PROXY STATEMENT

This Proxy Statement contains information related to the Independence Contract Drilling, Inc. 2018 Annual Meeting of Stockholders (the “Annual Meeting”). In this Proxy Statement, we refer to the Board of Directors of Independence Contract Drilling, Inc. as the “Board” and to Independence Contract Drilling, Inc. as the “Company,” “we,” “us,” and like terms.

We are furnishing the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed Proxy Card, together with the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (collectively the “Proxy Materials”), in connection with the solicitation of proxies by the Board for use at the Annual Meeting.

The Proxy Materials are being mailed together on or about April 11, 2018 to each of our stockholders entitled to notice of and to vote at the Annual Meeting.

2018 ANNUAL MEETING DATE AND LOCATION

The Annual Meeting will be held at the Company’s principal executive offices, which are located at 11601 N. Galayda Street, Houston, TX 77086, on Thursday, May 24, 2018, at 8:00 a.m., Central Daylight Time, or at such other time and place to which the Annual Meeting may be postponed or adjourned. References in this Proxy Statement to the “Annual Meeting” also refer to any adjournments, postponements or changes in location of the Annual Meeting, to the extent applicable.

ABOUT THE ANNUAL MEETING

What is the purpose of the 2018 Annual Meeting of Stockholders?

At the Annual Meeting, our Stockholders will be asked to consider and vote upon the election of six directors to serve until the 2019 Annual Meeting of Stockholders, and vote upon any other business that is properly presented at the Annual Meeting.

Why did I receive these Proxy Materials?

You received these Proxy Materials from us in connection with the solicitation by our Board of proxies to be voted at the Annual Meeting because you owned shares of our common stock at the close of business on April 2, 2018. We refer to this date as the “Record Date.”

This Proxy Statement contains important information for you to consider when deciding how to vote your shares at the Annual Meeting. Please read this Proxy Statement carefully.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. As of the close of business on the Record Date, there were 38,252,765 shares of common stock issued and outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on the Record Date, your shares were registered directly in your name with the transfer agent for our common stock, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If, on the Record Date, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these Proxy Materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker or other agent.

What am I being asked to vote on?

You are being asked to vote on two proposals:

- Proposal 1: The election of six directors to serve until the 2019 Annual Meeting of Stockholders; and
- Proposal 2: The ratification of the appointment of BDO USA, LLP as the Company’s independent auditors for 2018.

In addition, you are entitled to vote on any other matters that may properly come before the Annual Meeting.

What are the recommendations of the Board?

The Board recommends a vote as follows:

- **FOR** the election of each of the nominees for director; and
- **FOR** the ratification of the appointment of BDO USA, LLP as the Company’s independent auditors for 2018.

Could other matters be decided at the Annual Meeting?

At the time this Proxy Statement was mailed, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement. With respect to any other matter that properly comes before the Annual Meeting, the individuals listed on your proxy card will vote the proxies as recommended by our Board or, if no recommendation is given, in their own discretion.

How do I vote?

For Proposal 1, you may vote “For” a nominee to the Board, you may “Withhold” your vote for any nominee you specify or you may abstain from voting. For Proposal 2, you may vote “For” the ratification of the appointment of BDO USA, LLP as the Company’s independent auditors for 2018, you may vote "Against" the proposal or you may abstain from voting.

Please note that by casting your vote by proxy you are authorizing the individuals listed on the proxy card (the "Proxy Holders") to vote your shares in accordance with your instructions and in their discretion with respect to any other matter that properly comes before the Annual Meeting or any adjournments or postponements thereof.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting. Alternatively, you may vote by proxy by using the accompanying proxy card, over the internet or by telephone. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. Even if you have submitted a proxy before the Annual Meeting, you may still attend the Annual Meeting and vote in person. In such case, your previously submitted proxy will be disregarded.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the accompanying proxy card and return it promptly in the pre-paid envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote by proxy over the internet, follow the instructions provided on the proxy card.
- To vote by telephone, call the toll free number found on the proxy card.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your brokerage firm, bank, dealer or other similar organization, you should have received a voting instruction card and voting instructions with these Proxy Materials from that organization rather than from us. Simply complete and mail the voting instruction card to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your brokerage firm, bank, dealer or other similar organization. Follow the instructions from your brokerage firm, bank, dealer or other similar organization included with these Proxy Materials, or contact your broker, bank or other agent to request a proxy form.

We provide internet proxy voting to allow you to vote your shares on-line, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet service providers and telephone companies.

Who counts the votes?

Broadridge Financial Solutions, Inc. (“Broadridge”) has been engaged as our independent agent to tabulate stockholder votes (the “Inspector of Election”). If you are a stockholder of record, your executed proxy card is returned directly to Broadridge for tabulation. As noted above, if you hold your shares through a broker, your broker returns one proxy card to Broadridge on behalf of all its clients.

How are votes counted?

Votes will be counted by the Inspector of Election appointed for the Annual Meeting.

With respect to Proposal 1, the Inspector of Election will separately count the number of “For” votes, “Withheld” votes and broker non-votes received for each nominee.

With respect to Proposal 2, the Inspector of Election will separately count the number of “For” votes, “Against” votes and abstentions received.

As noted above, if you are a beneficial owner, you will need to obtain a proxy form from the brokerage firm, bank, dealer or other similar organization that holds your shares and follow the instructions included on that form regarding how to instruct that institution to vote your shares. If you do not give instructions to your brokerage firm, bank, dealer or other similar organization, then they can vote your shares with respect to “routine” items, but not with respect to “non-routine” items. See below for more information regarding: “What are ‘broker non-votes’?” and “Which ballot measures are considered ‘routine’ and ‘non-routine’?”.

What are abstentions?

Abstentions occur when stockholders are present in person or by proxy at the Annual Meeting but fail to vote or voluntarily withhold their vote for any of the matters upon which the stockholders are voting.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the brokerage firm, bank, dealer or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. In the event that a broker, bank, custodian, nominee or other record holder of shares of our common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular proposal, then those shares will be treated as broker non-votes with respect to that proposal. Accordingly, if you own shares through a nominee, such as a broker or bank, please be sure to instruct your nominee how to vote to ensure that your vote is counted on each of the proposals.

Which ballot measures are considered “routine” or “non-routine”?

Proposal 1, the election of six directors to serve until the 2019 Annual Meeting of Stockholders, is considered “non-routine” under applicable rules, which could result in broker non-votes.

Proposal 2, the ratification of the appointment of BDO USA, LLP as the Company’s independent auditors for 2018 is considered “routine” under applicable rules.

What is the effect of broker non-votes and abstentions and how many votes are needed to approve the proposal?

Proposal 1 - the election of six directors to serve until the 2019 Annual Meeting of Stockholders: to be elected as a director, each nominee must receive the affirmative vote of a plurality of the votes cast at the Annual Meeting. As noted above, you may vote "For" a nominee to the Board, you may "Withhold" your vote for any nominee you specify or you may abstain from voting. Neither votes that are "Withheld" from a director's election nor broker non-votes or abstentions will affect the outcome of the vote on the election of a director as they are not considered to be "cast."

Proposal 2 - the ratification of the appointment of BDO USA, LLP as the Company's independent auditors for 2018: for the proposal to be approved, it must receive the affirmative vote of a majority of the votes represented in person or by proxy at the Annual Meeting. As noted above, you may vote "For" the ratification of the appointment of BDO USA, LLP as the Company's independent auditors for 2018, you may vote "Against" the proposal or you may abstain from voting. For purposes of Proposal 2, abstentions will have the same effect as a vote against the proposal.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock of the Company you own as of the Record Date.

What if I return a proxy card but do not make specific choices?

If we receive a signed and dated proxy card and the proxy card does not specify how your shares are to be voted, your shares will be voted "For" the election of each director nominee and "For" the ratification of the appointment of BDO USA, LLP as the Company's independent auditor for 2018. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

This proxy solicitation is being made by us and we will pay for the entire cost of soliciting proxies. In addition to these mailed Proxy Materials, our directors, officers and employees may also solicit proxies in person, by telephone or by other means of communication. Directors, officers and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding the Proxy Materials to beneficial owners.

We have retained Broadridge to aid in the distribution of proxy materials and to provide voting and tabulation services for the Annual Meeting. For these services, we will pay Broadridge a fee of approximately \$16,000 and reimburse it for certain expenses. In addition, we will reimburse brokerage firms, nominees, fiduciaries, custodians and other agents for their expenses in distributing the Proxy Materials to the beneficial owners of our common stock.

What does it mean if I receive more than one set of materials?

If you receive more than one set of materials, your shares are registered in more than one name or are registered in different accounts. In order to vote all the shares you own, you must either sign and return all of the proxy cards or follow the instructions for any alternative voting procedure on each of the proxy cards.

Can I change my vote after submitting my proxy?

If you are a stockholder of record, you may revoke your proxy at any time prior to the vote tabulation at the Annual Meeting by: (1) sending in an executed proxy card with a later date, (2) timely submitting a proxy with new voting instructions by telephone or over the internet, (3) sending a written notice of revocation by mail to Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086 marked "Proxy Information Enclosed, Attention: Corporate Secretary" or (4) attending and voting in person by completing a ballot at the Annual Meeting. Attendance at the Annual Meeting will not, in itself, constitute revocation of a completed and delivered proxy card.

If you are a beneficial owner, you should follow the instructions provided by your brokerage firm, bank, dealer or other similar organization.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present at the Annual Meeting if a majority of our outstanding shares of common stock entitled to vote are present in person or represented by proxy, regardless of whether the proxy has authority to vote on all matters. On the Record Date, there were 38,252,765 shares outstanding and entitled to vote at the Annual Meeting.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairman of the Annual Meeting may adjourn the Annual Meeting to another place, if any, date and time.

How can I find out the results of the voting at the Annual Meeting?

Voting results will be announced by the filing of a Current Report on Form 8-K (“Form 8-K”) within four business days after the Annual Meeting. If final voting results are unavailable at that time, we will file an amended Form 8-K within four business days of the day the final results are available.

Implications of being an “emerging growth company.”

We are an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012 and, as such, have elected to comply with certain reduced public company reporting and other requirements. These reduced requirements include reduced disclosures about the Company’s executive compensation arrangements and no non-binding advisory votes on executive compensation. We will cease to be an emerging growth company upon the earliest of: (1) the last day of the fiscal year in which we have \$1.07 billion or more in annual revenues; (2) the date on which we become a “large accelerated filer,” as defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which generally requires more than \$700 million in market value of our common units held by non-affiliates as of June 30 of the year such determination is made; (3) the date on which we issue more than \$1.0 billion of non-convertible debt over a three-year period; or (4) the last day of the fiscal year following the fifth anniversary of our Initial Public Offering (“IPO”) (which fiscal year will be 2019).

What is “householding” and how does it affect me?

We may send a single set of Proxy Materials and other stockholder communications to any household at which two or more stockholders reside unless we have received contrary instructions from those stockholders. This process is called “householding.” This reduces duplicate mailings and saves printing and postage costs as well as natural resources. The Proxy Materials and other stockholder communications may be househanded based on your prior express or implied consent. If you wish to receive a separate copy of our Proxy Materials for each stockholder sharing your address in the future, please contact Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086, Attn: Corporate Secretary, by phone at (281) 598-1230 or by email at investor.relations@icdrilling.com, and we will promptly deliver to you the requested material. You may also contact us in the same manner if you received multiple copies of the Proxy Materials and would prefer to receive a single copy in the future.

Many banks, brokers, and other holders of record have instituted householding. If you or your family have one or more beneficial ownership accounts, you may have received householding information from your bank, broker, or other holder of record in the past. Please contact the holder of record directly if you have questions, require additional copies of this Proxy Statement or our Annual Report or wish to revoke your decision to household and thereby receive multiple copies. You should also contact the holder of record if you wish to institute householding. These options are available to you at any time.

When are stockholder proposals due for next year’s annual meeting?

Stockholder proposals for inclusion in next year’s proxy statement

Stockholders interested in submitting a proposal for inclusion in our Proxy Materials and for presentation at the 2019 Annual Meeting of Stockholders may do so by following the procedures set forth in Rule 14a-8 under the Exchange Act. Provided that the date of such 2019 Annual Meeting of Stockholders is not more than 30 days from the date of the Annual Meeting, such proposals must be submitted in writing to Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086, Attn: Corporate Secretary, no later than 120 calendar days before the date of the proxy statement released for the previous year’s Annual Meeting of Stockholders. Therefore, the deadline for submitting proposals for inclusion in our Proxy Materials and for presentation at the 2019 Annual Meeting of Stockholders pursuant to Rule 14a-8 is December 12, 2018. No stockholder proposal was received for inclusion in this Proxy Statement.

Other stockholder proposals for presentation at next year’s annual meeting

Our Amended and Restated Bylaws (“Bylaws”) require that stockholders interested in submitting a proposal or nominee for consideration at the 2019 Annual Meeting of Stockholders, which is not submitted for inclusion in our Proxy Materials pursuant to Rule 14a-8 under the Exchange Act, may do so by following the procedures set forth in Section 1.3 of our Bylaws. Section 1.3 of our Bylaws requires any such proposals to be submitted in writing to Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086, Attn: Corporate Secretary no later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the anniversary of the preceding year’s annual meeting. Pursuant to this requirement, notice must be received no later than close of business on February 23, 2019 nor earlier than close of business on January 24, 2019 to be considered timely under our Bylaws for purposes of our 2019 Annual Meeting of Stockholders; provided, however, that in the

event that such date of the annual meeting is more than 30 days before or more than 60 days after May 24, 2019, stockholder notice must be delivered no earlier than the close of business on the 120th day prior to such annual meeting and no later than the close of business on the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by us. To be in proper form, a stockholder's notice must include the information about the proposal or nominee specified in our Bylaws.

A stockholder seeking to submit a proposal or nomination is encouraged to seek independent counsel about our Bylaws and applicable Exchange Act requirements. We reserve the right not to consider any proposal or nomination that is not timely or otherwise does not meet our Bylaws or applicable Exchange Act requirements for submitting such proposal or nomination.

Whom should I contact with questions about the Annual Meeting?

If you have any questions about this Proxy Statement or the Annual Meeting, please contact our Corporate Secretary, at 11601 N. Galayda Street, Houston, TX 77086 or by telephone at (281) 598-1230.

CORPORATE GOVERNANCE

We are committed to adhering to sound principles of ethical conduct and good corporate governance. We have adopted a number of corporate governance policies and practices designed to promote the long-term interests of our stockholders, maintain internal checks and balances, strengthen management accountability, engender public trust and foster responsible decision making and accountability. The following are certain of the important corporate governance policies and practices we have adopted.

Committee Charters

We have adopted a charter for each of the three committees of the Board. Each committee charter outlines the authority and responsibilities delegated by the Board to the respective committee; enumerates membership requirements for the committee, including any applicable New York Stock Exchange (“NYSE”) or Securities and Exchange Commission (“SEC”) membership requirements; and sets forth a framework for committee meetings. Summaries of each of the committee charters are set forth below under the heading “-Committees of Our Board.” Copies of our committee charters are available on our website at <http://icdrilling.investorroom.com/corporategovernance>.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics (“Code of Ethics-Employees”), which provides the basic principles and guidelines to foster a culture of honesty and accountability and to establish standards of integrity, honesty and ethical conduct that all our officers and employees must follow. We have adopted a separate code of ethics that applies to our directors, including employee directors, which is described in more detail below. A copy of our Code of Ethics - Employees is available on our website at http://icdrilling.investorroom.com/code_of_conduct. Stockholders may also request a printed copy of the Code of Ethics - Employees, free of charge, by contacting our Corporate Secretary, at Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086 or by telephone at (281) 598-1230 or by emailing investor.relations@icdrilling.com. Any waiver of the Code of Ethics - Employees for executive officers may be made only by our Board or a Board committee to which the Board has delegated that authority and will be promptly disclosed to our stockholders as required by applicable U.S. federal securities laws and the corporate governance rules of the NYSE. Amendments to the Code of Ethics - Employees must be approved by our Board and will be promptly disclosed (other than technical, administrative or non-substantive changes) on our website.

Code of Ethics for Senior Officers of the Company

We have adopted a Code of Ethics for Senior Officers of the Company (“Code of Ethics-Senior Officers”), supplementing the Code of Ethics-Employees, that sets forth the ethical principles by which our President and Chief Executive Officer, Executive Vice President and Chief Financial Officer, Chief Accounting Officer and other executives of the Company are expected to conduct themselves when carrying out their duties. A copy of our Code of Ethics - Senior Officers is available on our website at http://icdrilling.investorroom.com/code_of_conduct. Stockholders may also request a printed copy of the Code of Ethics - Senior Officers, free of charge, by contacting our Corporate Secretary, at Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086 or by telephone at (281) 598-1230 or by emailing investor.relations@icdrilling.com. Amendments to the Code of Ethics - Senior Officers must be approved by our Board and will be promptly disclosed (other than technical, administrative or non-substantive changes) on our website.

Code of Business Conduct and Ethics for Directors

We have adopted a Code of Business Conduct and Ethics for Directors (“Code of Ethics-Directors”), which provides the basic principles and guidelines to foster a culture of honesty and accountability and to establish standards of integrity, honesty and ethical conduct that all members of our Board must follow. A copy of our Code of Ethics-Directors is available on our website at http://icdrilling.investorroom.com/code_of_conduct. Stockholders may also request a printed copy of the Code of Ethics - Directors, free of charge, by contacting our Corporate Secretary, at Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086 or by telephone at (281) 598-1230 or by emailing investor.relations@icdrilling.com. Any waiver of the Code of Ethics - Directors may be made only by our Board or a Board committee to which the Board has delegated that authority and will be promptly disclosed to our stockholders as required by applicable U.S. federal securities laws and the corporate governance rules of the NYSE. Amendments to the Code of Ethics - Directors must be approved by our Board and will be promptly disclosed (other than technical, administrative or non-substantive changes) on our website.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines (the “Corporate Governance Guidelines”) in compliance with the corporate governance rules of the NYSE. The Corporate Governance Guidelines provide a flexible framework within which the Board and its committees operate. The Corporate Governance Guidelines cover, among other things, director qualification standards, responsibilities of directors, Board access to management and advisors, compensation of directors, and Chief Executive Officer evaluation and succession planning. A copy of our Corporate Governance Guidelines is available on our website at <http://icdrilling.investorroom.com/corporategovernance>.

Related Person Transaction Policy

We have adopted a Related Person Transaction Policy (the “Related Person Transaction Policy”), which provides guidelines for the review and approval of certain transactions, arrangements or relationships involving the Company and any of our directors (or nominees for director), executive officers, stockholder owning more than 5% of the Company and any immediate family members of any such person. As a general matter, we discourage such “related person transactions” because they present a heightened risk of potential or actual conflicts of interest and may create the appearance that decisions are based on considerations other than the best interest of the Company and its stockholders. In addition, our Related Person Transaction Policy is designed to assist the Board in preparing the disclosure that SEC rules require to be included in the Company’s applicable filings under the Securities Act of 1933 (the “Securities Act”) and the Exchange Act. Please see “Certain Relationships and Related Party Transactions - Policies and Procedures for Identifying, Assessing and Approving Related Person Transactions” for additional information regarding our Related Person Transaction Policy. In addition to our Related Person Transaction Policy, which applies only to the persons enumerated above in specified circumstances, we have also adopted a Conflicts of Interest Policy, described in more detail below, that facilitates the general review of possible conflicts of interest for all our employees and our directors.

Conflicts of Interest Policy

We have adopted a Conflicts of Interest Policy (the “Conflicts of Interest Policy”), which provides guidelines and procedures regarding the timely and proper disclosure of possible conflicts of interest a Company employee or director may have in order to allow the Company to review each such possible conflict. Under our Conflicts of Interest Policy, a conflict arises when an individual’s private interest interferes in any way with the interests of the Company as a whole. Our Conflicts of Interest Policy is designed to prohibit directors, officers or other employees from engaging in any business or conduct or entering into any agreement or arrangement that would give rise to actual or potential conflicts of interest and provides guidance on how to report potential conflicts of interest. The Conflicts of Interest Policy supplements our Related Person Transaction Policy and each of our codes of ethics.

INFORMATION ABOUT OUR BOARD AND ITS COMMITTEES

Board Structure

Our business and affairs are managed under the direction of the Board. Our Board currently consists of six directors with three standing committees to assist the Board in discharging its responsibilities: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Details as to the membership of the Board and each committee and the function of each committee are provided below. Our Bylaws state that the Board shall initially consist of five members and generally provides that this number may be increased or decreased by a majority vote of the Board. However, no reduction of the authorized number of directors may have the effect of removing any director before the director’s term of office expires. As of the date of this proxy statement, the number of board members has been set at six.

The following table identifies current members of the Board, the standing committees of the Board on which they serve and the chair of each committee as of the date of this Proxy Statement. The Board appoints members to its various committees on an annual basis at a regularly scheduled meeting, typically following the annual meeting of stockholders. Additional information about each committee is set forth below under the heading “-Committees of Our Board.” As noted above under “Corporate Governance-Committee Charters,” each committee has a charter, which is available on our website at <http://icdrilling.investorroom.com/corporategovernance>. Attendance at Board and Committee Meetings

In 2017, our Board held eight meetings and each of our directors attended at least 75% of the meetings of our Board and any Board committee on which he served.

Attendance at Annual Meetings

Directors are encouraged, but not required, to attend our annual meeting of stockholders. During 2017, all of our directors attended the annual meeting of stockholders.

Director Independence

Our Board has determined that Messrs. Bates, Crandell, Fitzgerald, McNease and Noonan are each independent under the listing standards of the NYSE. Mr. Dunn is not considered independent due to his current employment relationship with us.

In evaluating each director's independence, the Board considered all of the objective independence standards under any applicable NYSE listing standards and SEC rules as well as subjectively considered each of our directors' direct and indirect relationships with the Company. The material relationships consisted of:

- Mr. Noonan's position as a founding shareholder partner and partner of 4D Global Energy Advisors SAS ("4D") and 4D's business relationship with the Company, 4D's business relationships and Mr. Noonan's former position as a director of the ultimate parent of Global Energy Services Operating, LLC ("GES") and GES's business relationships with the Company during the last three fiscal years; and
- Mr. Crandell's position as a director of Now, Inc. ("DNOW") and DNOW's relationship as a potential supplier of certain products and services to the Company.

Board Leadership Structure

Thomas R. Bates, Jr., an independent director, serves as our Chairman of the Board. Currently, the Board believes that having an independent director serve as Chairman of the Board is in the best interest of the Company. Our Chief Executive Officer is responsible for setting our strategic direction and providing day-to-day leadership, while the Chairman of the Board sets the agenda for Board meetings, presides over Board meetings and provides guidance to the Chief Executive Officer. We believe this structure ensures a greater role for independent directors in the oversight of our Company and active participation from independent directors in setting agendas and establishing priorities and procedures for the work of the Board. Our Board periodically reviews our leadership structure and may make such changes in the future as it deems appropriate.

Executive Sessions

To facilitate candid discussion among the directors, our non-employee directors typically meet in executive session in conjunction with regular Board meetings or as otherwise determined to be necessary. Mr. Bates, our non-executive Chairman of the Board, presides over and is responsible for preparing an agenda for these meetings.

Board's Role in Risk Oversight

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. Management is responsible for the day-to-day management of risks our Company faces, while our Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

Our Board believes that establishing the right “tone at the top” and that full and open communication between management and our Board are essential for effective risk management and oversight. Our Chairman has regular discussions with our Chief Executive Officer and other senior officers to discuss strategy and risks facing our Company. Senior management regularly attends Board meetings, provides Board presentations on strategic matters involving our operations and is available to address any questions or concerns raised by our Board on risk management and any other matters.

While our Board is ultimately responsible for risk oversight at our Company, each of our Board committees assists our Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists our Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and accounting. The Compensation Committee assists our Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Corporate Governance Committee assists our Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning and corporate governance.

Board Diversity

Our Board seeks independent directors who represent a mix of backgrounds and experiences that will enhance the quality of our Board's deliberations and decisions. Our Nominating and Corporate Governance Committee is responsible for identifying and recommending to our Board qualified individuals to be nominated to serve on our Board. In selecting potential Board candidates, our Board considers diversity in its broadest sense, including, among other things, diversity of background, perspective, personal and professional experiences and geography, as well as the existing skill-set of our Board and the needs of our Company. We discuss each of our directors' qualifications and characteristics under the heading “Proposal 1: Election of Directors-Director Biographies and Qualifications.”

Committees of Our Board

As noted above, our Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. A description of each committee, its function and charter, are provided below:

Audit Committee

Pursuant to its charter, the Audit Committee's duties include, but are not limited to, oversight of the following: (1) our accounting and financial reporting process; (2) the integrity of our financial statements; (3) our independent auditor's qualifications and independence; (4) the performance of our internal audit function and independent auditors and (5) our compliance with legal and regulatory requirements.

The Audit Committee is currently comprised of Messrs. Bates, Fitzgerald (chairman) and McNease. Each member of the Audit Committee is “financially literate” as defined in the NYSE listing standards. The Board has determined that each of our members of the Audit Committee, qualifies as an “audit committee financial expert” as defined under the rules and regulations of the SEC.

Under rules implemented by the NYSE and SEC, we are required to have an audit committee comprised of at least three directors who meet the independence standards established by the NYSE and the Exchange Act. We have determined that Messrs. Bates, McNease and Fitzgerald are independent under the standards established by both the NYSE and Rule 10A-3 of the Exchange Act.

The Audit Committee met four times during 2017.

Compensation Committee

Pursuant to its charter, the Compensation Committee's duties include, but are not limited to, the following: (1) establishing salaries, incentive and other forms of compensation for our executive officers; (2) reviewing non-employee director compensation; (3) administering the Company's incentive compensation and equity plans; (4) reviewing the risks arising from the Company's compensation policies and practices; and (5) overseeing regulatory compliance with respect to compensation matters.

In connection with these purposes, the Board has delegated to the Compensation Committee the overall responsibility for establishing, implementing and monitoring compensation for our executive officers. Together with our Chief Executive Officer (with the exception of compensation matters related to our Chief Executive Officer, for which management is not involved), and any other counsel or other advisors deemed appropriate by it, the Compensation Committee reviews and makes a final determination with regard to executive compensation. For example, the Compensation Committee reviews and approves the compensation of our executive officers and makes appropriate adjustments based on Company performance, achievement of predetermined goals and changes in an officer's duties and responsibilities. The Compensation Committee is also responsible for approving all employment agreements related to our executive officers.

In addition, our Board has delegated to the Compensation Committee the responsibility for establishing, implementing and monitoring the compensation for our non-employee directors. Our Compensation Committee establishes, reviews and approves the compensation of our non-employee directors and makes appropriate adjustments based on their performance, duties and responsibilities and the competitive environment. Our Compensation Committee's primary objectives in establishing and implementing director compensation are to (1) ensure the ability to attract, motivate and retain the talent necessary to provide qualified Board leadership, and (2) use the appropriate mix of long-term and short-term compensation to ensure high Board and/or committee performance.

The Compensation Committee charter provides that the committee may, in its sole discretion, retain or obtain advice from a compensation consultant to assist in the evaluation of the director, chief executive officer or executive officer compensation. The Compensation Committee has direct responsibility for the appointment, compensation and oversight of any such compensation consultant and has sole authority to approve any such consultant's fees. The Compensation Committee has retained Pearl Meyer & Partners ("PM&P"), a national executive and director compensation strategy and governance consulting firm, to review and provide recommendations concerning components of the Company's executive compensation program. The Compensation Committee concluded that no conflict of interest existed that would prevent PM&P from independently representing the Compensation Committee.

The Compensation Committee is currently comprised of Messrs. Bates, Crandell and McNease (chairman). Our Board has affirmatively determined that each of Messrs. Bates, Crandell and McNease meets the definition of independent director for purposes of serving on the Compensation Committee under applicable NYSE rules.

The Compensation Committee met three times during 2017.

Nominating and Corporate Governance Committee

Pursuant to its charter, the Nominating and Corporate Governance Committee duties include, but are not limited to: (1) monitoring the implementation of sound corporate governance principles and practices, (2) identifying individuals believed to be qualified to become directors of the Company, (3) selecting or recommending candidates for all directorships to be filled, and (4) overseeing the evaluation of the Board.

The Nominating and Corporate Governance Committee consists of three directors, Messrs. Crandell, Fitzgerald (chairman), and Noonan.

The Nominating and Corporate Governance Committee met three times during 2017.

Board and Committee Self Evaluations

Our Board annually conducts a self-evaluation to assess and identify opportunities to improve its performance. The Nominating and Corporate Governance Committee oversees the Board's self-evaluation process.

Director Selection and Nomination Process

The Nominating and Corporate Governance Committee is responsible for establishing criteria for selecting new directors, seeking individuals to become directors when necessary and recommending such individuals to our Board. In seeking candidates for our Board, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials. Currently, the Nominating and Corporate Governance Committee does not require director candidates to possess a specific set of minimum qualifications, as different factors may assume greater or lesser significance at particular times, and the needs of our Board may vary in light of its composition and the Nominating and Corporate Governance Committee's perceptions about future issues and needs. However, while the Nominating and Corporate Governance Committee does not maintain a formal list of qualifications, in making its evaluation and recommendation of candidates, the Nominating and Corporate Governance Committee may consider, among other factors, diversity, age, skill, experience in the context of the needs of our Board, independence qualifications and whether prospective nominees have relevant business and financial experience, have industry or other specialized expertise and have high moral character.

The Nominating and Corporate Governance Committee may consider candidates for our Board from any reasonable source, including from a search firm engaged by the Nominating and Corporate Governance Committee or stockholder recommendations, provided that the procedures set forth in "About the Annual Meeting-When are stockholder proposals due for next year's annual meeting?" are followed. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate is recommended by a stockholder or not. However, in evaluating a candidate's relevant business experience, the Nominating and Corporate Governance Committee may consider previous experience as a member of our Board.

Communications with the Board

Our Board welcomes communications from our stockholders and other interested parties. Stockholders or interested parties wishing to communicate directly with our Board, any individual director, the Chairman of the Board, any non-management director or the independent directors as a group may do so by writing to them care of Independence Contract Drilling, Inc., 11601 N. Galayda Street, Houston, TX 77086, Attn: Corporate Secretary. Stockholders and any other interested parties should mark the envelope containing each communication as "Stockholder Communication with Directors" and clearly identify the intended recipient(s) of the communication. The Corporate Secretary will forward appropriate communications. Any concerns related to accounting, internal accounting controls or auditing matters will be promptly brought to the attention of the Chairman of the Audit Committee as appropriate.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Policies and Procedures for Identifying, Assessing and Approving Related Person Transactions

We maintain a “Related Person Transaction Policy” that provides guidelines for the review and approval of certain transactions, arrangements or relationships involving the Company and any of our directors (or nominees for director), executive officers, stockholders owning more than 5% of the Company and any immediate family members of any such person (“Related Person”). As a general matter, we discourage such “related person transactions” because they present a heightened risk of potential or actual conflicts of interest and may create the appearance that decisions are based on considerations other than the best interest of the Company and its stockholders. Such related person transactions are also subject to our Conflicts of Interest Policy and our Codes of Business Conduct and Ethics, which restrict the ability of our directors, officers and employees to engage in business or conduct or entering into any agreement or arrangement that would give rise to an actual or potential conflict of interest. See “Corporate Governance” above for additional information on each of these governance policies. Each year, we are required to disclose certain transactions between the Company and a Related Person, as well as our policies concerning related person transactions. Our Related Person Transaction Policy is intended to assist us in complying with the disclosure obligations concerning these transactions under applicable SEC rules.

Pursuant to our Related Person Transaction Policy, the Nominating and Corporate Governance Committee is generally required to review the material facts and either approve or disapprove, those related party transactions, in which (1) the aggregate amount involved exceeds, or is expected to exceed, \$120,000 in any calendar year and (2) any Related Person has or will have a direct or indirect interest (other than solely as a result of being a director of, or holding less than a 10% beneficial ownership interest in, another entity). Thereafter, on at least an annual basis, the Nominating and Corporate Governance Committee is required to review and assess any ongoing transaction, arrangement or relationship with the Related Person to confirm that such transaction, arrangement or relationship remains appropriate. Any member of the Nominating and Corporate Governance Committee who is a Related Person with respect to the transaction will be recused from the review and approval process.

We annually distribute a questionnaire to our executive officers and directors requesting certain information regarding, among other things, their immediate family members, employment and beneficial ownership interests. This information is then reviewed for any conflicts of interest under the Conflicts of Interest Policy, the Codes of Business Conduct and Ethics and the Related Person Transaction Policy. Additionally, the Nominating & Governance Committee and the Board review any related person transactions involving non-employee directors as part of the annual determination of their independence.

Related Person Transactions

Since January 1, 2017, we have not entered into any transactions with related persons requiring disclosure under Item 404 of Regulation S-K.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of our executive officers are now, or at any time has been, a member of the compensation committee or board of directors of another entity, one of whose executive officers has been a member of the Compensation Committee of our Board.

Certain Compensation Matters

Clawback Policy

It is the Company’s policy to include in any incentive-based compensation award agreements that any such award or compensation earned thereunder from the Company or an affiliate which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement. Such clawbacks include, without limitation, the clawback requirements contained in Section 304 of the Sarbanes Oxley Act.

Minimum Vesting Periods for Equity Awards

The Company historically has granted equity-based compensation to its executive officers in the form of stock options, restricted stock, restricted stock units and performance-based restricted stock units. Awards of stock options, restricted stock and restricted stock units to executive officers vest over a three-year period, with 1/3 of each award vesting on each anniversary of the date of grant. Performance-based equity awards are subject to three-year cliff vesting requirements. Equity awards for directors are subject to one-year vesting requirements, except for initial director awards, which vest over a three-year period in 1/3 installments on each anniversary of the date of grant.

Long-Term Incentives tied to Peer Group Relative Performance

Performance-based equity awards granted to the Company's executive officers include awards with performance metrics tied directly to the Company's relative total shareholder return ("TSR") compared to the total shareholder return of a peer group of companies operating in industries substantially aligned with the contract drilling industry in which the Company operations. For 2016, the peer group of companies utilized for purposes of measuring relative TSR performance were Helmerich & Payne (HP), Nabors Industries, Ltd. (NBR), Patterson-UTI, Inc. (PTEN), Precision Drilling Company (PDS), Pioneer Energy Services, Inc. (PES), Basic Energy Services, Inc. (BAS), Trinidad Drilling Company (TDG) and C&J Energy Services, Inc. (CJES). For 2017, the peer group of companies utilized for purposes of measuring relative TSR performance were Helmerich & Payne (HP), Nabors Industries, Ltd. (NBR), Patterson-UTI, Inc. (PTEN), Precision Drilling Company (PDS), Pioneer Energy Services, Inc. (PES), RPC, Inc. (RES), Superior Energy Service, Inc. (SPN) and Trinidad Drilling Company (TDG). No performance-based equity awards were granted to executive officers in 2015.

Use of Peer Group Benchmarking

For purposes of benchmarking cash and overall compensation for the Company's chief executive officer and other executive officers, the Compensation Committee of the Board of Directors utilizes compensation data from a peer group of companies compiled by the Company's independent compensation consultants, PM&P, as well as survey data from private companies compiled by PM&P. For 2017, the peer group of companies utilized for this purpose included the following companies: Patterson-UTI Energy (PTEN), Drill-Quip, Inc. (DRQ), Basic Energy Services, Inc. (BAS), Helix Energy Services, Inc. (HLX), Newpark Resources, Inc. (NR), Pioneer Energy Services Corporation (PES), Gulf Island Fabrication Inc. (GIFI), PHX Energy Services Corporation (PHX), Callon Petroleum Company (CPE) and Tesco Corporation (TESO).

Stock Ownership Guidelines

We have adopted stock ownership guidelines applicable to the Company's executive officers and directors to further align the interests of the Company's executive officers and directors with the interests of the Company's stockholders and to further promote the Company's commitment to sound corporate governance. A copy of our stock ownership guidelines is available on our website at <http://icdrilling.investorroom.com/corporategovernance>. These guidelines encourage our directors and executive officers to accumulate a certain amount of the Company's stock relative to such director's or executive officer's base compensation. Specifically, the stock ownership guidelines are calculated based on a multiple of the executive officer's base salary, or in the case of a director, a multiple of his base annual retainer. Each executive officer and director has five years to attain the targeted level of ownership following his initial appointment as an executive officer or his initial election as a director, as the case may be. For directors, the ownership guideline is three times the director's base annual retainer. For executive officers, the ownership guidelines are as follows:

<u>Position</u>	<u>Multiple</u>
President & Chief Executive Officer	4X
Senior or Executive Vice President	2X
Vice President	1X

Shares of stock that count toward satisfying the stock ownership guidelines include (i) shares of the Company's beneficially owned, directly or indirectly, by the executive officer or director, and (ii) restricted shares and restricted stock units granted to the executive officer or director under the Company's long-term incentive plan.

Under the employment agreements, “good reason” is deemed to exist if any of the following occurs:

- any failure by the Company to comply with the payment provisions of the employment agreement, other than an isolated, insubstantial and inadvertent failure not occurring in bad faith and which is remedied by the Company as soon as reasonable possible, but no later than 30 days after receipt of written notice thereof given by the executive officer;

We also entered into a Change of Control Agreement with Mr. Menefee, which provides that if his employment with the Company is terminated by the Company without "cause" or he terminates his employment for "good reason", and such termination is made in contemplation of a change in control, then Mr. Menefee will be entitled to receive a lump sum payment equal to:

- a pro rata portion of his target bonus for the fiscal year in which termination of employment occurs; and

2012 Omnibus Incentive Plan

Our Board has adopted, and our stockholders have approved, the Independence Contract Drilling 2012 Omnibus Incentive Plan (the "2012 Plan"). Our 2012 Plan provides for the grant of options to purchase our common stock, both incentive options that are intended to satisfy the requirements of Section 422 of the Internal Revenue Code and nonqualified options that are not intended to satisfy such requirements, stock appreciation rights, restricted stock, restricted stock units, performance stock, performance units, other stock-based awards and certain cash awards.

As of April 2, 2018, we had authorized and reserved for issuance under our 2012 Plan 2,351,789 shares of our common stock, including 830,399 shares under restricted stock unit awards, 838,440 shares under performance-based restricted stock unit awards assuming the maximum number of shares are awarded, and 682,950 shares under stock options to purchase our common stock. There are currently 1,016,855 additional shares of common stock available for grant under the 2012 Plan.

Our employees are eligible to receive awards under our 2012 Plan. In addition, (1) the non-employee directors of our Company and (2) the consultants, agents, representatives, advisors and independent contractors who render services to our Company and its affiliates that are not in connection with the offer and sale of our Company's securities in a capital raising transaction and do not directly or indirectly promote or maintain a market for our Company's securities are eligible to receive awards settled in shares of our common stock, other than incentive stock options, under our 2012 Plan.

Our Compensation Committee administers our 2012 Plan with respect to awards to employees, non-employee directors and other non-employee service providers. In administering awards under our 2012 Plan, our Compensation Committee, as applicable, has the power to determine the terms of the awards granted under our 2012 Plan, including the exercise price, the number of shares subject to each award and the exercisability of the awards. The Compensation Committee also has full power to determine the persons to whom and the time or times at which awards will be made and to make all other determinations and take all other actions advisable for the administration of the 2012 Plan.

Indemnification Agreements

We have also entered into indemnification agreements with all of our directors and our Named Executive Officers. These indemnification agreements are intended to permit indemnification to the fullest extent now or hereafter permitted by the General Corporation Law of the State of Delaware. It is possible that the applicable law could change the degree to which indemnification is expressly permitted.

The indemnification agreements cover expenses (including attorneys' fees), judgments, fines and amounts paid in settlement incurred as a result of the fact that such person, in his or her capacity as a director or officer, is made or threatened to be made a party to any suit or proceeding. The indemnification agreements generally cover claims relating to the fact that the indemnified party is or was an officer, director, employee or agent of us or any of our affiliates, or is or was serving at our request in such a position for another entity. The indemnification agreements also obligate us to promptly advance all reasonable expenses incurred in connection with any claim. The indemnitee is, in turn, obligated to reimburse us for all amounts so advanced if it is later determined that the indemnitee is not entitled to indemnification. The indemnification provided under the indemnification agreements is not exclusive of any other indemnity rights; however, double payment to the indemnitee is prohibited.

We are not obligated to indemnify the indemnitee with respect to claims brought by the indemnitee against us, except for:

- claims regarding the indemnitee's rights under the indemnification agreement;
- claims to enforce a right to indemnification under any statute or law; and
- counter-claims against us in a proceeding brought by us against the indemnitee.

We have also agreed to obtain and maintain director and officer liability insurance for the benefit of each of the above indemnitees. These policies include coverage for losses for wrongful acts and omissions and to ensure our performance under the indemnification agreements. Each of the indemnitees is named as an insured under such policies and provided with the same rights and benefits as are accorded to the most favorably insured of our directors and officers.

PROPOSAL 1: ELECTION OF DIRECTORS

General

Our directors are elected annually and serve one-year terms or until their earlier death, resignation, retirement, disqualification or removal or until their successors have been duly elected and qualified. Based on the recommendations from our Nominating and Corporate Governance Committee, our Board has nominated Messrs. Thomas R. Bates, Jr., Byron A. Dunn, James D. Crandell, Matthew D. Fitzgerald, Daniel F. McNease and Tighe A. Noonan for election as directors to serve until the 2019 Annual Meeting of Stockholders and until their successors have been elected and qualified, or until their earlier death, resignation or removal. Each director nominee has consented to being named as a nominee in this Proxy Statement and has indicated a willingness to serve if elected. We have no reason to believe that the director nominees will be unable or unwilling to serve on our Board if elected. However, if a nominee should become unable or unwilling to serve for any reason, proxies may be voted for another person nominated as a substitute by our Board, or our Board may reduce its size. Stockholders may not cumulate their votes in the election of our directors.

Set forth below is background information with respect to our director nominees, as well as certain information regarding their individual experience, qualifications, attributes and skills that led our Board to conclude that they should serve as directors. There are no family relationships among any of our director nominees or executive officers. See “Stock Ownership Information-Security Ownership of Certain Beneficial Owners and Management” for information regarding our current directors’ and director nominees’ holdings of equity securities of the Company.

The following table sets forth the names and ages of our director nominees, the year they first became a director and the positions they hold with the Company as of April 2, 2018:

Matthew D. Fitzgerald	Director	2012	60

In evaluating director candidates, we assess whether a candidate possesses the integrity, judgment, knowledge, experience, skills and expertise that are likely to enhance the Board’s ability to manage and direct our affairs and business, including, when applicable, to enhance the ability of the committees of the Board to fulfill their duties. Our Board believes that each director nominee is highly qualified to serve as a member of our Board and that, through their varying backgrounds, these individuals bring a wealth of experiences and new ideas to our Board. Our directors have diverse backgrounds and talents and extensive track records of success in what we believe are highly relevant positions in major enterprises. All of our director nominees have worked for, or served on the boards of directors of, a variety of companies in a wide range of industries. Each director nominee also contributes intangible qualities such as critical thinking, industry knowledge, and historical knowledge of our business that, taken together, provide us with the variety and depth of knowledge necessary for effective oversight, direction and vision for the Company.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Information Regarding our Independent Auditors

The Audit Committee of the Board of Directors has reappointed BDO USA, LLP (“BDO”) as independent auditors for 2018. Stockholders are being asked to vote upon the ratification of the appointment. Representatives of BDO will attend the Annual Meeting, where they will be available to respond to appropriate questions and have the opportunity to make a statement if they desire.

Vote Required for Approval

The proposal to ratify the appointment of BDO as independent auditors will require approval of a majority of the shares of our common stock entitled to vote and present in person or by proxy. In accordance with NYSE rules, a proposal to ratify independent auditors is considered to be a “discretionary” item. This means that brokerage firms may vote in their discretion on this matter on behalf of beneficial owners who have not furnished voting instructions within the time period specified in the voting instructions submitted by such brokerage firms. Abstentions, which will be counted as votes present for the purpose of determining a quorum, will have the effect of a vote against the proposal. Your shares will be voted as you specify on your proxy. If your properly executed proxy does not specify how you want your shares voted, we will vote them for the ratification of the appointment of BDO as independent auditors.

The Audit Committee may delegate this authority to one or more members of the Audit Committee and such delegate(s) must present their pre-approval decisions to the Audit Committee at its next meeting. REPORT OF THE AUDIT COMMITTEE

The information contained in this Audit Committee Report and references in this Proxy Statement to the independence of the Audit Committee members shall not be deemed to be “soliciting material” or to be “filed” with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act or the Exchange Act, except to the extent that the Company specifically incorporates such information by reference in such filing.

The Audit Committee’s role in the Company’s corporate governance is summarized under the caption “Committees of Our Board” beginning on page 11 of this Proxy Statement. The Audit Committee’s role with respect to the Company’s financial reporting process is set out in this report.

The Board of Directors appointed the undersigned directors as members of the Audit Committee and adopted a written charter setting forth the procedures and responsibilities of the committee. Each year, the Audit Committee reviews the charter and reports to the Board of Directors on its adequacy in light of applicable NYSE rules. In addition, the Company furnishes an annual written affirmation to the NYSE relating to Audit Committee membership, the independence and financial management expertise of the Audit Committee and the adequacy of the committee charter.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent public accounting firm retained to audit the Company’s financial statements. The Audit Committee has appointed BDO USA, LLP as the Company’s independent auditors for fiscal year 2018 (and the Audit Committee is seeking ratification by the Company’s stockholders for this appointment at this Annual Meeting).

During the last year, and earlier this year in preparation for the filing with the SEC of the Company’s Annual Report on Form 10-K for the year ended December 31, 2017 (the “10-K”), the Audit Committee:

- reviewed and discussed the audited financial statements with management and the Company’s independent auditors;
- reviewed the overall scope and plans for the audit and the results of the independent auditors' examination;
- met with management periodically during the year to consider the adequacy of the Company’s internal controls and the quality of its financial reporting and discussed these matters with the Company’s independent auditor and with appropriate Company financial and compliance personnel;
- discussed with the Company’s senior management, independent auditor and the Company’s internal auditor the process used for the Company’s Chief Executive Officer and Chief Financial Officer to make the certifications required by the SEC and the Sarbanes-Oxley Act of 2002 in connection with the 10-K and other periodic filings with the SEC;
- reviewed and discussed with the independent auditor (1) their judgments as to the quality (and not just the acceptability) of the Company’s accounting policies, (2) the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, (3) the independent auditor’s independence, and (4) the matters required to be discussed with the Audit Committee under the Public Company Accounting Oversight Board applicable Auditing Standard 1301, “Communications with Audit Committees”;
- based on these reviews and discussions, as well as private discussions conducted in executive sessions without management present with the independent auditors and the Company’s internal auditors, recommended to the Board of Directors the inclusion of the audited financial statements of the Company in the 10-K.

Notwithstanding the foregoing actions and the responsibilities set forth in the Audit Committee charter, the charter clarifies that it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and in accordance with generally accepted accounting principles. Management is responsible for the Company’s financial reporting process including its system of internal controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The independent registered public accounting firm is responsible for expressing an opinion on those financial statements. Audit Committee members are not employees of the Company or accountants or auditors by profession. Therefore, the committee has relied, without independent verification, on management’s representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States, that the Company’s internal controls over financial reporting were effective as of December 31, 2017 and on the representations of the independent registered public accounting firm included in their report on the Company’s financial statements.

The Audit Committee held four (4) meetings in 2017 and met regularly with management and the independent and internal auditors, including private discussions conducted with the independent auditors and the Company’s internal auditors and received

the communications described above. The Audit Committee has also established procedures for (a) the receipt, retention, investigation and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (b) the confidential, anonymous submission by the Company's employees of concerns regarding questionable accounting or auditing matters. However, this oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors and internal auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles or that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards.

Respectfully submitted by the Audit Committee of the Board of Directors of Independence Contract Drilling, Inc.
