,

in each case, for any reason and whether or not such FleetCo knew or ought to have known anything about those matters.

(b) The Guarantor further agrees to indemnify and hold harmless each FleetCo and its respective directors, officers, stockholders, agents and employees (collectively, the “Indemnified Persons”) against any and all Losses, including reasonable costs of investigation and attorney’s fees and expenses, relating to or in any way arising out of:
the ordering, delivery, acquisition, title on acquisition, rejection, installation, possession, titling, retitling, registration, reregistration, custody by the applicable Servicer of title and registration documents, use, non-use, misuse, operation, deficiency, defect, transportation, repair, maintenance, control or disposition of any Lease Vehicle. The foregoing shall include, without limitation, any liability (or any alleged liability) of the FleetCos or any other Indemnified Person to any third party arising out of any of the foregoing, including, without limitation, all reasonable legal fees, costs and disbursements arising out of such liability (or alleged liability);

(ii) all national, municipal, foreign or other fees, taxes and assessments of whatsoever nature including but not limited to (A) license, qualification, registration, sales, use, gross receipts, ad valorem, business, property (real or personal), excise, motor vehicle, and occupation fees and taxes, and penalties and interest thereon, whether assessed, levied against or payable by the FleetCos, any other Indemnified Person or otherwise, with respect to any Vehicle or the acquisition, purchase, sale, lease, rental, use, operation, control, ownership or disposition of any Vehicle or measured in any way by the value thereof or by the business of, investment in, or ownership by the FleetCos or any other Indemnified Person with respect thereto, (B) documentary, stamp, filing, recording, mortgage or other taxes, if any, which may be payable by the FleetCos or any other Indemnified Person in connection with the execution, delivery, recording or filing of any Relevant Documents or the leasing of any Vehicles under any Master Lease and any penalties or interest thereon, (C) national, local and foreign income taxes and penalties and interest thereon, whether assessed, levied against or payable by the FleetCos or otherwise as a result of its being a member of any group of corporations including the Guarantor that files any tax returns on a consolidated or combined basis, excluding, however, any tax on, based on, with respect, or measured by, the net income of, or gains derived by, the FleetCos other than any taxes or other charges which may be imposed on the FleetCos as a result of any determination by a taxing authority that the relevant FleetCo is not the owner for tax purposes of the Lease Vehicles or that the Master Lease is not a "true lease" for tax purposes or that depreciation deductions that would be available to the owner of such Lease Vehicles are disallowed, or that the relevant FleetCo is not entitled to include the full purchase price for any Lease Vehicle in its tax basis; and

(iii) any violation by the Guarantor or any OpCo of the applicable Master Lease, of this guarantee and indemnity or of any Related Documents to which the Guarantor or the OpCos is a party or by which it is bound or any laws, rules, regulations, orders, writs, injunctions, decrees, consents, approvals, exemptions, authorizations, licenses and withholdings of objections of any governmental or public body or authority and all other requirements having the force of law applicable at any time to any Vehicle or any action or transaction by the Guarantor or the OpCos with respect thereto or pursuant to the applicable Master Lease.

(e) The Guarantor agrees to promptly pay on demand (to the extent not paid by any other entity within the Hertz Group (other than the FleetCos)) all out of pocket costs of the FleetCos (including reasonable fees and out of pocket expenses of counsel for the FleetCos) in connection with the execution, delivery and performance of this guarantee and indemnity and the Relevant Documents.

(d) The Guarantor agrees to promptly pay on demand (to the extent not paid by any other entity within the Hertz Group (other than the FleetCos)) all out of pocket costs and expenses (including reasonable attorneys’ fees and legal expenses) incurred by the FleetCos, the FleetCo Security Trustee or the Issuer Security Trustee in connection with the administration, enforcement, waiver or amendment of the Master Lease, this guarantee and indemnity and
any Relevant Documents and all indemnification obligations of the FleetCos under the Relevant Documents.

(e) The Guarantor agrees to promptly pay on demand (to the extent not paid by any other entity within the Hertz Group (other than the FleetCos)) all costs, fees, expenses, damages and liabilities (including, without limitation, reasonable fees and out of pocket expenses of counsel) in connection with, or arising out of, any claim made by any third party against the FleetCos for any reason (including, without limitation, in connection with any audit or investigation conducted by a Manufacturer under its Manufacturer Program).

(f) The Guarantor shall forthwith promptly upon demand reimburse the FleetCos or the relevant Indemnified Person for any sum or sums expended with respect to any of the foregoing; provided, however, that, if so requested by the Guarantor, the FleetCos or such Indemnified Person shall submit to the Guarantor a statement documenting any such demand for reimbursement or prepayment. To the extent that the Guarantor in fact indemnifies an Indemnified Person under the indemnity provisions of this guarantee and indemnity, the Guarantor shall be subrogated to such Indemnified Person’s rights in the affected transaction and shall have a right to determine the settlement of claims therein. The foregoing indemnity as contained in this guarantee and indemnity shall survive the expiration or earlier termination of the Master Leases or any lease of any Lease Vehicle thereunder.

(g) Each Indemnified Person agrees to notify the Guarantor of any claim made against it for which the Guarantor may be liable pursuant to Classes 2.4(b) to 2.4(f) of this guarantee and indemnity and, if the Guarantor requests, to contest or allow the Guarantor to contest such claim. If any Lease Event of Default shall have occurred and be continuing, no contest shall be required, and any contest which has begun shall not be required to be continued to be pursued, unless arrangements to secure the payment of the Guarantor’s and the OpCos’ obligations pursuant to the Master Leases and to this guarantee and indemnity have been made and such arrangements are reasonably satisfactory to the Indemnified Parties. The Guarantor may settle any such claim with the related Indemnified Person’s consent, which consent shall not be unreasonably withheld. The Guarantor will inform the Indemnified Person of any such claim and of the defense thereof and will provide copies of material documents relating to any such claim or defense to such Indemnified Person upon request. Such Indemnified Person may participate in any such defense at its own expense provided such participation does not interfere with the Guarantor’s assertion of such claim or defense. The Guarantor agrees that no Indemnified Person will be liable to any entity within the Hertz Group for any claim caused directly or indirectly by the inadequacy of any Lease Vehicle leased by such entity within the Hertz Group for any purpose or any deficiency or defect therein or the use or maintenance thereof or any repairs, servicing or adjustments thereto or any delay in providing or failure to provide such repairs, servicing or adjustments or any interruption or loss of service or use thereof or any loss of business, all of which shall be the risk and responsibility of the Guarantor. The rights and indemnities of each Indemnified Person hereunder are expressly made for the benefit of and will be enforceable by, each Indemnified Person notwithstanding the fact that such Indemnified Person is either no longer a party to (or entitled to receive the benefits of) this guarantee and indemnity, or was not a party to (or entitled to receive the benefits of) this guarantee and indemnity at its outset. Except as otherwise set forth herein, nothing herein shall be deemed to require the Guarantor to indemnify each FleetCo for any of such FleetCo’s acts or omissions which constitute gross negligence or willful misconduct. This general indemnity shall not affect any claims of the type discussed above which the Guarantor may have against a Manufacturer.

2.5 Acknowledgement

The Guarantor acknowledges that it is responsible for making itself aware of the financial position of each Lessee, each Servicer, each Administrator and any other person who guarantees the payment
of the Guaranteed Money or the performance by any of the Lessees, Servicers or Administrators of their respective Obligations.

3 INTEREST

3.1 Obligation to pay interest

As long as there is any Guaranteed Money, the Guarantor agrees to pay interest on:

(a) any part of the Guaranteed Money which is due for payment but which is not otherwise incurring interest; and

(b) any amount under this guarantee and indemnity (other than under Clause 2.2(a) (Guarantee)) which is not paid on the due date for payment.

The interest accrues daily from (and including) the due date to (but excluding) the date of actual payment and is calculated on actual days elapsed and a year of 360 days. The rate of interest applying to each daily balance is the Default Rate.

The Guarantor agrees to pay interest under this clause promptly on demand from any FleetCo.

3.2 Compounding

Interest payable under Clause 3.1 (Obligation to pay interest) which is not paid when due for payment may be added to the overdue amount by each FleetCo at intervals which each FleetCo determines from time to time or, if no determination is made, every 30 days. Interest is payable on the increased overdue amount at the Default Rate in the manner set out in Clause 3.1 (Obligation to pay interest).

3.3 Interest following judgment

If a liability becomes merged in a judgment, the Guarantor agrees to pay interest on the amount of that liability as an independent obligation. This interest:

(a) accrues daily from (and including) the date the liability becomes due for payment both before and after the judgment up to (but excluding) the date the liability is paid; and

(b) is calculated at the judgment rate or the Default Rate (whichever is higher).

The Guarantor agrees to pay interest under this clause on demand from any FleetCo.

4 EXTENT OF GUARANTEE AND INDEMNITY

4.1 Nature of guarantee

Each of the guarantee in Clause 2.2 (Guarantee) and the indemnity in Clause 2.4 (Indemnity) is a continuing obligation despite any intervening payment, settlement or other thing and extends to all of the Guaranteed Money and the performance by each Lessee, each Servicer and each Administrator of the Obligations.

The Guarantor waives any right it has of first requiring the FleetCos to commence proceedings or enforce or exercise any other right against any of the Lessees, Servicers or Administrators or any other person (including in connection with any Security Document) before claiming from the Guarantor under this guarantee and indemnity.

4.2 Variations and replacements
The Guarantor acknowledges that the Relevant Documents may be varied or replaced from time to time.

The Guarantor confirms that the Guaranteed Money includes any amount payable under any Relevant Document, and the Obligations include any obligation specified in any Relevant Document, as varied or replaced. The Guarantor confirms that this applies regardless of:

(a) how the Relevant Document is varied or replaced;
(b) the reasons for the variation or replacement; and
(c) whether the Guaranteed Money decreases or increases, or whether the obligations increase or decrease, or the Relevant Document is otherwise more onerous as a result of the variation or replacement.

This clause does not limit Clause 6 *(Rights of FleetCos are protected)*.

4.3 Limit to Guarantor’s liability

(a) The guarantee in Clause 2.2(b) with respect to the performance by the Servicers or the Administrators of their obligations to the applicable FleetCo under the Relevant Documents and the indemnity in Clause 2.4(a)(ii) with respect to any Loss of the FleetCos as a result or in connection with the Servicers or the Administrators failing, or being unable, to perform any of the Obligations applies until the appointment of an Insolvency Official in relation to the Servicers or the Administrators or (if earlier) satisfaction in full of the Guaranteed Money and the Obligations.

(b) The Guarantor has no obligation to make any payment under the guarantee in Clause 2.2(b) or the indemnity in Clause 2.4(a)(ii) for any Loss arising from any act or omission of the Servicers or the Administrators occurring on or after the appointment of an Insolvency Official in relation to the Servicers or the Administrators or for any loss arising from any act or omission of an Insolvency Official appointed by the FleetCo Security Trustee, but this does not limit or prejudice the liability of the Guarantor in respect of any Loss arising from any act or omission of the Servicers or the Administrators occurring prior to such time or any Guaranteed Moneys becoming due and payable prior to such time.

5 REINSTATEMENT OF RIGHTS

Under law relating to an Event of Bankruptcy, a person may claim that a transaction (including a payment) in connection with this guarantee and indemnity or the Guaranteed Money or the Obligations is void or voidable. If a claim is made and upheld, conceded or compromised, then:

(a) each FleetCo is immediately entitled as against the Guarantor to the rights in respect of the Guaranteed Money and the Obligations to which it was entitled immediately before the transaction; and

(b) on request from a FleetCo, the Guarantor agrees to do anything (including signing any document) to restore to such FleetCo any Security (including this guarantee and indemnity) held by it from the Guarantor immediately before the transaction.

The Guarantor’s obligations under this clause are continuing obligations independent of the Guarantor’s other obligations under this guarantee and indemnity and continue after this guarantee and indemnity ends.

6 RIGHTS OF FLEETCOS ARE PROTECTED
Rights given to each FleetCo under this guarantee and indemnity, and the Guarantor’s liabilities under it, are not affected by any act or omission or any other thing which might otherwise affect them under law or otherwise. For example, those rights and liabilities are not affected by:

(a) any act or omission:

   (i) varying or replacing in any way and for any reason any agreement, instrument or arrangement under which the Guaranteed Money is expressed to be owing, or under which Obligations are otherwise expressed;

   (ii) releasing any of the Lessees, Servicers or Administrators, or giving any of the Lessees, Servicers or Administrators a concession (such as more time to pay);

   (iii) releasing any person who gives a guarantee or indemnity in connection with any of obligations of any of the Lessees, Servicers or Administrators;

   (iv) releasing, losing the benefit of, or not obtaining any Security or negotiable instrument;

   (v) by which a person becomes a Guarantor after the date of this guarantee and indemnity;

   (vi) by which the obligations of any person who guarantees any obligations of any of the Lessees, Servicers or Administrators (including under this guarantee and indemnity) may not be enforceable;

   (vii) by which any person who was intended to guarantee any obligations of any of the Lessees, Servicers or Administrators does not do so, or does not do so effectively;

   (viii) by which a person who is a co-surety or co-indemnifier for payment of the Guaranteed Money is discharged under an agreement or by operation of law;

   (ix) by which any Security which could be registered is not registered;

(b) a person dealing in any way with a Security, guarantee, indemnity, judgment or negotiable instrument;

(c) other than as set out in Clause 4.3, an Event of Bankruptcy occurring in respect of any person including the Guarantor, any of the Lessees, Servicers or Administrators;

(d) changes in the membership, name or business of any person;

(e) any of the Lessees, Servicers or Administrators opening an account with them;

(f) acquiescence or delay by the FleetCos or any other person; or

(g) an assignment of rights in connection with the Guaranteed Money or any Obligation.

7 NO MERGER

This guarantee and indemnity does not merge with or adversely affect, and is not adversely affected by, any of the following:

(a) any other guarantee, indemnity, or Security, or other right or remedy to which a FleetCo is entitled or has the benefit of; or
8 GUARANTOR'S RIGHTS

8.1 Guarantor's rights are suspended

As long as there is any Guaranteed Money (or any other amounts secured by any Security that secures amounts including the Guaranteed Money) or any Obligation to be performed by any of the Lessees, Servicers or Administrators, the Guarantor may not, without the applicable FleetCo’s consent:

(a) reduce its liability under this guarantee and indemnity by claiming that it or any Lessee, any Servicer, any Administrator or any other person has a right of set-off or counterclaim against the FleetCos; or

(b) exercise any legal right to claim to be entitled to the benefit of another guarantee, indemnity, or Security that secures amounts including the Guaranteed Money or any other amount payable under this guarantee and indemnity (for example, the Guarantor may not try to enforce or require the enforcement of any Security that the FleetCo Security Trustee has taken, or has the benefit of, that secures amounts including the Guaranteed Money); or

(c) claim an amount from any of the Lessees, Servicers or Administrators, or another guarantor of the Guaranteed Money or an Obligation (including a person who has signed this guarantee and indemnity as a “Guarantor”), under a right of indemnity or contribution; or

(d) claim an amount in any proceedings contemplated by the definition of Event of Bankruptcy following the occurrence of an Event of Bankruptcy in respect of any of the Lessees, Servicers or Administrators or another guarantor of the Guaranteed Money (including a person who has signed this guarantee and indemnity as a “Guarantor”).

This clause continues after this guarantee and indemnity ends.

9 PAYMENTS

9.1 Manner of payment

The Guarantor agrees to make payments under this guarantee and indemnity:

(a) in full without set off or counterclaim and without any deduction in respect of Taxes unless prohibited by law; and

(b) in the currency in which the payment is due, and otherwise in Euros in immediately available funds.

9.2 Currency of payment

The Guarantor waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a FleetCo receives an amount in a currency other than that in which it is due:

(a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot...
rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual Costs in connection with the conversion; and

(b) the Guarantor satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the Costs of the conversion.

10 WITHHOLDING TAX

If a law requires the Guarantor to deduct an amount in respect of Taxes from a payment under this guarantee and indemnity such that any of the FleetCos would not actually receive on the due date the full amount provided for under this guarantee and indemnity, then:

(a) the Guarantor agrees to deduct the amount for the Taxes (and any further deduction applicable to any further payment due under Clause 10(c) below); and

(b) the Guarantor agrees to pay the amount deducted to the relevant authority in accordance with applicable law and give the original receipts to such FleetCo; and

(c) if the amount deducted is in respect of Accountable Taxes, the amount payable is increased so that, after making the deduction and further deductions applicable to additional amounts payable under this clause, such FleetCo is entitled to receive (at the time the payment is due) the amount it would have received if no deductions had been required.

11 COSTS AND INDEMNITIES

11.1 Currency conversion on judgment debt

If a judgment, order or proof of debt for an amount in connection with this guarantee and indemnity is expressed in a currency other than the currency in which the amount is due under this guarantee and indemnity, then the Guarantor indemnifies the FleetCos against:

(a) any difference arising from converting the other currency if the rate of exchange used by the FleetCos under Clause 9.2 (Currency of payment) for converting currency when it receives a payment in the other currency is less favourable to the FleetCos than the rate of exchange used for the purpose of the judgment, order or acceptance of proof of debt; and

(b) the Costs of conversion.

11.2 Payment for Guarantor’s obligations

The Guarantor agrees to pay for anything that it agrees to do under this guarantee and indemnity.

12 APPLICATION OF PAYMENTS

12.1 Application of money

Each FleetCo will apply money paid by any Lessee, or the Guarantor or otherwise towards satisfaction of the Guaranteed Money and other money payable under this guarantee and indemnity, in accordance with the relevant FleetCo Priority of Payments.

12.2 Suspense account

Each FleetCo may place in a suspense account any payment it receives from the Guarantor for as long as it thinks prudent and in its best interests and need not apply it towards satisfying the Guaranteed Money or other money payable under this guarantee and indemnity unless the Guaranteed Money is
due and payable in which case such FleetCo shall apply the amounts in accordance with the relevant FleetCo Priority of Payments.

12.3 Credit from date of receipt

The Guarantor is only credited with money from the date the applicable FleetCo actually receives it.

13 DEALING WITH INTERESTS

Each FleetCo may assign for security purposes all or any of its rights hereunder as security for the repayment of the FleetCo Secured Obligations to the FleetCo Security Trustee, acting for itself and on behalf of the FleetCo Secured Parties.

14 NOTICES AND OTHER COMMUNICATIONS

Unless otherwise specified herein, all notices, communications, requests, instructions and demands by any party hereto to another shall be delivered in accordance with the provisions of Clause 3 of the Master Definitions and Construction Agreement, Clause 22 of the Issuer Security Trust Deed and Clause 22 of each FleetCo Security Trust Deed.

15 GENERAL

15.1 Prompt performance

If this guarantee and indemnity specifies when the Guarantor agrees to perform an obligation, the Guarantor agrees to perform it by the time specified. The Guarantor agrees to perform all other obligations promptly.

15.2 Consents

The Guarantor agrees to comply with all conditions in any consent a FleetCo or the FleetCo Security Trustee gives in connection with this guarantee and indemnity.

15.3 Certificates

Each FleetCo, if requested by the Guarantor, may give the Guarantor a certificate about an amount payable or other matter in connection with this guarantee and indemnity. The certificate is sufficient evidence of the amount or matter, unless it is proved to be incorrect.

15.4 Discretion in exercising rights

Each FleetCo may exercise a right or remedy or give or refuse its consent in any way it considers appropriate (including by imposing conditions), unless this guarantee and indemnity expressly states otherwise.

15.5 Partial exercising of rights

If a FleetCo does not exercise a right or remedy fully or at a given time, such FleetCo may still exercise it later.

15.6 No liability for loss

No FleetCo is liable for loss caused by the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right or remedy.
15.7 Conflict of interest

Each FleetCo’s rights and remedies under this guarantee and indemnity may be exercised even if this involves a conflict of duty or such FleetCo has a personal interest in their exercise.

15.8 Remedies cumulative

Each FleetCo’s rights and remedies under this guarantee and indemnity are in addition to other rights and remedies given by law independently of this guarantee and indemnity.

15.9 Indemnities

The indemnities in this guarantee and indemnity are continuing obligations, independent of the Guarantor’s other obligations under this guarantee and indemnity. It is not necessary for any FleetCo to incur expense or make payment before enforcing a right of indemnity under this guarantee and indemnity.

15.10 Severability

In case any provision in this Deed shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

15.11 Inconsistency

To the extent a provision in this Deed is inconsistent with any provision in the Master Definitions and Construction Agreement, the provision in this Deed shall prevail.

15.12 Supervening legislation

Any present or future legislation which operates to vary the obligations of the Guarantor in connection with this guarantee and indemnity with the result that each FleetCo’s rights, powers or remedies are adversely affected (including by way of delay or postponement) is excluded except to the extent that its exclusion is prohibited or rendered ineffective by law.

15.13 Time of the essence

Time is of the essence in this guarantee and indemnity in respect of an obligation of the Guarantor to pay money.

15.14 Variation and waiver

Unless this guarantee and indemnity expressly states otherwise, subject to the Issuer Security Trust Deed and the FleetCo Security Trust Deed, a provision of this guarantee and indemnity, or right created under it, may not be waived or varied except in writing signed by the party or parties to be bound.

15.15 Confidentiality

Each FleetCo and the FleetCo Security Trustee agree not to disclose information provided by any other party that is not publicly available (including the existence or contents of any Relevant Document) except in accordance with the Facility Agreement.

The Guarantor agrees not to disclose information provided by any other party that is not publicly available except:
(a) in connection with any person exercising rights or dealing with rights or obligations under this guarantee and indemnity (including in connection with preparatory steps such as negotiating with any potential assignee of a FleetCo’s rights or other person who is considering contracting with a FleetCo in connection with this guarantee and indemnity); or

(b) to directors, officers, employees, legal and other professional advisers and auditors of the FleetCos; or

(c) to any party to this guarantee and indemnity or any Affiliate of any party to this guarantee and indemnity, provided the recipient agrees to act consistently with this clause; or

(d) with the consent of the party who provided the information (such consent not to be unreasonably withheld); or

(e) to an Equivalent Rating Agency; or

(f) as required by any law or the rules of any regulatory body or stock exchange.

Each party consents to disclosures made in accordance with this clause.

15.16 Non-Petition

Notwithstanding anything to the contrary in this guarantee and indemnity or any Relevant Document, only the FleetCo Security Trustee may pursue the remedies available under the general law or under the FleetCo Security Trust Deeds to enforce this guarantee and indemnity or the FleetCo Security and no other Person shall be entitled to proceed directly against any FleetCo in respect hereof (unless the relevant FleetCo Security Trustee, having become bound to proceed in accordance with the terms of the relevant FleetCo Related Documents, fails or neglects to do so). The Guarantor hereby agrees with and acknowledges to each FleetCo, the Issuer Security Trustee and the FleetCo Security Trustee until the date falling one year and one day after the Legal Final Payment Date, that:

(a) it shall not have the right to take or join any person in taking any steps against any FleetCo for the purpose of obtaining payment of any amount due from any FleetCo (other than serving a written demand subject to the terms of the relevant FleetCo Security Trust Deed); and

(b) neither it nor any Person on its behalf shall initiate or join any person in initiating an Event of Bankruptcy or the appointment of any Insolvency Official in relation to any FleetCo, provided that, the FleetCo Security Trustee shall have the right to take any action pursuant to and in accordance with the Related Documents.

The provisions of this Sub-Clause 15.15 (Non-Petition) shall survive the termination of this guarantee and indemnity.

15.17 No Recourse

The Guarantor agrees with and acknowledges that, notwithstanding any other provision of any FleetCo Related Document, all obligations of each FleetCo to it are limited in recourse as set out below:

(a) it will have a claim only in respect of the relevant FleetCo Collateral and will not have any claim, by operation of law or otherwise, against, or recourse to any of the other assets of the relevant FleetCo or its contributed capital;

(b) sums payable to it in respect of any of any FleetCo’s obligations to it shall be limited to the lesser of (i) the aggregate amount of all sums due and payable to it and (ii) the aggregate
amounts received, realised or otherwise recovered by or for the account of the FleetCo Security Trustee in respect of the relevant FleetCo Security whether pursuant to enforcement of the FleetCo Security or otherwise; and

(c) upon the FleetCo Security Trustee giving written notice that it has determined in its sole opinion that there is no reasonable likelihood of there being any further realisations in respect of the relevant FleetCo Security (whether arising from an enforcement of the relevant FleetCo Security or otherwise) which would be available to pay unpaid amounts outstanding under the relevant FleetCo Related Documents, it shall have no further claim against the relevant FleetCo in respect of any such unpaid amounts and such unpaid amounts shall be discharged in full.

The provisions of this Clause 15.16 (No Recourse) shall survive the termination of this guarantee and indemnity.

15.18 Further steps

The Guarantor agrees to do anything a FleetCo asks (such as obtaining consents, signing and producing documents, producing receipts and getting documents completed and signed):

(a) to bind the Guarantor and any other person intended to be bound under this guarantee and indemnity; or

(b) to enable a FleetCo to register a power of attorney given in connection with this guarantee and indemnity; or

(c) to show whether the Guarantor is complying with this guarantee and indemnity.

15.19 Each signatory bound

This guarantee and indemnity binds each person who signs as Guarantor even if another person who was intended to sign does not sign it or is not bound by it.

15.20 Deed and Counterparts

(a) Each of the parties to this document intends it to be a deed and agrees to execute and deliver it as a deed.

(b) This guarantee and indemnity may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute one and the same agreement.

15.21 Electronic Execution

This guarantee and indemnity may be transmitted and/or signed by facsimile or other electronic means (i.e., a “pdf” or “tiff”). The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each party hereto. The words “execution,” “signed,” “signature,” and words of like import in this guarantee and indemnity or in any amendment hereto or other modification hereof (including, without limitation, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be.

15.22 Table of Contents, Headings, etc.
The Table of Contents and headings of the Clauses of this guarantee and indemnity have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

15.23 Governing law and Jurisdiction

(a) This guarantee and indemnity and any non-contractual obligations arising out of or in connection with it are governed by English law.

(b) The courts of England have exclusive jurisdiction to settle any Dispute arising out of or in connection with this guarantee and indemnity and the parties therefore irrevocably submit to the jurisdiction of those courts.

(c) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

(d) Each of the Guarantor, Dutch FleetCo, French FleetCo, German FleetCo and Spanish FleetCo agrees that the process by which any proceedings arising out of or in connection with this Agreement or any other Related Document may be served on it is by being delivered to Hertz Europe Limited of Hertz House, 11 Vine Street, Uxbridge, Middlesex UB8 1QE and if the appointment of a process agent by a party ceases to be effective, each such party shall immediately appoint another person in England as its process agent in respect of this Agreement and notify the other parties of the appointment and, if such party to a Related Document fails to appoint such further person, the Issuer Security Trustee may appoint another agent for this purpose. Each of the Guarantor, Dutch FleetCo, French FleetCo, German FleetCo and Spanish FleetCo further agrees that failure by an agent for service of process to notify such party to a Related Document of such process will not invalidate the proceedings concerned.

15.24 Serving documents

Without preventing any other method of service, any document in a court action may be served on a party being delivered to or left at that party’s address for service of notices under Clause 3 of the Master Definitions and Constructions Agreement.

15.25 Issuer Security Trustee and FleetCo Security Trustee

Each of the Issuer Security Trustee and FleetCo Security Trustee has agreed to become a party to this Agreement solely for the better enforcement and preservation of its rights, to receive the benefit of the representations, warranties, covenants, indemnities and other obligations and to agree amendments to this Agreement. Neither the Issuer Security Trustee nor the FleetCo Security Trustee shall by doing so assume any obligation or incur any liability of any kind to any party.

SCHEDULE VI FORM OF FRENCH MASTER LEASE EXTENSION AGREEMENT 28

SCHEDULE V

Form of Initial Lease Vehicle Acquisition Schedule 29
THIS AGREEMENT (as amended, modified or supplemented from time to time in accordance with the provisions hereof, this “Agreement”), is made on 25 September 2018 between the following parties

(1) RAC FINANCE SAS, an entity established in France with its principal place of business in Beauvais, whose registered office is at 172 avenue Marcel Dassault, 60000 Beauvais, France (“French FleetCo”), as lessor (in such capacity, the “Lessor”);

(2) HERTZ FRANCE SAS, an entity established in France having its registered address at 1/3 avenue Westphalie, Immeuble Futura 3, 78180 Montigny Le Bretonneux, France (“French OpCo”), as a lessee and as servicer (in such capacity as servicer, the “Servicer”); and

(3) those various Permitted Lessees (as defined herein) from time to time becoming Lessees hereunder pursuant to Clause 12 (Additional Lessees) hereof (each, an “Additional Lessee”), as lessees (French OpCo and the Additional Lessees, in their capacities as lessees, each a “Lessee” and, collectively, the “Lessees”);

(4) BNP PARIBAS TRUST CORPORATION UK LIMITED, acting through its registered office at 10 Harewood Avenue, London NW1 6AA, as French security trustee (in such capacity, the “French Security Trustee”); and

(5) BNP PARIBAS TRUST CORPORATION UK LIMITED, acting through its registered office at 10 Harewood Avenue, London NW1 6AA, as Issuer security trustee (in such capacity, the “Issuer Security Trustee”).

WHEREAS

(A) The Lessor has purchased or will purchase French Vehicles from various parties on arm’s-length terms pursuant to one or more other motor vehicle purchase agreements or otherwise, in each case, that the Lessor determines shall be leased hereunder.

(B) The Lessor desires to lease to each Lessee and each Lessee desires to lease from the Lessor certain Lease Vehicles for use in connection with the business of such Lessee, including use by such Lessee’s employees, directors, officers, representatives, agents and other business associates in their personal or professional capacities.

(C) The Lessor and each Lessee desire the Servicer to perform various servicing functions with respect to the Lease Vehicles (to the extent relating to the Vehicles purported to be leased pursuant to this Agreement), and the Servicer desires to perform such functions, in accordance with the terms hereof.

THE PARTIES HEREBY AGREE AS FOLLOWS

1 DEFINITIONS AND CONSTRUCTION

1.1 Definitions

Except as otherwise defined herein, capitalized terms used herein shall have the meanings assigned to such terms in the master definitions and constructions agreement signed by, amongst others, the parties hereto dated the Signing Date as amended, modified or supplemented from time to time (the “Master Definitions and Constructions Agreement”). All Clause, Sub-Clause or paragraph references herein shall refer to clauses, sub-clauses or paragraphs of this Agreement, except as otherwise provided herein.

1.2 Rules of Construction

(a) In this Agreement, including the preamble, recitals, attachments, schedules, annexes, exhibits and joinders hereto, unless the context otherwise requires, words and expressions used have
the constructions ascribed to them in Clause 2 (Principles of Interpretation and Construction) of the Master Definitions and Constructions Agreement.

(b) If any obligations of a party to this Agreement or provisions of this Agreement are subject to or contrary to any mandatory principles of applicable law, compliance with such obligations and/or provisions of this Agreement shall be deemed to be subject to such mandatory principles (or waived) to the extent necessary to be in compliance with such law.

(c) In this Agreement, the term “sub-lease” means any underlease, sub-lease, license or mandate in relation to the use of a Lease Vehicle between a Lessee, as lessor, and a sub-lessee, as lessee but does not include, for the avoidance of doubt, any arrangements and normal business operations involving the ultimate return of Lease Vehicles from locations not operated by a Lessee to drop locations of such Lessee (and ancillary use or transportation of such Lease Vehicles in relation thereto).

(d) Each Lessee and the Lessor agrees that the role of Hertz France SAS as third party holder shall prevail over its role as Lessee or Servicer and that in the event of any conflict or discrepancy between the French Vehicle Pledge Agreement and this Agreement, the terms of the French Vehicle Pledge Agreement shall prevail.

(e) Words in French used in this Agreement and having a specific legal meaning should prevail over the English translation.

1.3 Effectiveness

The parties hereto acknowledge and agree that the rights and obligations under this Agreement shall become effective at the Effective Time.

2 Nature of Agreement

(a) Each Lessee and the Lessor acknowledges that the relationship between the Lessor and each Lessee pursuant to this Agreement shall be only that of a lessor and a lessee and that any lease of Lease Vehicles granted pursuant to this Agreement shall be a lease governed by French law and title to the Lease Vehicles will at all times remain with the Lessor. No Lessee shall acquire by virtue of this Agreement any right, title or interest in or to or option to purchase any Lease Vehicles, except the leasehold interest established by this Agreement. The parties agree that this Agreement is a lease on arm’s length terms and agree to treat the leasehold interest established by this Agreement over each Lease Vehicle as a lease (location simple) of such Lease Vehicle governed by articles 1713 and seq. of the French Code civil for all purposes, including accounting, regulatory and otherwise, and not a crédit-bail or a vente à tempérament or a location-vente.

(b) [Reserved]

2.1 Lease of Vehicles

(a) Lease of Existing Fleet. From the Closing Date and subject to the terms and provisions hereof and the Global Deed of Termination and Release, each of the Lessee and the Lessor hereto agree that:

(i) on the Closing Date (A) the Lessor shall lease to the Lessee and (B) the Lessee shall lease from the Lessor, in each case, all Vehicles leased (as at the Closing Date) pursuant to the French master lease agreement entered into on 6 August 2007 (as such agreement has been amended and restated from time to time) between Hertz France SAS (as lessee thereunder), RAC Finance SAS (as lessor thereunder) and BNP Paribas Trust Corporation UK Limited (as borrower security trustee)
thereunder) (which such agreement shall, for the purposes of this Sub-Clause 2.1, be referred to as the “Terminated French Master Lease”);

(ii) on the Closing Date, all rights and obligations of each party under the Terminated French Master Lease shall be terminated in accordance with the provisions of the Global Deed of Termination and Release dated on or around the date hereof;

(iii) from and including the Closing Date, the Vehicles leased pursuant to Sub-Clause 2.1(a) above shall be leased in accordance with the terms and provisions of this French Master Lease and each party hereto shall have the rights and obligations provided for in this Agreement in connection with the Vehicles referred to in this Sub-Clause 2.1(a); and

(iv) the capitalized cost of each Vehicle leased pursuant to Sub-Clause 2.1(a) above shall be equal to such Vehicle’s net book value immediately prior to such Vehicle’s Vehicle Lease Commencement Date.

(b) Agreement to Lease. From time to time, subject to the terms and provisions hereof (including satisfaction of the conditions precedent set forth in Sub-Clause 2.1(c) (Conditions Precedent to Lease of Lease Vehicles)), the Lessor agrees to lease to each Lessee, and each Lessee agrees to lease from the Lessor those certain Lease Vehicles identified on Lease Vehicle Acquisition Schedules and Intra-Lease Lessee Transfer Schedules produced from time to time by or on behalf of such Lessee pursuant to Sub-Clauses 2.1(d) (Lease Vehicle Purchases and Lease Vehicle Acquisition Schedules) and 2.2(b) (Intra-Lease Transfers), respectively.

(c) Conditions Precedent to Lease of Lease Vehicles. The agreement of the Lessor to commence leasing any Lease Vehicle to any Lessee hereunder is subject to the following conditions precedent being satisfied at the time the Lessor orders such Lease Vehicles:

(i) No Default. No Lease Event of Default shall have occurred and be continuing on the Vehicle Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder, and no Potential Lease Event of Default with respect to any event or condition specified in Sub-Clause 9.1.1 (Events of Default), Sub-Clause 9.1.5 (Events of Default) or Sub-Clause 9.1.8 (Events of Default) shall have occurred and be continuing on the Vehicle Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder;

(ii) Funding. French FleetCo shall have sufficient available funding to purchase such Lease Vehicle;

(iii) Representations and Warranties. The representations and warranties contained in Clause 7 (Certain Representations and Warranties) are true and correct in all material respects (unless any such representation or warranty contains a materiality limitation by its terms, in which case such representation or warranty shall be true and correct) as of such date (unless any such representation or warranty by its terms makes reference to a specific date, in which case, such representation or warranty shall be true and correct for such specific date);

(iv) Eligible Vehicle. Such Lease Vehicle is an Eligible Vehicle or in the case of any Credit Vehicle will be an Eligible Vehicle following payment of the purchase price in respect thereof;

(v) Vehicle Purchasing Agreement. Such Lease Vehicle has been ordered in accordance with the terms of the relevant Vehicle Purchasing Agreement;
(vi) **Lease Expiration Date.** The Lease Expiration Date has not occurred; and

(vii) **Payment.** If such Lease Vehicle was purchased by French FleetCo on non-credit terms, French FleetCo has paid in full the purchase price for such Lease Vehicle and if such Lease Vehicle was purchased on credit terms by French FleetCo, such Lease Vehicle has been delivered to or (as the case may be) is available for collection by French FleetCo.

(d) **Lease Vehicle Purchases and Lease Vehicle Acquisition Schedules**

(i) Each Lessee may from time to time request that the Lessor acquires vehicles for the purpose of leasing such vehicles in accordance with the terms of this Agreement (which request may be amended or cancelled in such Lessee’s sole discretion before the delivery of the relevant Vehicle provided that no French Leasing Company Amortization Event has occurred and is continuing, and provided further that the Lessor shall only be obliged to accept such amendment or cancellation subject to being able to make an amendment or cancellation to the corresponding vehicle order under the relevant Vehicle Purchasing Agreement or Sale Agreement and, to the extent that the Lessor will incur any Liability as a result thereof and the relevant Manufacturer or Dealer confirms that such a Liability is due, the Lessor having received full payment from the Lessee for any such Liabilities). The Lessor may, in its absolute discretion, and provided that the conditions precedent in Clause 2.1(c) (Conditions Precedent to Lease of Lease Vehicles) above have been satisfied or waived, order the relevant vehicles in accordance with the terms of the relevant Vehicle Purchasing Agreement. Each Lessee shall deliver or cause to be delivered to the Lessor one or more schedules identifying the vehicles which the Lessor has acquired pursuant to a Vehicle Purchasing Agreement following a request by such Lessee, which schedules shall include the Basic Lease Vehicle Information (each such schedule, a “Lease Vehicle Acquisition Schedule”). Each Lessee hereby agrees that each such delivery of a Lease Vehicle Acquisition Schedule shall be deemed hereunder to constitute a representation and warranty by such Lessee, to and in favor of the Lessor, that each condition precedent to the leasing of the Lease Vehicles identified in such Lease Vehicle Acquisition Schedule has been satisfied as of the date of such delivery.

(ii) During the period from the Vehicle Lease Commencement Date in respect of a Lease Vehicle to the date that such Lease Vehicle is first identified on a Lease Vehicle Acquisition Schedule, the existence of a lease between the Lessor and a Lessee in respect of that Lease Vehicle shall be evidenced and determined by reference to the records of the Lessor (which such records shall be held to be correct for all purposes unless manifestly erroneous).

(iii) The Lease Vehicle Acquisition Schedule for each Lease Vehicle to be leased hereunder on the Closing Date shall be substantially in the form as set out in Schedule VII (Form of Initial Lease Vehicle Acquisition Schedule).

(e) **Lease Vehicle Acceptance or Non-conforming Lease Vehicle Rejection.**

(i) Subject to Sub-Clause 2.1(e)(ii) below, with respect to any vehicle identified on a Lease Vehicle Acquisition Schedule and made available for lease by the Lessor to any Lessee, such Lessee shall have the right to inspect such vehicle within five (5) days of receipt (or such shorter period as may be contemplated under the applicable Vehicle Purchasing Agreement) (the “Inspection Period”) of such vehicle and either accept or, if such vehicle is a Non-conforming Lease Vehicle, reject such vehicle; provided that, such Lessee shall be deemed to have accepted such vehicle as a Lease Vehicle unless it has notified the Lessor in writing that such vehicle is a Non-
conforming Lease Vehicle during the Inspection Period (the delivery date of such written notice, the “Rejection Date”). If such Lessee timely notifies the Lessor that such Vehicle is a Non-conforming Lease Vehicle, then such Non-conforming Lease Vehicle with respect to which such Lessee has so notified the Lessor shall be a “Rejected Vehicle”.

(ii) Notwithstanding Sub-Clause 2.1(e)(i) above, a Lessee will only be entitled to reject any Lease Vehicle delivered to it by or on behalf of the Lessor (A) if the Lessor is itself entitled to reject such Lease Vehicle under the relevant Vehicle Purchasing Agreement pursuant to which such Vehicle was ordered and (B) subject to the same conditions (to the extent applicable) as to rejection as may be applicable to the Lessor under the relevant Vehicle Purchasing Agreement in respect of such Vehicle.

(iii) The Lessor shall cause the Servicer to dispose of a Rejected Vehicle described in sub-paragraph (i) above (including by returning such Rejected Vehicle to the seller thereof in accordance with the terms of the applicable Vehicle Purchasing Agreement) in accordance with Sub-Clause 6.1 (Servicer Functions with Respect to Lease Vehicle Returns, Disposition and Invoicing).

2.2 Certain Transfers

(a) Sales to Lessee. Unless a Lease Event of default has occurred and is continuing, the Lessor and the relevant Lessee may from time to time, in their absolute discretion, agree for the Lessor to sell a Lease Vehicle during such Lease Vehicle’s Vehicle Term to the relevant Lessee for an amount equal to the net book value under GAAP of such Lease Vehicle.

(b) Intra-Lease Transfers. From time to time, a particular Lessee (the “Transferor Lessee”) may desire to cease leasing a Lease Vehicle hereunder and another Lessee (the “Transferee Lessee”) may desire to commence leasing such Lease Vehicle hereunder. Upon delivery by such Lessees to the Lessor of written notice identifying by VIN each Lease Vehicle to be so transferred from such Transferor Lessee to such Transferee Lessee (such notice, an “Intra-Lease Lessee Transfer Schedule”), each Lease Vehicle identified in such Intra-Lease Lessee Transfer Schedule shall cease to be leased by the Transferor Lessee and shall contemporaneously commence being leased to the Transferee Lessee, provided that such transfer does not result in the breach of any prescribed limits relating to Lease Vehicles set out in the Related Documents. Each Lessee agrees that upon such a transfer of any Lease Vehicle from one Lessee to another Lessee pursuant to this Agreement, such Transferor Lessee relinquishes all rights that it has in such Lease Vehicle pursuant to this Agreement. Each Intra-Lease Lessee Transfer Schedule may be delivered electronically and may be delivered directly by either the applicable Transferor Lessee or the applicable Transferee Lessee or on behalf of either such party by any agent or designee of such party. In accordance with article 1216 of the French Code civil, the Lessor hereby agrees in advance to any transfer of lease agreement between a Transferor Lessee and a Transferee Lessee.

2.3 Transfer of Risks

As of the relevant Vehicle Lease Commencement Date, and until the later of:

(a) the Vehicle Lease Expiration Date; or

(b) such time at which the Lessee and the relevant sub-lessee (if any) no longer possesses such Lease Vehicle and the risk of loss, damage, theft, taking, destruction, attachment, seizure, confiscation or requisition with respect to such Lease Vehicle has been transferred to any third party,
the Lessee assumes and bears the risk of loss, damage, theft, taking, destruction, attachment, seizure, confiscation or requisition with respect to such Lease Vehicle, however caused or occasioned, and all other risks and liabilities relating to the Lease Vehicle.

2.4 Return

(a) Lessee Right to Return. Any Lessee may return any Lease Vehicle (other than any Lease Vehicle that has experienced a Casualty or become an Ineligible Vehicle) then leased by such Lessee at any time prior to such Lease Vehicle’s French Master Lease Scheduled Expiration Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer; provided that, for the avoidance of doubt, the Vehicle Term for such Lease Vehicle will continue until the Vehicle Lease Expiration Date thereof, notwithstanding the prior return of such Lease Vehicle pursuant to this Sub-Clause 2.4(a) (Lessee Right to Return).

(b) Lessee Obligation to Return. Each Lessee shall return each Lease Vehicle leased by such Lessee on or prior to such Lease Vehicle’s French Master Lease Scheduled Expiration Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer (taking into account transportation costs and expected realizable disposition proceeds).

2.5 Redesignation of Vehicles

(a) Mandatory Program Vehicle to Non-Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, the Lessor shall on the date specified in Sub-Clause 2.5(d) (Timing of Redesignations) redesignate such Lease Vehicle as a Non-Program Vehicle, if:

(i) a Manufacturer Event of Default is continuing with respect to the Manufacturer of such Lease Vehicle as of such date; or

(ii) as of any such date occurring after the Minimum Program Term End Date with respect to such Lease Vehicle, such Lease Vehicle was returned as of such date pursuant to the terms of the Manufacturer Program with respect to such Lease Vehicle, the Manufacturer of such Lease Vehicle would not be obligated to pay a repurchase price for such Lease Vehicle, or guarantee the disposition proceeds to be received for such Vehicle, in each case in an amount at least equal to (1) the Net Book Value of such Lease Vehicle, as of such date, minus (2) the Final Base Rent that would be payable in respect of such Lease Vehicle, assuming that such date were the Disposition Date for such Lease Vehicle, minus (3) the Excess Mileage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (4) the Excess Damage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (5) the Pre-VLCD Program Vehicle Depreciation Amount paid or payable with respect to such Lease Vehicle, as of such date, minus (6) the Program Vehicle Depreciation Assumption True-Up Amount paid or payable with respect to such Lease Vehicle, as of such date.

(b) Optional Program Vehicle to Non-Program Vehicle Redesignations. In addition to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) and without limitation thereto, with respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, such Lessee may redesignate such Lease Vehicle as a Non-Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee shall not redesignate any Program Vehicle as a Non-Program Vehicle pursuant to this Sub-Clause.
2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations) if, after giving effect to such redesignation, an Aggregate Asset Amount Deficiency would exist, unless such redesignation would decrease the amount of such Aggregate Asset Amount Deficiency.

(c) Non-Program Vehicle to Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Non-Program Vehicle leased by any Lessee hereunder as of any date of determination, if such Lease Vehicle was previously designated as a Program Vehicle, then such Lessee may redesignate such Lease Vehicle as a Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee may not redesignate any such Lease Vehicle as a Program Vehicle if such Lease Vehicle would then be required to be redesignated as a Non-Program Vehicle pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) after designating such Lease Vehicle as a Program Vehicle.

(d) Timing of Redesignations. With respect to any redesignation to be effected pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations), such redesignation shall occur as of the first calendar day of the calendar month following the date on which the applicable event or condition described in Sub-Clause 2.5(a)(i) or (ii) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) occurs. With respect to any redesignation to be effected pursuant to Sub-Clause 2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations) or 2.5(c) (Non-Program Vehicle to Program Vehicle Redesignations), such redesignation shall occur as of the first calendar day of the calendar month immediately following the calendar month of the date written notice was delivered by the applicable Lessee of such redesignation.

(e) Program Vehicle to Non-Program Vehicle Redesignation Payments. With respect to any Lease Vehicle that is redesignated as a Non-Program Vehicle pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) or Sub-Clause 2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations), the Lessee of such Lease Vehicle as of the close of business on the date of such redesignation shall pay to the Lessor on the Payment Date following the effective date of such redesignation, as determined in accordance with Sub-Clause 2.5(d) (Timing of Redesignations), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle over the Market Value of such Lease Vehicle, in each case, as of the date of such redesignation (such excess, if any, for such Lease Vehicle, a “Redesignation to Non-Program Amount”).

(f) Non-Program Vehicle to Program Vehicle Redesignation Payments. With respect to any Lease Vehicle that is redesignated as a Program Vehicle pursuant to Sub-Clause 2.5(c) (Non-Program Vehicle to Program Vehicle Redesignations), the Lessor shall pay to the Lessee of such Lease Vehicle on the Payment Date following the effective date of such redesignation, as determined in accordance with Sub-Clause 2.5(d) (Timing of Redesignations), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle (as of the date of such redesignation and calculated assuming that such Lease Vehicle had never been designated as a Non-Program Vehicle) over the Net Book Value of such Lease Vehicle (as of the date of such redesignation but without giving effect to such Lease Vehicle’s redesignation as a Program Vehicle) (such excess, if any, for such Lease Vehicle and such redesignation, the “Redesignation to Program Amount”); provided that,

(i) no payment shall be required to be made and no payment may be made by the Lessor pursuant to this Sub-Clause 2.5(f) (Non-Program Vehicle to Program Vehicle Redesignation Payments) to the extent that an Amortization Event or a Potential Amortization Event exists or would be caused by such payment;
(ii) the amount of any such payment to be made by the Lessor on any such date shall be capped at and be paid from (and the obligation of the Lessor to make such payment on such date shall be limited to) the amount of funds available to the Lessor on such date; and

(iii) if any such payment from the Lessor is limited in amount pursuant to the foregoing paragraph (i) or (ii), the Lessor shall pay to such Lessee the funds available to the Lessor on such Payment Date and shall pay to such Lessee on each Payment Date thereafter the amount available to the Lessor until such Redesignation to Program Amount has been paid in full to such Lessee.

2.6 Hell-or-High-Water Lease

Each Lessee’s obligation to pay all rent and other sums hereunder shall be absolute and unconditional, and shall not be subject to any abatement, setoff (except as required under Sub-Clause 4.9(f) below), counterclaim, deduction or reduction for any reason whatsoever. The obligations and liabilities of each Lessee hereunder shall in no way be released, discharged or otherwise affected (except as may be expressly provided herein) for any reason, including without limitation:

(i) any defect in the condition, merchantability, quality or fitness for use of the Lease Vehicles or any part thereof;

(x) any insurance premiums payable by such Lessee with respect to the Lease Vehicles; or

(xi) any other occurrence whatsoever, whether similar or dissimilar to the foregoing, whether or not such Lessee shall have notice or knowledge of any of the foregoing and whether or not foreseen or foreseeable.

Each Lessee, to the extent permitted by law, waives all rights now or hereafter available to it under French law to any diminution or reduction of Rent or other amounts payable by such Lessee hereunder.
In particular, as an exception to the provisions of articles 1721, 1722, and 1724 of the French Code civil (and notwithstanding the fact that the relevant suspension of use may continue for a period of more than twenty-one (21) days), no Lessee shall be entitled to claim any diminution or reduction of Rent. All payments by each Lessee made hereunder shall be final (except to the extent of adjustments provided for herein), absent manifest error and, except as otherwise provided herein, no Lessee shall seek to recover any such payment or any part thereof for any reason whatsoever, absent manifest error. All covenants and agreements of each Lessee herein shall be performed at its cost, expense and risk unless expressly otherwise stated.

the earliest of such three dates being referred to as the “Vehicle Lease Expiration Date” for such Lease Vehicle, provided that, in relation to paragraph (iii) above, no Vehicle Lease Expiration Date will occur if a French Master Lease Extension Agreement has been executed within five (5) Business Days of the French Master Lease Scheduled Expiration Date.

(e) [Reserved]

(d) Lease Vehicles with Multiple Vehicle Terms. For the avoidance of doubt, with respect to any Lease Vehicle that experiences more than one Vehicle Term pursuant to this Agreement, each such Vehicle Term with respect to such Lease Vehicle will be treated as an independent Vehicle Term for all purposes hereunder.

(e) Extension/Renewal of Term. So long as no Lease Event of Default is continuing under this Agreement, any lease of Lease Vehicles hereunder may be extended/renewed by the execution by the Lessor and the applicable Lessee of a French Master Lease Extension Agreement in substantially the form set out in Schedule VI (Form of French Master Lease Extension Agreement) on or before the French Master Lease Scheduled Expiration Date (or within 5 (five) Business Days after the French Master Lease Scheduled Expiration Date) in which circumstance the lease of the relevant Lease Vehicle will expire on the immediately

With respect to the Payment Date falling on 26 November 2018 only, the Monthly Base Rent or Monthly Variable Rent, as applicable, shall also include an amount determined by the Servicer in its reasonable discretion to reflect the depreciation and carrying charges accrued prior to the Closing Date which would have been payable by the Lessee in respect of each relevant Lease Vehicle in accordance with the French Prior Lease had such lease not been terminated on the Closing Date.

4.1 Depreciation Records and Depreciation Charges

On each Business Day, the Lessor shall establish or cause to be established the Depreciation Charge with respect to each Lease Vehicle, and the Lessor shall maintain, and upon request by a Lessee, deliver or cause to be delivered to such Lessee a record of such Depreciation Charges (such record, the “Depreciation Record”) with respect to each Lease Vehicle leased by such Lessee as of such date, the delivery of which may be satisfied by the Lessor posting or causing to be posted such depreciation records to a password-protected website made available to such Lessees or by any other reasonable means of electronic transmission (including, without limitation, email or other file transfer protocol), and may be made directly by the Lessor or on its behalf by any agent or designee of the Lessor.

4.2 Monthly Base Rent

With respect to any Payment Date and any Lease Vehicle (other than a Lease Vehicle with respect to which the Disposition Date occurred during such Related Month), the “Monthly Base Rent” with respect to such Lease Vehicle for such Payment Date shall equal the pro rata portion (based upon the number of days in the Related Month with respect to such Payment Date that were included in the Vehicle Term for such Lease Vehicle) of the Depreciation Charge for such Lease Vehicle as of the last day of such Related Month calculated on a 30/360 day basis.

4.3 Final Base Rent

With respect to any Payment Date and any Lease Vehicle with respect to which the Disposition Date occurred during such Related Month, the “Final Base Rent” with respect to such Lease Vehicle for such Payment Date shall be an amount equal to the pro rata portion (based upon the number of days in such Related Month that were included in the Vehicle Term for such Lease Vehicle) of the

If the Program Vehicle Depreciation Assumption True-Up Amount with respect to any Lease Vehicle is a positive number as of the first day following the end of the Estimation Period for such Lease Vehicle, then the Lessee of such Lease Vehicle shall pay the Lessor such Program Vehicle Depreciation Assumption True-Up Amount with respect to such Lease Vehicle in accordance with Sub-Clause 4.8.1 (Payments).

4.5 Monthly Variable Rent

The “Monthly Variable Rent” for each Payment Date and each Lease Vehicle other than a Lease Vehicle which was a Credit Vehicle on the last day of the Related Month with respect to such Payment Date (w) leased hereunder as of the last day of the Related Month with respect to such Payment Date, (x) the Disposition Date in respect of which occurred during such Related Month, or (y) that was purchased by the applicable Lessee during such Related Month, in each case shall equal to the product of:

(i) the sum of:

4.6 Casualty; Ineligible Vehicles

On the second day of each calendar month, each Lessee shall deliver to the Servicer a list containing each Lease Vehicle leased by such Lessee that suffered a Casualty or became an Ineligible Vehicle in the preceding calendar month (each such list, a “Monthly Casualty Report”). Each such delivery may be satisfied by the applicable Lessee posting such Monthly Casualty Report to a password protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by e-mail, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee. On the Disposition Date with respect to each Lease Vehicle that suffers a Casualty or becomes an Ineligible Vehicle, (i) the Lessor shall cause title to such Lease Vehicle to be transferred to or at the direction of the Lessee of such Lease Vehicle and (ii) such Lessee shall be entitled to any physical damage insurance proceeds applicable to such Lease Vehicle.

4.7 Payments
4.7.1 Subject to Clause 4.7.3, on each Payment Date and with respect to the Related Month thereto, after giving full credit for any prepayments made pursuant to Sub-Clause 4.10 (Prepayments), each Lessee shall pay to the Lessor an amount equal to the sum of the following amounts with respect to each Lease Vehicle leased by such Lessee hereunder to the last day of such Related Month (other than any Lease Vehicle the Disposition Date for which occurred during such Related Month):

(a) the Monthly Base Rent with respect to such Lease Vehicle as of such Payment Date, plus

(b) the Pre-VLCD Program Vehicle Depreciation Amount with respect to such Lease Vehicle, if any, plus

4.8 Making of Payments
(a) All payments hereunder shall be made by the applicable Lessee, or by the Servicer or one or more of its Affiliates on behalf of such Lessee, to, or for the account of, the Lessor in immediately available funds, without setoff, counterclaim or deduction of any kind, except as required under Sub-Clause 4.8(f) below.

(b) All such payments shall be deposited into the French Transaction Account not later than 12:00 noon, Paris time, on such Payment Date.

(c) If any Lessee pays less than the entire amount of Rent (or any other amounts) due on any Payment Date, after giving full credit for all prepayments made pursuant to Sub-Clause 4.10 (Prepayments) with respect to amounts due on such Payment Date, then the payment received from such Lessee in respect of such Payment Date shall be first applied to the Monthly Variable Rent due on such Payment Date.

(d) In the event any Lessee fails to remit payment of any amount due under this Agreement on or before the Payment Date or when otherwise due and payable hereunder, the amount not paid will be considered delinquent and such Lessee shall pay default interest with respect thereto at a rate equal to (i) the effective interest rate payable by French FleetCo on any overdue amounts owed by French FleetCo with respect to the French Advances or (ii) if no such interest is payable by French FleetCo, EURIBOR plus 1.0%, during the period from the Payment Date on which such delinquent amount was payable until such delinquent amount (with accrued interest) is paid.

   (i) Each Lessee shall make all payments to be made by it under this Agreement without any Tax Deduction, unless a Tax Deduction is a Requirement of Law.

   (ii) Each Lessee shall, promptly upon becoming aware that it is required to make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Lessor and the French Security Trustee accordingly.

   (iii) If any Lessee is required by law to make a Tax Deduction, the amount of the payment due by such Lessee shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due to the payee if no Tax Deduction had been required.

   (iv) If any Lessee is required to make a Tax Deduction, such Lessee shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

   (v) Within thirty (30) days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, each Lessee shall deliver to the Lessor and the French Security Trustee evidence reasonably satisfactory to the Lessor that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant Tax Authority.

(x) retain custody of the original Insurance Policy documents and any correspondence regarding claims in respect of any of the Insurance Policies affecting the Lessor and shall supply the original Insurance Policy documents only (but not any claims correspondence) to the French Liquidation Co-ordinator and (if so requested) supply the Lessor and the French Security Trustee with copies thereof;

6.3 Required Contractual Criteria

The Servicer shall, prior to the expiry of a Vehicle Purchasing Agreement to which French FleetCo is a party, commence negotiations with the relevant Manufacturers and Dealers on behalf of French FleetCo to renew such Vehicle Purchasing Agreement (where a renewal of the Vehicle Purchasing...

In particular, the Servicer shall process personal data only for the purposes contemplated by this Agreement and shall act only on the instructions of the Lessor (given for such purposes) and shall comply at all times with the principles and provisions set out in the General Data Protection Regulation (EU) 2016/679 (and any subsequent amendments thereto) as if applicable to the Servicer directly and any other applicable laws. 9 DEFAULT AND REMEDIES THEREFOR

9.1 Events of Default

Any one or more of the following will constitute an event of default (a “Lease Event of Default”) as that term is used herein:

9.1.1 There occurs a default in the payment of any Rent or other amount payable by any Lessee under this Agreement that continues for a period of five (5) consecutive Business Days;

9.1.2 Any unauthorized assignment or transfer of this Agreement by any Lessee occurs;

9.1.3 The failure of any Lessee to observe or perform any other covenant, condition, agreement or provision hereof, including, but not limited to, usage, and maintenance that in any such case has a Lease Material Adverse Effect, and such default continues for more than thirty (30) consecutive days after the earlier of the date written notice thereof is delivered by the Lessor or the French Security Trustee to such Lessee or the date an Authorized Officer of such Lessee obtains actual knowledge thereof;

9.1.4 If (i) any representation or warranty made by any Lessee herein is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice, or other writing furnished by or on behalf of any Lessee to the Lessor or the French Security Trustee is false or misleading on the date as of which the facts therein set forth are stated or certified, (ii) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (iii) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be, shall not have been eliminated or otherwise cured for thirty (30) consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the French Security Trustee to the applicable Lessee and (y) the date an Authorized Officer of the applicable Lessee learns of such circumstance or condition;

9.1.5 An Event of Bankruptcy occurs with respect to Hertz or with respect to any Lessee;

9.1.6 This Agreement or any portion thereof ceases to be in full force and effect (other than in accordance with its terms or as otherwise expressly permitted in the French Related Documents) or a proceeding shall be commenced by any Lessee to establish the invalidity or unenforceability of this Agreement, in each case other than with respect to any Lessee that at such time is not leasing any Lease Vehicles hereunder;

9.1.7 A Servicer Default occurs; or

9.1.8 A Liquidation Event occurs.

For the avoidance of doubt, with respect to any Potential Lease Event of Default or Lease Event of Default, if the event or condition giving rise (directly or indirectly) to such Potential Lease Event of Default or Lease Event of Default, as applicable, ceases to be continuing (through cure, waiver or otherwise), then such Potential Lease Event of Default or Lease Event of Default, as applicable, will cease to exist and will be deemed to have been cured for every purpose under the French Related Documents.

9.2 Effect of Lease Event of Default. If any Lease Event of Default set forth in Sub-Clauses 9.1.1, 9.1.2, 9.1.5, 9.1.6 or 9.1.8 (Events of Default) shall occur and be continuing, the Lessee’s right of possession with respect to any Lease Vehicles leased hereunder shall be subject to the Lessor’s option.
to terminate such right as set forth in Sub-Clauses 9.3 (Rights of Lessor Upon Lease Event of Default) and 9.4 (Liquidation Event and Non-Performance of Certain Covenants).

9.3 Rights of Lessor Upon Lease Event of Default

9.3.1 If a Lease Event of Default shall occur and be continuing, then the Lessor may proceed by appropriate court action or actions, at law to enforce performance by any Lessee of the applicable covenants and terms of this Agreement or to recover damages for the breach hereof calculated in accordance with Sub-Clause 9.5 (Measure of Damages).

9.3.2 If any Lease Event of Default set forth in Sub-Clause 9.1.1, 9.1.2, 9.1.5, 9.1.6 or 9.1.8 (Events of Default) shall occur and be continuing, then (i) the Lessor shall have the right to serve notice on the other parties hereto, a “Master Lease Termination Notice”, and following service of such notice shall have the right to (a) to terminate any Lessee’s rights of use and possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee, (b) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder and (c) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever and (ii) the Lessees, at the request of the Lessor, shall return or cause to be returned all Lease Vehicles to the Lessor or the French Security Trustee as the case may be.

9.3.3 Each and every power and remedy hereby specifically given to the Lessor will be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in bankruptcy and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Lessor; provided, however, that the measure of damages recoverable against such Lessee will in any case be calculated in accordance with Sub-Clause 9.5 (Measure of Damages). All such powers and remedies will be cumulative, and the exercise of one will not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Lessor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder will impair any such power or remedy or will be construed to be a waiver of any default or any acquiescence therein; provided that, for the avoidance of doubt, any exercise of any such right or power shall remain subject to each condition expressly specified in any Related Document with respect to such exercise. Any extension of time for payment hereunder or other indulgence duly granted to any Lessee will not otherwise alter or affect the Lessor’s rights or the obligations hereunder of such Lessee. The Lessor’s acceptance of any payment after it will have become due hereunder will not be deemed to alter or affect the Lessor’s rights hereunder with respect to any subsequent payments or defaults therein.

9.3.4 In addition, following the occurrence of an Lease Event of Default, the Lessor shall have all of the rights, remedies, powers, privileges and claims vis-à-vis each Lessee, necessary or desirable to allow the French Security Trustee to exercise the rights, remedies, power, privileges and claims given to the French Security Trustee pursuant to Sub-Clause 11.2 (Rights of the French Security Trustee upon Amortization Event or Certain Other Events of Default) of the French Facility Agreement, and each Lessee acknowledges that it has hereby granted to the Lessor all such rights, remedies, powers, privileges and claims granted by the Lessor to the French Security Trustee pursuant to Clause 11 (Amortization Events and Remedies) of the French Facility Agreement and that the French Security Trustee may act in lieu of the Lessor in the exercise of all such rights, remedies, powers, privileges and claims.

9.4 Liquidation Event and Non-Performance of Certain Covenants

(a) If a Liquidation Event shall have occurred and be continuing, the French Security Trustee and the Issuer Security Trustee shall have the rights against each Lessee and the French Collateral provided in the French Security Trust Deed and Issuer Security Trust Deed, upon a Liquidation Event, including, in each case, the right to serve a Master Lease Termination

29
Notice on the other parties hereto and following service of such notice shall have the right (i) to terminate any Lessee’s rights of possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee (ii) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder and (iii) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever.

(b) During the continuance of a Liquidation Event, the Servicer shall return any or all Lease Vehicles that are Program Vehicles to the related Manufacturers in accordance with the instructions of the Lessor. To the extent any Manufacturer fails to accept any such Program Vehicles under the terms of the applicable Manufacturer Program, the Lessor shall have the right to otherwise dispose of such Program Vehicles and to direct the Servicer to dispose of such Program Vehicles in accordance with its instructions.

(c) Notwithstanding the exercise of any rights or remedies pursuant to this Sub-Clause 9.4 (Liquidation Event and Non-Performance of Certain Covenants), the Lessor will, nevertheless, have a right to recover from such Lessee any and all amounts (for the avoidance of doubt, as limited by Sub-Clause 9.5 (Measure of Damages)) as may be then due.

(d) In addition, following the occurrence of a Liquidation Event, the Lessor shall have all of the rights, remedies, powers, privileges and claims vis-à-vis each Lessee, necessary or desirable to allow the French Security Trustee to exercise the rights, remedies, powers, privileges and claims given to the French Security Trustee pursuant to Sub-Clause 11.2 (Rights of the French Security Trustee upon Amortization Event or Certain Other Events of Default) of the French Facility Agreement, and each Lessee acknowledges that it has hereby granted to the Lessor all such rights, remedies, powers, privileges and claims granted by the Lessor to the French Security Trustee pursuant to Clause 11 (Amortization Events and Remedies) of the French Facility Agreement and that the French Security Trustee may act in lieu of the Lessor in the exercise of all such rights, remedies, powers, privileges and claims.

(e) The French Security Trustee may only take possession of, or exercise any of the rights or remedies specified in this Agreement with respect to, such number of Lease Vehicles necessary to generate disposition proceeds in an aggregate amount sufficient to pay the French Advances with respect to which a Liquidation Event is then continuing as set forth in the Issuer Facility Agreement, taking into account the receipt of proceeds of all other vehicles being disposed of that have been pledged to secure such French Advances.

9.5 Measure of Damages

If a Lease Event of Default or Liquidation Event occurs and the Lessor or the French Security Trustee exercises the remedies granted to the Lessor or the French Security Trustee under this Clause 9 (Default and Remedies Therefor) or Sub-Clause 11.2 (Rights of the French Security Trustee upon Amortization Event or Certain Other Events of Default) of the French Facility Agreement, the amount that the Lessor shall be permitted to recover from any Lessee as payment shall be equal to:

(i) all Rent for each Lease Vehicle leased by such Lessee hereunder to the extent accrued and unpaid as of the earlier of the date of the return to the Lessor of such Lease Vehicle or disposition by the Servicer of such Lease Vehicle in accordance with the terms of this Agreement and all other payments payable under this Agreement by such Lessee, accrued and unpaid as of such date; plus

(ii) any reasonable out-of-pocket damages and expenses, including reasonable attorneys’ fees and expenses that the Lessor or the French Security Trustee will have sustained by reason of such a Lease Event of Default or Liquidation Event, together with reasonable sums for
such attorneys’ fees and such expenses as will be expended or incurred in the seizure, storage, rental or sale of the Lease Vehicles leased by such Lessee hereunder or in the enforcement of any right or privilege hereunder or in any consultation or action in such connection, in each case to the extent reasonably attributable to such Lessee; plus

(iii) interest from time to time on amounts due from such Lessee and unpaid under this Agreement at EURIBOR plus 1.0% computed from the date of such a Lease Event of Default or Liquidation Event or the date payments were originally due to the Lessor by such Lessee under this Agreement or from the date of each expenditure by the Lessor or the French Security Trustee, as applicable, that is recoverable from such Lessee pursuant to this Clause 9 (Default and Remedies Therefor), as applicable, to and including the date payments are made by such Lessee.

9.6 Servicer Default

Any of the following events will constitute a default of the Servicer (a “Servicer Default”) as that term is used herein:

(i) the failure of the Servicer to comply with or perform any provision of this Agreement or any other Related Document that has a Lease Material Adverse Effect with respect to the Servicer, the Lessor or any Lessee, and such default continues for more than thirty (30) consecutive days after the earlier of the date written notice is delivered by the Lessor or the French Security Trustee to the Servicer or the date an [Authorized Officer] of the Servicer obtains actual knowledge thereof;

(ii) an Event of Bankruptcy occurs with respect to the Servicer;

(iii) the failure of the Servicer to make any payment when due from it hereunder or under any of the other French Related Documents or to deposit any French Collections received by it into the French Transaction Account when required under the French Related Documents and, in each case, such failure continues for five (5) consecutive Business Days after the earlier of (a) the date written notice is delivered by the Lessor or the French Security Trustee to the Servicer or (b) the date an Authorized Officer of the Servicer obtains actual knowledge thereof, except to the extent that failure to remain in such compliance would not reasonably be expected to result in a Lease Material Adverse Effect with respect to the Lessor; or

(iv) if (I) any representation or warranty made by the Servicer relating to the French Collateral in any French Related Document is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice, or other writing relating to the French Collateral furnished by or on behalf of the Servicer to the Lessor or the French Security Trustee pursuant to any French Related Document is false or misleading on the date as of which the facts therein set forth are stated or certified, (II) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (III) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be, shall not have been eliminated or otherwise cured for at least thirty (30) consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the French Security Trustee to the Servicer and (y) the date an Authorized Officer of the Servicer obtains actual knowledge of such circumstance or condition.

In the event of a Servicer Default, the Lessor or the French Security Trustee, in each case acting pursuant to Sub-Clause 10.22(d) (Servicer Default) of the French Facility Agreement, shall have the right to replace the Servicer as servicer.
For the avoidance of doubt, with respect to any Servicer Default, if the event or condition giving rise (directly or indirectly) to such Servicer Default ceases to be continuing (through cure, waiver or otherwise), then such Servicer Default will cease to exist and will be deemed to have been cured for every purpose under the French Related Documents.

and shall be entitled to the benefits and subject to the liabilities and obligations of a Lessee hereunder.

13 SECURITY AND ASSIGNMENTS

13.1 Rights of Lessor assigned to French Secured Parties

Each Lessee acknowledges that the Lessor has assigned or will assign all of its rights under this Agreement to the French Security Trustee
pursuant to the French Security Documents. Accordingly, each Lessee agrees that:

(i) subject to the terms of the French Security Trust Deed and the relevant French Security Document, the French Security Trustee shall have
all the rights powers, privileges and remedies of the Lessor hereunder;

(ii) upon the delivery by the French Security Trustee of any notice to such Lessee stating that a Lease Event of Default or a Liquidation

Rent hereunder (and any other payments hereunder) directly to the French Security Trustee for deposit in the French
Transaction Account.

selling or assigning its right, title and interest in this Agreement, including, without limitation, in moneys due from any Lessee and any third
party under this Agreement, to the French Secured Parties under the French Security Documents; provided, however, that any such sale or

Each Lessee acknowledges that the Lessor is not a Manufacturer or agent thereof or primarily engaged in the sale or distribution of Lease Vehicles. Each Lessee acknowledges that the Lessor makes no representation, warranty or covenant, express or implied in any such case, as to the fitness, safeness, design, merchantability, condition, quality, durability, suitability, capacity or workmanship of the Lease Vehicles in any respect or in connection with or for any purposes or uses of any Lessee and makes no representation, warranty or covenant, express or implied in any such case, that the Lease Vehicles will satisfy the requirements of any law or any contract specification, and as between the Lessor and each Lessee, such Lessee agrees to bear all such risks at its sole cost and expense. Each Lessee specifically waives all rights to make claims against the Lessor and any Lease Vehicle for breach of any warranty of any kind whatsoever, and each Lessee leases each Lease Vehicle “as is.” Upon the Lessor’s acquisition of any Lease Vehicle identified in a request from any Lessee pursuant to Sub-Clause 2.1(d) above, the Lessor shall in no way be liable for any direct or indirect damages or inconvenience resulting from any defect in or loss, theft, damage or destruction of any Lease Vehicle or of the cargo or contents thereof or the time consumed in recovery repairing, adjusting, servicing or replacing the same and there shall be no abatement or apportionment of rental at such time. 15 NON-PETITION AND NO RECOUSE

15.1 Non-Petition in respect of French FleetCo

Notwithstanding anything to the contrary in this Agreement or any French Related Document, only the French Security Trustee may pursue the remedies available under the general law or under the French Security Trust Deed or the French Security Documents to enforce the French Security and no other Person shall be entitled to proceed directly against French FleetCo in respect thereof (unless the French Security Trustee, having become bound to proceed in accordance with the terms of the French Related Documents, fails or neglects to do so). Each party to this Agreement hereby agrees with and acknowledges to each of French FleetCo and the French Security Trustee until the date falling eighteen months and one day after the Legal Final Payment Date, that:

(a) it shall not have the right to take or join any person in taking any steps against French FleetCo for the purpose of obtaining payment of any amount due from French FleetCo (other than
serving a written demand subject to the terms of the French Security Trust Deed and the French Priority of Payments); and

(b) neither it nor any Person on its behalf shall initiate or join any person in initiating an Event of Bankruptcy or the appointment of any Insolvency Official in relation to French FleetCo.

The provisions of this Sub-Clause 15.1 (Non-Petition) shall survive the termination of this Agreement. Irrespective of whether or not this Sub-Clause 15.1 (Non-Petition in respect of French FleetCo) is incorporated into any other Related Document, the Parties agree that this Sub-Clause 15.1 (Non-Petition in respect of French FleetCo) shall apply to all Related Documents to which the French FleetCo is a party to the fullest extent possible.

(a) No Party shall have any recourse against nor shall any personal liability attach to any shareholder, officer, agent, employee or director of French FleetCo or the French Security Trustee in his capacity as such, by any Proceedings or otherwise, in respect of any obligation, covenant, or agreement of French FleetCo or the French Security Trustee contained in this Agreement.

(b) The Parties, other than French FleetCo, shall not have any liability for the obligations of French FleetCo and nothing in this Agreement shall constitute the giving of a guarantee, an indemnity or the assumption of a similar obligation by any of such other Parties in respect of the performance by French FleetCo of its obligations.

The provisions of this Sub-Clause 15.2 (Obligations as Corporate Obligations) shall survive the termination of this Agreement.

15.3 Limited Recourse in respect of French FleetCo

Each party to this Agreement agrees with and acknowledges to each of French FleetCo and the French Security Trustee that, notwithstanding any other provision of any French Related Document, all obligations of French FleetCo to such entity are limited in recourse as set out below:

(c) **Priority of payments.** All payments to be made by French FleetCo hereunder to any party will be made only from and to the extent of the sums payable to such party in accordance with the terms of the French Priority of Payments. Accordingly, each party expressly and irrevocably waives any remedy against French FleetCo (acting in whatever capacity) in connection with the payment of any amounts that may be due to it under any Related Document otherwise than up to the amounts payable to it in accordance with the terms of the French Priority of Payments;

(d) **Deferral.** Any liability remaining unpaid after application of the French Priority of Payments shall automatically be deferred and be payable *(exigible)* on the immediately following Payment Date (except if a different rule in relation to deferred payments is set out in the agreement from which the relevant unpaid liability arises) until the Legal Final Payment Date, in accordance with the French Priority of Payments applicable on that day but in priority to the amounts due on that date and having the same or similar ranking as the deferred amount (unless no such liability as the deferred liability is due on that day in which case such deferred liability will be paid in priority to all other liabilities due on such date), commencing with the oldest deferred amount outstanding and progressing to each next older outstanding deferred amount until such time as no deferred amount remains outstanding.

(e) **Insufficient Recoveries.** If, or to the extent that, after allocation of all amounts in accordance with the foregoing and, as the case may be, after the French Collateral has been as fully as practicable realised and the proceeds thereof have been applied in accordance with the French
Priority of Payments, such proceeds are insufficient to pay or discharge amounts due from French FleetCo to the French Secured Parties or any party to this Agreement in full for any reason, French FleetCo will have no liability to pay or otherwise make good any such insufficiency.

The provisions of this Sub-Clause 15.3 (Limited recourse in respect of French FleetCo) shall survive the termination of this Agreement. Irrespective of whether or not this Sub-Clause 15.3 (Limited recourse in respect of French FleetCo) is incorporated into any other Related Document, the Parties agree that this Sub-Clause 15.3 (Limited recourse in respect of French FleetCo) shall apply to all Related Documents to which the French FleetCo is a party to the fullest extent possible.

16 SUBMISSION TO JURISDICTION

The Tribunal de commerce de Paris has exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Agreement and the lease of each Lease Vehicle pursuant to this Agreement and accordingly any legal action or proceedings arising out of or in connection with this Agreement or the lease of each Lease Vehicle pursuant to this Agreement shall be brought in such court. The parties irrevocably submit to the exclusive jurisdiction of such court and waive any objection to proceedings in such courts whether on the ground of venue or on the ground that the proceedings have been brought in an inconvenient forum.

21 MODIFICATION AND SEVERABILITY

The terms of this Agreement will not be waived, altered, modified, amended, supplemented or terminated in any manner whatsoever unless the same shall be in writing and signed by the Lessor, the Servicer, the French Security Trustee and each Lessee, subject to any restrictions on such waivers, alterations, modifications, amendments, supplements or terminations set forth in the French Facility Agreement. 22 SURVIVABILITY

In the event that, during the term of this Agreement, any Lessee becomes liable for the payment or reimbursement of any obligations, claims or taxes pursuant to any provision hereof, such liability will continue, notwithstanding the expiration or termination of this Agreement, until all such amounts are paid or reimbursed by or on behalf of such Lessee.

SCHEDULE III

Required Contractual Criteria for Vehicle Purchasing Agreements

1 PROVISIONS TO BE APPLIED TO ALL VEHICLE PURCHASING AGREEMENTS TO BE ENTERED INTO BY FRENCH FLEETCO

Each Vehicle Purchasing Agreement will in substance satisfy the following contractual requirements:

1.1 Parties

Vehicle Purchasing Agreements to which French FleetCo is a party may include contractual terms permitting the accession of French OpCo (or another Affiliate of The Hertz Corporation other than French FleetCo) as an additional purchaser/seller.

If any Vehicle Purchasing Agreement provides that French OpCo (or any other Affiliate of The Hertz Corporation other than French FleetCo) may purchase/sell Vehicles in accordance with the terms of such Vehicle Purchasing Agreement, the obligations of French FleetCo and French OpCo (or other Affiliate of The Hertz Corporation other than French FleetCo, as applicable) under that Vehicle Purchasing Agreement will in all cases need to be several (non solidaires), and provide that French FleetCo will not have any liability for the obligations of French OpCo (or such other Affiliate of The Hertz Corporation, as applicable).

Alternatively, existing Vehicle Purchasing Agreements to which French OpCo (or other Affiliate of The Hertz Corporation other than French FleetCo) is a party may be amended to provide that French FleetCo may accede to such Vehicle Purchasing Agreements (satisfying the French Required Contractual Criteria) and that French FleetCo will not have any liability for the obligations of French OpCo (or other Affiliate of The Hertz Corporation).

1.2 Separate obligations

Each Vehicle Purchasing Agreement will satisfy the following criteria:

(a) French FleetCo shall not under any circumstances have any liability for the obligations of French OpCo (in its capacity as guarantor, purchaser of vehicles or otherwise) thereunder; and

(b) to the extent that French OpCo (or any other Affiliate of The Hertz Corporation other than French FleetCo) enters into or is a party to any other Vehicle Purchasing Agreements with the same Manufacturer /Dealer (each such Vehicle Purchasing Agreement to which French OpCo or other Affiliate of The Hertz Corporation other than French FleetCo is a party being a "French OpCo Specific Agreement"), French FleetCo shall not under any circumstances have any liability for the obligations of French OpCo (or such other Affiliate of The Hertz Corporation, as the case may be) under such French OpCo Specific Agreement.

1.3 Volume Rebates etc.

A Vehicle Purchasing Agreement may provide that any bonus payment or other amount (howsoever described) payable or to be made available by a Manufacturer /Dealer as a result of French FleetCo (or French FleetCo and/or French OpCo (and/or any other relevant Affiliate of The Hertz Corporation) under such Vehicle Purchasing Agreement and/or any French OpCo Specific Agreement, as applicable) meeting any minimum vehicle purchase level in that relevant year, be payable to or for the account of French OpCo (rather than French FleetCo). For the avoidance of doubt, French FleetCo
may however take the benefit of reductions applied to purchase prices applicable to vehicles as a result of any such minimum vehicle purchase levels being reached.

Notwithstanding the foregoing where a Vehicle Purchasing Agreement provides that in the event that any minimum vehicle purchase level in the relevant year is not met:

(a) any bonus, payment, benefit or reductions applied to purchase prices on Vehicles purchased by French FleetCo or other amount (howsoever described) is recoverable by or repayable to a Manufacturer y/Dealer; or

(b) any penalty or other amount (howsoever described) is payable to such Manufacturer /Dealer,

such Vehicle Purchasing Agreement shall provide that, in each case, such amounts will only be reclaimed from, payable by, or otherwise recoverable from French OpCo or another Affiliate of The Hertz Corporation other than French FleetCo.

1.4 Confidentiality and public disclosure of terms of Vehicle Purchasing

Each Vehicle Purchasing Agreement will need to be disclosed to the French Security Trustee and possibly other Enhancement Providers.

1.5 Non-petition

Each Vehicle Purchasing Agreement will contain an irrevocable and unconditional covenant or undertaking given by the relevant Manufacturer /Dealer that such Manufacturer /Dealer shall not be entitled and shall not initiate or take any step in connection with:

(a) liquidation, bankruptcy or insolvency (or any similar or analogous proceedings or circumstances) of French FleetCo; or

(b) the appointment of an insolvency officer in relation to French FleetCo or any of its assets whatsoever,

provided that, to the extent that a Vehicle Purchasing Agreement provides that such covenant or undertaking will terminate upon a given date, such date shall be no earlier than the date falling eighteen months and one day after the Legal Final Payment Date.

1.6 Limited recourse

Each Vehicle Purchasing Agreement will contain an irrevocable covenant or undertaking given by the relevant Manufacturer /Dealer that such Manufacturer /Dealer shall not be entitled to, and shall not, initiate or take any step in connection with the commencement of legal proceedings (howsoever described) to recover any amount owed to it by French FleetCo under the relevant Vehicle Purchasing Agreement; this covenant will be unconditional except that the relevant Manufacturer /Dealer may commence legal proceedings to the extent that the only relief sought against French FleetCo pursuant to such proceedings is the re-possession of relevant Vehicle(s) pursuant to applicable retention of title provisions provided for under the relevant Vehicle Purchasing Agreement, provided that, to the extent that a Vehicle Purchasing Agreement provides that such covenant or undertaking will terminate upon a given date, such date shall be no earlier than the date falling eighteen months and one day after the Legal Final Payment Date.

2 PROVISIONS TO BE APPLIED TO ALL MANUFACTURER PROGRAMS TO BE ENTERED INTO BY A FLEETCO

Each Manufacturer Program will in substance satisfy the following additional contractual requirements:
2.1 Assignment and transfers

Each Manufacturer Program will contain terms that permit French FleetCo to assign by way of security or pledge any of its rights under such agreement to the French Secured Parties. Any such right to grant security to the French Secured Parties must be unrestricted. Unless pursuant to an Intra-Group Transfer (as defined below) by a Manufacturer (which shall not require consent from French FleetCo), each Manufacturer Program will provide that the Manufacturer/Dealer may not assign, transfer or novate its obligations under such agreement without the prior written consent of French FleetCo. French FleetCo shall not provide such consent unless the Manufacturer /Dealer enters into a guarantee materially in the form set out in Schedule 3 (Draft Transfer and Guarantee Language to be included in Pro Forma Manufacturer Programs) or accepts joint and several liability in respect of the transferred obligations substantially on the terms set out in Schedule IV (Draft Transfer and Joint and Several Liability Language to be included in Pro Forma Manufacturer Programs). For the purposes hereof, an “Intra-Group Transfer” means an assignment, transfer or novation by a Manufacturer of its obligations under a Manufacturer Program to an Affiliate of such Manufacturer which would satisfy the definition of “Investment Grade Manufacturer” upon such Affiliate becoming a Manufacturer. For the avoidance of doubt, Manufacturers /Dealers may assign their rights under Manufacturer Programs without the prior written consent of French FleetCo.

2.2 Set-off

Each Manufacturer Program will provide that the Manufacturer/Dealer expressly waives (to the extent that it is able to do so under applicable law) any right that it would otherwise have under such Manufacturer Program or under applicable law to set-off (i) any amount of unpaid purchase price owed to such Manufacturer/Dealer by French FleetCo in relation to Vehicles ordered by (but not delivered to) French FleetCo by such Manufacturer/Dealer under that Manufacturer Program, against (ii) amounts owed by the Manufacturer/Dealer to French FleetCo under such Manufacturer Program, provided that, each Vehicle Purchasing Agreement entered into or renewed on or after the Closing Date will provide that the Manufacturer/Dealer expressly waives (to the extent that it is able to do so under applicable law) any right that it would otherwise have under such Vehicle Purchasing Agreement or under applicable law to set-off (i) any amount of unpaid purchase price owed to such Manufacturer/Dealer by French FleetCo under that Vehicle Purchasing Agreement, against (ii) amounts owed by the Manufacturer/Dealer to French FleetCo under that Manufacturer Program or any other Vehicle Purchasing Agreement, save and except in relation to any Manufacturer Programme with Daimler AG, and/or any of their respective Affiliates or successors or any corporation into which such entities may be merged or converted or with which they may be consolidated or any corporation resulting from any merger, conversion or consolidation of such entities (“Daimler Entities”) or any Dealers or agents (or Affiliates or successors thereof) selling Vehicles manufactured or purchased from the Daimler Entities if such Manufacturer Programme does not provide for waiver of set-off in accordance with paragraph 2.2 (Set-off) hereof, in which case such amounts may be reclaimed from, payable by, or otherwise recoverable from French FleetCo.

Notwithstanding the foregoing the Manufacturer /Dealers will be entitled to set off any amount owed by French FleetCo in respect of turn-back related damages against any amount of Repurchase Price owed by it to French FleetCo. The Servicer shall use reasonable efforts to procure that each Manufacturer Program will provide that the Manufacturer /Dealer expressly waives all rights to set-off (however arising, including legal set-off) any amount:

(a) owed to it by French OpCo under such Manufacturer Program; or

(b) owed to it by French OpCo (or any other Affiliate of The Hertz Corporation other than French FleetCo) under any other agreement (including any French OpCo Specific Agreement),

in any such case against amounts owed by the Manufacturer /Dealer to French FleetCo under the relevant Manufacturer Program.
2.3 Manufacturer's/Dealer's obligations to be ‘unconditional’

No Manufacturer Program may contain terms that provide that the Repurchase Obligations of the Manufacturer/Dealer are conditional in any respect other than, in relation to (a) a force majeure event or (b) compliance with applicable turn-back procedures (including any Programme Minimum Term or Programme Maximum Term) and/or (c) turn-back standards in relation to the condition of the relevant Vehicle. For the avoidance of doubt, no Manufacturer Program may provide that the obligations of the Manufacturer /Dealer thereunder are conditional upon:

(a) any minimum number of Vehicles being purchased (i) by French FleetCo under such Manufacturer Program; and/or (ii) by French OpCo or any other Person under such Manufacturer Program or any French OpCo Specific Agreement; or

(b) the solvency of French FleetCo; or

(c) the solvency of any other Affiliate of The Hertz Corporation other than French FleetCo.

2.4 Termination provisions

To the extent that a Manufacturer/Dealer requires express termination provisions to be included in any Manufacturer Program, such Manufacturer Program may provide that a Manufacturer /Dealer is entitled (upon expiry of a predetermined notice period or otherwise) to terminate such agreement before its scheduled expiry date upon the occurrence of certain events (e.g. liquidation, bankruptcy, insolvency, failure to pay, late payment, partial payment, breach or serious breach of obligations, or any similar or analogous events); provided always that the Manufacturer/Dealer shall not under any circumstances have the right to terminate its obligations (subject to and in accordance with any eligibility criteria and Programme Minimum Term or Programme Maximum Term) to repurchase (or, if applicable to perform its guaranteed obligations thereunder) in respect of any Vehicle shipped to French FleetCo or its order prior to the termination of such Manufacturer Program.

2.5 Retention of title in favour of French FleetCo

The Manufacturer Program entered into with the Top Two Non-Investment Grade Manufacturers will, where credit terms are made available to the relevant Manufacturer /Dealer (in relation to the payment by it of applicable repurchase prices for Vehicles) provide that title to the relevant Vehicle will remain with French FleetCo until the sale proceeds are received by French FleetCo. In practice French FleetCo may return the registration documents for a Vehicle when it is turned back to such Top Two Non-Investment Grade Manufacturers.

1 For these purposes, a 'force majeure event' will be constituted by any event which (a) was not foreseen by the parties, (b) is outside their control and could not have been avoided by taking due care or by compliance in all material respects with obligations under the VPA and (c) prevents performance of the obligations of one or more parties under the contract.

This Agreement (as amended, modified or supplemented from time to time in accordance with the provisions hereof, this “Agreement”) is made on 25 September 2018 and shall become effective at the Effective Time between:

(1) STUURGROEP FLEET (NETHERLANDS) B.V., a private company with limited liability (besloten vennootschap met beperkte aansprakelijkheid), incorporated and existing under Dutch law, with its corporate seat in Amsterdam, the Netherlands, having its registered address at Siriusdreef 62, 2132 WT Hoofddorp, the Netherlands, registered with the Trade Register of the Dutch Chamber of Commerce under number 34275100 (“Dutch FleetCo”), as lessor (in such capacity, the “Lessor”);

(2) HERTZ AUTOMOBIELEN NEDERLAND B.V., a private company with limited liability (besloten vennootschap met beperkte aansprakelijkheid), incorporated and existing under Dutch law, with its corporate seat in Amsterdam, the Netherlands, having its registered address at Siriusdreef 62, 2132 WT Hoofddorp, the Netherlands, registered with the Trade Register of the Dutch Chamber of Commerce under number 34049337 (“Dutch OpCo”), as a lessee and as servicer (in such capacity as servicer, the “Servicer”);

(3) those various Permitted Lessees (as defined herein) from time to time becoming Lessees hereunder pursuant to Clause 12 (Additional Lessees) hereof (each an “Additional Lessee”) as lessees (Dutch OpCo and the Additional Lessees, in their capacities as lessees, each a “Lessee” and, collectively, the “Lessees”); and

(4) BNP PARIBAS TRUST CORPORATION UK LIMITED, acting through its registered office at 10 Harewood Avenue, London NW1 6AA as Dutch security trustee (in such capacity, the “Dutch Security Trustee”).

Whereas:

(A) The Lessor has purchased or will purchase Dutch Vehicles from various parties on arm’s length terms pursuant to one or more other motor vehicle purchase agreements or otherwise, in each case, that the Lessor determines shall be leased hereunder.

(B) The Lessor desires to lease to each Lessee and each Lessee desires to lease from the Lessor certain Lease Vehicles for use in connection with the business of such Lessee, including use by such Lessee’s employees, directors, officers, representatives, agents and other business associates in their personal or professional capacities.

(C) The Lessor and each Lessee desire the Servicer to perform various servicing functions with respect to the Lease Vehicles (to the extent relating to the Vehicles purported to be leased pursuant to this Agreement), and the Servicer desires to perform such functions, in accordance with the terms hereof.

The Parties hereby agree as follows

1 Definitions and Construction

1.1 Definitions

Except as otherwise defined herein, capitalised terms used herein shall have the meanings assigned to such terms in the master definitions and constructions agreement signed by, amongst others, the parties hereto dated the Signing Date as amended, modified or supplemented from time to time (the “Master Definitions and Constructions Agreement”).
All Clause or paragraph references herein shall refer to clauses, Clauses or paragraphs of this Agreement, except as otherwise provided herein.

1.2 Rules of Construction
1.2.1 In this Agreement, including the preamble, recitals, attachments, schedules, annexes, exhibits and joiners hereto, unless the context otherwise requires, words and expressions used have the constructions ascribed to them in clause 2 (Principles of Interpretation and Construction) of the Master Definitions and Constructions Agreement.
1.2.2 If any obligations of a party to this Agreement or provisions of this Agreement are subject to or contrary to any mandatory principles of applicable law, compliance with such obligations and/or provisions of this Agreement shall be deemed to be subject to such mandatory principles (or waived) to the extent necessary to be in compliance with such law.
1.2.3 In this Agreement, the term “sub-lease” means any underlease, sub-lease, license or mandate in relation to the use of a Lease Vehicle between a Lessee as lessor and a sub-lessee as lessee but does not include, for the avoidance of doubt, any arrangements and normal business operations involving the ultimate return of Lease Vehicles from locations not operated by a Lessee to drop locations of such Lessee (and ancillary use or transportation of such Lease Vehicles in relation thereto).
1.2.4 Words in Dutch used in this Agreement and having a specific legal meaning should prevail over the English translation.

1.3 Scope of Agreement
The parties hereto acknowledge that this Agreement is only being entered into in connection with the Vehicles purported to be leased pursuant to this Agreement, the Dutch Collateral and the Dutch Related Documents and that there is a separate Spanish Master Lease being entered into between, inter alios, Spanish FleetCo and Spanish OpCo in connection with the Spanish Vehicles, Spanish Collateral and the Spanish Related Documents.

1.4 Effectiveness
The parties hereto acknowledge and agree that the rights and obligations under this Agreement shall become effective at the Effective Time.

2 Nature of Agreement
(a) Each Lessee and the Lessor acknowledges that the relationship between the Lessor and each Lessee pursuant to this Agreement shall be only that of a lessor (verhuurder) and a lessee (huurder) and that any lease of Lease Vehicles granted pursuant to this Agreement shall be a lease (huur) governed by Dutch law and title to the Lease Vehicles will at all times remain with the Lessor. No Lessee shall acquire by virtue of this Agreement any rights in or option to purchase any Lease Vehicles leased to it whatsoever, other than the right of possession and use as provided by this Agreement.
(b) [Reserved]
2.1 Lease of Vehicles

2.1.1 Lease of Existing Fleet. From the Closing Date and subject to the terms and provisions hereof and the Global Deed of Termination and Release, each Lessee and the Lessor hereto agree that:

(i) on the Closing Date (A) the Lessor shall lease to each Lessee and (B) such Lessee shall lease from the Lessor, in each case, all Vehicles leased (as at the Closing Date) pursuant to the Dutch master lease agreement entered into on 6 August 2007 (as such agreement has been amended and restated from time to time) between Hertz Automobielen Nederland B.V. (as lessee thereunder), Stuurgroep Fleet (Netherlands) B.V. (as lessor thereunder) and BNP Paribas Trust Corporation UK Limited (as borrower security trustee) thereunder (which such agreement shall, for the purposes of this Clause 2.1, be referred to as the “Terminated Dutch Master Lease”);

(ii) on the Closing Date, all rights and obligations of each party under the Terminated Dutch Master Lease shall be terminated in accordance with the provisions of the Global Deed of Termination and Release dated on or around the date hereof;

(iii) from and including the Closing Date, the Vehicles leased pursuant to this Clause 2.1.1 shall be leased in accordance with the terms and provisions of this Dutch Master Lease and each party hereto shall have the rights and obligations provided for in this Agreement in connection with the Vehicles referred to in this Clause 2.1.1; and

(iv) the Capitalized Cost of each Vehicle leased pursuant to this Clause 2.1.1 shall be equal to such Vehicle’s net book value immediately prior to such Vehicle’s Vehicle Lease Commencement Date.

2.1.2 Agreement to Lease. From time to time, subject to the terms and provisions hereof (including satisfaction of the conditions precedent set forth in Clause 2.1.3 (Conditions Precedent to Lease of Lease Vehicles)), the Lessor agrees to lease to each Lessee, and each Lessee agrees to lease from the Lessor, those certain Lease Vehicles identified on Lease Vehicle Acquisition Schedules and Intra-Lease Lessee Transfer Schedules produced from time to time by or on behalf of such Lessee pursuant to Clauses 2.1.4 (Lease Vehicle Purchases and Lease Vehicle Acquisition Schedules) and 2.2.2 (Intra-Lease Transfers), respectively.

2.1.3 Conditions Precedent to Lease of Lease Vehicles. The agreement of the Lessor to commence leasing any Lease Vehicle to any Lessee hereunder is subject to the following conditions precedent being satisfied at the time the Lessor orders such Lease Vehicles:

(i) No Default. No Lease Event of Default shall have occurred and be continuing on the Vehicle Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder, and no Potential Lease Event of Default with respect to any event or condition specified in Clause 9.1.1 (Events of Default), Clause 9.1.5 (Events of Default) or Clause 9.1.8 (Events of Default) shall have occurred and be continuing on the Vehicle
Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder;

(ii) **Funding.** Dutch FleetCo shall have sufficient available funding to purchase such Lease Vehicle;

(iii) **Representations and Warranties.** The representations and warranties contained in Clause 7 (Certain Representations and Warranties) are true and correct in all material respects (unless any such representation or warranty contains a materiality limitation by its terms, in which case such representation or warranty shall be true and correct) as of such date (unless any such representation or warranty by its terms makes reference to a specific date, in which case, such representation or warranty shall be true and correct for such specific date);

(iv) **Eligible Vehicle.** Such Lease Vehicle is an Eligible Vehicle or in the case of any Credit Vehicle will be an Eligible Vehicle following payment of the purchase price in respect thereof;

(v) **Vehicle Purchasing Agreement.** Such Lease Vehicle has been ordered in accordance with the terms of the relevant Vehicle Purchasing Agreement;

(vi) **Lease Expiration Date.** The Lease Expiration Date has not occurred; and

(vii) **Payment.** If such Lease Vehicle was purchased by Dutch FleetCo on non-credit terms, Dutch FleetCo has paid in full the purchase price for such Lease Vehicle and if such Lease Vehicle was purchased on credit terms by Dutch FleetCo, such Lease Vehicle has been delivered to or (as the case may be) is available for collection by Dutch FleetCo.

### 2.1.4 Lease Vehicle Purchases and Lease Vehicle Acquisition Schedules

(i) Each Lessee may from time to time request that the Lessor acquires vehicles for the purpose of leasing such vehicles in accordance with the terms of this Agreement. The Lessor may, in its absolute discretion, and provided that the conditions precedent in Clause 2.1.3 (Conditions Precedent to Lease of Lease Vehicles) above have been satisfied or waived, order the relevant vehicles in accordance with the terms of the relevant Vehicle Purchasing Agreement. Each Lessee shall deliver or cause to be delivered to the Lessor one or more schedules identifying the vehicles which the Lessor has acquired pursuant to a Vehicle Purchasing Agreement following a request by such Lessee, which schedules shall include the Basic Lease Vehicle Information (each such schedule, a “Lease Vehicle Acquisition Schedule”). Each Lessee hereby agrees that each such delivery of a Lease Vehicle Acquisition Schedule shall be deemed hereunder to constitute a representation and warranty by such Lessee, to and in favour of the Lessor, that each condition precedent to the leasing of the Lease Vehicles identified in such Lease Vehicle Acquisition Schedule has been satisfied as of the date of such delivery.

(ii) During the period from the Vehicle Lease Commencement Date in respect of a Lease Vehicle to the date that such Lease Vehicle is first identified on a Lease Vehicle Acquisition Schedule, the existence of a lease between the
Lessor and a Lessee in respect of that Lease Vehicle shall be evidenced and determined by reference to the records of the Lessor (which such records shall be held to be correct for all purposes unless manifestly erroneous).

(iii) The Lease Vehicle Acquisition Schedule for each Lease Vehicle to be leased hereunder on the Closing Date shall be substantially in the form as set out in Schedule 5 (Form of Initial Lease Vehicle Acquisition Schedule).

2.1.5 Lease Vehicle Acceptance or Non-conforming Lease Vehicle Rejection

(i) Subject to paragraph (ii) below, with respect to any vehicle identified on a Lease Vehicle Acquisition Schedule and made available for lease by the Lessor to any Lessee, such Lessee shall have the right to inspect such vehicle within five days of receipt (or such shorter period as may be contemplated under the applicable Vehicle Purchasing Agreement) (the “Inspection Period”) of such vehicle and either accept or, if such vehicle is a Non-conforming Lease Vehicle, reject such vehicle, provided that such Lessee shall be deemed to have accepted such vehicle as a Lease Vehicle unless it has notified the Lessor in writing that such vehicle is a Non-conforming Lease Vehicle during the Inspection Period (the delivery date of such written notice, the “Rejection Date”). If such Lessee timely notifies the Lessor that such vehicle is a Non-conforming Lease Vehicle, then such Non-conforming Lease Vehicle with respect to which such Lessee has so notified the Lessor shall be a “Rejected Vehicle”.

(ii) Notwithstanding paragraph (i) above, a Lessee will only be entitled to reject any Lease Vehicle delivered to it by or on behalf of the Lessor (A) if the Lessor is itself entitled to reject such Lease Vehicle under the relevant Vehicle Purchasing Agreement pursuant to which such Vehicle was ordered and (B) subject to the same conditions (to the extent applicable) as to rejection as may be applicable to the Lessor under the relevant Vehicle Purchasing Agreement in respect of such Vehicle.

(iii) The Lessor shall cause the Servicer to dispose of a Rejected Vehicle described in paragraph (i) above (including by returning such Rejected Vehicle to the seller thereof in accordance with the terms of the applicable Vehicle Purchasing Agreement) in accordance with Clause 6.2 (Servicer Functions with Respect to Lease Vehicle Returns, Disposition and Invoicing).

2.2 Certain Transfers

2.2.1 Sales to Lessee. The Lessor may sell a Lease Vehicle during such Lease Vehicle’s Vehicle Term to the relevant Lessee for an amount equal to the net book value under GAAP of such Lease Vehicle.

2.2.2 Intra-Lease Transfers. From time to time, a particular Lessee (the “Transferor Lessee”) may desire to cease leasing a Lease Vehicle hereunder and another Lessee (the “Transferee Lessee”) may desire to commence leasing such Lease Vehicle hereunder. Upon delivery by such Lessees to the Lessor of written notice identifying by VIN each Lease Vehicle to be so transferred from such Transferor Lessee to such Transferee Lessee (such notice, an “Intra-Lease Lessee Transfer Schedule”), each
Lease Vehicle identified in such Intra-Lease Lessee Transfer Schedule shall cease to be leased by the Transferor Lessee and shall contemporaneously commence being leased to the Transferee Lessee, provided that such transfer does not result in the breach of any prescribed limits relating to Lease Vehicles set out in the Related Documents. Each Lessee agrees that upon such a transfer of any Lease Vehicle from one Lessee to another Lessee pursuant to this Agreement, such Transferor Lessee relinquishes all rights that it has in such Lease Vehicle pursuant to this Agreement. Each Intra-Lease Lessee Transfer Schedule may be delivered electronically and may be delivered directly by either the applicable Transferor Lessee or the applicable Transferee Lessee or on behalf of either such party by any agent or designee of such party.

2.3 [Reserved]

2.4 Return

2.4.1 Lessee Right to Return. Any Lessee may return any Lease Vehicle (other than any Lease Vehicle that has experienced a Casualty or become an Ineligible Vehicle) then leased by such Lessee at any time prior to such Lease Vehicle’s Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer, provided that, for the avoidance of doubt, the Vehicle Term for such Lease Vehicle will continue until the Vehicle Lease Expiration Date thereof, notwithstanding the prior return of such Lease Vehicle pursuant to this Clause 2.4.1 (Lessee Right to Return).

2.4.2 Lessee Obligation to Return. Each Lessee shall return each Lease Vehicle leased by such Lessee on or prior to such Lease Vehicle’s Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer (taking into account transportation costs and expected realisable disposition proceeds).

2.5 Redesignation of Vehicles

2.5.1 Mandatory Program Vehicle to Non-Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, the Lessor shall on the date specified in Clause 2.5.4 (Timing of Redesignations) redesignate such Lease Vehicle as a Non-Program Vehicle, if:

(i) a Manufacturer Event of Default is continuing with respect to the Manufacturer of such Lease Vehicle as of such date; or

(ii) as of any such date occurring after the Minimum Program Term End Date with respect to such Lease Vehicle, such Lease Vehicle was returned as of such date pursuant to the terms of the Manufacturer Program with respect to such Lease Vehicle, the Manufacturer of such Lease Vehicle would not be obliged to pay a repurchase price for such Lease Vehicle, or guarantee the disposition proceeds to be received for such Vehicle, in each case in an amount at least equal to (1) the Net Book Value of such Lease Vehicle, as of such date, minus (2) the Final Base Rent that would be payable in respect of such Lease Vehicle, assuming that such date were the Disposition Date for such Lease Vehicle,
minus (3) the Excess Mileage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (4) the Excess Damage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (5) the Pre-VLCD Program Vehicle Depreciation Amount paid or payable with respect to such Lease Vehicle, as of such date, minus (6) the Program Vehicle Depreciation Assumption True-Up Amount paid or payable with respect to such Lease Vehicle, as of such date.

In addition to Clause 2.5.1 (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) and without limitation thereto, with respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, such Lessee may redesignate such Lease Vehicle as a Non-Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee), provided that such Lessee shall not redesignate any Program Vehicle as a Non-Program Vehicle pursuant to this Clause 2.5.2 if, after giving effect to such redesignation, an Aggregate Asset Amount Deficiency would exist, unless such redesignation would decrease the amount of such Aggregate Asset Amount Deficiency.

2.5.3 Non-Program Vehicle to Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Non-Program Vehicle leased by any Lessee hereunder as of any date of determination, if such Lease Vehicle was previously designated as a Program Vehicle, then such Lessee may redesignate such Lease Vehicle as a Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee), provided that such Lessee may not redesignate any such Lease Vehicle as a Program Vehicle if such Lease Vehicle would then be required to be redesignated as a Non-Program Vehicle pursuant to Clause 2.5.1 (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) after designating such Lease Vehicle as a Program Vehicle.

2.5.4 Timing of Redesignations. With respect to any redesignation to be effected pursuant to Clause 2.5.1 (Mandatory Program Vehicle to Non-Program Vehicle Redesignations), such redesignation shall occur as of the first calendar day of the calendar month following the date on which the applicable event or condition described in Clause 2.5.1(ii) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) occurs. (ii) the amount of any such payment to be made by the Lessor on any such date shall be capped at and be paid from (and the obligation of the Lessor to make such payment on such date shall be limited to) the amount of funds available to the Lessor on such date; and

(iii) if any such payment from the Lessor is limited in amount pursuant to the foregoing paragraph (i) or (ii), the Lessor shall pay to such Lessee the funds available to the Lessor on such Payment Date and shall pay to such Lessee on each Payment Date thereafter the amount available to the Lessor until such Redesignation to Program Amount has been paid in full to such Lessee.

4.2 Monthly Base Rent
With respect to any Payment Date and any Lease Vehicle (other than a Lease Vehicle with respect to which the Disposition Date occurred during such Related Month), the "Monthly Base Rent" with respect to such Lease Vehicle for such Payment Date shall equal the pro rata portion (based upon the number of days in the Related Month with respect to such Payment Date that were included in the Vehicle Term for such Lease Vehicle) of the Depreciation Charge for such Lease Vehicle as of the last day of such Related Month calculated on a 30/360 day basis.

4.6 Casualty; Ineligible Vehicles

On the second day of each calendar month, each Lessee shall deliver to the Servicer a list containing each Lease Vehicle leased by such Lessee that suffered a Casualty or became an Ineligible Vehicle in the preceding calendar month (each such list, a "Monthly Casualty Report"). Each such delivery may be satisfied by the applicable Lessee posting such Monthly Casualty Report to a password-protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by e-mail, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee. (i) the Monthly Base Rent with respect to such Lease Vehicle as of such Payment Date; plus

(ii) the Pre-VLCD Program Vehicle Depreciation Amount with respect to such Lease Vehicle, if any; plus

(iii) if the Program Vehicle Depreciation Assumption True-Up Amount owing with respect to such Lease Vehicle as of such Payment Date is a positive number, then such Program Vehicle Depreciation Assumption True-Up Amount minus all amounts previously paid by the applicable Lessee in respect of such Program Vehicle Depreciation Assumption True-Up Amount; plus

4.8 Making of Payments

4.8.1 All payments hereunder shall be made by the applicable Lessee, or by the Servicer or one or more of its Affiliates on behalf of such Lessee, to, or for the account of, the Lessor in immediately available funds, without set-off, counterclaim or deduction of any kind, except as required under Clause 4.9.6.

4.8.4 In the event any Lessee fails to remit payment of any amount due under this Agreement on or before the Payment Date or when otherwise due and payable hereunder, the amount not paid will be considered delinquent and such Lessee shall pay default interest with respect thereto at a rate equal to (i) the effective interest rate payable by
Dutch FleetCo on any overdue amounts owed by Dutch FleetCo with respect to the Dutch Notes or (ii) if no such interest is payable by Dutch FleetCo, EURIBOR plus 1.0 per cent, during the period from the Payment Date on which such delinquent amount was payable until such delinquent amount (with accrued interest) is paid.

4.8.6 **Tax gross-up:**

(i) Each Lessee shall make all payments to be made by it under this Agreement without any Tax Deduction, unless a Tax Deduction is a Requirement of Law.

(ii) Each Lessee shall, promptly upon becoming aware that it is required to make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction), notify the Lessor and the Dutch Security Trustee accordingly.

(iii) If any Lessee is required by law to make a Tax Deduction, the amount of the payment due by such Lessee shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due to the payee if no Tax Deduction had been required.

(iv) If any Lessee is required to make a Tax Deduction, such Lessee shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(v) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, each Lessee shall deliver to the Lessor and the Dutch Security Trustee evidence reasonably satisfactory to the Lessor that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant Tax Authority.

Each Lessee agrees to possess, operate and maintain each Lease Vehicle leased to it in a manner consistent with how such Lessee would possess, operate and maintain such Vehicle were such Lessee the beneficial owner of such Lease Vehicle.

5.2.2 In addition to the foregoing, each Lessee may sublet Lease Vehicles to any of:

(i) any Person(s), so long as (i) the sublease of such Lease Vehicles satisfies the Non-Franchisee Third Party Sublease Contractual Criteria, (ii) the Lease Vehicles being subleased are being used in connection with such Person(s)’ business and (iii) the aggregate Net Book Value of the Lease Vehicles being subleased at any one time pursuant to this Clause 5.2.2(i) does not exceed 1 per cent of the aggregate Net Book Value of all Lease Vehicles being leased under this Agreement at such time;

of this Agreement and is subordinate in all respects to this Agreement, (ii) the Lease Vehicles being so subleased are being used in connection with such Affiliate’s business, including use by such Affiliate’s and its subsidiaries’ employees, directors, officers, agents, representatives and other business associates in their personal or professional capacities, provided that no amendments are made to:

(a) the registration of Dutch FleetCo in the RTL Register; and/or

(b) the registration of Dutch OpCo or, following the events set out in paragraph 5.1.5(ii) of Clause 5.1.5 (Registration of Vehicles) above, Dutch FleetCo in the RDW Register,

and (iii) the aggregate Net Book Value of the Lease Vehicles being subleased at any one time pursuant to this Clause 5.2.2(iv) does not exceed 1 per cent. of the aggregate Net Book Value of all Lease Vehicles being leased under this Agreement.

With respect to any Lease Vehicles subleased pursuant to this Clause 5.2.2 that meet the conditions of both the preceding paragraphs (i) and (ii), as of any date of determination, the Servicer will determine which such Lease Vehicles shall count towards the calculation of the percentage of aggregate Net Book Value in which of the preceding paragraph (i) or (ii) as of such date provided that, no such individual Lease Vehicle shall count towards the calculation of the percentage of aggregate Net Book Value with respect to both paragraphs (i) and (ii) as of such date.

On the first day of each calendar month, each Lessee shall deliver to the Servicer a list identifying each Lease Vehicle subleased by such Lessee pursuant to the preceding paragraph (i) or (ii) and the sublessee of each such Lease Vehicle, in each case, as of the last day of the immediately preceding calendar month, each of which deliveries may be satisfied by the applicable Lessee posting such list to a password-protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by email, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee.

On the first day of each calendar month, each Lessee shall deliver to the Servicer a list identifying each Lease Vehicle subleased by such Lessee pursuant to the preceding paragraphs (iii) and (iv) and the sublessee of each such Lease Vehicle, in each case, as of the last day of the immediately preceding calendar month, each of which deliveries will be satisfied by the Servicer having actual knowledge of each such subleased Lease Vehicle and the related sublessee to whom such Lease Vehicle was then being subleased.

The sublease of any Lease Vehicles permitted by this Clause 5 (Vehicle Operational Covenants) shall not release any Lessee from any obligations under this Agreement.

5.3 Non-Disturbance

With respect to any Lessee, so long as such Lessee satisfies its obligations hereunder, its quiet enjoyment, possession and use of the Lease Vehicles will not be disturbed during the Term subject, however, to Clause 6.2 (Servicer Functions with Respect to Lease Vehicle
Returns, Disposition and Invoicing), Clause 8.6 (Preservation of rights) and Clause 9 (Default and Remedies Therefor) hereof and except that the Lessor and the Dutch Security Trustee each retain the right, but not the duty, to inspect the Lease Vehicles leased by such Lessee without disturbing such Lessee’s business.

5.4 Manufacturer’s Warranties

If a Lease Vehicle is covered by a Manufacturer’s warranty, the Lessee, during the Vehicle Term for such Lease Vehicle, shall have the right to make any claims under such warranty that the Lessor could make.

5.5 Program Vehicle Condition Notices

Upon the occurrence of any event or condition with respect to any Lease Vehicle that is then designated as a Program Vehicle that would reasonably be expected to result in a redesignation of such Lease Vehicle pursuant to Clause 2.5.1(ii) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations), the Lessee of such Lease Vehicle shall notify the Lessor and the Servicer of such event or condition in the normal course of operations.

6 Servicer Functions and Compensation

6.2.6 Upon the occurrence of a Liquidation Event, the Servicer shall dispose of any Lease Vehicles in accordance with the instructions of the Lessor or the Dutch Security Trustee. To the extent the Servicer fails to so dispose of any such Lease Vehicles, the Lessor and the Dutch Security Trustee shall have the right to otherwise dispose of such Lease Vehicles.

6.2.7 In each case, in accordance with the Servicing Standard, the Servicer shall:

(i) designate (or redesignate, as the case may be) Dutch Vehicles on its computer systems as being leased hereunder;
(ii) direct payments due in connection with the Manufacturer Programs with respect to Program Vehicles to be deposited directly into the Dutch Collection Account;

Any permissive right of the Servicer contained in this Agreement shall not be construed as a duty.

6.3 Required Contractual Criteria

The Servicer shall, prior to the expiry of a Vehicle Purchasing Agreement to which Dutch FleetCo is a party, commence negotiations with the relevant Manufacturers and Dealers on behalf of Dutch FleetCo to renew such Vehicle Purchasing Agreement (where a renewal of the Vehicle Purchasing Agreement is sought) and in circumstances where entry into a Vehicle Purchasing Agreement with a new Manufacturer or Dealer is sought (subject to the conditions below), the Servicer shall negotiate the terms of such new Vehicle Purchasing Agreement on behalf of Dutch FleetCo, including, without limitation, the Required Contractual Criteria (or seeking a waiver from the Dutch Security Trustee in relation to any deviations from the Required Contractual Criteria, provided that the Dutch Security Trustee shall not under any circumstance grant a waiver in respect of a deviation from the substance of paragraphs 1.5 and 1.6 of the Required Contractual Criteria). The Dutch Security Trustee shall grant a waiver in respect of any deviation from paragraph 1.3 of the Required Contractual Criteria such that the bonus payments or other amounts described in paragraph 1.3 of the Required Contractual Criteria are to be payable to or for the account of Dutch FleetCo, provided that each of the following requirements is met:

In addition to the duties enumerated in Clause 6.2 (Servicer Functions with Respect to Lease Vehicle Returns, Disposition and Invoicing) and 6.3 (Required Contractual Criteria), the Servicer agrees to perform each of its obligations hereunder in accordance with the Servicing Standard, unless otherwise stated.

In addition, where necessary to enable the Servicer to deliver the services hereunder, for such purposes the Lessor authorises the Servicer to process personal data on behalf of the Lessor in accordance with this Clause 6.4. When the Servicer processes such personal data, the Servicer shall take appropriate technical and organisational measures designed to protect against unauthorised or unlawful processing or personal data and against accidental loss or destruction of, or damage to, personal data. In particular, the Servicer shall process personal...
data only for the purposes contemplated by this Agreement and shall act only on the instructions of the Lessor (given for such purposes) and shall comply at all times with the principles and provisions set out in the General Data Protection Regulation (EU) 2016/679 (and any subsequent amendments thereto) as if applicable to the Servicer directly and any other applicable laws. The Servicer shall answer the reasonable enquiries of the Lessor to enable the Lessor to monitor the Servicer’s compliance with this Clause 6.4 and the Servicer shall not sub-contract its processing of personal data without the prior written consent of the Lessor.

6.6.2 All payments required to be made by any party under this Agreement shall be calculated without reference to any set-off or counterclaim and shall be made free and clear of and without any deduction for or on account of any set-off or counterclaim, except that (i) any fees and expenses or other amounts due and payable by the Lessor to the Servicer shall be set off against (ii) any amount owed by the Servicer in such capacity (or as Lessee) to the Lessor at such time under this Agreement.

6.7 Sub-Servicers
The Servicer may delegate to any Person (each such delegatee, in such capacity, a “Sub-Servicer”) the performance of part (but not all) of the Servicer’s obligations as Servicer pursuant to this Agreement on the condition that:

6.7.1 the Servicer shall maintain up-to-date records of the Servicer’s obligations as Servicer which have been delegated to any Sub-Servicer, and such records shall contain the name and contact information of the Sub-Servicer;

6.7.2 in delegating any of its obligations as Servicer to a Sub-Servicer, the Servicer shall act as principal and not as an agent of the Lessor and shall use reasonable skill and care in choosing a Sub-Servicer;

6.7.3 the Servicer shall not be released or discharged from any liability under this Agreement, and no liability shall be diminished, and the Servicer shall remain primarily liable for the performance of all of the obligations of the Servicer under this Agreement;
6.7.4 the performance or non-performance and the manner of performance by any Sub-Servicer of any of the obligations of the Servicer as Servicer shall not affect the Servicer’s obligations under this Agreement;

6.7.5 any breach in the performance of the Servicer’s obligations as Servicer by a Sub-Servicer shall be treated as a breach of this Agreement by the Servicer, subject to the Servicer being entitled to remedy such breach for a period of 14 Business Days of the earlier of:

(i) the Servicer becoming aware of the breach; and

(ii) receipt by the Servicer of written notice from the Lessor or the Dutch Security Trustee requiring the same to be remedied; and

6.8.3 On each Business Day following the date hereof, the Servicer shall deliver or cause to be delivered to the Dutch Security Trustee a schedule listing all changes to the Servicer Records in respect of the foregoing Clauses 6.8.1 and 6.8.2 since the preceding Business Day (such schedule as delivered each Business Day, a “Servicer Report”), which delivery may be satisfied by the Servicer posting, or causing to be posted, such Servicer Report to a password-protected website made available to the Dutch Security Trustee and the Lessor or by any other reasonable means of electronic transmission (including, without limitation, email, file transfer protocol or otherwise).

The Servicer shall have no authority by virtue of this Agreement to act for or represent Dutch FleetCo as agent or otherwise, save in respect of those functions and duties which it is expressly authorised to perform and discharge by this Agreement and for the period during which this Agreement so authorises it to perform and discharge those functions and duties.

6.11 Resignation of Servicer

The Servicer may, by giving not less than 14 days’ written notice to Dutch FleetCo and the Dutch Security Trustee, resign as Servicer, provided that, other than where all amounts due and payable under the Dutch Facility Agreement are being repaid in full, a replacement Servicer satisfactory to Dutch FleetCo and the Dutch Security Trustee has been or will, simultaneously with the termination of the Servicer’s appointment under this Agreement, be appointed (it being understood that it is Dutch FleetCo’s obligation and not the Dutch Security Trustee’s obligation to negotiate and make such appointment).

Any one or more of the following will constitute an event of default (a “Lease Event of Default”) as that term is used herein:

9.1.1 there occurs a default in the payment of any Rent or other amount payable by any Lessee under this Agreement that continues for a period of five consecutive Business Days;

9.1.2 any unauthorised assignment or transfer of this Agreement by any Lessee occurs;

9.1.3 the failure of any Lessee to observe or perform any other covenant, condition, agreement or provision hereof, including, but not limited to, usage, and maintenance that in any such case has a Lease Material Adverse Effect, and such default continues for more than 30 consecutive days after the earlier of the date written notice thereof
is delivered by the Lessor or the Dutch Security Trustee to such Lessee or the date an Authorized Officer of such Lessee obtains actual knowledge thereof;

9.1.4 if (i) any representation or warranty made by any Lessee herein is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice or other writing furnished by or on behalf of any Lessee to the Lessor or the Dutch Security Trustee is false or misleading on the date as of which the facts therein set forth are stated or certified, (ii) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (iii) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be, shall not have been eliminated or otherwise cured for 30 consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the Dutch Security Trustee to the applicable Lessee and (y) the date an Authorized Officer of the applicable Lessee learns of such circumstance or condition;

For the avoidance of doubt, with respect to any Potential Lease Event of Default or Lease Event of Default, if the event or condition giving rise (directly or indirectly) to such Potential Lease Event of Default or Lease Event of Default, as applicable, ceases to be continuing (through cure, waiver or otherwise), then such Potential Lease Event of Default or Lease Event of Default, as applicable, will cease to exist and will be deemed to have been cured for every purpose under the Dutch Related Documents.

9.3 Rights of Lessor Upon Lease Event of Default

9.3.1 If a Lease Event of Default shall occur and be continuing, then the Lessor may proceed by appropriate court action or actions available to it under Dutch law to enforce performance by any Lessee of the applicable covenants and terms of this Agreement or to recover damages for the breach hereof calculated in accordance with Clause 9.5 (Measure of Damages).
9.3.2 If any Lease Event of Default set forth in Clause 9.1.1, 9.1.2, 9.1.5, 9.1.6 or 9.1.8 (Events of Default) shall occur and be continuing, then (i) the Lessor shall have the right to serve notice on the other parties hereto, a "Master Lease Termination Notice", and following service of such notice shall have the right (a) to terminate any Lessee’s rights of use and possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee, (b) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder, (c) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever and (d) to direct delivery by the Servicer of the ascription codes (tenaamstellingscode) for all or a portion of the Lease Vehicles and (ii) the Lessees, at the request of the Lessor or the Dutch Security Trustee acting on the Instructions of the Required Noteholders, shall return or cause to be returned all Lease Vehicles to the Lessor or the Dutch Security Trustee, as the case may be.

9.3.3 Each and every power and remedy hereby specifically given to the Lessor will be in addition to every other power and remedy hereby specifically given or now or hereafter available to it under Dutch law and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Lessor, provided, however, that the measure of damages recoverable against such Lessee will in any case be calculated in accordance with Clause 9.5 (Measure of Damages). All such powers and remedies will be cumulative, and the exercise of one will not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Lessor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder will impair any such power or remedy or will be construed to be a waiver of any default or any acquiescence therein, provided that, for the avoidance of doubt, any exercise of any such right or power shall remain subject to each condition expressly specified in any Related Document with respect to such exercise. Any extension of time for payment hereunder or other indulgence duly granted to any Lessee will not otherwise alter or affect the Lessor’s rights or the obligations hereunder of such Lessee. The Lessor’s acceptance of any payment after it will have become due hereunder will not be deemed to alter or affect the Lessor’s rights hereunder with respect to any subsequent payments or defaults therein.

9.4 Liquidation Event and Non-Performance of Certain Covenants

9.4.1 If a Liquidation Event shall have occurred and be continuing, the Dutch Security Trustee and the Issuer Security Trustee shall have the rights against each Lessee and the Dutch Collateral provided in the Dutch Security Trust Deed and Issuer Security Trust Deed, upon a Liquidation Event, including, in each case, the right to serve a Master Lease Termination Notice on the other parties hereto, following service of such notice shall have the right (i) to terminate any Lessee’s rights of possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee, (ii) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder, (iii) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease.
Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever and (iv) to direct delivery by the Servicer of the ascription codes (tenaamstellingscode) for all or a portion of the Lease Vehicles.

9.4.2 During the continuance of a Liquidation Event, the Servicer shall return any or all Lease Vehicles that are Program Vehicles to the related Manufacturers in accordance with the instructions of the Lessor. To the extent any Manufacturer fails to accept any such Program Vehicles under the terms of the applicable Manufacturer Program, the Lessor shall have the right to otherwise dispose of such Program Vehicles and to direct the Servicer to dispose of such Program Vehicles in accordance with its instructions.

9.4.3 Notwithstanding the exercise of any rights or remedies pursuant to this Clause 9.4, the Lessor will, nevertheless, have a right to recover from such Lessee any and all amounts (for the avoidance of doubt, as limited by Clause 9.5 (Measure of Damages)) as may be then due.

9.4.4 In addition, following the occurrence of a Liquidation Event, the Lessor shall have all of the rights, remedies, powers, privileges and claims vis-a-vis each Lessee, necessary or desirable to allow the Dutch Security Trustee to exercise the rights, remedies, powers, privileges and claims given to the Dutch Security Trustee pursuant to Clause 10.2 (Rights of the Dutch Security Trustee upon Amortization Event or Certain Other Events of Default) of the Dutch Facility Agreement, and each Lessee acknowledges that it has hereby granted to the Lessor all such rights, remedies, powers, privileges and claims granted by the Lessor to the Dutch Security Trustee pursuant to clause 10 of the Dutch Facility Agreement and that the Dutch Security Trustee may act in lieu of the Lessor in the exercise of all such rights, remedies, powers, privileges and claims.

9.4.5 The Dutch Security Trustee may only take possession of, or exercise any of the rights or remedies specified in this Agreement with respect to, such number of Lease Vehicles necessary to generate disposition proceeds in an aggregate amount sufficient to pay each Dutch Note with respect to which a Liquidation Event is then continuing as set forth in the Issuer Facility Agreement, taking into account the receipt of proceeds of all other vehicles being disposed of that have been pledged to secure such Dutch Note.

9.5 Measure of Damages

If a Lease Event of Default or Liquidation Event occurs and the Lessor or the Dutch Security Trustee exercises the remedies granted to the Lessor or the Dutch Security Trustee under Clause 8.6 (Preservation of rights), this Clause 9 (Default and Remedies Therefor) or Clause 10.2 of the Dutch Facility Agreement, the amount that the Lessor shall be permitted to recover from any Lessee as payment shall be equal to:

9.5.1 all Rent for each Lease Vehicle leased by such Lessee hereunder to the extent accrued and unpaid as of the earlier of the date of the return to the Lessor of such Lease Vehicle or disposition by the Servicer of such Lease Vehicle in accordance with the terms of this Agreement and all other payments payable under this Agreement by such Lessee, accrued and unpaid as of such date; plus
9.5.2 any reasonable out-of-pocket damages and expenses, including reasonable attorneys’ fees and expenses that the Lessor or the Dutch Security Trustee will have sustained by reason of such a Lease Event of Default or Liquidation Event, together with reasonable sums for such attorneys’ fees and such expenses as will be expended or incurred in the seizure, storage, rental or sale of the Lease Vehicles leased by such Lessee hereunder or in the enforcement of any right or privilege hereunder or in any consultation or action in such connection, in each case to the extent reasonably attributable to such Lessee; plus

9.5.3 interest from time to time on amounts due from such Lessee and unpaid under this Agreement at EURIBOR plus 1.0 per cent computed from the date of such a Lease Event of Default or Liquidation Event or the date payments were originally due to the Lessor by such Lessee under this Agreement or from the date of each expenditure by the Lessor or the Dutch Security Trustee, as applicable, that is recoverable from such Lessee pursuant to this Clause 9 (Default and Remedies Therefor), as applicable, to and including the date payments are made by such Lessee.

9.6 Servicer Default

Any of the following events will constitute a default of the Servicer (a "Servicer Default") as that term is used herein:

9.6.1 the failure of the Servicer to comply with or perform any provision of this Agreement or any other Related Document that has a Lease Material Adverse Effect with respect to the Servicer, the Lessor or any Lessee, and such default continues for more than 30 consecutive days after the earlier of the date written notice is delivered by the Lessor or the Dutch Security Trustee to the Servicer or the date an Authorized Officer of the Servicer obtains actual knowledge thereof;

9.6.2 an Event of Bankruptcy occurs with respect to the Servicer;

9.6.3 the failure of the Servicer to make any payment when due from it hereunder or under any of the other Dutch Related Documents or to deposit any Dutch Collections received by it into the Dutch Transaction Account when required under the Dutch Related Documents and, in each case, such failure continues for five consecutive Business Days after the earlier of (a) the date written notice is delivered by the Lessor or the Dutch Security Trustee to the Servicer or (b) the date an Authorized Officer of the Servicer obtains actual knowledge thereof, except to the extent that failure to remain in such compliance would not reasonably be expected to result in a Lease Material Adverse Effect with respect to the Lessor; or

9.6.4 if (I) any representation or warranty made by the Servicer relating to the Dutch Collateral in any Dutch Related Document is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice or other writing relating to the Dutch Collateral furnished by or on behalf of the Servicer to the Lessor or the Dutch Security Trustee pursuant to any Dutch Related Document is false or misleading on the date as of which the facts therein set forth are stated or certified, (II) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (III) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be,
shall not have been eliminated or otherwise cured for at least 30 consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the Dutch Security Trustee to the Servicer and (y) the date an Authorized Officer of the Servicer obtains actual knowledge of such circumstance or condition.

In the event of a Servicer Default, the Lessor or the Dutch Security Trustee, in each case acting pursuant to Clause 9.23(d) (Servicer Default) of the Dutch Facility Agreement, shall have the right to replace the Servicer as servicer.

For the avoidance of doubt, with respect to any Servicer Default, if the event or condition giving rise (directly or indirectly) to such Servicer Default ceases to be continuing (through cure, waiver or otherwise), then such Servicer Default will cease to exist and will be deemed to have been cured for every purpose under the Dutch Related Documents.

9.7 **Application of Proceeds**

The proceeds of any sale or other disposition pursuant to Clause 9.2 (Effect of Lease Event of Default) or Clause 9.3 (Rights of Lessor Upon Lease Event of Default) shall be applied by the Lessor in accordance with the terms of the Dutch Related Documents.

10 **Certification of Trade or Business Use**

Each Lessee hereby warrants and certifies that it intends to use the Lease Vehicles that are subject to this Agreement in connection with its trade or business.

11 [Reserved]

12 **Additional Lessees**

Subject to the prior consent of Dutch FleetCo (such consent not to be unreasonably withheld or delayed) any Affiliate of Dutch OpCo that was incorporated under the laws of The Netherlands (each a "Permitted Lessee") shall have the right to become a Lessee under and pursuant to the terms of this Agreement by complying with the provisions of this Clause 12 provided that the Lessor shall provide its consent to such Permitted Lessee becoming a Lessee pursuant to the terms of this Clause 12 provided further that (i) the Lessor may not unreasonably withhold or delay the giving of such consent and (ii) the Lessor shall be deemed to have given such consent if it fails to give written notification of its refusal to provide such consent within five Business Days of any request for such consent from Dutch OpCo or any other Party). If a Permitted Lessee desires to become a Lessee under this Agreement, then such Permitted Lessee shall execute (if appropriate) and deliver to the Lessor and the Dutch Security Trustee:

12.2 the articles of association for such Permitted Lessee, together with a recent extract from the Trade Register of the Dutch Chamber of Commerce relating to such Permitted Lessee, duly certified by an Authorized Officer of such Permitted Lessee;

12.5 an Officer’s Certificate stating that such joinder by such Permitted Lessee complies with this Clause 12 and an opinion of counsel, which may be based on an Officer’s Certificate and is subject to customary exceptions and qualifications (including, without limitation any insolvency laws, stating that (a) all conditions precedent set forth in this Clause 12 relating to such joinder by such Permitted Lessee have been complied with and (b) upon the due authorisation, execution and delivery of such Affiliate Joinder in Lease by the parties thereto, such Affiliate Joinder in Lease will be enforceable against such Permitted Lessee; and

12.6 any additional documentation that the Lessor or the Dutch Security Trustee may reasonably require to evidence the assumption by such Permitted Lessee of the obligations and liabilities set forth in this Agreement.

Upon satisfaction of the foregoing conditions and receipt by such Permitted Lessee of the applicable Affiliate Joinder in Lease executed by the Lessor and provided that each Committed Note Purchaser and Conduit Investor has provided prior written consent to such Permitted Lessee becoming a Lessee hereunder, such Permitted Lessee shall for all purposes be deemed to be a Lessee for the purposes of this Agreement and shall be entitled to the benefits and subject to the liabilities and obligations of a Lessee hereunder.

13 Value Added Tax and Stamp Taxes

13.1 Sums Payable Exclusive of VAT
All sums or other consideration set out in this Agreement or otherwise payable or provided by any party to any other party pursuant to this Agreement shall be deemed to be exclusive of any VAT which is or becomes chargeable (if any) on any supply or supplies for which sums or other consideration (or any part thereof) are the whole or part of the consideration for VAT purposes.

13.2 Payment of Amounts in Respect of VAT
Where, pursuant to the terms of this Agreement, any party (the “Supplier”) makes a supply to any other party (the “Recipient”) hereto for VAT purposes and VAT is or becomes chargeable on such supply (being VAT for which the Supplier is required to account to the relevant Tax Authority):

13.2.1 where the Supplier is the Lessee, the Recipient shall, following receipt from the Supplier of a valid VAT invoice in respect of such supply, pay to the Supplier (in addition to any other consideration for such supply) a sum equal to the amount of such VAT; and

13.2.2 where the Supplier is the Lessor, the Recipient shall pay to the Supplier (in addition to and at the same time as paying any other consideration for such supply) a sum equal to the amount of such VAT, and the Supplier shall, following receipt of such sum
and (unless otherwise required pursuant to any Requirement of Law) not before, provide the Recipient with a valid VAT invoice in respect of such supply.

13.3 Cost and Expenses

References in this Agreement to any fee, cost, loss, disbursement, commission, damages, expense, charge or other liability incurred by any party to this Agreement and in respect of which such party is to be reimbursed or indemnified by any other party under the terms of, or the amount of which is to be taken into account in any calculation or computation set out in, this Agreement shall include such part of such fee, cost, loss, disbursement, commission, damages, expense, charge or other liability as represents any VAT, but only to the extent that such first party is not entitled to a refund (by way of a credit or repayment) in respect of such VAT from any relevant Tax Authority.

14 Security and Assignments

14.1 Rights of Lessor Pledged to Trustee

Each Lessee acknowledges that the Lessor has pledged or will pledge all of its rights under this Agreement to the Dutch Security Trustee pursuant to the Dutch Security Documents. Accordingly, each Lessee agrees that:

14.1.1 upon the occurrence of a Lease Event of Default or Liquidation Event, the Dutch Security Trustee may exercise (for and on behalf of the Lessor) any right or remedy against such Lessee provided for herein and such Lessee will not interpose as a defence that such claim should have been asserted by the Lessor;

14.1.2 upon the delivery by the Dutch Security Trustee of any notice to such Lessee stating that a Lease Event of Default or a Liquidation Event has occurred, such Lessee will, if so requested by the Dutch Security Trustee, comply with all obligations under this Agreement that are asserted by the Dutch Security Trustee, as the Lessor hereunder, irrespective of whether such Lessee has received any such notice from the Lessor; and

14.1.3 such Lessee acknowledges that, pursuant to this Agreement, it has agreed to make all payments of Rent hereunder (and any other payments hereunder) directly to the Dutch Security Trustee for deposit in the Dutch Transaction Account.

14.2 Right of the Lessor to Assign or Transfer its rights or obligations under this Agreement

The Lessor shall have the right to finance the acquisition and ownership of Lease Vehicles under this Agreement by, without limitation, selling, assigning or transferring any of its rights and/or obligations under this Agreement to the Issuer Security Trustee for the benefit of the Noteholders, provided, however, that any such sale, assignment or transfer shall be subject to the rights and interest of the Lessees in the Lease Vehicles, including, but not limited to, the Lessees’ right of quiet and peaceful possession of such Lease Vehicles as set forth in Clause 5.3 (Non-Disturbance) hereof, and under this Agreement.

14.3 Limitations on the Right of the Lessees to Assign or Transfer their rights or obligations under this Agreement
No Lessee shall assign or transfer or purport to assign or transfer any right or obligation under this Agreement to any other party.

14.4 Security
The Lessor may grant security interests in the Lease Vehicles leased by any Lessee hereunder without consent of any Lessee. Except for Permitted Security, each Lessee shall keep all Lease Vehicles free of all Security arising during the Term. If on the Vehicle Lease Expiration Date for any Lease Vehicle, there is Security on such Lease Vehicle, the Lessor may, in its discretion, remove such Security and any sum of money that may be paid by the Lessor in release or discharge thereof, including reasonable attorneys’ fees and costs, will be paid by the Lessee of such Lease Vehicle upon demand by the Lessor.

15 Non-Liability of Lessor
As between the Lessor and each Lessee, acceptance for lease of each Lease Vehicle pursuant to Clause 2.1.5 (Lease Vehicle Acceptance or Non-conforming Lease Vehicle Rejection) shall constitute such Lessee’s acknowledgment and agreement that such Lessee has fully inspected such Lease Vehicle, that such Lease Vehicle is in good order and condition and is of the manufacture, design, specifications and capacity selected by such Lessee and that such Lessee is satisfied that the same is suitable for this use. Each Lessee acknowledges that the Lessor is not a Manufacturer or agent thereof or primarily engaged in the sale or distribution of Lease Vehicles. Each Lessee acknowledges that the Lessor makes no representation, warranty or covenant, express or implied in any such case, as to the fitness, safeness, design, merchantability, condition, quality, durability, suitability, capacity or workmanship of the Lease Vehicles in any respect or in connection with or for any purposes or uses of any Lessee and makes no representation, warranty or covenant, express or implied in any such case, that the Lease Vehicles will satisfy the requirements of any law or any contract specification, and as between the Lessor and each Lessee, such Lessee agrees to bear all such risks at its sole cost and expense. Each Lessee specifically waives all rights to make claims against the Lessor and any Lease Vehicle for breach of any warranty of any kind whatsoever, and each Lessee leases each Lease Vehicle “as is”. Upon the Lessor’s acquisition of any Lease Vehicle identified in a request from any Lessee pursuant to Clause 2.1.4, the Lessor shall in no way be liable for any direct or indirect damages or inconvenience resulting from any defect in or loss, theft, damage or destruction of any Lease Vehicle or of the cargo or contents thereof or the time consumed in recovery repairing, adjusting, servicing or replacing the same and there shall be no abatement or apportionment of rental at such time. The Lessor shall not be liable for any failure to perform any provision hereof resulting from fire or other casualty, natural disaster, riot or other civil unrest, war, terrorism, strike or other labour difficulty, governmental regulation or restriction, or any cause beyond the Lessor’s direct control. In no event shall the Lessor be liable for any inconveniences, loss of profits or any other special, incidental, or consequential damages, whatsoever or howsoever caused (including resulting from any defect in or any theft, damage, loss or failure of any Lease Vehicle).

The Lessor shall not be responsible for any liabilities (including any loss of profit) arising from any delay in the delivery of, or failure to deliver, any Lease Vehicle to any Lessee.

16 Non-Petition and No Recourse
16.1 **Non-Petition**

Notwithstanding anything to the contrary in this Agreement or any Dutch Related Document, only the Dutch Security Trustee may pursue the remedies available under the general law or under the Dutch Security Trust Deed to enforce this Agreement, the Dutch Security or a Dutch Note and no other Person shall be entitled to proceed directly against Dutch FleetCo in respect hereof (unless the Dutch Security Trustee, having become bound to proceed in accordance with the terms of the Dutch Related Documents, fails or neglects to do so). Each party to this Agreement hereby agrees with and acknowledges to each of Dutch FleetCo and the Dutch Security Trustee until the date falling one year and one day after the Legal Final Payment Date that:

16.1.1 it shall not have the right to take or join any person in taking any steps against Dutch FleetCo for the purpose of obtaining payment of any amount due from Dutch FleetCo (other than serving a written demand subject to the terms of the Dutch Security Trust Deed); and

16.1.2 neither it nor any Person on its behalf shall initiate or join any person in initiating an Event of Bankruptcy or the appointment of any Insolvency Official in relation to Dutch FleetCo, provided that the Dutch Security Trustee shall have the right to take any action pursuant to and in accordance with the relevant Dutch Related Documents and Dutch Security Documents.

The provisions of this Clause 16.1 shall survive the termination of this Agreement.

16.2 **No Recourse**

Each party to this Agreement agrees with and acknowledges to each of Dutch FleetCo and the Dutch Security Trustee that, notwithstanding any other provision of any Dutch Related Document, all obligations of Dutch FleetCo to such entity are limited in recourse as set out below:

16.2.1 sums payable to it in respect of any of Dutch FleetCo’s obligations to it shall be limited to the lesser of (i) the aggregate amount of all sums due and payable to it and (ii) the aggregate amounts received, realised or otherwise recovered by or for the account of the Dutch Security Trustee in respect of the Dutch Security, whether pursuant to enforcement of the Dutch Security or otherwise; and

16.2.2 upon the Dutch Security Trustee giving written notice that it has determined in its sole opinion that there is no reasonable likelihood of there being any further realisations in respect of the Dutch Security (whether arising from an enforcement of the Dutch Security or otherwise) which would be available to pay unpaid amounts outstanding under the relevant Dutch Related Documents, it shall have no further claim against Dutch FleetCo in respect of any such unpaid amounts and such unpaid amounts shall be discharged in full.

The provisions of this Clause 16.2 shall survive the termination of this Agreement.

17 **Submission to Jurisdiction**
17.1 The parties agree that the courts of Amsterdam have exclusive jurisdiction to settle any Dispute arising out of or in connection with this Agreement and therefore irrevocably submit to the jurisdiction of those courts.

17.2 The parties agree that the courts of Amsterdam are an appropriate and convenient forum to settle Disputes between them and, accordingly, the parties will not argue to the contrary.

18 **Governing Law**

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by Dutch law.

19 **Notices**

Unless otherwise specified herein, all notices, communications, requests, instructions and demands by any Party hereto to another shall be delivered in accordance with the provisions of clause 3 of the Master Definitions and Construction Agreement and clause 23 (Notices) of the Dutch Security Trust Deed.

20 **Entire Agreement**

This Agreement and the other agreements specifically referenced herein constitute the entire agreement among the parties hereto and supersede any prior understandings, agreements, or representations by or among the parties hereto, written or oral, to the extent they relate in any way to the subject matter hereof. This Agreement, together with the Manufacturer Programs, the Lease Vehicle Acquisition Schedules, the Intra-Lease Lessee Transfer Schedules and any other related documents attached to this Agreement (including, for the avoidance of doubt, all related joinders, exhibits, annexes, schedules, attachments and appendices), in each case solely to the extent to which such Manufacturer Programs, schedules and documents relate to Lease Vehicles, will constitute the entire agreement regarding the leasing of Lease Vehicles by the Lessor to each Lessee.

21 **Modification and Severability**

The terms of this Agreement will not be waived, altered, modified, amended, supplemented or terminated in any manner whatsoever unless the same shall be in writing and signed and delivered by the Lessor, the Servicer, the Dutch Security Trustee and each Lessee, subject to any restrictions on such waivers, alterations, modifications, amendments, supplements or terminations set forth in the Dutch Facility Agreement. If any part of this Agreement is not valid or enforceable according to law, all other parts will remain enforceable. For the avoidance of doubt, the execution and/or delivery of and/or performance under any Affiliate Joinder in Lease, Lease Vehicle Acquisition Schedule or Intra-Lease Lessee Transfer Schedule shall not constitute a waiver, alteration, modification, supplement or termination to or of this Agreement.

22 **Survivability**

In the event that, during the term of this Agreement, any Lessee becomes liable for the payment or reimbursement of any obligations, claims or taxes pursuant to any provision hereof, such
liability will continue, notwithstanding the expiration or termination of this Agreement, until all such amounts are paid or reimbursed by or on behalf of such Lessee.

23 [Reserved]

24 Counterparts

This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute one and the same Agreement.

25 Electronic Execution

This Agreement (including, for the avoidance of doubt, any joinder, schedule, annex, exhibit or other attachment hereto) may be transmitted and/or signed by facsimile or other electronic means (i.e., a "pdf" or "tif"). The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each party hereto. The words "execution", "signed", "signature" and words of like import in this Agreement (including, for the avoidance of doubt, any joinder, schedule, annex, exhibit or other attachment hereto) or in any amendment or other modification hereof (including, without limitation, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be.

26 Lessee Termination and Resignation

With respect to any Lessee except for Dutch OpCo, upon such Lessee (the "Resigning Lessee") delivering irrevocable written notice to the Lessor, the Servicer and the Dutch Security Trustee that such Resigning Lessee desires to resign its role as a Lessee hereunder (such notice, substantially in the form attached as Exhibit A hereto, a "Lessee Resignation Notice"), such Resigning Lessee shall immediately cease to be a Lessee hereunder, and, upon such occurrence, event or condition, the Lessor, the Servicer and the Dutch Security Trustee shall be deemed to have released, waived, remised, acquitted and discharged such Resigning Lessee and such Resigning Lessee’s directors, officers, employees, managers, shareholders and members of and from any and all claims, expenses, damages, costs and liabilities arising or accruing in relation to such Resigning Lessee on or after the delivery of such Lessee Resignation Notice to the Lessor, the Servicer and the Dutch Security Trustee (the time of such delivery, the "Lessee Resignation Notice Effective Date"); provided that, as a condition to such release and discharge, the Resigning Lessee shall pay to the Lessor all payments due and payable with respect to each Lease Vehicle leased by the Resigning Lessee hereunder, including without limitation any payment listed under Clause 4.8 (Payments), as applicable to each such Lease Vehicle, as of the Lessee Resignation Notice Effective Date; provided further that, the Resigning Lessee shall return or reallocate all Lease Vehicles at the direction of the Servicer in accordance with Clause 2.4 (Return); provided further that, with respect to any Resigning Lessee, such Resigning Lessee shall not be released or otherwise relieved under this Clause 26 from any claim, expense, damage, cost
or liability arising or accruing prior to the Lessee Resignation Notice Effective Date with respect to such Resigning Transferor.

27  Third-Party Rights

This Agreement is made for the benefit of the Issuer Security Trustee (and the Noteholders and their assigns) for no consideration pursuant to Section 6:253 (4) of the Dutch Civil Code. A Person (other than the Issuer Security Trustee (and the Noteholders and their assigns)) who is not a party to this Agreement has no right under article 6:253 of the Dutch Civil Code to enforce or to enjoy the benefit of any term of this Agreement. By countersigning this Agreement, the Issuer Security Trustee for itself and acting on behalf of the Noteholders and their assigns accepts the third-party stipulation contained in this Clause 27.

28  Time of the Essence

Subject to any grace periods provided hereunder, time shall be of the essence of this Agreement as regards any time, date or period, whether as originally agreed or altered by agreement between all the parties (and, where required, with consent) or in any other manner provided in this Agreement, for the performance by each Lessee of its obligations under this Agreement.

29  Governing Language

This Agreement is in the English language. If this Agreement is translated into another language, the English text prevails, save that words in Dutch used in this Agreement and having specific legal meaning under Dutch law will prevail over the English translation.

31  Rescission or Nullification of this Agreement

Each Lessee irrevocably waives any right under any applicable law to rescind (ontbinden) or nullify (vernietigen) this Agreement in whole or in part and any right to suspend (opschorten) any obligation under this Agreement.

The Insurer undertakes to each Insured that this Policy will not be invalidated as regards the rights and interests of each such Insured and that the Insurer will not seek to avoid or deny any liability under this Policy because of any act or omission of any other Insured which has the effect of making this Policy void or voidable and/or entitles the Insurer to refuse indemnity in whole or in any material part in respect of any claims under this Policy as against such other Insured. 1 Provisions to be applied to all Vehicle Purchasing Agreements to be entered into by Dutch Fleetco

Each Vehicle Purchasing Agreement will in substance satisfy the following contractual requirements:

1.1 Parties

Vehicle Purchasing Agreements to which Dutch FleetCo is a party may include contractual terms permitting the accession of Dutch OpCo (or another Affiliate of The Hertz Corporation other than Dutch FleetCo) as an additional purchaser/seller.

If any Vehicle Purchasing Agreement provides that Dutch OpCo (or any other Affiliate of The Hertz Corporation other than Dutch FleetCo) may purchase/sell Vehicles in accordance with the terms of such Vehicle Purchasing Agreement, the obligations of Dutch FleetCo and Dutch OpCo (or other Affiliate of The Hertz Corporation other than Dutch FleetCo, as applicable) under that Vehicle Purchasing Agreement will in all cases need to be several, and provide that Dutch FleetCo will not have any liability for the obligations of Dutch OpCo (or such other Affiliate of The Hertz Corporation, as applicable).

Alternatively, existing Vehicle Purchasing Agreements to which Dutch OpCo (or other Affiliate of The Hertz Corporation other than Dutch FleetCo) is a party may be amended to provide that Dutch FleetCo may accede to such Vehicle Purchasing Agreements (satisfying the Dutch Required Contractual Criteria) and that Dutch FleetCo will not have any liability for the obligations of Dutch OpCo (or other Affiliate of The Hertz Corporation).

1.2 Separate obligations

Each Vehicle Purchasing Agreement will satisfy the following criteria:

(a) Dutch FleetCo shall not under any circumstances have any liability for the obligations of Dutch OpCo (in its capacity as guarantor, purchaser of vehicles or otherwise) thereunder; and

(b) to the extent that Dutch OpCo (or any other Affiliate of The Hertz Corporation other than Dutch FleetCo) enters into or is a party to any other Vehicle Purchasing Agreements with the same Manufacturer/Dealer (each such Vehicle Purchasing Agreement to which Dutch OpCo or other Affiliate of The Hertz Corporation other than Dutch FleetCo is a party being a “Dutch OpCo Specific Agreement”), Dutch FleetCo shall not under any circumstances have any liability for the obligations of Dutch OpCo (or such other Affiliate of The Hertz Corporation, as the case may be) under such Dutch OpCo Specific Agreement.

1.3 Volume rebates etc.

A Vehicle Purchasing Agreement may provide that any bonus payment or other amount (howsoever described) payable or to be made available by a Manufacturer/Dealer as a result of Dutch FleetCo (or Dutch FleetCo and/or Dutch OpCo (and/or any other relevant Affiliate of The Hertz Corporation) under such Vehicle Purchasing Agreement and/or any Dutch OpCo
Specific Agreement, as applicable) meeting any minimum vehicle purchase level in that relevant year, be payable to or for the account of Dutch OpCo (rather than Dutch FleetCo). For the avoidance of doubt, Dutch FleetCo may however take the benefit of reductions applied to purchase prices applicable to vehicles as a result of any such minimum vehicle purchase levels being reached.

Notwithstanding the foregoing where a Vehicle Purchasing Agreement provides that in the event that any minimum vehicle purchase level in the relevant year is not met:

(a) any bonus, payment, benefit or reductions applied to purchase prices on Vehicles purchased by Dutch FleetCo or other amount (howsoever described) is recoverable by or repayable to a Manufacturer/Dealer; or

(b) any penalty or other amount (howsoever described) is payable to such Manufacturer/Dealer,

such Vehicle Purchasing Agreement shall provide that, in each case, such amounts will only be reclaimed from, payable by or otherwise recoverable from Dutch OpCo or another Affiliate of The Hertz Corporation other than Dutch FleetCo.

1.4 Confidentiality and public disclosure of terms of Vehicle Purchasing

Each Vehicle Purchasing Agreement will need to be disclosed to the Dutch Security Trustee and possibly other providers of credit or liquidity enhancement to the Transaction.

1.5 Non-petition

Each Vehicle Purchasing Agreement will contain an irrevocable and unconditional covenant or undertaking given by the relevant Manufacturer/Dealer that such Manufacturer/Dealer shall not be entitled and shall not initiate or take any step in connection with:

(a) liquidation, bankruptcy or insolvency (or any similar or analogous proceedings or circumstances) of Dutch FleetCo; or

(b) the appointment of an insolvency officer in relation to Dutch FleetCo or any of its assets whatsoever,

provided that, to the extent that a Vehicle Purchasing Agreement provides that such covenant or undertaking will terminate upon a given date, such date shall be no earlier than the date falling one year and one day after the Legal Final Payment Date.

1.6 Limited recourse

Each Vehicle Purchasing Agreement will contain an irrevocable covenant or undertaking given by the relevant Manufacturer/Dealer that such Manufacturer/Dealer shall not be entitled to, and shall not, initiate or take any step in connection with the commencement of legal proceedings (howsoever described) to recover any amount owed to it by Dutch FleetCo under the relevant Vehicle Purchasing Agreement; this covenant will be unconditional except that the relevant Manufacturer/Dealer may commence legal proceedings to the extent that the only relief sought against Dutch FleetCo pursuant to such proceedings is the re-possession of relevant Vehicle(s) pursuant to applicable retention of title provisions provided for under the relevant Vehicle Purchasing Agreement, provided that, to the extent that a Vehicle Purchasing Agreement provides that such covenant or undertaking will terminate upon a given
date, such date shall be no earlier than the date falling one year and one day after the Legal Final Payment Date.

2 Provisions to be applied to all Manufacturer Programs to be entered into by a FleetCo

Each Manufacturer Program will in substance satisfy the following additional contractual requirements:

2.1 Assignment and transfers

Each Manufacturer Program will contain terms that permit Dutch FleetCo to assign by way of security or pledge any of its rights under such agreement to the Dutch Security Trustee. Any such right to grant security to the relevant Dutch Security Trustee must be unrestricted. Unless pursuant to an Intra-Group Transfer (as defined below) by a Manufacturer (which shall not require consent from Dutch FleetCo), each Manufacturer Program will provide that the Manufacturer/Dealer may not assign, transfer or novate its obligations under such agreement without the prior written consent of Dutch FleetCo. Dutch FleetCo shall not provide such consent unless the Manufacturer/Dealer enters into a guarantee materially in the form set out in Schedule 4 (Draft Transfer and Joint and Several Liability Language to be included in Pro Forma Manufacturer Program) or accepts joint and several liability in respect of the transferred obligations substantially on the terms set out in Schedule 4 (Draft Transfer and Joint and Several Liability Language to be included in Pro Forma Manufacturer Program). For the purposes hereof, an “Intra-Group Transfer” means an assignment, transfer or novation by a Manufacturer of its obligations under a Manufacturer Program to an Affiliate of such Manufacturer which would satisfy the definition of “Investment Grade Manufacturer” upon such Affiliate becoming a Manufacturer. For the avoidance of doubt, Manufacturers /Dealers may assign their rights under Manufacturer Programs without the prior written consent of Dutch FleetCo.

2.2 Set-off

Each Manufacturer Program will provide that the Manufacturer/Dealer expressly waives (to the extent that it is able to do so under applicable law) any right that it would otherwise have under such Manufacturer Program or under applicable law to set off (i) any amount of unpaid purchase price owed to such Manufacturer/Dealer by Dutch FleetCo in relation to Vehicles ordered by (but not delivered to) Dutch FleetCo by such Manufacturer/Dealer under that Manufacturer Program, against (ii) amounts owed by the Manufacturer/Dealer to Dutch FleetCo under such Manufacturer Program, provided that each Vehicle Purchasing Agreement entered into or renewed on or after the Closing Date will provide that the Manufacturer/Dealer expressly waives (to the extent that it is able to do so under applicable law) any right that it would otherwise have under such Vehicle Purchasing Agreement or under applicable law to set off (i) any amount of unpaid purchase price owed to such Manufacturer/Dealer by Dutch FleetCo under that Vehicle Purchasing Agreement, against (ii) amounts owed by the Manufacturer/Dealer to Dutch FleetCo under that Manufacturer Program or any other Vehicle Purchasing Agreement. Save and except in relation to any Manufacturer Program with Daimler AG, and/or any of their respective Affiliates or successors or any corporation into which such entities may be merged or converted or with which they may be consolidated or any corporation resulting from any merger, conversion or consolidation of such entities (“Daimler Entities”) or any Dealers or agents (or Affiliates or successors thereof) selling

53
Vehicles manufactured or purchased from the Daimler Entities if such Manufacturer Program does not provide for waiver of set-off in accordance with this paragraph, in which case such amounts may be reclaimed from, payable by, or otherwise recoverable from Dutch FleetCo.

Notwithstanding the foregoing, the Manufacturer/Dealers will be entitled to set off any amount owed by Dutch FleetCo in respect of turn-back related damages against any amount of Repurchase Price owed by it to Dutch FleetCo. The Servicer shall use reasonable efforts to procure that each Manufacturer Program will provide that the Manufacturer/Dealer expressly waives all rights to set-off (however arising) any amount:

(a) owed to it by Dutch OpCo under such Manufacturer Program; or
(b) owed to it by Dutch OpCo (or any other Affiliate of The Hertz Corporation other than Dutch FleetCo) under any other agreement (including any Dutch OpCo Specific Agreement),

in any such case against amounts owed by the Manufacturer/Dealer to Dutch FleetCo under the relevant Manufacturer Program.

2.3 Manufacturer's/Dealer's obligations to be ‘unconditional’

No Manufacturer Program may contain terms that provide that the Repurchase Obligations of the Manufacturer/Dealer are conditional in any respect other than, in relation to (a) a force majeure event or (b) compliance with applicable turn-back procedures (including any Program Minimum Term or Program Maximum Term) and/or (c) turn-back standards in relation to the condition of the relevant Vehicle. For the avoidance of doubt, no Manufacturer Program may provide that the obligations of the Manufacturer/Dealer thereunder are conditional upon:

(a) any minimum number of Vehicles being purchased: (i) by Dutch FleetCo under such Manufacturer Program; and/or (ii) by Dutch OpCo or any other Person under such Manufacturer Program or any Dutch OpCo Specific Agreement; or
(b) the solvency of Dutch FleetCo; or
(c) the solvency of any other Affiliate of The Hertz Corporation other than Dutch FleetCo.

2.4 Termination provisions

To the extent that a Manufacturer/Dealer requires express termination provisions to be included in any Manufacturer Program, such Manufacturer Program may provide that a Manufacturer/Dealer is entitled (upon expiry of a predetermined notice period or otherwise) to terminate such agreement before its scheduled expiry date upon the occurrence of certain events (e.g. liquidation, bankruptcy, insolvency, failure to pay, late payment, partial payment, breach or serious breach of obligations, or any similar or analogous events); provided always that the Manufacturer/Dealer shall not under any circumstances have the right to terminate its obligations (subject to and in accordance with any eligibility criteria and Program Minimum Term or Program Maximum Term) to repurchase (or, if applicable to perform its guaranteed obligations thereunder) in respect of any Vehicle shipped to Dutch FleetCo or its order prior to the termination of such Manufacturer Program.

1 For these purposes, a "force majeure event" will be constituted by any event which (a) was not foreseen by the parties, (b) is outside their control and could not have been avoided by taking due care or by compliance in all material respects with obligations under the VPA and (c) prevents performance of the obligations of one or more parties under the contract.
2.5 Retention of title in favour of Dutch FleetCo

The Manufacturer Program entered into with the Top Two Non-Investment Grade Manufacturers will, where credit terms are made available to the relevant Manufacturer/Dealer (in relation to the payment by it of applicable repurchase prices for Vehicles) provide that title to the relevant Vehicle will remain with Dutch FleetCo until the sale proceeds are received by Dutch FleetCo. In practice, Dutch FleetCo may return the registration documents for a Vehicle when it is turned back to such Top Two Non-Investment Grade Manufacturers.
Schedule 4
Draft Transfer and Joint and Several Liability Language to be included in Pro Forma Manufacturer Program

This should be included in each relevant pro forma Manufacturer Program and should be adapted to the relevant Manufacturer Program. This language should only be used where the Existing Supplier agrees to be jointly and severally liable with the New Supplier. Local counsel should be consulted to ensure that it is duly executed and complies with the applicable law.

1 Transfers by the Supplier

The Supplier (the “Existing Supplier”) may transfer by means of take-over of contract (contractsoverneming) (the “Transfer”) to another entity which has all consents and approvals required in order to perform its obligations under this Agreement (the “New Supplier”) all of its rights and obligations with regard to all or any of the vehicles the subject of this Agreement as shall be specified (the “Relevant Vehicles”).

2 Conditions of transfer

A Transfer will not be effective unless FleetCo receives in compliance with paragraph 3 (Procedure for transfer) and at least two Business Days before the date on which the Transfer is intended to take effect (the “Transfer Date”):

(a) notification from the Existing Supplier of the name and contact details of the New Supplier;
(b) acknowledgment from the New Supplier of its agreement to be bound by the terms of this Agreement, including, without limitation, the Required Contractual Criteria;
(c) acknowledgment that in no event will Dutch FleetCo be required to deliver any Relevant Vehicle to the New Supplier or its agent outside The Netherlands;
(d) a duly completed and executed acknowledgment of joint and several liability substantially in the form set out in Annex 2 (the “Acknowledgment”) from the Existing Supplier and the New Supplier.

3 Procedure for transfer

(a) Subject to conditions set out in paragraph 2 (Conditions of transfer), a Transfer shall be effected in accordance with paragraph (b) below not less than two Business Days following receipt by FleetCo of a duly completed transfer certificate substantially in the form set out in Annex 1 (the “Transfer Certificate”) delivered to it by the Existing Supplier and the New Supplier.

(b) On the Transfer Date:

(i) to the extent that in the Transfer Certificate the Existing Supplier seeks to transfer its rights and obligations under this Agreement in respect of the Relevant Vehicles, each of FleetCo and the Existing Supplier shall be released from further obligations towards one another in respect of the Relevant Vehicles under this Agreement and their respective rights against one another.
under this Agreement in respect of the Relevant Vehicles shall be cancelled (being the “Discharged Rights and Obligations”):

(ii) each of Dutch FleetCo and the New Supplier shall assume obligations towards one another and/or acquire rights against one another which shall be the same as the Discharged Rights and Obligations insofar as Dutch FleetCo and the New Supplier have assumed and/or acquired the same in place of FleetCo and the Existing Supplier; and

(iii) the New Supplier shall become a party to the New Agreement.

4 Definitions

In this paragraph and in the Transfer Certificate, the following words shall bear the following meanings:

“Business Day” means any day (other than a Saturday or Sunday) when commercial banks are open for general business in The Netherlands;

“New Agreement” means this Agreement as it shall apply to the New Supplier pursuant to paragraph 1;

1.3 Effectiveness

2 NATURE OF AGREEMENT

(a) Each Lessee and the Lessor acknowledges that the relationship between the Lessor and each Lessee pursuant to this Agreement shall be only that of a lessor and a lessee and that any lease of Lease Vehicles granted pursuant to this Agreement shall be a lease governed by German law. No Lessee shall acquire by virtue of this Agreement any right or option to purchase any Lease Vehicles leased to it.

(b) [Reserved]

2.1 Lease of Vehicles

(a) Lease of Existing Fleet. From the Closing Date and subject to the terms and provisions hereof and the deed of termination and release in connection with Existing/Prior Financing, each of the Initial Lessee and the Lessor hereto agree that:

(i) on the Closing Date (A) the Lessor shall lease to the Initial Lessee and (B) the Initial Lessee shall lease from the Lessor, in each case, all Vehicles leased (as at the Closing Date) pursuant to the German master lease agreement entered into on 21 December 2007 (as such agreement has been amended and restated from time to time) between Hertz Autovermietung GmbH (as lessee thereunder), Hertz Fleet Limited (as lessor thereunder) and BNP Paribas (as security agent and facility agent thereunder) (which such agreement shall, for the purposes of this Sub-Clause 2.1(a) (Lease of Vehicles) be referred to as the “Terminated German Master Lease”);

(ii) on the Closing Date, all rights and obligations of each party under the Terminated German Master Lease shall be terminated in accordance with the provisions of the deed of termination and release in connection with the Existing/Prior Financing dated on or around the date hereof;

(iii) from and including the Closing Date, the Vehicles leased pursuant to Sub-Clause 2.1(a)(i) above shall be leased by the Initial Lessee in accordance with the terms and provisions of this German Master Lease and each party hereto shall have the rights and obligations provided for in this Agreement in connection with the Vehicles referred to in this Sub-Clause 2.1(a) (Lease of Vehicles); and

(iv) the capitalized cost of each Vehicle leased pursuant to Sub-Clause 2.1(a)(i) above shall be equal to such Vehicle’s net book value immediately prior to such Vehicle’s Vehicle Lease Commencement Date.

(b) Agreement to Lease. From time to time, subject to the terms and provisions hereof (including satisfaction of the conditions precedent set forth in Sub-Clause 2.1(c) (Conditions Precedent to Lease of Lease Vehicles)), the Lessor agrees to lease to the relevant Lessee, and such Lessee agrees to lease from the Lessor those certain Lease Vehicles identified on Lease Vehicle Acquisition Schedules and Intra-Lease Lessee Transfer Schedules produced from
time to time by or on behalf of such Lessee pursuant to Sub-Clauses 2.1(d) (Lease Vehicle Purchase and Lease Vehicle Acquisition Schedules) and 2.2(b) (Intra-Lease Transfers), respectively.

(e) Conditions Precedent to Lease of Lease Vehicles. The agreement of the Lessor to commence leasing any Lease Vehicle to any Lessee hereunder is subject to the following conditions precedent (aufschiebende Bedingungen) being satisfied at the time the Lessor orders such Lease Vehicles:

(i) No Default. No Lease Event of Default shall have occurred and be continuing on the Vehicle Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder, and no Potential Lease Event of Default with respect to any event or condition specified in Sub-Clause 9.1.1 (Events of Default), Sub-Clause 9.1.5 (Events of Default) or Sub-Clause 9.1.8 (Events of Default) shall have occurred and be continuing on the Vehicle Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder;

(ii) Representations and Warranties. The representations and warranties contained in Clause 7 (Certain Representations and Warranties) are true and correct in all material respects (unless any such representation or warranty contains a materiality limitation by its terms, in which case such representation or warranty shall be true and correct) as of such date (unless any such representation or warranty by its terms makes reference to a specific date, in which case, such representation or warranty shall be true and correct for such specific date);

(iii) Eligible Vehicle. Such Lease Vehicle is an Eligible Vehicle or in the case of any Credit Vehicle will be an Eligible Vehicle following payment of the purchase price in respect thereof;

(iv) Lease Expiration Date. The Lease Expiration Date has not occurred;

(v) Payment. If such Lease Vehicle was purchased by German FleetCo on non-credit terms, German FleetCo has paid in full the purchase price for such Lease Vehicle and if such Lease Vehicle was purchased on credit terms by German FleetCo, such Lease Vehicle has been delivered to or (as the case may be) is available for collection by German FleetCo; and

(vi) Purchase pursuant to German Master Fleet Purchase Agreement. The relevant Vehicle has been purchased by the Lessor pursuant to the terms of the German Master Fleet Purchase Agreement, except for Vehicles subject to Sub-Clause 2.1(a) (Lease of Vehicles).

(d) Lease Vehicle Purchases and Lease Vehicle Acquisition Schedules

(i) From time to time, a Lessee shall deliver or cause to be delivered to the Lessor one or more schedules identifying the vehicles such Lessee desires to lease from the Lessor hereunder, which schedules shall include the Basic Lease Vehicle Information (each such schedule, a “Lease Vehicle Acquisition Schedule”). Each Lessee hereby agrees that, upon delivery of a Lease Vehicle Acquisition Schedule to the Lessor, it will represent and warrant, to and in favor of the Lessor, that each condition precedent to the leasing of the Lease Vehicles identified in such Lease Vehicle Acquisition Schedule has been satisfied as of the date of such delivery of the relevant Lease Vehicle Acquisition Schedule.
During the period from the Vehicle Lease Commencement Date in respect of a Lease Vehicle to the date that such Lease Vehicle is first identified on a Lease Vehicle Acquisition Schedule, the existence of a lease between the Lessor and the relevant Lessee in respect of that Lease Vehicle shall be evidenced and determined by reference to the records of the Lessor and such records shall constitute \textit{prima facie} evidence of such lease.

The Lease Vehicle Acquisition Schedule for each Lease Vehicle to be leased hereunder on the Closing Date shall be substantially in the form as set out in Schedule V (\textit{Form of Initial Lease Vehicle Acquisition Schedule}).

\textbf{(e) Lease Vehicle Acceptance or Non-conforming Lease Vehicle Rejection.}

(i) Subject to Sub-Clause 2.1(e)(ii) below, with respect to any vehicle identified on a Lease Vehicle Acquisition Schedule and made available for lease by the Lessor to any Lessee, such Lessee shall have the right to inspect such vehicle within five (5) days of receipt (or such shorter period as may be contemplated under the applicable Vehicle Purchasing Agreement) (the \textit{"Inspection Period"}) of such vehicle and either accept or, if such vehicle is a Non-conforming Lease Vehicle, reject such vehicle; provided that the relevant Lessee is not required to expressly declare its acceptance of the relevant vehicle. If such Lessee rejects the vehicle, it shall notify the Lessor in writing that such vehicle is a Non-conforming Lease Vehicle during the Inspection Period (the delivery date of such written notice, the \textit{"Rejection Date"}). If such Lessee timely notifies the Lessor that such Vehicle is a Non-conforming Lease Vehicle, then such Non-conforming Lease Vehicle with respect to which such Lessee has so notified the Lessor shall be a \textit{"Rejected Vehicle"}.

(ii) Notwithstanding Sub-Clause 2.1(e)(i) above, a Lessee will be only entitled to reject any Vehicle delivered to it by or on behalf of the Lessor (A) if the Lessor is itself entitled to reject such Vehicle under the relevant Vehicle Purchasing Agreement pursuant to which such Vehicle was ordered and (B) subject to the same conditions (to the extent applicable) as to rejection as may be applicable to the Lessor under the relevant Vehicle Purchasing Agreement in respect of such Vehicle.

(iii) The Lessor shall cause the Servicer to dispose of a Rejected Vehicle described in sub-paragraph (i) above (including by returning such Rejected Vehicle to the seller thereof in accordance with the terms of the applicable Vehicle Purchasing Agreement) in accordance with Sub-Clause 6.2 (\textit{Servicer Functions}).

\textbf{(f) Third party representative.} In making, delivering (which includes, for the avoidance of doubt, electronic delivery), receiving and/or accepting declarations pursuant to this Clause 2.1 (\textit{Lease of Vehicles}), the Lessor and any Lessee may be represented by a duly authorised (\textit{bevollmächtigt}) third party service provider acting in the name and on behalf of the Lessor or the applicable Lessee, respectively. The parties hereto agree that:

(i) each party so represented shall deliver to the respective other party the relevant original power of attorney or the original of the relevant servicing contract containing such power of attorney, at the time of or prior to the direct declaration made, delivered (which includes, for the avoidance of doubt, electronic delivery), received and/or accepted on behalf of it;

(ii) each party so represented shall promptly notify the respective other party of any amendments of such power of attorney;

(iii) the Lessor may only be represented by third party service providers incorporated in, and acting from, a jurisdiction other than Germany; and
(iv) each party shall procure that its respective service provider shall not sub-delegate its authority to any other Person.

(g) Indemnity. Each Lessee shall indemnify the Lessor in respect of any Liabilities which the Lessor may suffer in circumstances where the Lessor has purchased a Vehicle or Vehicles under an Individual Purchase Agreement (as defined pursuant to the German Master Fleet Purchase Agreement) and a lease is not entered into by the date on which the Lessor pays the purchase price for such Vehicle or Vehicles (including, without limitation, where a lease is not entered into because the conditions precedent in Clause 2.1(c) (Conditions Precedent to Lease of Leased Vehicles) are not satisfied).

2.2 Certain Transfers

(a) Sales to Lessee. The Lessor may sell a Lease Vehicle during such Lease Vehicle’s Vehicle Term to the relevant Lessee for an amount equal to the market value of such Lease Vehicle.

(b) Intra-Lease Transfers. From time to time, a particular Lessee (the “Transferor Lessee”) may desire to cease leasing a Lease Vehicle hereunder and another Lessee (the “Transferee Lessee”) may desire to commence leasing such Lease Vehicle hereunder. Upon delivery by such Lessees to the Lessor of written notice identifying by VIN each Lease Vehicle with respect to which the lease shall be so transferred from such Transferor Lessee to such Transferee Lessee (such notice, an “Intra-Lease Lessee Transfer Schedule”), each Lease Vehicle identified in such Intra-Lease Lessee Transfer Schedule shall cease to be leased by the Transferor Lessee and shall contemporaneously commence being leased from the Lessor to the Transferee Lessee, provided that such transfer does not result in the breach of any prescribed limits relating to Lease Vehicles set out in the Related Documents. Each Lessee agrees that upon such a transfer of the lease with respect to any Lease Vehicle from one Lessee to another Lessee pursuant to this Agreement, such Transferor Lessee relinquishes all rights that it has under such lease with respect to such Lease Vehicle pursuant to this Agreement. Each Intra-Lease Lessee Transfer Schedule may be delivered electronically and may be delivered directly by either the applicable Transferor Lessee or the applicable Transferee Lessee or on behalf of either such party by any agent or designee of such party, provided the Transferor Lessee and the Transferee Lessee have separately agreed to such Intra-Lease Lessee Transfer Schedule and, with respect to such agreement, may not be represented by the same agent.

2.3 [Reserved]

2.4 Return

(a) Lessee Right to Return. Any Lessee may return any Lease Vehicle (other than any Lease Vehicle that has experienced a Casualty or become an Ineligible Vehicle) then leased by such Lessee at any time prior to such Lease Vehicle’s Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer; provided that, for the avoidance of doubt, the Vehicle Term for such Lease Vehicle will continue until the Vehicle Lease Expiration Date thereof, notwithstanding the prior return of such Lease Vehicle pursuant to this Sub-Clause 2.4(a) (Lessee Right to Return).

(b) Lessee Obligation to Return. Each Lessee shall return each Lease Vehicle leased by such Lessee on or prior to such Lease Vehicle’s Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer (taking into account transportation costs and expected realizable disposition proceeds).
2.5 Redesignation of Vehicles

(a) Mandatory Program Vehicle to Non-Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, the Lessor shall on the date specified in Sub-Clause 2.5(d) (Timing of Redesignations) redesignate such Lease Vehicle as a Non-Program Vehicle, if:

(i) a Manufacturer Event of Default is continuing with respect to the Manufacturer of such Lease Vehicle as of such date; or

(ii) as of any such date occurring after the Minimum Program Term End Date with respect to such Lease Vehicle, such Lease Vehicle was returned as of such date pursuant to the terms of the Manufacturer Program with respect to such Lease Vehicle, the Manufacturer of such Lease Vehicle would not be obligated to pay a repurchase price for such Lease Vehicle, or guarantee the disposition proceeds to be received for such Vehicle, in each case in an amount at least equal to (1) the Net Book Value of such Lease Vehicle, as of such date, minus (2) the Final Base Rent that would be payable in respect of such Lease Vehicle, assuming that such date were the Disposition Date for such Lease Vehicle, minus (3) the Excess Mileage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (4) the Excess Damage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (5) the Pre-VLCD Program Vehicle Depreciation Amount paid or payable with respect to such Lease Vehicle, as of such date, minus (6) the Program Vehicle Depreciation Assumption True-Up Amount paid or payable with respect to such Lease Vehicle, as of such date.

(b) Optional Program Vehicle to Non-Program Vehicle Redesignations. In addition to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) and without limitation thereto, with respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, such Lessee may redesignate such Lease Vehicle as a Non-Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee shall not redesignate any Program Vehicle as a Non-Program Vehicle pursuant to this Sub-Clause 2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations) if, after giving effect to such redesignation, an Aggregate Asset Amount Deficiency would exist, unless such redesignation would decrease the amount of such Aggregate Asset Amount Deficiency.

(c) Non-Program Vehicle to Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Non-Program Vehicle leased by any Lessee hereunder as of any date of determination, if such Lease Vehicle was previously designated as a Program Vehicle, then such Lessee may redesignate such Lease Vehicle as a Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee may not redesignate any such Lease Vehicle as a Program Vehicle if such Lease Vehicle would then be required to be redesignated as a Non-Program Vehicle pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) after designating such Lease Vehicle as a Program Vehicle.

(d) Timing of Redesignations. With respect to any redesignation to be effected pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations), such redesignation shall occur as of the first calendar day of the calendar month following the date on which the applicable event or condition described in Sub-Clause 2.5(a)(i) or (ii) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) occurs. With respect
to any redesignation to be effected pursuant to Sub-Clause 2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations) or 2.5(c) (Non-Program Vehicle to Program Vehicle Redesignations), such redesignation shall occur as of the first calendar day of the calendar month immediately following the calendar month of the date written notice was delivered by the applicable Lessee of such redesignation.

(e) **Program Vehicle to Non-Program Vehicle Redesignation Payments**. With respect to any Lease Vehicle that is redesignated as a Non-Program Vehicle pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) or Sub-Clause 2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations), the Lessee of such Lease Vehicle as of the close of business on the date of such redesignation shall pay to the Lessor on the Payment Date following the effective date of such redesignation, as determined in accordance with Sub-Clause 2.5(d) (Timing of Redesignations), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle over the Market Value of such Lease Vehicle, in each case, as of the date of such redesignation (such excess, if any, for such Lease Vehicle, a “Redesignation to Non-Program Amount”).

(f) **Non-Program Vehicle to Program Vehicle Redesignation Payments**. With respect to any Lease Vehicle that is redesignated as a Program Vehicle pursuant to Sub-Clause 2.5(c) (Non-Program Vehicle to Program Vehicle Redesignations), the Lessor shall pay to the Lessee of such Lease Vehicle on the Payment Date following the effective date of such redesignation, as determined in accordance with Sub-Clause 2.5(d) (Timing of Redesignations), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle (as of the date of such redesignation and calculated assuming that such Lease Vehicle had never been designated as a Non-Program Vehicle) over the Net Book Value of such Lease Vehicle (as of the date of such redesignation but without giving effect to such Lease Vehicle’s redesignation as a Program Vehicle) (such excess, if any, for such Lease Vehicle and such redesignation, the “Redesignation to Program Amount”); provided that,

(i) no payment shall be required to be made and no payment may be made by the Lessor pursuant to this Sub-Clause 2.5(f) (Non-Program Vehicle to Program Vehicle Redesignation Payments) to the extent that an Amortization Event or a Potential Amortization Event exists or would be caused by such payment;

(ii) the amount of any such payment to be made by the Lessor on any such date shall be capped at and be paid from (and the obligation of the Lessor to make such payment on such date shall be limited to) the amount of funds available to the Lessor on such date; and

(iii) if any such payment from the Lessor is limited in amount pursuant to the foregoing paragraph (i) or (ii), the Lessor shall pay to such Lessee the funds available to the Lessor on such Payment Date and shall pay to such Lessee on each Payment Date thereafter the amount available to the Lessor until such Redesignation to Program Amount has been paid in full to such Lessee.

2.6 No set-off or counterclaim

Each Lessee’s obligation to pay all rent and other sums hereunder shall not be subject to any setoff or counterclaim, unless such claims against which such setoff is to be made have become final adjudicated (rechtskräftig festgestellt) or remained uncontested (unbestritten) by the Lessor.

The “Lease Commencement Date” shall mean the Closing Date. The “Lease Expiration Date” shall mean the later of (i) the date of the final payment in full of the German Notes and (ii) the Vehicle Lease Expiration Date for the last Lease Vehicle leased by a Lessee hereunder. The “Term” of this Agreement shall mean the period commencing on the Lease Commencement Date and ending on the Lease Expiration Date.

4 RENT AND LEASE CHARGES
Each Lessee will pay Rent due and payable on a monthly basis as set forth in this Clause 4 (Rent and Lease Charges).

4.0 Additional Rent on the First Payment Date

With respect to the Payment Date falling on 26 November 2018 only, the Monthly Base Rent or Monthly Variable Rent, as applicable, shall also include an amount determined by the Servicer in its reasonable discretion to reflect the depreciation and carrying charges accrued prior to the Closing Date which would have been payable by the Lessee in respect of each relevant Lease Vehicle in accordance with the German Prior Lease had such lease not been terminated on the Closing Date.

4.1 Depreciation Records and Depreciation Charges

On each Business Day, the Lessor shall establish or cause to be established the Depreciation Charge with respect to each Lease Vehicle, and the Lessor shall maintain, and upon request by a Lessee, deliver or cause to be delivered to such Lessee a record of such Depreciation Charges (such record, the "Depreciation Record") with respect to each Lease Vehicle leased by such Lessee as of such date, the delivery of which may be satisfied by the Lessor posting or causing to be posted such depreciation records to a password-protected website made available to such Lessee or by any other reasonable means of electronic transmission (including, without limitation, email or other file transfer protocol), and may be made directly by the Lessor or on its behalf by any agent or designee of the Lessor.

4.2 Monthly Base Rent

With respect to any Payment Date and any Lease Vehicle (other than a Lease Vehicle with respect to which the Disposition Date occurred during such Related Month), the "Monthly Base Rent" with respect to such Lease Vehicle for such Payment Date shall equal the pro rata portion (based upon the number of days in the Related Month with respect to such Payment Date that were included in the Vehicle Term for such Lease Vehicle) of the Depreciation Charge for such Lease Vehicle as of the last day of such Related Month calculated on a 30/360 day basis.

4.3 Final Base Rent

With respect to any Payment Date and any Lease Vehicle with respect to which the Disposition Date occurred during such Related Month, the "Final Base Rent" with respect to any such Lease Vehicle for such Payment Date shall be an amount equal to the pro rata portion (based upon the number of days in such Related Month that were included in the Vehicle Term for such Lease Vehicle) of the Depreciation Charge for such Lease Vehicle as of such Disposition Date, calculated on a 30/360 day basis.

If the Program Vehicle Depreciation Assumption True-Up Amount with respect to any Lease Vehicle is a positive number as of the first day following the end of the Estimation Period for such Lease Vehicle, then the Lessee of such Lease Vehicle shall pay the Lessor such Program Vehicle Depreciation Assumption True-Up Amount with respect to such Lease Vehicle in accordance with Sub-Clause 4.7.1 (Payments).
4.5 Monthly Variable Rent

The “Monthly Variable Rent” for each Payment Date and each Lease Vehicle other than a Lease Vehicle which was a Credit Vehicle on the last day of the Related Month with respect to such Payment Date (w) leased hereunder as of the last day of the Related Month with respect to such Payment Date, (x) the Disposition Date in respect of which occurred during such Related Month, or (y) that was purchased by the applicable Lessee during such Related Month, in each case shall equal:

(b) The total amount of Base Rent and Monthly Variable Rent payable by the Lessee to the Lessor on each Payment Date shall be adjusted by an amount (positive or negative) as reasonably determined by the Servicer to result in the net income and gains, of the Lessor for the Related Month, calculated in accordance with GAAP, taking into account, inter alia, (i) all interest expenses and other expenses of such Lessor (including, for the avoidance of doubt, such interest and other expenses paid and accrued but not yet paid) (in accordance with GAAP) and (ii) any losses or gains realised as of the last day of the Related Month in respect of the disposal of Non-Program Vehicles by (or on behalf of) the Lessor during such Related Month being equal to one twelfth of the German Minimum Profit Amount (the “Rental Adjustment”) provided that the Rental Adjustment shall not result in the total amount of Base Rent and Monthly Variable Rent being reduced below such amount as is required by the Lessor to make any payments to third parties (including without limitation in respect of interest and other amounts payable to the German Noteholder under the German Note) on such Payment Date.

4.6 Casualty; Ineligible Vehicles

On the second day of each calendar month, each Lessee shall deliver to the Servicer a list containing each Lease Vehicle leased by such Lessee that suffered a Casualty or became an Ineligible Vehicle in the preceding calendar month (each such list, a “Monthly Casualty Report”). Each such delivery may be satisfied by the applicable Lessee posting such Monthly Casualty Report to a password protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by e-mail, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee. On the Disposition Date with respect to each Lease Vehicle that suffers a Casualty or becomes an Ineligible Vehicle, (i) the Lessor shall cause title to such Lease Vehicle to be transferred to the Lessee of such Lease Vehicle.

(b) All such payments shall be deposited into the German Collection Account (German Branch) not later than 12:00 noon, London time, on such Payment Date.
(c) If any Lessee pays less than the entire amount of Rent (or any other amounts) due on any Payment Date, after giving full credit for all prepayments made pursuant to Sub-Clause 4.9 (Prepayments) with respect to amounts due on such Payment Date, then the payment received from such Lessee in respect of such Payment Date shall be first applied to the Monthly Variable Rent due on such Payment Date.

(d) In the event any Lessee fails to remit payment of any amount due under this Agreement on or before the Payment Date or when otherwise due and payable hereunder, the amount not paid will be considered delinquent and such Lessee shall pay default interest with respect thereto at a rate equal to (i) the effective interest rate payable by German FleetCo on any overdue amounts owed by German FleetCo with respect to the German Notes or (ii) if no such interest is payable by German FleetCo, EURIBOR plus 1.0%, during the period from the Payment Date on which such delinquent amount was payable until such delinquent amount (with accrued interest) is paid.

(iii) If any Lessee is required by law to make a Tax Deduction, the amount of the payment due by such Lessee shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due to the payee if no Tax Deduction had been required.

(iv) If any Lessee is required to make a Tax Deduction, such Lessee shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

5.1.3 Ordering and Delivery Expenses. Each Lessee shall be responsible for the payment of all ordering and delivery expenses as set forth in Sub-Clause 4.10 (Ordering and Delivery Expenses).

5.1.4 Fees; Traffic Summons; Penalties and Fines. With respect to any Lessee and the Lease Vehicles leased by such Lessee hereunder, and notwithstanding the fact that the Lessor is the legal owner of any German Vehicle, each Lessee shall be responsible for the payment of all registration fees, title fees, license fees or other similar governmental fees and taxes, including German motor vehicle tax (Kraftfahrzeugsteuer), all costs and expenses in connection with registration of the Lease Vehicles, the transfer of title of, or reflection of the interest of any security holder in, any Lease Vehicle, traffic summonses, penalties, judgments and fines incurred with respect to any Lease Vehicle during the Vehicle Term for such Lease Vehicle or imposed during the Vehicle Term for such Lease Vehicle by any Governmental Authority with respect to such Lease Vehicles and any premiums relating to any of the Insurance Policies under Sub-Clause 5.1.2 (Insurance) above, in connection with such Lessee’s operation of such Lease Vehicles. The Lessor may, but is not required to, make any and all payments pursuant to this Sub-Clause 5.1.4 (Fees; Traffic Summons; Penalties and Fines) on behalf of such Lessee, provided that, such Lessee will reimburse the Lessor in full for any and all payments made pursuant to this Sub-Clause 5.1.4.

5.1.6 Licences, authorizations, consents and approvals. Each Lessee shall obtain and maintain for so long as it leases Lease Vehicles hereunder, all governmental licenses, authorizations, consents and approvals required to carry on its business as now conducted and for the purposes of the transactions contemplated by this Agreement, except to the extent that the failure is not reasonably likely to result in a Material Adverse Effect.

5.1.7 Landlord’s lien. Each Lessee shall use reasonable efforts to discharge any lien or pledge created in favour of a vehicle garage which is in possession of any Lease Vehicle in relation to any maintenance work.

5.2 Vehicle Use

5.2.1 Each Lessee may use Lease Vehicles leased hereunder in connection with its car rental business, including use by such Lessee’s and its subsidiaries’ employees, directors, officers, agents, representatives and other business associates in their personal or professional capacities, subject to Sub-Clause 6.2 (Servicer Functions), Sub-Clause 8.7 (Preservation of rights) and Clause 9 (Default and Remedies Therefor) hereof and Sub-Clause 10.2 (Rights of the German Security Trustee upon Amortization Event or Certain Other Events of Default) of the German Facility Agreement. (C) any Affiliate of any Lessee, so long as (i) the sublease of such Lease Vehicles to such Affiliate states in writing that it is subject to the terms and conditions of this Agreement and is subordinate in all respects to this Agreement, (ii) the Lease Vehicles being so subleased are being used in connection with such Affiliate’s business, including use by such Affiliate’s and its subsidiaries’ employees, directors, officers, agents, representatives and other business associates in their personal or professional capacities, provided that no amendments are made to the registration of the Lessee as the registered keeper (Halter) of the Vehicles and (iii) the aggregate Net Book Value of the Lease Vehicles being subleased at any one time pursuant to this Sub-Clause 5.2.2(C) (Vehicle Use) does not exceed five (5) per cent. of the aggregate Net Book Value of all Lease Vehicles being leased under this Agreement; and

(D) any Affiliate of any Lessee located in a jurisdiction different than the jurisdiction where the Lessee is located, so long as (i) the sublease of such Lease Vehicles to such Affiliate states in writing that it is subject to the terms and conditions of this Agreement and is subordinate

With respect to any Lease Vehicles subleased pursuant to this Sub-Clause 5.2.2 (Vehicle Use) that meet the conditions of both the preceding paragraphs (A) and (B), as of any date of determination, the Servicer will determine which such Lease Vehicles shall count towards the calculation of the percentage of aggregate Net Book Value in which of the preceding paragraphs (A) or (B) as of such date; provided that, no such individual Lease Vehicle shall count towards the calculation of the percentage of aggregate Net Book Value with respect to both paragraphs (A) and (B) as of such date.

On the first day of each calendar month, each Lessee shall deliver to the Servicer a list identifying each Lease Vehicle subleased by such Lessee pursuant to the preceding paragraphs (A) or (B) and the sublessee of each such Lease Vehicle, in each case, as of the last day of the immediately preceding calendar month, each of which deliveries may be satisfied by the applicable Lessee posting such list to a password protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by e-mail, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee.

On the first day of each calendar month, each Lessee shall deliver to the Servicer a list identifying each Lease Vehicle subleased by such Lessee pursuant to the preceding paragraphs (C) and (D) and the sublessee of each such Lease Vehicle, in each case, as of the last day of the immediately preceding calendar month, each of which deliveries will be satisfied by the Servicer having actual knowledge of each such subleased Lease Vehicle and the related sublessee to whom such Lease Vehicle was then being subleased.

The sublease of any Lease Vehicles permitted by this Clause 5 (Vehicle Operational Covenants) shall not release any Lessee from any obligations under this Agreement.

5.3 Non-Disturbance

With respect to any Lessee, so long as such Lessee satisfies its obligations hereunder, its quiet enjoyment, possession and use of the Lease Vehicles will not be disturbed during the Term subject, however, to Sub-Clause 6.2 (Servicer Functions), Sub-Clause 8.7 (Preservation of rights) and Clause 9 (Default and Remedies Therefor) hereof and except that the Lessor and the German Security Trustee each retain the right, but not the duty, to inspect the Lease Vehicles leased by such Lessee without disturbing such Lessee’s business.

5.4 Manufacturer’s Warranties

If a Lease Vehicle is covered by a Manufacturer’s warranty, the relevant Lessee, during the Vehicle Term for such Lease Vehicle, shall have the right to make any claims under such warranty that the Lessor could make.

5.5 Program Vehicle Condition Notices

Upon the occurrence of any event or condition with respect to any Lease Vehicle that is then designated as a Program Vehicle that would reasonably be expected to result in a redesignation of such Lease Vehicle pursuant to Sub-Clause 2.5(a)(ii) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations), the Lessee of such Lease Vehicle shall notify the Lessor and the Servicer of such event or condition in the normal course of operations.
6 SERVICER FUNCTIONS AND COMPENSATION

(b) Upon the Servicer’s receipt of any Program Vehicle returned by any Lessee pursuant to Sub-Clause 2.4 (Return), the Servicer shall return such Program Vehicle to the nearest related Manufacturer’s designated return facility or official auction or other facility designated by such Manufacturer at the sole expense of the Lessee thereof unless paid or payable by the Manufacturer thereof in accordance with the terms of the related Manufacturer Program.

(c) With respect to any Lease Vehicle that is (i) a Non-Program Vehicle and is returned to or at the direction of the Servicer pursuant to Sub-Clause 2.4 (Return) or (ii) becomes a Rejected Vehicle, the Servicer shall, subject to the direction of the Lessor, use commercially reasonable efforts, at its own expense, to arrange for the sale of each Non-Program Vehicle to a third party and maximise the sale price thereof (having regard to the then current wholesale or, where the context requires, retail market value of such Non-Program Vehicles). In the event that the sale price is proposed to be at a price which is outside of the guidelines agreed with the Lessor, the Servicer shall seek for approval by the Lessor such that the Lessor either confirms that such sale complies with any guidelines agreed between the Lessor and the Servicer in this respect or any individual instructions from the Lessor.

(d) In connection with the disposition of any Lease Vehicle that is a Program Vehicle, the Servicer shall comply with the Servicing Standard in connection with, among other things, the delivery of any documents of transfer signed as necessary, signed condition reports and signed odometer statements to be submitted with such Program Vehicles returned to a Manufacturer pursuant to Sub-Clause 2.4 (Return) and accepted by or on behalf of the Manufacturer at the time of such Program Vehicle’s return.

(iii) assist the Lessor in managing the on-going operation of the Vehicle Purchasing Agreements, including, without limitation:

(A) where required under a Program Agreement, arrange for the furnishment and repair of Program Vehicles (or, as the case may be, agree damage costs payable) in accordance with the return standards of the respective Program Agreement prior to or (as the case may be) following the inspection of the Program Vehicles by the Manufacturer or Dealer (which cost shall be charged to the Lessee);

(B) verify or (as the case may be) countersign the inspection report in respect of the Program Vehicles in accordance with the terms of the Program Agreement (including, without limitation, upon consolidation with the Lessor, assist the Lessor with exercising the right to dispute any items in the inspection report);

(C) maintain all German Vehicle Documents and, where permitted under the Vehicle Purchasing Agreement, allow the relevant Manufacturer, Dealer or their agents access to such records; and

(D) assist the Lessor with filing claims with the relevant Manufacturer, Dealer or transporter for damage in transit and other delivery claims related to the Vehicles; and

(iv) otherwise administer and service the Lease Vehicles; and

(v) subject to Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignation), comply with any obligation to return vehicles to the Manufacturer in accordance with the relevant Manufacturer Program.

Any permissive right of the Servicer contained in this Agreement shall not be construed as a duty.

(h) In each case, in accordance with the Servicing Standard, the Servicer shall:

(i) monitor compliance by the Lessee of its obligations under Clause 5.1.2 (Insurance). If the Insurance Policies are not maintained by the Lessee, the Servicer shall, if required to do so by the Lessor, make arrangements in respect of the relevant Insurance Policy, as contemplated by Clause 5.1(a)(vii) (Insurance);

(ii) upon knowledge of the occurrence of an event giving rise to a claim of the Lessor or the Servicer under any of the Insurance Policies, the Servicer shall assist the Lessor in filing the Lessor’s claim or arrange for the Servicer’s claim to be filed with the relevant insurance company or underwriters and provide assistance in attempting to bring the claim to successful conclusion; and
(iii) ensure that the Insurance Policies are renewed or (as the case may be) replaced in a timely manner in accordance with the requirements of the relevant Insurance Policy.

(k) The Servicer shall, to the extent permitted by law, assist the Lessor with any of its duties and obligations which may arise under the relevant regulatory and/or administrative law, including the preparation of the notification of the competent commercial regulatory authority (Gewerbeaufsichtsamt) if required under Section 14 of the German Trade, Commerce and Industry Regulation Act (Gewerbeordnung), on a prompt and timely basis to enable the Lessor to perform its obligations under the Related Documents and conduct its business.

(l) Upon becoming aware of the same, the Servicer shall promptly notify the Lessor and the German Security Trustee of any litigation instituted against the Lessor in which it is alleged that the Lessor has breached the terms of any applicable law or regulation.

(m) The Servicer shall:

(i) keep or procure that the German Vehicle Documents are kept in safe custody;

(ii) inform the German FleetCo of the location at which the German Vehicle Documents are kept promptly after the date of this Agreement and promptly notify the German FleetCo and the German Security Trustee of any changes to such location effected thereafter; and

(iii) keep the German Vehicle Documents in such manner as to ensure each is uniquely identifiable and distinguishable, by a reference number, from the records and other documents which relate to other agreements which are held by or on behalf of the Servicer.

(n) The Servicer shall, subject to any applicable Requirement of Law, permit the German FleetCo and (following the delivery of a Master Lease Termination Notice or a Lease Event of Default which is continuing and is not remedied or waived) the German Security Trustee and any other Person reasonably nominated by the German FleetCo and (following the delivery of a Master Lease Termination Notice or a Lease Event of Default which is continuing and is not remedied or waived) the German Security Trustee at any time during normal business hours upon reasonable notice to have access to the German Vehicle Documents and the Servicer Records.

FleetCo to renew such Vehicle Purchasing Agreement (where a renewal of the Vehicle Purchasing Agreement is sought) and in circumstances where entry into a Vehicle Purchasing Agreement with a new Manufacturer or Dealer is sought (subject to the conditions below) the Servicer shall negotiate the terms of such new Vehicle Purchasing Agreement on behalf of German FleetCo including, without limitation, the Required Contractual Criteria (or seeking a waiver from the German Security Trustee in relation to any deviations from the Required Contractual Criteria, provided that the German Security Trustee shall not under any circumstance grant a waiver in respect of a deviation from the substance of paragraphs 1.4 and 1.5 of the Required Contractual Criteria). The German Security Trustee shall grant a waiver in respect of any deviation from paragraph 1.3 of the Required Contractual Criteria such that the bonus payments or other amounts described in paragraph 1.3 of the Required Contractual Criteria are to be payable to or for the account of German FleetCo, provided that each of the following requirements is met:

(a) it receives the approval of the German Security Trustee acting at the written direction of the Issuer Security Trustee, itself acting at the written direction of the Required Noteholders; and

(b) subject to usual qualifications or reservations, the Servicer provides the German Security Trustee with satisfactory legal, taxation and accounting reports or opinions establishing that the deviation will not affect the insolvency remoteness of German FleetCo.

6.4 Servicing Standard and Data Protection

In addition to the duties enumerated in Sub-Clause 6.2 (Servicer Functions) and 6.3 (Required Contractual Criteria), the Servicer agrees to perform each of its obligations hereunder in accordance with the Servicing Standard, unless otherwise stated.

To the extent that, in the context of this Agreement, the Lessor receives any personal data from the Servicer or the Servicer receives any personal data from the Lessor, the receiving party shall process such personal data only for the purposes of this Agreement and shall comply with applicable data protection laws (in particular, with the European General Data Protection Regulation 2016/679) when processing such personal data.

6.6 Servicer’s Monthly Fee

(a) As compensation for the Servicer’s performance of its duties, the Lessor shall pay to or at the direction of the Servicer on each Payment Date (i) a fee (the “German Monthly Servicing Fee”) equal to 0.50% per annum, payable at one-twelfth the annual rate, on the outstanding Net Book Value of the Lease Vehicles as of the last day of the Related Month with respect to such Payment Date and (ii) the reasonable costs and expenses of the Servicer incurred by it during the Related Month as a result of arranging for the sale of Lease Vehicles returned to the Lessor in accordance with Sub-Clause 2.4(a) (Lessee Right to Return); provided, however, that such costs and expenses shall only be payable to or at the direction of the Servicer to the extent of any excess of the sale price received by or on behalf of the Lessor for any such Lease Vehicle over the Net Book Value thereof.

(b) All payments required to be made by any party under this Agreement shall be calculated without reference to any set-off or counterclaim and shall be made free and clear of and
without any deduction for or on account of any set-off or counterclaim, except that (i) any fees and expenses or other amounts due and payable by the Lessor to the Servicer shall be set-off against (ii) any amount owed by the Servicer in such capacity (or as Lessee) to the Lessor at such time under this Agreement.

6.7 Sub-Servicers

The Servicer may delegate to any Person (each such delegatee, in such capacity, a “Sub-Servicer”) the performance of part (but not all) of the Servicer’s obligations as Servicer pursuant to this Agreement on the condition that:

(d) the performance or non-performance and the manner of performance by any Sub-Servicer of any of the obligations of the Servicer as Servicer shall not affect the Servicer’s obligations under this Agreement and the Sub-Servicer shall be appropriately licensed to perform any such obligations;

(e) any breach in the performance of the Servicer’s obligations as Servicer by a Sub-Servicer shall be treated as a breach of this Agreement by the Servicer, subject to the Servicer being entitled to remedy such breach for a period of fourteen (14) Business Days of the earlier of:

(i) the Servicer becoming aware of the breach; and

(ii) receipt by the Servicer of written notice from the Lessor or the German Security Trustee requiring the same to be remedied; and

(f) neither the Lessor nor the German Security Trustee shall have any liability for any act or omission of any Sub-Servicer and shall have no responsibility for monitoring or investigating the suitability of any Sub-Servicer; and

6.9 Powers of Attorney

The Lessor shall from time to time upon receipt of request by the Servicer, promptly give to the Servicer any powers of attorney or other written authorizations or mandates and instruments as are reasonably necessary to enable the Servicer to perform its obligations under this Agreement, provided that any such powers of attorney or other written authorizations or mandates or instruments must be strictly limited to specific matters. Such powers of attorney shall cease to have effect when the Servicer ceases to act as servicer under this Agreement.

6.10 Servicer’s agency limited

The Servicer shall have no authority by virtue of this Agreement to act for or represent German FleetCo as agent or otherwise, save in respect of those functions and duties which it is expressly authorized to perform and discharge by this Agreement and for the period during which this Agreement so authorizes it to perform and discharge those functions and duties.

6.11 Resignation of Servicer

The Servicer may, by giving not less than fourteen (14) days’ written notice to German FleetCo and the German Security Trustee, resign as Servicer, provided that, other than where all amounts due and payable under the German Facility Agreement are being repaid in full, a replacement Servicer satisfactory to German FleetCo and the German Security Trustee and with the appropriate licences and registrations has been or will, simultaneously with the termination of the Servicer’s appointment under this Agreement, be appointed (it being understood that it is German FleetCo’s obligation and not the German Security Trustee’s obligation to negotiate and make such appointment).

All such powers and remedies will be cumulative, and the exercise of one will not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Lessor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder will impair any such power or remedy or will be construed to be a waiver of any default or acquiescence therein; provided that, for the avoidance of doubt, any exercise of any such right or power shall remain subject to each condition expressly specified in any Related Document with respect to such exercise. (b) During the continuance of a Liquidation Event, the Servicer shall return any or all Lease Vehicles that are Program Vehicles to the related Manufacturers in accordance with the instructions of the Lessor. To the extent any Manufacturer fails to accept any such Program Vehicles under the terms of the applicable Manufacturer Program, the Lessor shall have the right to otherwise dispose of such Program Vehicles and to direct the Servicer to dispose of such Program Vehicles in accordance with its instructions.

(c) Notwithstanding the exercise of any rights or remedies pursuant to this Sub-Clause 9.4 (Liquidation Event and Non-Performance of Certain Covenants), the Lessor will, nevertheless, have a right to recover from such Lessee any and all amounts (for the avoidance of doubt, as limited by Sub-Clause 9.5 (Measure of Damages)) as may be then due.

(d) In addition, following the occurrence of a Liquidation Event, the Lessor shall have all of the rights, remedies, powers, privileges and claims vis-a-vis each Lessee, necessary or desirable to allow the German Security Trustee to exercise the rights, remedies, powers, privileges and claims given to the German Security Trustee pursuant to Sub-Clause 10.2 (Rights of the German Security Trustee upon Amortization Event or Certain Other Events of Default) of the German Facility Agreement, and each Lessee acknowledges that it has hereby granted to the Lessor all such rights, remedies, powers, privileges and claims granted by the Lessor to the German Security Trustee pursuant to Clause 10 of the German Facility Agreement and that the German Security Trustee may act in lieu of the Lessor in the exercise of all such rights, remedies, powers, privileges and claims.

(e) The German Security Trustee may only take possession of, or exercise any of the rights or remedies specified in this Agreement with respect to, such number of Lease Vehicles necessary to generate disposition proceeds in an aggregate amount sufficient to pay each German Note with respect to which a Liquidation Event is then continuing as set forth in the German Facility Agreement, taking into account the receipt of proceeds of all other vehicles being disposed of that have been transferred to secure such German Note.

9.5 Measure of Damages

If a Lease Event of Default or Liquidation Event occurs and the Lessor or the German Security Trustee exercises the remedies granted to the Lessor or the German Security Trustee under Sub-Clause 8.7 (Preservation of rights), this Clause 9 (Default and Remedies Therefor) or Sub-Clause 10.2 of the German Facility Agreement, the amount that the Lessor shall be permitted to recover from any Lessee as payment shall be equal to:

(i) all Rent for each Lease Vehicle leased by such Lessee hereunder to the extent accrued and unpaid as of the earlier of the date of the return to the Lessor of such Lease Vehicle or disposition by the Servicer of such Lease Vehicle in accordance with the terms of this Agreement and all other payments payable under this Agreement by such Lessee, accrued and unpaid as of such date; plus

(ii) any reasonable out-of-pocket damages and expenses, including reasonable attorneys’ fees and expenses that the Lessor or the German Security Trustee will have sustained by reason of such a Lease Event of Default or Liquidation Event, together with reasonable sums for such attorneys’ fees and such expenses as will be expended or incurred in the seizure, storage, rental or sale of the Lease Vehicles leased by such Lessee hereunder or in the enforcement
of any right or privilege hereunder or in any consultation or action in such connection, in each case to the extent reasonably attributable to such Lessee; plus

(iii) interest from time to time on amounts due from such Lessee and unpaid under this Agreement at EURIBOR plus 1.0% computed from the date of such a Lease Event of Default or Liquidation Event or the date payments were originally due to the Lessor by such Lessee under this Agreement or from the date of each expenditure by the Lessor or the German Security Trustee, as applicable, that is recoverable from such Lessee pursuant to this Clause 9 (Default and Remedies Therefor), as applicable, to and including the date payments are made by such Lessee.

9.6 Servicer Default

Any of the following events will constitute a default of the Servicer (a “Servicer Default”) as that term is used herein:

(i) the failure of the Servicer to comply with or perform any provision of this Agreement or any other Related Document that has a Lease Material Adverse Effect with respect to the Servicer, the Lessor or any Lessee, and such default continues for more than thirty (30) consecutive days after the earlier of the date written notice is delivered by the Lessor or the German Security Trustee to the Servicer or the date an Authorized Officer of the Servicer obtains actual knowledge thereof;

(ii) an Event of Bankruptcy occurs with respect to the Servicer;

(iii) the failure of the Servicer to make any payment when due from it hereunder or under any of the other German Related Documents or to deposit any German Collections received by it into the German Collection Account when required under the German Related Documents and, in each case, such failure continues for five (5) consecutive Business Days after the earlier of (a) the date written notice is delivered by the Lessor or the German Security Trustee to the Servicer or (b) the date an Authorized Officer of the Servicer obtains actual knowledge thereof, except to the extent that failure to remain in such compliance would not reasonably be expected to result in a Lease Material Adverse Effect with respect to the Lessor; or

(iv) if (I) any representation or warranty made by the Servicer relating to the German Collateral in any German Related Document is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice, or other writing relating to the German Collateral furnished by or on behalf of the Servicer to the Lessor or the German Security Trustee pursuant to any German Related Document is false or misleading on the date as of which the facts therein set forth are stated or certified, (II) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (III) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be, shall not have been eliminated or otherwise cured for at least thirty (30) consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the German Security Trustee to the Servicer and (y) the date an Authorized Officer of the Servicer obtains actual knowledge of such circumstance or condition.

In the event of a Servicer Default, the Lessor or the German Security Trustee, in each case acting pursuant to Sub-Clause 9.23(d) (Servicer Default) of the German Facility Agreement, shall have the right to replace the Servicer as servicer with a replacement servicer which shall be appropriately licensed.

For the avoidance of doubt, with respect to any Servicer Default, if the event or condition giving rise (directly or indirectly) to such Servicer Default ceases to be continuing (through cure, waiver or
otherwise), then such Servicer Default will cease to exist and will be deemed to have been cured for every purpose under the German Related Documents.

9.7 Application of Proceeds

The proceeds of any sale or other disposition pursuant to Sub-Clause 9.2 (Effect of Lease Event of Default) or Sub-Clause 9.3 (Rights of Lessor Upon Lease Event of Default) shall be applied by the Lessor in accordance with the terms of the German Related Documents.

Each party to this Agreement hereby agrees with and acknowledges to each of German FleetCo and the German Security Trustee until the date falling one year and one day after the Legal Final Payment Date, that:

(a) it shall not have the right to take or join any person in taking any steps against German FleetCo for the purpose of obtaining payment of any amount due from German FleetCo (other than serving a written demand subject to the terms of the German Security Trust Deed); and

(b) neither it nor any Person on its behalf shall initiate or join any person in initiating an Event of Bankruptcy or the appointment of any Insolvency Official in relation to German FleetCo, provided that, the German Security Trustee shall have the right to take any action pursuant to and in accordance with the relevant German Related Documents and German Security Documents,

provided that the aforementioned limitations shall not apply in respect of liabilities for (i) damages caused intentionally or by gross negligence (grobe Fahrlässigkeit) or by a negligent (fahrlässig) breach of any material contractual obligation (vertragswesentliche Pflicht) by the Lessor or (ii) damages to persons (Personenschäden). Material contractual obligations (vertragswesentliche Pflichten) are any obligations whose fulfilment is necessary for the proper execution of the contract and whose observance contractual partners regularly rely upon.

The provisions of this Sub-Clause 16.1 (Non-Petition) shall survive the termination of this Agreement.

16.2 No Recourse

Each party to this Agreement agrees with and acknowledges to each of German FleetCo and the German Security Trustee that, notwithstanding any other provision of any German Related Document, all obligations of German FleetCo to such entity are limited in recourse as set out below:

(a) sums payable to it in respect of any of German OpCo's obligations to it shall be limited to the lesser of (i) the aggregate amount of all sums due and payable to it and (ii) the aggregate amounts received, realised or otherwise recovered by or for the account of the German Security Trustee in respect of the German Security whether pursuant to enforcement of the German Security or otherwise; and

(b) upon the German Security Trustee giving written notice that it has determined in its sole opinion that there is no reasonable likelihood of there being any further realisations in respect of the German Security (whether arising from an enforcement of the German Security or otherwise) which would be available to pay unpaid amounts outstanding under the relevant German Related Documents, it shall have no further claim against German FleetCo in respect of any such unpaid amounts and such unpaid amounts shall be discharged in full,

provided that the aforementioned limitations shall not apply in respect of liabilities for (i) damages caused intentionally or by gross negligence (grobe Fahrlässigkeit) or by a negligent (fahrlässig) breach of any material contractual obligation (vertragswesentliche Pflicht) by the Lessor or (ii) damages to persons (Personenschäden). Material contractual obligations (vertragswesentliche...
Pflichten) are any obligations whose fulfilment is necessary for the proper execution of the contract and whose observance contractual partners regularly rely upon.

The provisions of this Sub-Clause 16.2 (No Recourse) shall survive the termination of this Agreement.

17 SUBMISSION TO JURISDICTION

With respect to any suit, action, dispute or proceedings relating to this Agreement, each party irrevocably submits to the exclusive jurisdiction of the courts of Frankfurt am Main, and agrees that the courts of Frankfurt am Main are the most appropriate and convenient courts to settle any suit, action, dispute or proceedings and accordingly no party will be able to argue to the contrary.

18 GOVERNING LAW

This Agreement is governed by, and shall be construed in accordance with, the laws of the Federal Republic of Germany (excluding its conflict of law rules). Any non-contractual rights and obligations arising out of or in connection with this Agreement shall also be governed by, and construed in accordance with, the laws of the Federal Republic of Germany.

19 NOTICES

Unless otherwise specified herein, all notices, communications, requests, instructions and demands by any Party hereto to another shall be delivered in accordance with the provisions of Clause 3 of the Master Definitions and Construction Agreement and Clause 22 (Notices) of the German Security Trust Deed.

20 ENTIRE AGREEMENT

This Agreement and the other agreements specifically referenced herein constitute the entire agreement among the parties hereto and supersede any prior understandings, agreements, or representations by or among the parties hereto, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement, together with the Manufacturer Programs, the Lease Vehicle Acquisition Schedules, the Intra-Lease Lessee Transfer Schedules and any other related documents attached to this Agreement (including, for the avoidance of doubt, all related joiners, exhibits, annexes, schedules, attachments and appendices), in each case solely to the extent to which such Manufacturer Programs, schedules and documents relate to Lease Vehicles will constitute the entire agreement regarding the leasing of Lease Vehicles by the Lessor to each Lessee.

21 MODIFICATION AND SEVERABILITY

The terms of this Agreement will not be waived, altered, modified, amended, supplemented or terminated in any manner whatsoever unless the same shall be in writing and signed and delivered by the Lessor, the Servicer, the German Security Trustee and each Lessee, subject to any restrictions on such waivers, alterations, modifications, amendments, supplements or terminations set forth in the German Facility Agreement. The right of a Party to terminate this Agreement for just cause (Kündigung aus wichtigem Grund) shall remain unaffected. If any part of this Agreement is not valid or enforceable according to law, all other parts will remain enforceable. For the avoidance of doubt, the execution and/or delivery (where relevant) of and/or performance under any Affiliate Joiner in Lease, Lease Vehicle Acquisition Schedule or Intra-Lease Lessee Transfer Schedule shall not constitute a waiver, alteration, modification, supplement or termination to or of this Agreement.

22 SURVIVABILITY

In the event that, during the term of this Agreement, any Lessee becomes liable for the payment or reimbursement of any obligations, claims or taxes pursuant to any provision hereof, such liability
will continue, notwithstanding the expiration or termination of this Agreement, until all such amounts are paid or reimbursed by or on behalf of such Lessee.

23[RESERVED]

24COUNTERPARTS

This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute one and the same Agreement.

25ELECTRONIC EXECUTION

This Agreement (including, for the avoidance of doubt, any joinder, schedule, annex, exhibit or other attachment hereto) may be transmitted and/or signed by facsimile or other electronic means (i.e., a “pdf” or “tiff”). The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each party hereto. The words “execution,” “signed,” “signature,” and words of like import in this Agreement (including, for the avoidance of doubt, any joinder, schedule, annex, exhibit or other attachment hereto) or in any amendment or other modification hereof (including, without limitation, waivers and consents) shall include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be.

26LESSEE TERMINATION AND RESIGNATION

With respect to any Lessee except for German OpCo, upon such Lessee (the “Resigning Lessee”) delivering irrevocable written notice to the Lessor, the Servicer and the German Security Trustee that such Resigning Lessee desires to resign its role as a Lessee hereunder (such notice, substantially in the form attached as Exhibit A hereto, a “Lessee Resignation Notice”), such Resigning Lessee shall immediately cease to be a Lessee hereunder, and, upon such occurrence, event or condition, the Lessor, the Servicer, the German Security Trustee and the other Lessees hereby (subject to discharge by the Resigning Lessee of its obligations pursuant to this Clause 26) release, waive, acquit and discharge such Resigning Lessee and such Resigning Lessee’s directors, officers, employees, managers, shareholders and members of and from any and all claims, expenses, damages, costs and liabilities arising or accruing in relation to such Resigning Lessee on or after the delivery of such Lessee Resignation Notice to the Lessor, the Servicer and the German Security Trustee (the time of such delivery, the “Lessee Resignation Notice Effective Date”); provided that, as a condition to such release and discharge, the Resigning Lessee shall pay to the Lessor all payments due and payable with respect to each Lease Vehicle leased by Resigning Lessee hereunder, including without limitation any payment listed under Sub-Clause 4.7.1 and 4.7.2 (Payments), as applicable to each such Lease Vehicle, as of the Lessee Resignation Notice Effective Date; provided further that, the Resigning Lessee shall return or reallocate all Lease Vehicles at the direction of the Servicer in accordance with Sub-Clause 2.4 (Return); provided further that, with respect to any Resigning Lessee, such Resigning Lessee shall not be released or otherwise relieved under this Clause 26 (Lessee Termination and Resignation) from any claim, expense, damage, cost or liability arising or accruing prior to the Lessee Resignation Notice Effective Date with respect to such Resigning Lessee.

27THIRD-PARTY RIGHTS

Other than the Issuer Security Trustee (and the Noteholders and their assigns), for whose benefit this Agreement is made, any Person who is not a party to this Agreement and, for the avoidance of doubt, the parties hereto agree that this Agreement shall not in any way be construed as a contract for the benefit or protection of third parties (Vertrag zu Gunsten/mit Schutzwirkung zu Gunsten Dritter).
29 GOVERNING LANGUAGE

This Agreement is in the English language. If this Agreement is translated into another language, the English text prevails, save that words in German used in this Agreement and having specific legal meaning under German law will prevail over the English translation.

30 POWER OF ATTORNEY

If an entity incorporated in Germany is represented by an attorney or attorneys in connection with the signing, execution or delivery (where relevant) of this Agreement or any document, agreement or deed referred to herein or made pursuant hereto, the relevant power of attorney is expressed to be governed by the laws of Germany and it is hereby expressly acknowledged and accepted by the other parties that such laws shall govern the existence and extent of such attorney’s or attorneys’ authority and the effects of the exercise thereof.

31 RESCISSION OR NULLIFICATION OF THIS AGREEMENT

Without prejudice to any other provision hereof, if one or more provisions hereof is or becomes invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, or if any party becomes aware of any omission (Vertragslücke) hereto of any terms which were intended to be included in this Agreement, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party or parties or such omission (Vertragslücke) shall not, to the fullest extent permitted by applicable law, render invalid, illegal or unenforceable such provision or provisions in any other jurisdiction or with respect to any other party or parties hereto. Such invalid, illegal or unenforceable provision or such omission (Vertragslücke) shall be replaced by the parties with a provision which comes as close as reasonably possible to the commercial intentions of the invalid, illegal or unenforceable or omitted provision.

[Reserved]
1 PROVISIONS TO BE APPLIED TO ALL VEHICLE PURCHASING AGREEMENTS TO BE ENTERED INTO BY GERMAN FLEETCO OR GERMAN OPCO

Each Vehicle Purchasing Agreement will in substance satisfy the following contractual requirements:

1.1 Parties

Each Vehicle Purchasing Agreement will satisfy the following criteria:

(a) the rights and obligations of each of German FleetCo and German OpCo shall in all cases be several and not joint (nicht gesamtschuldnerisch); and

(b) German FleetCo shall not under any circumstances have any liability for the obligations of German OpCo arising under or in connection with such agreement.

1.2 Confidentiality

(a) Each Vehicle Purchasing Agreement will provide that, subject only as provided in sub-paragraph (b) below, none of German FleetCo, German OpCo or the Supplier may disclose the terms of such agreement to any third party (other than their Affiliates, agents and professional advisors, and the agents and professional advisors of their Affiliates) without the prior written consent of:

(i) in the case of disclosure by German FleetCo or German OpCo, the Supplier; and

(ii) in the case of disclosure by the Supplier, German FleetCo and German OpCo,

provided always that such prohibition on disclosure shall not apply to any disclosure in accordance with any requirement of or direction by any regulatory body or authority or as otherwise required by applicable law.

(a) Each Vehicle Purchasing Agreement will permit German FleetCo to disclose any term of the agreement in connection with any proposed issue of securities which is secured, directly or indirectly, on any Relevant Vehicle or German FleetCo’s rights under the agreement (each, a “Finance Transaction”):

(i) to any Affiliate of German Fleetco or any issuer, security trustee, lead manager or arranger (or any person appointed in a similar role), rating agency, servicer (debt service manager), monoline insurer or any other person providing credit support or enhancement for a proposed Finance Transaction, as well as their agents, professional advisors and Affiliates; provided that any person to whom disclosure is made under this sub-paragraph (i) shall be under a duty of confidentiality in connection with such information;

(ii) to any regulatory body or authority in accordance with any requirement of or direction by these authorities; and

(iii) (other than in relation to any Initial Purchase Price, Repurchase Price or any requirement in relation to the number of Relevant Vehicles required to be purchased by German OpCo pursuant to the agreement) pursuant to any prospectus, preliminary prospectus or investor presentation prepared in connection with a proposed Finance...
1.3 Volume Rebates etc.

A Vehicle Purchasing Agreement may provide that any bonus payment or other amount (howsoever described) payable or to be made available by a Manufacturer /Dealer as a result of German FleetCo (or German FleetCo and/or German OpCo (and/or any other relevant Affiliate of The Hertz Corporation) under such Vehicle Purchasing Agreement and/or any German OpCo Specific Agreement, as applicable) meeting any minimum vehicle purchase level in that relevant year, be payable to or for the account of German OpCo (rather than German FleetCo). For the avoidance of doubt, German FleetCo may however take the benefit of reductions applied to purchase prices applicable to vehicles as a result of any such minimum vehicle purchase levels being reached.

Notwithstanding the foregoing where a Vehicle Purchasing Agreement provides that in the event that any minimum vehicle purchase level in the relevant year is not met:

(a) any bonus, payment, benefit or reductions applied to purchase prices on Vehicles purchased by German FleetCo or other amount (howsoever described) is recoverable by or repayable to a Manufacturer /Dealer; or

(b) any penalty or other amount (howsoever described) is payable to such Manufacturer /Dealer,

such Vehicle Purchasing Agreement shall provide that, in each case, such amounts will only be reclaimed from, payable by, or otherwise recoverable from German OpCo or another Affiliate of The Hertz Corporation other than German FleetCo.

1.4 Non-petition

Each Vehicle Purchasing Agreement will contain an irrevocable and unconditional covenant and undertaking given by the relevant Supplier that, until 01.01.2020, such Supplier shall not petition or take any step for:

(a) the liquidation, insolvency or any similar or analogous proceedings or circumstances of German FleetCo; or

(b) the appointment of an insolvency officer in relation to German FleetCo or any of its assets,

provided that the aforementioned limitations shall not apply in respect of liabilities for (i) damages caused intentionally or by gross negligence (grobe Fahrlässigkeit) or by a negligent (fahrlässig) breach of any material contractual obligation (vertragswesentliche Pflicht) by German FleetCo or (ii) damages to persons (Personenschäden). Material contractual obligations (vertragswesentliche Pflichten) are any obligations whose fulfilment is necessary for the proper execution of the contract and whose observance contractual partners regularly rely upon.

1.5 Limited recourse

Each Vehicle Purchasing Agreement will contain an irrevocable and unconditional covenant and undertaking given by the relevant Supplier that, until 01.01.2020, such Supplier shall not take any step for any legal proceedings to recover any amount owed to it by German FleetCo under the relevant Vehicle Purchasing Agreement, provided that the aforementioned limitations shall not apply in respect of:

(a) liabilities for (i) damages caused intentionally or by gross negligence (grobe Fahrlässigkeit) or by a negligent (fahrlässig) breach of any material contractual obligation (vertragswesentliche Pflicht) by German FleetCo or (ii) damages to persons
Personenschäden. Material contractual obligations (vertragswesentliche Pflichten) are any obligations whose fulfilment is necessary for the proper execution of the contract and whose observance contractual partners regularly rely upon; and

(b) legal proceedings against German FleetCo to the extent that the only relief sought against German FleetCo pursuant to such proceedings is the re-possession of a Relevant Vehicle pursuant to applicable retention of title provisions provided for under the relevant Vehicle Purchasing Agreement.

1.6 Assignment

(a) Each Vehicle Purchasing Agreement will contain terms that permit both German FleetCo and the Supplier to assign or pledge their respective rights under such agreement or (with regard to the Supplier) any other vehicle purchase contract without the need to obtain the consent of each other or a third party.

(b) The Vehicle Purchasing Agreements will not permit German FleetCo or the Supplier to transfer any of its respective obligations thereunder without the prior written consent of each other party to the agreement.

1.7 Termination provisions

Each Vehicle Purchasing Agreement will entitle the parties to terminate such agreement subject to and in accordance with the terms thereof, provided that the Supplier shall not at any time be entitled to terminate its repurchase obligations in relation to any Relevant Vehicle (each an "Repurchase Obligation", together the "Repurchase Obligations") which has previously been shipped to or to the order of German FleetCo, provided further that the provisions of paragraph 1.5 (Non-petition), 1.6 (Limited recourse) and 2.1 (Set-off) shall survive termination of a Vehicle Purchasing Agreement. The right of any party to terminate any Vehicle Purchasing Agreement for just cause (Kündigung aus wichtigem Grund) shall remain unaffected.

2 PROVISIONS TO BE APPLIED TO ALL MANUFACTURER PROGRAMS TO BE ENTERED INTO BY A GERMAN FLEETCO

Each Manufacturer Program will in substance satisfy the following additional contractual requirements:

2.1 Set-off

(a) Subject to paragraph 2.1(b) below, Manufacturer Programs may provide that the Supplier may set off amounts owed by it to German FleetCo against amounts owed to it by German FleetCo or by German OpCo under that Manufacturer Program or any other Vehicle Purchasing Agreement which have been finally adjudicated (rechtstrafrechtlich festgestellt) or which are uncontested (unbestritten) by German FleetCo or German OpCo, respectively.

(b) Each Manufacturer Program will provide that the Supplier may not, however, set off any other amounts owed to it by German OpCo (including unpaid Initial Purchase Price in relation to Vehicles, including Relevant Vehicles, delivered to or to the order of German OpCo, or ordered by the German OpCo) against amounts owed by the Supplier to German FleetCo (in particular, any amounts in respect of the Repurchase Price) under that Manufacturer Program or any other Vehicle Purchasing Agreement, save and except in relation to any Manufacturer Program with Daimler AG and/or any of their respective Affiliates or successors or any corporation into which such entities may be merged or converted or with which they may be consolidated or any corporation resulting from any merger, conversion or consolidation of such entities ("Daimler Entities") or any Dealers or agents (or Affiliates or successors thereof) selling Vehicles manufactured or purchased from the Daimler Entities.
if such Manufacturer Program does not provide for waiver of set-off in accordance with this paragraph, in which case such amounts may be reclaimed from, payable by, or otherwise recoverable from German FleetCo.

(c) Manufacturer Programs will provide that German FleetCo may set off any amount owed by the Supplier to it against any amount owed by German FleetCo to the Supplier.

### 2.2 Repurchase Obligations

The Manufacturer Program will provide that the Repurchase Obligations are unconditional and irrevocable obligations of the Supplier, subject only to the fulfilment of:

(a) any applicable procedures or requirements, including any minimum or maximum holding periods set out in the Vehicle Purchasing Agreement and required to be followed by German FleetCo (or its agents, if any) in relation to the Repurchase Obligations; and

(b) any applicable provisions or eligibility criteria set out in the Vehicle Purchasing Agreement requiring Relevant Vehicles to meet specified condition standards or eligibility criteria in relation to the Repurchase Obligations.

Without limiting the generality of the foregoing, no Manufacturer Program may provide that the obligations of the Supplier thereunder are conditional upon German FleetCo, German OpCo or any other person, individually or in aggregate, purchasing any minimum number of Vehicles or meeting any other minimum threshold level over or within any period or the solvency of German FleetCo, German OpCo or any other Affiliate of German FleetCo. The Repurchase Obligations shall not lapse under any circumstances in the case of an insolvency of German OpCo.

### 2.3 Retention of title

The Manufacturer Program will provide that:

(a) the Supplier shall retain title to the Relevant Vehicle until the time of payment of the Initial Purchase Price for such Vehicle by either German OpCo or German FleetCo to the Supplier; and

(b) title to the Relevant Vehicle shall not pass to the Supplier until the time of payment of the Repurchase Price for such Vehicle by the Supplier (or if specified by the Supplier at the time of payment, by a third party), following which title to the Relevant Vehicle shall automatically pass to the Supplier.

THE PARTIES HEREBY AGREE AS FOLLOWS

1 DEFINITIONS AND CONSTRUCTION

1.1 Definitions

Except as otherwise defined herein, capitalized terms used herein shall have the meanings assigned to such terms in the master definitions and constructions agreement signed by, amongst others, the parties hereto dated the Signing Date as amended, modified or supplemented from time to time (the “Master Definitions and Constructions Agreement”). All Clause, Sub-Clause or paragraph references herein shall refer to clauses, sub-clauses or paragraphs of this Agreement, except as otherwise provided herein.
1.2 Rules of Construction

(a) In this Agreement, including the preamble, recitals, attachments, schedules, annexes, exhibits and joinders hereto unless the context otherwise requires, words and expressions used have the constructions ascribed to them in Clause 2 (Principles of Interpretation and Construction) of the Master Definitions and Constructions Agreement.

(b) If any obligations of a party to this Agreement or provisions of this Agreement are subject to or contrary to any mandatory principles of applicable law, compliance with such obligations and/or provisions of this Agreement shall be deemed to be subject to such mandatory principles (or waived) to the extent necessary to be in compliance with such law.

(c) In this Agreement, the term “sub-lease” means any underlease, sub-lease, license or mandate in relation to the use of a Lease Vehicle between a Lessee, as lessor, and a sub-lessee, as lessee but does not include, for the avoidance of doubt, any arrangements and normal business operations involving the ultimate return of Lease Vehicles from locations not operated by a Lessee to drop locations of such Lessee (and ancillary use or transportation of such Lease Vehicles in relation thereto).

(d) Words in Spanish used in this Agreement and having a specific legal meaning should prevail over the English translation.

1.3 Scope of Agreement

The parties hereto acknowledge that this Agreement is only being entered into in connection with the Vehicles purported to be leased pursuant to this Agreement, the Spanish Collateral and the Spanish Related Documents and that there is a separate Dutch Master Lease being entered into between, inter alios, Dutch FleetCo and Dutch OpCo in connection with the Dutch Vehicles, Dutch Collateral and the Dutch Related Documents.

1.4 Effectiveness

The parties hereto acknowledge and agree that the rights and obligations under this Agreement shall become effective at the Effective Time.

2 NATURE OF AGREEMENT

(a) Each Lessee and the Lessor intend that this Agreement is a lease and that the relationship between the Lessor and each Lessee pursuant to this Agreement shall always be only that of a lessor and a lessee, and each Lessee hereby declares, acknowledges and agrees that the Lessor is the owner of the Lease Vehicles, and legal title to the Lease Vehicles is held by the Lessor. No Lessee shall acquire by virtue of this Agreement any right, equity, title or interest in or to any Lease Vehicles, except the leasehold interest established by this Agreement. The parties agree that this Agreement is a lease on arm’s length terms and agree to treat the leasehold interest established by this Agreement as a lease for all purposes, including accounting, regulatory and otherwise.

(b) [Reserved]

2.1 Lease of Vehicles

(a) Purchase of Existing Fleet from Spanish OpCo.

(i) On the Closing Date, (A) Spanish OpCo shall transfer to Spanish FleetCo all Vehicles to which it has legal title as of the Closing Date and (B) Spanish FleetCo shall accede to all Vehicle Purchasing Agreements to which Spanish OpCo is
party as of the Closing Date and shall be bound by the terms and provisions of such Vehicle Purchasing Agreements as if it were an original party thereto.

(ii) On the Closing Date and subject to the terms and provisions hereof, (A) the Lessor shall lease to each Lessee and (B) each Lessee shall lease from the Lessor, in each case, all Vehicles transferred pursuant to Sub-Clause 2.1(a)(i) above.

(iii) The capitalized cost of the Vehicles transferred pursuant to Sub-Clause 2.1(a)(i) above shall be the aggregate Net Book Value of such Vehicles as at the Closing Date.

(b) Agreement to Lease. From time to time, subject to the terms and provisions hereof (including satisfaction of the conditions precedent set forth in Sub-Clause 2.1(c) (Conditions Precedent to Lease of Lease Vehicles)), the Lessor agrees to lease to each Lessee, and each Lessee agrees to lease from the Lessor those certain Lease Vehicles identified on Lease Vehicle Acquisition Schedules and Intra-Lease Lessee Transfer Schedules produced from time to time by or on behalf of such Lessee pursuant to Sub-Clausess 2.1(d) (Lease Vehicle Purchases and Lease Vehicle Acquisition Schedules) and 2.2(b) (Intra-Lease Transfers), respectively.

(c) Conditions Precedent to Lease of Lease Vehicles. The agreement of the Lessor to commence leasing any Lease Vehicle to any Lessee hereunder is subject to the following conditions precedent being satisfied at the time the Lessor orders such Lease Vehicles:

(i) No Default. No Lease Event of Default shall have occurred and be continuing on the Vehicle Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder, and no Potential Lease Event of Default with respect to any event or condition specified in Sub-Clause 9.1.1 (Events of Default), Sub-Clause 9.1.5 (Events of Default) or Sub-Clause 9.1.8 (Events of Default) shall have occurred and be continuing on the Vehicle Lease Commencement Date for such Lease Vehicle or would result from the leasing of such Lease Vehicle hereunder;

The representations and warranties contained in Clause 7 (Certain Representations and Warranties) are true and correct in all material respects (unless any such representation or warranty contains a materiality limitation by its terms, in which case such representation or warranty shall be true and correct) as of such date (unless any such representation or warranty by its terms makes reference to a specific date, in which case, such representation or warranty shall be true and correct for such specific date);

(iv) Eligible Vehicle. Such Lease Vehicle is an Eligible Vehicle or in the case of any Credit Vehicle will be an Eligible Vehicle following payment of the purchase price in respect thereof;

(v) Vehicle Purchasing Agreement. Such Lease Vehicle has been ordered in accordance with the terms of the relevant Vehicle Purchasing Agreement;

(vi) Lease Expiration Date. The Lease Expiration Date has not occurred; and

(vii) Payment. If such Lease Vehicle was purchased by Spanish FleetCo on non-credit terms, Spanish FleetCo has paid in full the purchase price for such Lease Vehicle and if such Lease Vehicle was purchased on credit terms by Spanish
Lease Vehicle Purchases and Lease Vehicle Acquisition Schedules

(i) Each Lessee may from time to time request that the Lessor acquires vehicles for the purpose of leasing such vehicles in accordance with the terms of this Agreement. The Lessor may, in its absolute discretion, and provided that the conditions precedent in Clause 2.1(c) (Conditions Precedent to Lease of Lease Vehicles) above have been satisfied or waived, order the relevant vehicles in accordance with the terms of the relevant Vehicle Purchasing Agreement. Each Lessee shall deliver or cause to be delivered to the Lessor one or more schedules identifying the vehicles which the Lessor has acquired pursuant to a Vehicle Purchasing Agreement following a request by such Lessee, which schedules shall include the Basic Lease Vehicle Information (each such schedule, a “Lease Vehicle Acquisition Schedule”). Each Lessee hereby agrees that each such delivery of a Lease Vehicle Acquisition Schedule shall be deemed hereunder to constitute a representation and warranty by such Lessee, to and in favor of the Lessor, that each condition precedent to the leasing of the Lease Vehicles identified in such Lease Vehicle Acquisition Schedule has been satisfied as of the date of such delivery.

(ii) During the period from the Vehicle Lease Commencement Date in respect of a Lease Vehicle to the date that such Lease Vehicle is first identified on a Lease Vehicle Acquisition Schedule, the existence of a lease between the Lessor and a Lessee in respect of that Lease Vehicle shall be evidenced and determined by reference to the records of the Lessor (which such records shall be held to be correct for all purposes unless manifestly erroneous).

(iii) The Lease Vehicle Acquisition Schedule for each Lease Vehicle to be leased hereunder on the Closing Date shall be substantially in the form as set out in Schedule VI (Form of Initial Lease Vehicle Acquisition Schedule).

(e) Lease Vehicle Acceptance or Non-conforming Lease Vehicle Rejection.

(i) Subject to Sub-Clause 2.1(e)(ii) below, with respect to any vehicle identified on a Lease Vehicle Acquisition Schedule and made available for lease by the Lessor to any Lessee, such Lessee shall have the right to inspect such vehicle within five (5) days of receipt (or such shorter period as may be contemplated under the applicable Vehicle Purchasing Agreement) (the “Inspection Period”) of such vehicle and either accept or, if such vehicle is a Non-conforming Lease Vehicle, reject such vehicle; provided that, such Lessee shall be deemed to have accepted such vehicle as a Lease Vehicle unless it has notified the Lessor in writing that such vehicle is a Non-conforming Lease Vehicle during the Inspection Period (the delivery date of such written notice, the “Rejection Date”). If such Lessee timely notifies the Lessor that such Vehicle is a Non-conforming Lease Vehicle, then such Non-conforming Lease Vehicle with respect to which such Lessee has so notified the Lessor shall be a “Rejected Vehicle”.

(ii) Notwithstanding Sub-Clause 2.1(e)(i) above, a Lessee will only be entitled to reject any Lease Vehicle delivered to it by or on behalf of the Lessor (A) if the Lessor is itself entitled to reject such Lease Vehicle under the relevant Vehicle Purchasing Agreement pursuant to which such Vehicle was ordered and (B) subject to the same conditions (to the extent applicable) as to rejection as may be applicable to the Lessor under the relevant Vehicle Purchasing Agreement in respect of such Vehicle.
(iii) The Lessor shall cause the Servicer to dispose of a Rejected Vehicle described in sub-paragraph (i) above (including by returning such Rejected Vehicle to the seller thereof in accordance with the terms of the applicable Vehicle Purchasing Agreement) in accordance with Sub-Clause 6.2 (Servicer Functions with Respect to Lease Vehicle Returns, Disposition and Invoicing).

2.2 Certain Transfers

(a) Sales to Lessee. The Lessor may sell a Lease Vehicle during such Lease Vehicle’s Vehicle Term to the relevant Lessee for an amount equal to the net book value under GAAP of such Lease Vehicle, and in any event, subject to compliance with arm’s length principles.

(b) Intra-Lease Transfers. From time to time, a particular Lessee (the “Transferor Lessee”) may desire to cease leasing a Lease Vehicle hereunder and another Lessee (the “Transferee Lessee”) may desire to commence leasing such Lease Vehicle hereunder. Upon delivery by such Lessees to the Lessor of written notice identifying by VIN each Lease Vehicle to be so transferred from such Transferor Lessee to such Transferee Lessee (such notice, an “Intra-Lease Lessee Transfer Schedule”), each Lease Vehicle identified in such Intra-Lease Lessee Transfer Schedule shall cease to be leased by the Transferor Lessee and shall contemporaneously commence being leased to the Transferee Lessee, provided that such transfer does not result in the breach of any prescribed limits relating to Lease Vehicles set out in the Related Documents. Each Lessee agrees that upon such a transfer of any Lease Vehicle from one Lessee to another Lessee pursuant to this Agreement, such Transferor Lessee relinquishes all rights that it has in such Lease Vehicle pursuant to this Agreement. Each Intra-Lease Lessee Transfer Schedule may be delivered electronically and may be delivered directly by either the applicable Transferor Lessee or the applicable Transferee Lessee or on behalf of either such party by any agent or designee of such party.

2.3 [Reserved]

2.4 Return

(a) Lessee Right to Return. Any Lessee may return any Lease Vehicle (other than any Lease Vehicle that has experienced a Casualty or become an Ineligible Vehicle) then leased by such Lessee at any time prior to such Lease Vehicle’s Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer; provided that, for the avoidance of doubt, the Vehicle Term for such Lease Vehicle will continue until the Vehicle Lease Expiration Date thereof, notwithstanding the prior return of such Lease Vehicle pursuant to this Sub-Clause 2.4(a) (Lessee Right to Return).

(b) Lessee Obligation to Return. Each Lessee shall return each Lease Vehicle leased by such Lessee on or prior to such Lease Vehicle’s Maximum Lease Termination Date to the Servicer at the location for such Lease Vehicle’s return reasonably specified by the Servicer (taking into account transportation costs and expected realizable disposition proceeds).
Redesignation of Vehicles

(a) Mandatory Program Vehicle to Non-Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, the Lessor shall on the date specified in Sub-Clause 2.5(d) (Timing of Redesignations) redesignate such Lease Vehicle as a Non-Program Vehicle, if:

(i) a Manufacturer Event of Default is continuing with respect to the Manufacturer of such Lease Vehicle as of such date; or

(ii) as of any such date occurring after the Minimum Program Term End Date with respect to such Lease Vehicle, such Lease Vehicle was returned as of such date pursuant to the terms of the Manufacturer Program with respect to such Lease Vehicle, the Manufacturer of such Lease Vehicle would not be obligated to pay a repurchase price for such Lease Vehicle, or guarantee the disposition proceeds to be received for such Vehicle, in each case in an amount at least equal to (1) the Net Book Value of such Lease Vehicle, as of such date, minus (2) the Final Base Rent that would be payable in respect of such Lease Vehicle, assuming that such date were the Disposition Date for such Lease Vehicle, minus (3) the Excess Mileage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (4) the Excess Damage Charges with respect to such Lease Vehicle, that would be applicable as of such date, assuming that such date were the Disposition Date, minus (5) the Pre-VLCD Program Vehicle Depreciation Amount paid or payable with respect to such Lease Vehicle, as of such date, minus (6) the Program Vehicle Depreciation Assumption True-Up Amount paid or payable with respect to such Lease Vehicle, as of such date.

(b) Optional Program Vehicle to Non-Program Vehicle Redesignations. In addition to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) and without limitation thereto, with respect to any Lease Vehicle that is a Program Vehicle leased by any Lessee hereunder as of any date of determination, such Lessee may redesignate such Lease Vehicle as a Non-Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee shall not redesignate any Program Vehicle as a Non-Program Vehicle pursuant to this Sub-Clause 2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations) if, after giving effect to such redesignation, an Aggregate Asset Amount Deficiency would exist, unless such redesignation would decrease the amount of such Aggregate Asset Amount Deficiency.

(c) Non-Program Vehicle to Program Vehicle Redesignations. With respect to any Lease Vehicle that is a Non-Program Vehicle leased by any Lessee hereunder as of any date of determination, if such Lease Vehicle was previously designated as a Program Vehicle, then such Lessee may redesignate such Lease Vehicle as a Program Vehicle upon written notice to the Lessor (which written notice may be delivered electronically and may be delivered directly by such Lessee or on its behalf by any agent or designee of such Lessee); provided that, such Lessee may not redesignate any such Lease Vehicle as a Program Vehicle if such Lease Vehicle would then be required to be redesignated as a Non-Program Vehicle pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) after designating such Lease Vehicle as a Program Vehicle.

(d) Timing of Redesignations. With respect to any redesignation to be effected pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations), such redesignation shall occur as of the first calendar day of the calendar month following the date on which the applicable event or condition described in Sub-Clause 2.5(a)(i) or (ii) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) occurred.

(e) Program Vehicle to Non-Program Vehicle Redesignation Payments. With respect to any Lease Vehicle that is redesignated as a Non-Program Vehicle pursuant to Sub-Clause 2.5(a) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations) or Sub-Clause 2.5(b) (Optional Program Vehicle to Non-Program Vehicle Redesignations), the Lessee of such Lease Vehicle as of the close of business on the date of such redesignation shall pay to the Lessor on the Payment Date following the effective date of such redesignation, as determined in accordance with Sub-Clause 2.5(d) (Timing of Redesignations), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle over the Market Value of such Lease Vehicle, in each case, as of the date of such redesignation (such excess, if any, for such Lease Vehicle, a “Redesignation to Non-Program Amount”).

(f) Non-Program Vehicle to Program Vehicle Redesignation Payments. With respect to any Lease Vehicle that is redesignated as a Program Vehicle pursuant to Sub-Clause 2.5(c) (Non-Program Vehicle to Program Vehicle Redesignations), the Lessor shall pay to the Lessee of such Lease Vehicle on the Payment Date following the effective date of such redesignation, as determined in accordance with Sub-Clause 2.5(d) (Timing of Redesignations), an amount equal to the excess, if any, of the Net Book Value of such Lease Vehicle (as of the date of such redesignation and calculated assuming that such Lease Vehicle had never been designated as a Non-Program Vehicle) over the Net Book Value of such Lease Vehicle (as of the date of such redesignation but without giving effect to such Lease Vehicle’s redesignation as a Program Vehicle) (such excess, if any, for such Lease Vehicle and such redesignation, the “Redesignation to Program Amount”); provided that,

(i) no payment shall be required to be made and no payment may be made by the Lessor pursuant to this Sub-Clause 2.5(f) (Non-Program Vehicle to Program Vehicle Redesignation Payments) to the extent that an Amortization Event or a Potential Amortization Event exists or would be caused by such payment;

(ii) the amount of any such payment to be made by the Lessor on any such date shall be capped at and be paid from (and the obligation of the Lessor to make such payment on such date shall be limited to) the amount of funds available to the Lessor on such date; and

(iii) if any such payment from the Lessor is limited in amount pursuant to the foregoing paragraph (i) or (ii), the Lessor shall pay to such Lessee the funds available to the Lessor on such Payment Date and shall pay to such Lessee on each Payment Date thereafter the amount available to the Lessor until such Redesignation to Program Amount has been paid in full to such Lessee.

Each Lessee's obligation to pay all rent and other sums hereunder shall be absolute and unconditional, and shall not be subject to any abatement, setoff (except as required under Sub-Clause 4.8(f) below), counterclaim, deduction or reduction for any reason whatsoever. The obligations and liabilities of each Lessee hereunder shall in no way be released, discharged or otherwise affected (except as may be expressly provided herein) for any reason, including without limitation:

(x) any insurance premiums payable by such Lessee with respect to the Lease Vehicles; or

(xi) any other occurrence whatsoever, whether similar or dissimilar to the foregoing, whether or not such Lessee shall have notice or knowledge of any of the foregoing and whether or not foreseen or foreseeable.

This Agreement shall not be cancellable by any Lessee (subject to Clause 26 (Lessee Termination and Resignation)) and, except as expressly provided by this Agreement, each Lessee, to the extent permitted by law, waives all rights now or hereafter conferred by statute or otherwise to quit, terminate or surrender this Agreement, or to any diminution or reduction of Rent or other amounts payable by such Lessee hereunder. All payments by each Lessee made hereunder shall be final (except to the extent of adjustments provided for herein), absent manifest error and, except as otherwise provided herein, no Lessee shall seek to recover any such payment or any part thereof for any reason whatsoever, absent manifest error. On the second day of each calendar month, each Lessee shall deliver to the Servicer a list containing each Lease Vehicle leased by such Lessee that suffered a Casualty or became an Ineligible Vehicle in the preceding calendar month (each such list, a "Monthly Casualty Report"). Each such delivery may be satisfied by the applicable Lessee posting such Monthly Casualty Report to a password protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by e-mail, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee. (iii) If any Lessee is required by law to make a Tax Deduction, the amount of the payment due by such Lessee shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due to the payee if no Tax Deduction had been required.

(iv) If any Lessee is required to make a Tax Deduction, such Lessee shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

With respect to any Lease Vehicles subleased pursuant to this Sub-Clause 5.2.2 (Vehicle Use) that meet the conditions of both the preceding paragraphs (A) and (B), as of any date of determination, the Servicer will determine which such Lease Vehicles shall count towards the calculation of the percentage of aggregate Net Book Value in which of the preceding paragraphs (A) or (B) as of such date; provided that, no such individual Lease Vehicle shall count towards the calculation of the percentage of aggregate Net Book Value with respect to both paragraphs (A) and (B) as of such date.

On the first day of each calendar month, each Lessee shall deliver to the Servicer a list identifying each Lease Vehicle subleased by such Lessee pursuant to the preceding paragraphs (A) and (B) and the sublessee of each such Lease Vehicle, in each case, as of the last day of the immediately preceding calendar month, each of which deliveries may be satisfied by the applicable Lessee posting such list to a password protected website made available to the Servicer or by any other reasonable means of electronic transmission (including by e-mail, file transfer protocol or otherwise) and may be so delivered directly by the applicable Lessee or on its behalf by any agent or designee of such Lessee.

The sublease of any Lease Vehicles permitted by this Clause 5 (Vehicle Operational Covenants) shall not release any Lessee from any obligations under this Agreement.

5.3 Non-Disturbance

With respect to any Lessee, so long as such Lessee satisfies its obligations hereunder, its quiet enjoyment, possession and use of the Lease Vehicles will not be disturbed during the Term subject, however, to Sub-Clause 6.1 (Servicer Functions with Respect to Lease Vehicle Returns, Disposition and Invoicing), Sub-Clause 8.6 (Preservation of rights) and Clause 8.6 (Default and Remedies Therefor) hereof and except that the Lessor and the Spanish Security Trustee each retain the right, but not the duty, to inspect the Lease Vehicles leased by such Lessee without disturbing such Lessee’s business.

5.4 Manufacturer’s Warranties

If a Lease Vehicle is covered by a Manufacturer’s warranty, the Lessee, during the Vehicle Term for such Lease Vehicle, shall have the right to make any claims under such warranty that the Lessor could make.

Upon the occurrence of any event or condition with respect to any Lease Vehicle that is then designated as a Program Vehicle that would reasonably be expected to result in a redesignation of such Lease Vehicle pursuant to Sub-Clause 2.5(a)(ii) (Mandatory Program Vehicle to Non-Program Vehicle Redesignations), the Lessee of such Lease Vehicle shall notify the Lessor and the Servicer of such event or condition in the normal course of operations.

Any permissive right of the Servicer contained in this Agreement shall not be construed as a duty.

6.3 Required Contractual Criteria

The Servicer shall, prior to the expiry of a Vehicle Purchasing Agreement to which Spanish FleetCo is a party, commence negotiations with the relevant Manufacturers and Dealers on behalf of Spanish FleetCo to renew such Vehicle Purchasing Agreement (where a renewal of the Vehicle Purchasing Agreement is sought) and in circumstances where entry into a Vehicle Purchasing Agreement with a new Manufacturer or Dealer is sought (subject to the conditions below) the Servicer shall negotiate the terms of such new Vehicle Purchasing Agreement on behalf of Spanish FleetCo including, without limitation, the Required Contractual Criteria (or seeking a waiver from the Spanish Security Trustee in relation to any deviations from the Required Contractual Criteria, provided that the Spanish Security Trustee shall not under any circumstance grant a waiver in respect of a deviation from the substance of paragraphs 1.5 and 1.6 of the Required Contractual Criteria). The Spanish Security Trustee shall grant a waiver in respect of any deviation from paragraph 1.3 of the Required Contractual Criteria such that the bonus payments or other amounts described in paragraph 1.3 of the Required Contractual Criteria are to be payable to or for the account of Spanish FleetCo, provided that each of the following requirements is met:

In addition to the duties enumerated in Sub-Clause 6.2 (Servicer Functions with Respect to Lease Vehicle Returns, Disposition and Invoicing) and 6.3 (Required Contractual Criteria), the Servicer agrees to perform each of its obligations hereunder in accordance with the Servicing Standard, unless otherwise stated.

In addition, where necessary to enable the Servicer to deliver the services hereunder, for such purposes the Lessor authorises the Servicer to process personal data on behalf of the Lessor in accordance with this Sub-Clause 6.4 (Servicing Standard and Data Protection). When the Servicer processes such personal data, the Servicer shall take appropriate technical and organisational measures designed to protect against unauthorised or unlawful processing or personal data and against accidental loss or destruction of, or damage to, personal data. In particular, the Servicer shall process personal data only for the purposes contemplated by this Agreement and shall act only on the instructions of the Lessor (given for such purposes) and shall comply at all times with the principles and provisions set out in the General Data Protection Regulation (EU) 2016/679 (and any subsequent amendments thereto) as if applicable to the Servicer directly and any other applicable laws. The Servicer shall answer the reasonable enquiries of the Lessor to enable the Lessor to monitor the Servicer’s compliance with this Sub-Clause 6.4 (Servicing Standard and Data Protection) and the Servicer shall not sub-contract its processing of personal data without the prior written consent of the Lessor.

(b) All payments required to be made by any party under this Agreement shall be calculated without reference to any set-off or counterclaim and shall be made free and clear of and without any deduction for or on account of any set-off or counterclaim, except that (i) any fees and expenses or other amounts due and payable by the Lessor to the Servicer shall be set-off against (ii) any amount owed by the Servicer in such capacity (or as Lessee) to the Lessor at such time under this Agreement.
6.7 Sub-Servicers

The Servicer may delegate to any Person (each such delegatee, in such capacity, a “Sub-Servicer”) the performance of part (but not all) of the Servicer’s obligations as Servicer pursuant to this Agreement on the condition that:

(a) the Servicer shall maintain up-to-date records of the Servicer’s obligations as Servicer which have been delegated to any Sub-Servicer, and such records shall contain the name and contact information of the Sub-Servicer;

(b) in delegating any of its obligations as Servicer to a Sub-Servicer, the Servicer shall act as principal and not as an agent of the Lessor and shall use reasonable skill and care in choosing a Sub-Servicer;

(c) the Servicer shall not be released or discharged from any liability under this Agreement, and no liability shall be diminished, and the Servicer shall remain primarily liable for the performance of all of the obligations of the Servicer under this Agreement;

(d) the performance or non-performance and the manner of performance by any Sub-Servicer of any of the obligations of the Servicer as Servicer shall not affect the Servicer’s obligations under this Agreement;

(e) any breach in the performance of the Servicer’s obligations as Servicer by a Sub-Servicer shall be treated as a breach of this Agreement by the Servicer, subject to the Servicer being entitled to remedy such breach for a period of fourteen (14) Business Days of the earlier of:

(i) the Servicer becoming aware of the breach; and

(ii) receipt by the Servicer of written notice from the Lessor or the Spanish Security Trustee requiring the same to be remedied; and

(f) neither the Lessor nor the Spanish Security Trustee shall have any liability for any act or omission of any Sub-Servicer and shall have no responsibility for monitoring or investigating the suitability of any Sub-Servicer.

(b) On the date hereof, the Servicer shall deliver or cause to be delivered to the Issuer Security Trustee and the Spanish Security Trustee the Servicer Records as of such date, which delivery may be satisfied by the Servicer posting, or causing to be posted, such Servicer Records to a password-protected website made available to the Spanish Security Trustee and the Lessor or by any other reasonable means of electronic transmission (including, without limitation, e-mail, file transfer protocol or otherwise).

(c) On each Business Day following the date hereof, the Servicer shall deliver or cause to be delivered to the Spanish Security Trustee a schedule listing all changes to the Servicer Records in respect of the foregoing Sub-Clauses 6.7(a) and (b) (Servicer Records and Servicer Reports) since the preceding Business Day (such schedule as delivered each Business Day, a “Servicer Report”), which delivery may be satisfied by the Servicer posting, or causing to be posted, such Servicer Report to a password-protected website made available to the Spanish Security Trustee and the Lessor or by any other
reasonable means of electronic transmission (including, without limitation, e-mail, file transfer protocol or otherwise).

Spanish FleetCo will grant immediately after the Closing Date and in any event within the following two Business Days after the Closing Date in favor of relevant persons within Spanish OpCo, the relevant power of attorney in substantially the form of Schedule V hereto, with faculties of delegation, so that they can bind Spanish FleetCo vis-à-vis third parties in relation to the service to be provided hereunder by the Servicer to Spanish FleetCo. Such power of attorney shall cease to have effect when the Servicer ceases to act as servicer under this Agreement or when the Lessor terminates such power of attorney.

6.10 Servicer’s agency limited

The Servicer shall have no authority by virtue of this Agreement to act for or represent Spanish FleetCo as agent or otherwise, save in respect of those functions and duties which it is expressly authorized to perform and discharge by this Agreement and for the period during which this Agreement so authorizes it to perform and discharge those functions and duties.

6.11 Resignation of Servicer

The Servicer may, by giving not less than fourteen (14) days’ written notice to Spanish FleetCo and the Spanish Security Trustee, resign as Servicer, provided that, other than where all amounts due and payable under the Spanish Facility Agreement are being repaid in full, a replacement Servicer satisfactory to Spanish FleetCo and the Spanish Security Trustee has been or will, simultaneously with the termination of the Servicer’s appointment under this Agreement, be appointed (it being understood that it is Spanish FleetCo’s obligation and not the Spanish Security Trustee’s obligation to negotiate and make such appointment).

6.12 Tax certificate

As established in article 43.1.(f) of the Spanish General Tax Law 58/2003, of 17 December, the Servicer shall provide the Lessor with the relevant certificate issued by the Spanish Tax Authorities once every twelve months confirming that the Servicer has no pending tax obligations. 9 DEFAULT AND REMEDIES THEREFOR

9.1 Events of Default

Any one or more of the following will constitute an event of default (a “Lease Event of Default”) as that term is used herein:

9.1.1 there occurs a default in the payment of any Rent or other amount payable by any Lessee under this Agreement that continues for a period of five (5) consecutive Business Days;

9.1.2 any unauthorized assignment or transfer of this Agreement by any Lessee occurs;

9.1.3 the failure of any Lessee to observe or perform any other covenant, condition, agreement or provision hereof, including, but not limited to, usage, and maintenance that in any such case has a Lease Material Adverse Effect, and such default continues for more than thirty (30) consecutive days after the earlier of the date written notice thereof is delivered by the Lessor or the Spanish Security Trustee to such Lessee or the date an Authorized Officer of such Lessee obtains actual knowledge thereof;

9.1.4 if (i) any representation or warranty made by any Lessee herein is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice, or other writing furnished by or on behalf of any Lessee to the Lessor or the Spanish Security Trustee is false or misleading on the date as of which the facts therein set forth are stated or certified, (ii) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (iii) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be, shall not have been eliminated or otherwise cured for thirty (30) consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the Spanish Security Trustee to the applicable Lessee and (y) the date an Authorized Officer of the applicable Lessee obtains actual knowledge thereof;

9.1.5 an Event of Bankruptcy occurs with respect to Hertz or with respect to any Lessee;

9.1.6 this Agreement or any portion thereof ceases to be in full force and effect (other than in accordance with its terms or as otherwise expressly permitted in the Spanish Related Documents) or a proceeding shall be commenced by any Lessee to establish the invalidity or unenforceability of this Agreement, in each case other than with respect to any Lessee that at such time is not leasing any Lease Vehicles hereunder;

9.1.7 a Servicer Default occurs; or

9.1.8 a Liquidation Event occurs.

For the avoidance of doubt, with respect to any Potential Lease Event of Default or Lease Event of Default, if the event or condition giving rise (directly or indirectly) to such Potential Lease Event of Default or Lease Event of Default, as applicable, ceases to be continuing (through cure, waiver or otherwise), then such Potential Lease Event of Default or Lease Event of Default, as applicable, will cease to exist and will be deemed to have been cured for every purpose under the Spanish Related Documents.

9.2 Effect of Lease Event of Default. If any Lease Event of Default set forth in Sub-Clause 9.1.1, 9.1.2, 9.1.5, 9.1.6 or 9.1.8 (Events of Default) shall occur and be continuing, the Lessee’s right of possession with respect to any Lease Vehicles leased hereunder shall be subject to the
Lessor’s option to terminate such right as set forth in Sub-Clause 9.3 (Rights of Lessor Upon Lease Event of Default) and 9.4 (Liquidation Event and Non-Performance of Certain Covenants).

9.3 Rights of Lessor Upon Lease Event of Default

9.3.1 If a Lease Event of Default shall occur and be continuing, then the Lessor may proceed by appropriate court action or actions, either at law or in equity, to enforce performance by any Lessee of the applicable covenants and terms of this Agreement or to recover damages for the breach hereof calculated in accordance with Sub-Clause 9.5 (Measure of Damages).

9.3.2 If any Lease Event of Default set forth in Sub-Clauses 9.1.1, 9.1.2, 9.1.5, 9.1.6 or 9.1.8 (Events of Default) shall occur and be continuing, then (i) the Lessor shall have the right to serve notice on the other parties hereto, a "Master Lease Termination Notice", and following service of such notice shall have the right to (a) to terminate any Lessee’s rights of use and possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee, (b) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder and (c) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever.

9.3.3 Each and every power and remedy hereby specifically given to the Lessor will be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law, in equity or in bankruptcy and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Lessor; provided, however, that the measure of damages recoverable against such Lessee will in any case be calculated in accordance with Sub-Clause 9.5 (Measure of Damages). All such powers and remedies will be cumulative, and the exercise of one will not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Lessor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder will impair any such power or remedy or will be construed to be a waiver of any default or any acquiescence therein; provided that, for the avoidance of doubt, any exercise of any such right or power shall remain subject to each condition expressly specified in any Related Document with respect to such exercise. Any extension of time for payment hereunder or other indulgence duly granted to any Lessee will not otherwise alter or affect the Lessor's rights or the obligations hereunder of such Lessee. The Lessor’s acceptance of any payment after it will have become due hereunder will not be deemed to alter or affect the Lessor's rights hereunder with respect to any subsequent payments or defaults therein.

9.4 Liquidation Event and Non-Performance of Certain Covenants

(a) If a Liquidation Event shall have occurred and be continuing, the Spanish Security Trustee and the Issuer Security Trustee shall have the rights against each Lessee and the Spanish Collateral provided in the Spanish Security Trust Deed and Issuer Security Trust Deed, upon a Liquidation Event, including, in each case, the right to serve a Master Lease Termination Notice on the other parties hereto and following service of such notice shall have the right (i) to terminate any Lessee’s rights of possession hereunder of all or a portion of the Lease Vehicles leased hereunder by such Lessee (ii) to take possession of all or a portion of the Lease Vehicles leased by any Lessee hereunder and (iii) to peaceably enter upon the premises of any Lessee or other premises where Lease Vehicles may be located and take possession of all or a portion of the Lease Vehicles and thenceforth hold, possess and enjoy the same free from any right of any Lessee, or its successors or assigns, and to use such Lease Vehicles for any purpose whatsoever.
(b) During the continuance of a Liquidation Event, the Servicer shall return any or all Lease Vehicles that are Program Vehicles to the related Manufacturers in accordance with the instructions of the Lessor. To the extent any Manufacturer fails to accept any such Program Vehicles under the terms of the applicable Manufacturer Program, the Lessor shall have the right to otherwise dispose of such Program Vehicles and to direct the Servicer to dispose of such Program Vehicles in accordance with its instructions.

(c) Notwithstanding the exercise of any rights or remedies pursuant to this Sub-Clause 9.4 (Liquidation Event and Non-Performance of Certain Covenants), the Lessor will, nevertheless, have a right to recover from such Lessee any and all amounts (for the avoidance of doubt, as limited by Sub-Clause 9.5 (Measure of Damages)) as may be then due.

(d) In addition, following the occurrence of a Liquidation Event, the Lessor shall have all of the rights, remedies, powers, privileges and claims vis-a-vis each Lessee, necessary or desirable to allow the Spanish Security Trustee to exercise the rights, remedies, powers, privileges and claims given to the Spanish Security Trustee pursuant to Sub-Clause 10.2 (Rights of the Spanish Security Trustee upon Amortization Event or Certain Other Events of Default) of the Spanish Facility Agreement, and each Lessee acknowledges that it has hereby granted to the Lessor all such rights, remedies, powers, privileges and claims granted by the Lessor to the Spanish Security Trustee pursuant to Clause 10 of the Spanish Facility Agreement and that the Spanish Security Trustee may act in lieu of the Lessor in the exercise of all such rights, remedies, powers, privileges and claims.

(e) The Spanish Security Trustee may only take possession of, or exercise any of the rights or remedies specified in this Agreement with respect to, such number of Lease Vehicles necessary to generate disposition proceeds in an aggregate amount sufficient to pay each Spanish Note with respect to which a Liquidation Event is then continuing as set forth in the Issuer Facility Agreement, taking into account the receipt of proceeds of all other vehicles being disposed of that have been pledged to secure such Spanish Note.

9.5 Measure of Damages

If a Lease Event of Default or Liquidation Event occurs and the Lessor or the Spanish Security Trustee exercises the remedies granted to the Lessor or the Spanish Security Trustee under Sub-Clause 8.6 (Preservation of rights), this Clause 9 (Default and Remedies Therefor) or Sub-Clause 10.2 of the Spanish Facility Agreement, the amount that the Lessor shall be permitted to recover from any Lessee as payment shall be equal to:

(a) all Rent for each Lease Vehicle leased by such Lessee hereunder to the extent accrued and unpaid as of the earlier of the date of the return to the Lessor of such Lease Vehicle or disposition by the Servicer of such Lease Vehicle in accordance with the terms of this Agreement and all other payments payable under this Agreement by such Lessee, accrued and unpaid as of such date; plus

(b) any reasonable out-of-pocket damages and expenses, including reasonable attorneys’ fees and expenses that the Lessor or the Spanish Security Trustee will have sustained by reason of such a Lease Event of Default or Liquidation Event, together with reasonable sums for such attorneys’ fees and such expenses as will be expended or incurred in the seizure, storage, rental or sale of the Lease Vehicles leased by such Lessee hereunder or in the enforcement of any right or privilege hereunder or in any consultation or action in such connection, in each case to the extent reasonably attributable to such Lessee; plus

(c) interest from time to time on amounts due from such Lessee and unpaid under this Agreement at EURIBOR plus 1.0% computed from the date of such a Lease Event of Default or Liquidation Event or the date payments were originally due to the Lessor by such Lessee under this Agreement or from the date of each expenditure by the Lessor.
or the Spanish Security Trustee, as applicable, that is recoverable from such Lessee pursuant to this Clause 8.6 (Default and Remedies Therefor), as applicable, to and including the date payments are made by such Lessee.

9.6 Servicer Default

Any of the following events will constitute a default of the Servicer (a "Servicer Default") as that term is used herein:

(a) the failure of the Servicer to comply with or perform any provision of this Agreement or any other Related Document that has a Lease Material Adverse Effect with respect to the Servicer, the Lessor or any Lessee, and such default continues for more than thirty (30) consecutive days after the earlier of the date written notice is delivered by the Lessor or the Spanish Security Trustee to the Servicer or the date an Authorized Officer of the Servicer obtains actual knowledge thereof;

(b) an Event of Bankruptcy occurs with respect to the Servicer;

(c) the failure of the Servicer to make any payment when due from it hereunder or under any of the other Spanish Related Documents or to deposit any Spanish Collections received by it into the Spanish Transaction Account when required under the Spanish Related Documents and, in each case, such failure continues for five (5) consecutive Business Days after the earlier of (a) the date written notice is delivered by the Lessor or the Spanish Security Trustee to the Servicer or (b) the date an Authorized Officer of the Servicer obtains actual knowledge thereof, except to the extent that failure to remain in such compliance would not reasonably be expected to result in a Lease Material Adverse Effect with respect to the Lessor;

(d) if (I) any representation or warranty made by the Servicer relating to the Spanish Collateral in any Spanish Related Document is inaccurate or incorrect or is breached or is false or misleading as of the date of the making thereof or any schedule, certificate, financial statement, report, notice, or other writing relating to the Spanish Collateral furnished by or on behalf of the Servicer to the Lessor or the Spanish Security Trustee pursuant to any Spanish Related Document is false or misleading on the date as of which the facts therein set forth are stated or certified, (II) such inaccuracy, breach or falsehood has a Lease Material Adverse Effect with respect to the Lessor, and (III) the circumstance or condition in respect of which such representation, warranty or writing was inaccurate, incorrect, breached, false or misleading, as the case may be, shall not have been eliminated or otherwise cured for at least thirty (30) consecutive days after the earlier of (x) the date of the receipt of written notice thereof from the Lessor or the Spanish Security Trustee to the Servicer and (y) the date an Authorized Officer of the Servicer obtains actual knowledge of such circumstance or condition.

In the event of a Servicer Default, the Lessor or the Spanish Security Trustee, in each case acting pursuant to Sub-Clause 9.23(d) (Servicer Default) of the Spanish Facility Agreement, shall have the right to replace the Servicer as servicer.

For the avoidance of doubt, with respect to any Servicer Default, if the event or condition giving rise (directly or indirectly) to such Servicer Default ceases to be continuing (through cure, waiver or otherwise), then such Servicer Default will cease to exist and will be deemed to have been cured for every purpose under the Spanish Related Documents.

9.7 Indemnity relating to the services provided under this Agreement

The Servicer shall fully indemnify and hold the Lessor harmless in respect of any and all labour and social security liabilities resulting, directly or indirectly, from the Servicer’s failure to perform its labour and social security obligations under applicable laws.
9.8 Application of Proceeds

The proceeds of any sale or other disposition pursuant to Sub-Clause 9.2 (Effect of Lease Event of Default) or Sub-Clause 9.3 (Rights of Lessor Upon Lease Event of Default) shall be applied by the Lessor in accordance with the terms of the Spanish Related Documents.

10 CERTIFICATION OF TRADE OR BUSINESS USE

Each Lessee hereby warrants and certifies that it intends to use the Lease Vehicles that are subject to this Agreement in connection with its trade or business.

Upon satisfaction of the foregoing conditions and receipt by such Permitted Lessee of the applicable Affiliate Joinder in Lease executed by the Lessor and provided that each Committed Note Purchaser and Conduit Investor has provided prior written consent to such Permitted Lessee becoming a Lessee hereunder, such Permitted Lessee shall for all purposes be deemed to be a Lessee for purposes of this Agreement and shall be entitled to the benefits and subject to the liabilities and obligations of a Lessee hereunder.

14 SECURITY AND ASSIGNMENTS

14.1 Rights of Lessor pledged to Trustee

Each Lessee acknowledges that the Lessor has pledged or will pledge all of its rights under this Agreement to the Spanish Security Trustee pursuant to the Spanish Security Documents. Accordingly, each Lessee agrees that:

(a) upon the occurrence of a Lease Event of Default or Liquidation Event, the Spanish Security Trustee may exercise (for and on behalf of the Lessor) any right or remedy against such Lessee provided for herein and such Lessee will not interpose as a defense that such claim should have been asserted by the Lessor;
(b) Upon the delivery by the Spanish Security Trustee of any notice to such Lessee stating that a Lease Event of Default or a Liquidation Event has occurred, such Lessee will, if so requested by the Spanish Security Trustee, comply with all obligations under this Agreement that are asserted by the Spanish Security Trustee, as the Lessor hereunder, irrespective of whether such Lessee has received any such notice from the Lessor; and

(c) such Lessee acknowledges that pursuant to this Agreement it has agreed to make all payments of Rent hereunder (and any other payments hereunder) directly to the Spanish Security Trustee for deposit in the Spanish Transaction Account.

14.2 Right of the Lessor to Assign or Transfer its rights or obligations under this Agreement

The Lessor shall have the right to finance the acquisition and ownership of Lease Vehicles under this Agreement by, without limitation, selling, assigning or transferring any of its rights and/or obligations under this Agreement to the Issuer Security Trustee for the benefit of the Noteholders; provided, however, that any such sale, assignment or transfer shall be subject to the rights and interest of the Lessees in the Lease Vehicles, including but not limited to the Lessees’ right of quiet and peaceful possession of such Lease Vehicles as set forth in Sub-Clause 5.3 (Non-Disturbance) hereof, and under this Agreement.

15 NON-LIABILITY OF LESSOR

As between the Lessor and each Lessee, acceptance for lease of each Lease Vehicle pursuant to Sub-Clause 2.1(e) (Lease Vehicle Acceptance or Non-conforming Lease Vehicle Rejection) shall constitute such Lessee’s acknowledgment and agreement that such Lessee has fully inspected such Lease Vehicle, that such Lease Vehicle is in good order and condition and is of the manufacture, design, specifications and capacity selected by such Lessee, that such Lessee is satisfied that the same is suitable for this use. Each Lessee acknowledges that the Lessor is not a Manufacturer or agent thereof or primarily engaged in the sale or distribution of Lease Vehicles. Each Lessee acknowledges that the Lessor makes no representation, warranty or covenant, express or implied in any such case, as to the fitness, safeness, design, merchantability, condition, quality, durability, suitability, capacity or workmanship of the Lease Vehicles in any respect or in connection with or for any purposes or uses of any Lessee and makes no representation, warranty or covenant, express or implied in any such case, that the Lease Vehicles will satisfy the requirements of any law or any contract specification, and as between the Lessor and each Lessee, such Lessee agrees to bear all such risks at its sole cost and expense. Each Lessee specifically waives all rights to make claims against the Lessor and any Lease Vehicle for breach of any warranty of any kind whatsoever, and each Lessee leases each Lease Vehicle “as is.” Upon the Lessor’s acquisition of any Lease Vehicle identified in a request from any Lessee pursuant to Sub-Clause 2.1(d) above, the Lessor shall in no way be liable for any direct or indirect damages or inconvenience resulting from any defect in or loss, theft, damage or destruction of any Lease Vehicle or of the cargo or contents thereof or the time...
consumed in recovery repairing, adjusting, servicing or replacing the same and there shall be no abatement or apportionment of rental at such time. The Lessor shall not be liable for any failure to perform any provision hereof resulting from fire or other casualty, natural disaster, riot or other civil unrest, war, terrorism, strike or other labor difficulty, governmental regulation or restriction, or any cause beyond the Lessor’s direct control. In no event shall the Lessor be liable for any inconveniences, loss of profits or any other special, incidental, or consequential damages, whatsoever or howsoever caused (including resulting from any defect in or any theft, damage, loss or failure of any Lease Vehicle).

The Lessor shall not be responsible for any liabilities (including any loss of profit) arising from any delay in the delivery of, or failure to deliver, any Lease Vehicle to any Lessee.

16.1 Non-Petition

Notwithstanding anything to the contrary in this Agreement or any Spanish Related Document, only the Spanish Security Trustee may pursue the remedies available under the general law or under the Spanish Security Trust Deed to enforce this Agreement, the Spanish Security or a Spanish Note and no other Person shall be entitled to proceed directly against Spanish FleetCo in respect hereof (unless the Spanish Security Trustee, having become bound to proceed in accordance with the terms of the Spanish Related Documents, fails or neglects to do so). Each party to this Agreement hereby agrees with and acknowledges to each of Spanish FleetCo and the Spanish Security Trustee until the date falling one year and one day after the Legal Final Payment Date, that:

(a) it shall not have the right to take or join any person in taking any steps against Spanish FleetCo for the purpose of obtaining payment of any amount due from Spanish FleetCo (other than serving a written demand subject to the terms of the Spanish Security Trust Deed); and

(b) neither it nor any Person on its behalf shall initiate or join any person in initiating an Event of Bankruptcy or the appointment of any Insolvency Official in relation to Spanish FleetCo, provided that, the Spanish Security Trustee shall have the right to take any action pursuant to and in accordance with the relevant Spanish Related Documents and Spanish Security Documents.

The provisions of this Sub-Clause 16.1 (Non-Petition) shall survive the termination of this Agreement.

16.2 No Recourse

Each party to this Agreement agrees with and acknowledges to each of Spanish FleetCo and the Spanish Security Trustee that, notwithstanding any other provision of any Spanish Related Document, all obligations of Spanish FleetCo to such entity are limited in recourse as set out below:

(a) sums payable to it in respect of any of the Spanish FleetCo’s obligations to it shall be limited to the lesser of (i) the aggregate amount of all sums due and payable to it and (ii) the aggregate amounts received, realised or otherwise recovered by or for the account of the Spanish Security Trustee in respect of the Spanish Security whether pursuant to enforcement of the Spanish Security or otherwise; and

(b) upon the Spanish Security Trustee giving written notice that it has determined in its sole opinion that there is no reasonable likelihood of there being any further realisations in respect of the Spanish Security (whether arising from an enforcement of the Spanish Security or otherwise) which would be available to pay unpaid amounts outstanding under the relevant Spanish Related Documents, it shall have no further claim against
Spanish FleetCo in respect of any such unpaid amounts and such unpaid amounts shall be discharged in full.

The provisions of this Sub-Clause 16.2 (No Recourse) shall survive the termination of this Agreement.

17[RESERVED]

18 GOVERNING LAW AND JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of Spain. With respect to any suit, action, dispute or proceedings relating to this Agreement, each party hereto irrevocably submits to the exclusive jurisdiction of the courts of first instance and agree that the courts of the city of Madrid are the most appropriate and convenient courts to settle any suit, action, dispute or proceedings and accordingly no party will argue to the contrary. The foregoing is for the benefit of the Spanish Security Trustee only. As a result, the Spanish Security Trustee shall not be prevented from taking proceedings relating to any suit, action, dispute or proceedings in any other courts with jurisdiction. To the extent permitted by law, the Spanish Security Trustee may take concurrent proceedings in any number of jurisdictions.

19 NOTICES

Unless otherwise specified herein, all notices, communications, requests, instructions and demands by any Party hereto to another shall be delivered in accordance with the provisions of Clause 3 of the Master Definitions and Construction Agreement and Clause 23 (Notices) of the Spanish Security Trust Deed.

20 ENTIRE AGREEMENT

This Agreement and the other agreements specifically referenced herein constitute the entire agreement among the parties hereto and supersede any prior understandings, agreements, or representations by or among the parties hereto, written or oral, to the extent they related in any way to the subject matter hereof. This Agreement, together with the Manufacturer Programs, the Lease Vehicle Acquisition Schedules, the Intra-Lease Lessee Transfer Schedules and any other related documents attached to this Agreement (including, for the avoidance of doubt, all related joiners, exhibits, annexes, schedules, attachments and appendices), in each case solely to the extent to which such Manufacturer Programs, schedules and documents relate to Lease Vehicles will constitute the entire agreement regarding the leasing of Lease Vehicles by the Lessor to each Lessee.

21 MODIFICATION AND SeverABILITY

The terms of this Agreement will not be waived, altered, modified, amended, supplemented or terminated in any manner whatsoever unless the same shall be in writing and signed and delivered by the Lessor, the Servicer, the Spanish Security Trustee and each Lessee, subject to any restrictions on such waivers, alterations, modifications, amendments, supplements or terminations set forth in the Spanish Facility Agreement. If any part of this Agreement is not valid or enforceable according to law, all other parts will remain enforceable. For the avoidance of doubt, the execution and/or delivery of and/or performance under any Affiliate Joinder in Lease, Lease Vehicle Acquisition Schedule or Intra-Lease Lessee Transfer Schedule shall not constitute a waiver, alteration, modification, supplement or termination to or of this Agreement.

22 SURVIVABILITY

In the event that, during the term of this Agreement, any Lessee becomes liable for the payment or reimbursement of any obligations, claims or taxes pursuant to any provision hereof, such liability will continue, notwithstanding the expiration or termination of this Agreement, until all such amounts are paid or reimbursed by or on behalf of such Lessee.
24 COUNTERPARTS

This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute one and the same Agreement.

25 ELECTRONIC EXECUTION

This Agreement (including, for the avoidance of doubt, any joinder, schedule, annex, exhibit or other attachment hereto) may be transmitted and/or signed by facsimile or other electronic means (i.e., a “pdf” or “tiff”). The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually signed originals and shall be binding on each party hereto. The words “execution,” “signed,” “signature,” and words of like import in this Agreement (including, for the avoidance of doubt, any joinder, schedule, annex, exhibit or other attachment hereto) or in any amendment or other modification hereof (including, without limitation, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be.

26 LESSEE TERMINATION AND RESIGNATION

With respect to any Lessee except for Spanish OpCo, upon such Lessee (the “Resigning Lessee”) delivering irrevocable written notice to the Lessor, the Servicer and the Spanish Security Trustee that such Resigning Lessee desires to resign its role as a Lessee hereunder (such notice, substantially in the form attached as Exhibit A hereto, a “Lessee Resignation Notice”), such Resigning Lessee shall immediately cease to be a Lessee hereunder, and, upon such occurrence, event or condition, the Lessor, the Servicer and the Spanish Security Trustee shall be deemed to have released, waived, remised, acquitted and discharged such Resigning Lessee and such Resigning Lessee’s directors, officers, employees, managers, shareholders and members of and from any and all claims, expenses, damages, costs and liabilities arising or accruing in relation to such Resigning Lessee on or after the delivery of such Lessee Resignation Notice to the Lessor, the Servicer and the Spanish Security Trustee (the time of such delivery, the “Lessee Resignation Notice Effective Date”); provided that, as a condition to such release and discharge, the Resigning Lessee shall pay to the Lessor all payments due and payable with respect to each Lease Vehicle leased by Resigning Lessee hereunder, including without limitation any payment listed under Sub-Clause 4.7.1 and 4.7.2 (Payments), as applicable to each such Lease Vehicle, as of the Lessee Resignation Notice Effective Date; provided further that, the Resigning Lessee shall return or reallocate all Lease Vehicles at the direction of the Servicer in accordance with Sub-Clause 2.4 (Return); provided further that, with respect to any Resigning Lessee, such Resigning Lessee shall not be released or otherwise relieved under this Clause 26 (Lessee Termination and Resignation) from any claim, expense, damage, cost or liability arising or accruing prior to the Lessee Resignation Notice Effective Date with respect to such Resigning Transferor.

27 THIRD-PARTY BENEFICIARIES

The parties hereto acknowledge that the Issuer Security Trustee (for the benefit of the Noteholders and their assigns) shall be a third-party beneficiary hereunder.

28 TIME OF THE ESSENCE

Subject to any grace periods provided hereunder, time shall be of the essence of this Agreement as regards any time, date or period, whether as originally agreed or altered by agreement between
all the parties (and, where required, with consent) or in any other manner provided in this Agreement, for the performance by each Lessee of its obligations under this Agreement.

29 GOVERNING LANGUAGE

This Agreement is in the English language. If this Agreement is translated into another language, the English text prevails, save that words in Spanish used in this Agreement and having specific legal meaning under Spanish law will prevail over the English translation.

30 POWER OF ATTORNEY

If an entity incorporated in the Netherlands is represented by an attorney or attorneys in connection with the signing, execution or delivery of this Agreement or any document, agreement or deed referred to herein or made pursuant hereto, the relevant power of attorney is expressed to be governed by the laws of the Netherlands and it is hereby expressly acknowledged and accepted by the other parties that such laws shall govern the existence and extent of such attorney’s or attorneys’ authority and the effects of the exercise thereof.
IN WITNESS WHEREOF, the parties have executed this Agreement or caused it to be executed by their respective officers thereunto duly authorized as of the day and year first above written.

SCHEDULE III
Required Contractual Criteria for Vehicle Purchasing Agreements

1. PROVISIONS TO BE APPLIED TO ALL VEHICLE PURCHASING AGREEMENTS TO BE ENTERED INTO BY SPANISH FLEETCO

Each Vehicle Purchasing Agreement will in substance satisfy the following contractual requirements:

1.1 Parties

Vehicle Purchasing Agreements to which Spanish FleetCo is a party may include contractual terms permitting the accession of Spanish OpCo (or another Affiliate of The Hertz Corporation other than Spanish FleetCo) as an additional purchaser/seller.

If any Vehicle Purchasing Agreement provides that Spanish OpCo (or any other Affiliate of The Hertz Corporation other than Spanish FleetCo) may purchase/sell Vehicles in accordance with the terms of such Vehicle Purchasing Agreement, the obligations of Spanish FleetCo and Spanish OpCo (or other Affiliate of The Hertz Corporation other than Spanish FleetCo, as applicable) under that Vehicle Purchasing Agreement will in all cases need to be several, and provide that Spanish FleetCo will not have any liability for the obligations of Spanish OpCo (or such other Affiliate of The Hertz Corporation, as applicable).

Alternatively, existing Vehicle Purchasing Agreements to which Spanish OpCo (or other Affiliate of The Hertz Corporation other than Spanish FleetCo) is a party may be amended to provide that Spanish FleetCo may accede to such Vehicle Purchasing Agreements (satisfying the Spanish Required Contractual Criteria) and that Spanish FleetCo will not have any liability for the obligations of Spanish OpCo (or other Affiliate of The Hertz Corporation).

1.2 Separate obligations

Each Vehicle Purchasing Agreement will satisfy the following criteria:

(a) Spanish FleetCo shall not under any circumstances have any liability for the obligations of Spanish OpCo (in its capacity as guarantor, purchaser of vehicles or otherwise) thereunder; and

(b) to the extent that Spanish OpCo (or any other Affiliate of The Hertz Corporation other than Spanish FleetCo) enters into or is a party to any other Vehicle Purchasing Agreements with the same Manufacturer/Dealer (each such Vehicle Purchasing Agreement to which Spanish OpCo or other Affiliate of The Hertz Corporation other than Spanish FleetCo is a party being a “Spanish OpCo Specific Agreement”), Spanish FleetCo shall not under any circumstances have any liability for the obligations of Spanish OpCo (or such other Affiliate of The Hertz Corporation, as the case may be) under such Spanish OpCo Specific Agreement.

1.3 Volume Rebates etc.

A Vehicle Purchasing Agreement may provide that any bonus payment or other amount (howsoever described) payable or to be made available by a Manufacturer/Dealer as a result of Spanish FleetCo (or Spanish FleetCo and/or Spanish OpCo (and/or any other relevant Affiliate of The Hertz Corporation) under such Vehicle Purchasing Agreement and/or any Spanish OpCo Specific Agreement, as applicable) meeting any minimum vehicle purchase level in that relevant year, be payable to or for the account of Spanish OpCo (rather than Spanish FleetCo). For the
avoidance of doubt, Spanish FleetCo may however take the benefit of reductions applied to purchase prices applicable to vehicles as a result of any such minimum vehicle purchase levels being reached.

Notwithstanding the foregoing where a Vehicle Purchasing Agreement provides that in the event that any minimum vehicle purchase level in the relevant year is not met:

(a) any bonus, payment, benefit or reductions applied to purchase prices on Vehicles purchased by Spanish FleetCo or other amount (howsoever described) is recoverable by or repayable to a Manufacturer y/Dealer; or

(b) any penalty or other amount (howsoever described) is payable to such Manufacturer/Dealer,

such Vehicle Purchasing Agreement shall provide that, in each case, such amounts will only be reclaimed from, payable by, or otherwise recoverable from Spanish OpCo or another Affiliate of The Hertz Corporation other than Spanish FleetCo.

1.4 Confidentiality and public disclosure of terms of Vehicle Purchasing

Each Vehicle Purchasing Agreement will need to be disclosed to the Spanish Security Trustee and possibly other Enhancement Providers.

1.5 Non-petition

Each Vehicle Purchasing Agreement will contain an irrevocable and unconditional covenant or undertaking given by the relevant Manufacturer/Dealer that such Manufacturer/Dealer shall not be entitled and shall not initiate or take any step in connection with:

(a) liquidation, bankruptcy or insolvency (or any similar or analogous proceedings or circumstances) of Spanish FleetCo; or

(b) the appointment of an insolvency officer in relation to Spanish FleetCo or any of its assets whatsoever,

provided that, to the extent that a Vehicle Purchasing Agreement provides that such covenant or undertaking will terminate upon a given date, such date shall be no earlier than the date falling one year and one day after the Legal Final Payment Date.

1.6 Limited recourse

Each Vehicle Purchasing Agreement will contain an irrevocable covenant or undertaking given by the relevant Manufacturer/Dealer that such Manufacturer/Dealer shall not be entitled to, and shall not, initiate or take any step in connection with the commencement of legal proceedings (howsoever described) to recover any amount owed to it by Spanish FleetCo under the relevant Vehicle Purchasing Agreement: this covenant will be unconditional except that the relevant Manufacturer/Dealer may commence legal proceedings to the extent that the only relief sought against Spanish FleetCo pursuant to such proceedings is the re-possession of relevant Vehicle(s) pursuant to applicable retention of title provisions provided for under the relevant Vehicle Purchasing Agreement, provided that, to the extent that a Vehicle Purchasing Agreement provides that such covenant or undertaking will terminate upon a given date, such date shall be no earlier than the date falling one year and one day after the Legal Final Payment Date.

2 PROVISIONS TO BE APPLIED TO ALL MANUFACTURER PROGRAMS TO BE ENTERED INTO BY A FLEETCO
Each Manufacturer Program will in substance satisfy the following additional contractual requirements:

2.1 Assignment and transfers

Each Manufacturer Program will contain terms that permit Spanish FleetCo to assign by way of security or pledge any of its rights under such agreement to the Spanish Security Trustee. Any such right to grant security to the relevant Spanish Security Trustee must be unrestricted. Unless pursuant to an Intra-Group Transfer (as defined below) by a Manufacturer (which shall not require consent from Spanish FleetCo), each Manufacturer Program will provide that the Manufacturer/Dealer may not assign, transfer or novate its obligations under such agreement without the prior written consent of Spanish FleetCo. Spanish FleetCo shall not provide such consent unless the Manufacturer/Dealer enters into a guarantee materially in the form set out in Schedule 3 (Draft Transfer and Guarantee Language to be included in Pro Forma Manufacturer Programs) or accepts joint and several liability in respect of the transferred obligations substantially on the terms set out in Schedule IV (Draft Transfer and Joint and Several Liability Language to be included in Pro Forma Manufacturer Programs). For the purposes hereof, an ‘Intra-Group Transfer’ means an assignment, transfer or novation by a Manufacturer of its obligations under a Manufacturer Program to an Affiliate of such Manufacturer which would satisfy the definition of ‘Investment Grade Manufacturer’ upon such Affiliate becoming a Manufacturer. For the avoidance of doubt, Manufacturers/Dealers may assign their rights under Manufacturer Programs without the prior written consent of Spanish FleetCo.

2.2 Set-off

Each Manufacturer Program will provide that the Manufacturer/Dealer expressly waives (to the extent that it is able to do so under applicable law) any right that it would otherwise have under such Manufacturer Program or under applicable law to set-off (i) any amount of unpaid purchase price owed to such Manufacturer/Dealer by Spanish FleetCo in relation to Vehicles ordered by (but not delivered to) Spanish FleetCo by such Manufacturer/Dealer under that Manufacturer Program, against (ii) amounts owed by the Manufacturer/Dealer to Spanish FleetCo under such Manufacturer Program, provided that, each Vehicle Purchasing Agreement entered into or renewed on or after the Closing Date will provide that the Manufacturer /Dealer expressly waives (to the extent that it is able to do so under applicable law) any right that it would otherwise have under such Vehicle Purchasing Agreement or under applicable law to set-off (i) any amount of unpaid purchase price owed to such Manufacturer/Dealer by Spanish FleetCo under that Vehicle Purchasing Agreement, against (ii) amounts owed by the Manufacturer/Dealer to Spanish FleetCo under such Manufacturer Program or any other Vehicle Purchasing Agreement, save and except in relation to any Manufacturer Programme with Daimler AG, Seat, S.A., Volkswagen Group España Distribución, S.A. and/or any of their respective Affiliates or successors or any corporation into which such entities may be merged or converted or with which they may be consolidated or any corporation resulting from any merger, conversion or consolidation of such entities (the “Non-Accepting Entities”) or any Dealers or agents (or Affiliates or successors thereof) selling Vehicles manufactured or purchased from the Non-Accepting Entities if such Manufacturer Programme does not provide for waiver of set-off in accordance with paragraph 2.2 (Set-off) hereof, in which case such amounts may be reclaimed from, payable by, or otherwise recoverable from Spanish FleetCo.

Notwithstanding the foregoing the Manufacturer/Dealers will be entitled to set off any amount owed by Spanish FleetCo in respect of turn-back related damages against any amount of Repurchase Price owed by it to Spanish FleetCo. The Servicer shall use reasonable efforts to procure that each Manufacturer Program will provide that the Manufacturer/Dealer expressly waives all rights to set-off (however arising and whether at law or in equity) any amount:

(a) owed to it by Spanish OpCo under such Manufacturer Program; or
owed to it by Spanish OpCo (or any other Affiliate of The Hertz Corporation other than Spanish FleetCo) under any other agreement (including any Spanish OpCo Specific Agreement), 

in any such case against amounts owed by the Manufacturer/Dealer to Spanish FleetCo under the relevant Manufacturer Program.

2.3 Manufacturer’s/Dealer’s obligations to be ‘unconditional’

No Manufacturer Program may contain terms that provide that the Repurchase Obligations of the Manufacturer/Dealer are conditional in any respect other than, in relation to (a) a force majeure event¹ or (b) compliance with applicable turn-back procedures (including any Programme Minimum Term or Programme Maximum Term) and/or (c) turn-back standards in relation to the condition of the relevant Vehicle. For the avoidance of doubt, no Manufacturer Program may provide that the obligations of the Manufacturer/Dealer thereunder are conditional upon:

(a) any minimum number of Vehicles being purchased (i) by Spanish FleetCo under such Manufacturer Program; and/or (ii) by Spanish OpCo or any other Person under such Manufacturer Program or any Spanish OpCo Specific Agreement; or

(b) the solvency of Spanish FleetCo; or

(c) the solvency of any other Affiliate of The Hertz Corporation other than Spanish FleetCo.

2.4 Termination provisions

To the extent that a Manufacturer/Dealer requires express termination provisions to be included in any Manufacturer Program, such Manufacturer Program may provide that a Manufacturer/Dealer is entitled (upon expiry of a predetermined notice period or otherwise) to terminate such agreement before its scheduled expiry date upon the occurrence of certain events (e.g. liquidation, bankruptcy, insolvency, failure to pay, late payment, partial payment, breach or serious breach of obligations, or any similar or analogous events); provided always that the Manufacturer/Dealer shall not under any circumstances have the right to terminate its obligations (subject to and in accordance with any eligibility criteria and Programme Minimum Term or Programme Maximum Term) to repurchase (or, if applicable to perform its guaranteed obligations thereunder) in respect of any Vehicle shipped to Spanish FleetCo or its order prior to the termination of such Manufacturer Program.

2.5 Retention of title in favour of Spanish FleetCo

The Manufacturer Program entered into with the Top Two Non-Investment Grade Manufacturers will, where credit terms are made available to the relevant Manufacturer/Dealer (in relation to the payment by it of applicable repurchase prices for Vehicles) provide that title to the relevant Vehicle will remain with Spanish FleetCo until the sale proceeds are received by Spanish FleetCo. In practice Spanish FleetCo may return the registration documents for a Vehicle when it is turned back to such Top Two Non-Investment Grade Manufacturers.

¹ For these purposes, a ‘force majeure event’ will be constituted by any event which (a) was not foreseen by the parties, (b) is outside their control and could not have been avoided by taking due care or by compliance in all material respects with obligations under the VPA and (c) prevents performance of the obligations of one or more parties under the contract.
SCHEDULE IV

Draft Transfer and Joint and Several Liability Language to be included in Pro Forma Manufacturer Program

This should be included in each relevant pro forma Manufacturer Program, and should be adapted to the relevant Manufacturer Program. This language should only be used where the Existing Supplier agrees to be jointly and severally liable with the New Supplier. Local counsel should be consulted to ensure that it is duly executed and complies with the applicable law.

1 TRANSFERS BY THE SUPPLIER

The Supplier (the “Existing Supplier”) may transfer by means of take-over of contract (contractsoverneming) (the “Transfer”) to another entity which has all consents and approvals required in order to perform its obligations under this Agreement (the “New Supplier”) all of its rights and obligations with regard to all or any of the vehicles subject of this Agreement as shall be specified (the “Relevant Vehicles”).

1.1 Conditions of transfer

A Transfer will not be effective unless FleetCo receives in compliance with paragraph 1.2 (Procedure for transfer) and at least 2 (two) Business Days before the date on which the Transfer is intended to take effect (the “Transfer Date”):

(a) notification from the Existing Supplier of the name and contact details of the New Supplier;

(b) acknowledgment from the New Supplier of its agreement to be bound by the terms of this Agreement including, without limitation, the Required Contractual Criteria;

(c) acknowledgment that in no event will Spanish FleetCo be required to deliver any Relevant Vehicle to the New Supplier or its agent outside Spain;

(d) a duly completed and executed acknowledgment of joint and several liability substantially in the form set out in Annex 2 (the “Acknowledgment”) from the Existing Supplier and the New Supplier.

1.2 Procedure for transfer

(a) Subject to conditions set out in paragraph 1.1 (Conditions of transfer) a Transfer shall be effected in accordance with sub-paragraph (b) below not less than 2 (two) Business Days following receipt by FleetCo of a duly completed transfer certificate substantially in the form set out in Annex 1 (the “Transfer Certificate”) delivered to it by the Existing Supplier and the New Supplier.

(b) On the Transfer Date:

(i) to the extent that in the Transfer Certificate the Existing Supplier seeks to transfer its rights and obligations under this Agreement in respect of the Relevant Vehicles, each of FleetCo and the Existing Supplier shall be released from further obligations towards one another in respect of the Relevant Vehicles under this Agreement and their respective rights against one another under this Agreement in respect of the Relevant Vehicles shall be cancelled (being the “Discharged Rights and Obligations”);
(ii) each of Spanish FleetCo and the New Supplier shall assume obligations towards one another and/or acquire rights against one another which shall be the same as the Discharged Rights and Obligations insofar as Spanish FleetCo and the New Supplier have assumed and/or acquired the same in place of FleetCo and the Existing Supplier; and

(iii) the New Supplier shall become a party to the New Agreement.

1.3 Definitions
