PROXY STATEMENT

**FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 21, 2020**

INFORMATION CONCERNING THE SOLICITATION

This Proxy Statement is furnished to the holders of Common Stock, \$.01 par value per share (“Common Stock”), of NAPCO Security Technologies, Inc. (the “Company”) in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for the Annual Meeting of Stockholders, to be held on May 21, 2020, and at any adjournment thereof (the “Meeting”), pursuant to the accompanying Notice of Annual Meeting of Stockholders. Proxies in the enclosed form, if properly executed and returned in time, will be voted at the Meeting. Any stockholder giving a proxy may revoke it prior to its exercise by attending the Meeting and reclaiming the proxy, by executing a later dated proxy or by submitting a written notice of revocation to the Secretary of the Company at the Company’s office or at the Meeting. Stockholders attending the Meeting may vote their shares in person. This Proxy Statement and the form of proxy will first be mailed to the stockholders on or about April 15, 2020. A copy of the 2019 Annual Report of the Company, including financial statements, is being mailed herewith.

Only stockholders of record at the close of business on April 9, 2020 (the “Record Date”) are entitled to notice of and to vote at the Meeting. The outstanding voting securities of the Company on the Record Date consisted of 18,345,977 shares of Common Stock. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock authorized to vote will constitute a quorum for the transaction of business at the Meeting.

On all matters requiring a vote by holders of the Common Stock, each share of Common Stock entitles the holder of record to one vote.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked “WITHHOLD” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Each of Items 2, 3 and 4 must be approved by a majority of votes cast on the matter by the holders of the shares present at the Meeting and entitled to vote on such matter. A plurality of the votes cast at the meeting by stockholders entitled to vote on Item 5 will determine whether future stockholder advisory votes on executive compensation will occur each year, every two years, or every three years. A properly executed proxy marked “ABSTAIN” with respect to Item 2 will not be voted, although it will be counted for purposes of determining whether there is a quorum. Abstentions will have no effect on the vote for Items 2, 3, 4 and 5.

If you are a record holder of shares and do not specify on your proxy card how you want to vote your shares, we will vote them “FOR” the election of all nominees for director as set forth under “Election of Nominees for Directors” below, “FOR” the ratification of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accountants for fiscal 2020, “FOR” the approval of the adoption of the 2020 Non-Employee Stock Option Plan, “FOR” the approval, on an advisory basis, of the compensation of our named executive officers as described in this proxy statement and “FOR” the approval, on an advisory basis, of conducting an advisory vote on the compensation of our named executive officers every three years.

If you are a beneficial owner of shares and your bank or brokerage firm does not receive instructions from you about how your shares are to be voted, one of two things can happen, depending on the type of proposal. Under stock exchange rules, brokers have discretionary power to vote your shares with respect to “routine” matters, but they do not have discretionary power to vote your shares on “non-routine” matters. Uninstructed brokers have discretionary voting power as to ratification of Baker Tilly Virchow Krause, LLP as our independent registered public accountants (Item 2), which is considered a routine matter. Uninstructed brokers do not have discretionary voting power as to election of the two nominees for director (Item 1), as to the approval of the adoption of the 2020 Non-Employee Stock Option Plan (Item 3), as to the advisory vote on executive compensation (Item 4), or as to the advisory vote on the frequency of future votes on executive compensation (Item 5), all of which are considered non-routine matters. A bank or brokerage firm may not vote your shares with respect to the non-routine matters if you have not provided instructions. This is called a “broker non-vote.”

**THEREFORE, THE COMPANY URGES YOU TO SIGN, DATE
AND RETURN THE ENCLOSED PROXY CARD.**

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Directors

The Board currently consists of seven directors, four of whom the Board has affirmatively determined have no relationship with the Company or its subsidiaries which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent as defined by the applicable NASDAQ Listing Standards. The four independent directors are Paul Stephen Beeber, Randy B. Blaustein, Robert A. Ungar and Andrew J. Wilder.

Board Leadership Structure

The Board does not have a policy as to whether or not the roles of Chief Executive Officer and Chairman of the Board should be separate. The Board believes that it should be free to make a choice on the leadership structure of the Board from time to time in any manner that is in the best interests of the Company and its stockholders. Currently, and since 1998, Mr. Soloway has served as the Chairman of the Board, CEO and President.

The Board of Directors has not elected a Lead Independent Director.

Board Oversight of Risk

The Company faces a variety of risks including strategic and operational risks, financial and liquidity risks, compliance risks and financial reporting risks. The Board exercises its oversight of the Company's risks through regular reports to the Board from the Chief Executive Officer, and other members of management on areas of material risk, actions and strategies to mitigate those risks and the effectiveness of those actions and strategies.

In addition, the Board oversees risk through oversight by the Audit Committee. The Audit Committee discusses with management the Company's policies with respect to risk assessment and risk management, including the Company's financial risk exposures and the steps management has taken to monitor and control its risks.

Board Structure and Committee Composition

The Board maintains three standing committees: Audit, Compensation, and Nominating. Each Committee is composed entirely of independent directors as defined in the applicable NASDAQ Listing Standards.

During fiscal 2019, the Board held seven meetings. Each director attended at least 75% of all Board meetings and meetings of committees of which such director was a member.

Directors are expected to attend the Company's annual meetings of stockholders. All directors attended the last annual meeting of stockholders on December 11, 2018.

NAPCO maintains an "Investors" section on its website, www.napcosecurity.com, setting forth the Company's committee charters for the Audit, Compensation and Nominating Committees.

Audit Committee

The Audit Committee has been established in accordance with Section 3(a)(58)A of the Securities Exchange Act of 1934 as amended. The Audit Committee is responsible for retaining, evaluating and, if appropriate, recommending the termination of the Company's independent auditors. The Audit Committee assists the Board in oversight of (1) the integrity of the Company's financial statements, (2) the Company's independent auditor's qualifications and independence, and (3) the performance of the Company's internal audit function and independent auditors. In addition, the Committee renders its report for inclusion in the Company's annual proxy statement.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. The Audit Committee held seven meetings in fiscal year 2019. The current members of the Audit Committee are Andrew J. Wilder (Chairman), Paul Stephen Beeber and, as of February 12, 2020, Robert A. Ungar, each of whom meets the NASDAQ Listing Standards for the independence of audit committee members. Arnold Blumenthal, a Director of the Company since 2001 and a member of the Audit Committee during fiscal year 2019, passed away on June 30, 2019. He met the NASDAQ Listing Standard for the independence of audit committee members. The Board has determined that Andrew Wilder is an audit committee financial expert.

The report of the Audit Committee is included in this proxy statement on page 11.

Compensation Committee

The Compensation Committee assists the Board in discharging its responsibilities relating to compensation of the Company's executive officers. The Compensation Committee determines the compensation of the Company's Chief Executive Officer and the other named executive officers. The Chief Executive Officer makes recommendations on our executive compensation program and the compensation of our named executive officers. In addition, the Committee determines individuals to be granted options under the 2012 Employee Stock Option Plan, the number of options awarded and the term of the options and interprets provisions of such plan.

The current members of the Compensation Committee are Randy B. Blaustein (Chairman), Andrew J. Wilder, and Paul Beeber, each of whom meets the NASDAQ Listing Standards for independence for Compensation Committee members. The Board considered the payment of \$36,500 to Mr. Blaustein for tax related services in Fiscal Year 2019 and determined that such compensation would not impair Mr. Blaustein's ability to make independent judgments about the Company's executive compensation.

The Compensation Committee held two meetings in Fiscal Year 2019.

The Chief Executive Officer typically attends meetings of the Committee. The Committee's process includes executive sessions where the Committee meets without the presence of the Chief Executive Officer. Neither the Committee nor the Company has engaged a compensation consultant.

Compensation Committee Interlocks and Insider Participation

During Fiscal Year 2019, Messrs. Blaustein, Wilder and Blumenthal served as members of our Compensation Committee. No member of the Compensation Committee was an employee or officer of the Company during Fiscal Year 2019, a former officer of the Company, or had any other relationship with us requiring disclosure herein. On August 29, 2019, Mr. Beeber was elected as a member of the Compensation Committee replacing Mr. Blumenthal who had passed away on June 30, 2019.

During the last fiscal year, none of our executive officers served as a member of the Board of Directors or committee thereof of any other entity.

Nominating Committee

The Nominating Committee reviews and makes recommendation to the Board regarding potential candidates for nomination as director.

The Nominating Committee held one meeting in fiscal year 2019. The current members of the Nominating Committee are Paul Beeber (Chairman), Andrew J. Wilder and Randy B. Blaustein.

Director Nomination Process

In connection with the director selection and nomination process, the Nominating Committee reviews the composition of the Board as a whole and considers the experience, mix of skills and other qualities necessary to assure appropriate Board composition, taking into account the current Board members and specific needs of the Company and the Board. The Nominating Committee considers the requirement that at least a majority of the Board members be independent as required by applicable laws and regulations and also considers any specific expertise necessary for members of Board committees.

The Nominating Committee has adopted a process as follows. It will consider candidates for director nominees proposed by directors, the Chief Executive Officer and stockholders. Potential candidates will be screened and interviewed by the Nominating Committee. All members of the Board may interview the final candidates. The same identifying and evaluating procedures will apply to all candidates for director nomination, including candidates submitted by stockholders.

The Company's general criteria for the nomination of director candidates, include the following:

- the candidates' personal and professional ethics, integrity and values,
- mature judgment,
- management, accounting or finance, industry and technical knowledge,
- demonstrated skills in his/her area of present or past professional or business responsibility,
- an ability to work effectively with others,
- sufficient time to devote to the affairs of the Company and
- freedom from conflicts of interest.

The Nominating Committee and the Board seek to identify nominees for election to the Board who, taken together, create a Board with the collective knowledge and experience, derived from the skills and experience of its individual members in a variety of areas that are important to the Company,

including industry knowledge and experience, executive management, finance and strategic planning. The information as to each director set forth above on pages 4-6 includes a description of the experience, qualification, attributes or skills that were considered by the Nominating Committee and Board to determine that the individual nominee should serve as a director of the Company.

The Nominating Committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees.

Stockholder Nominees

The Nominating Committee will consider nominations submitted by stockholders. Any stockholder nominations proposed for consideration by the Nominating Committee should include the nominee's name and qualifications for Board membership and should be addressed to:

Employment Agreements and Potential Payments Upon Termination or Change in Control

The Company has an employment agreement with each of Richard L. Soloway, Jorge Hevia and Michael Carrieri. The agreement with Mr. Soloway, entered into on June 26, 2003, is for a five-year period, and then year to year unless notice of termination is given at least six months prior to the end of the then applicable term. The Agreement provides for a minimum annual salary to be adjusted for inflation and discretionary annual incentive compensation. Mr. Soloway's agreement contains non-compete restrictions during his employment and for one year after termination for any reason. The agreement also provides for termination payments to Mr. Soloway upon death, disability, termination by the Company other than for Cause, as defined, termination by Mr. Soloway for Good Reason, as defined, and termination by Mr. Soloway within twelve months of a change in control. In the event of death, the termination payment equals one year's salary payable over one year plus a bonus calculated on a pro rata basis through the end of the fiscal quarter immediately preceding death. In the event of disability, the Company must pay Mr. Soloway an amount equal to 60% of his annual salary through the term of the agreement plus his bonus on a pro rata basis through the end of the fiscal quarter preceding the sixth month of his disability. In the event the Company terminates Mr. Soloway other than for Cause or if Mr. Soloway terminates for Good Reason, the Company must pay Mr. Soloway, in a lump sum, an amount equal to three times his annual salary plus the bonus paid to him for the year prior to his termination. If during the term there should be a change in control, then Mr. Soloway is entitled to terminate his employment, and the Company is required to pay him, an amount equal to 299% of the average of the prior five calendar years' total compensation, subject to certain limitations. The Company's option plans provide for the accelerated vesting of unvested options upon a change in control.

Under such agreement, had Mr. Soloway's employment terminated on June 30, 2019 on account of (i) death, (ii) disability or (iii) by the Company other than for Cause, or by Mr. Soloway for Good Reason, the Company would have been required to pay him \$1,060,364, \$456,663 and \$3,140,743, respectively.

Mr. Hevia's agreement, as amended, terminates in October 2020 and provides for an annual salary of \$344,195. Mr. Hevia's agreement, as amended, provides for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or for any reason upon a change in control of the Company. Had either of such events occurred on June 30, 2019, the Company would have been required to pay him \$258,146.

Mr. Carrieri's agreement, as amended, terminates in August 2022 and provides for an annual salary of \$311,345. Mr. Carrieri's agreement, as amended, provides for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or for any reason within three months of a change in control of the Company. Had either of such events occurred on June 30, 2019, the Company would have been required to pay him \$233,509.

In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or for any reason upon a change of control of the Company. Had Mr. Buchel's employment been terminated on June 30, 2019 non-voluntarily without cause, the Company would have been required to pay him \$239,370 pursuant to such severance agreement.

Each of the agreements with Mr. Hevia, Mr. Carrieri and Mr. Buchel contains non-compete restrictions for three years after the employee's termination of employment.

The following table sets forth the information required by Item 402(t) of Regulation S-K promulgated by the SEC, regarding certain compensation that each of our named executive officers will or may be paid in connection with a change in control. Our "named executive officers" for this purpose are Richard Soloway, Kevin Buchel, Jorge Hevia and Michael Carrieri. The figures in the table are estimated based on compensation and benefit levels as of June 30, 2019, and based on the assumption that each of the named executive officers will incur a termination entitling them to severance payments under their respective agreements immediately following a change in control.

This compensation payable to our named executive officers is the subject of a non-binding advisory vote of the stockholders, as described under the section of this proxy statement entitled "Proposal 4: Advisory Vote to Approve Named Executive Officer Compensation" beginning on page 24.

Item 2. Proposal to Ratify the Selection of Independent Registered Public Accountants

Baker Tilly served as the Company’s independent registered public accountants since fiscal 2013. Subject to ratification by our stockholders at the Annual Meeting, it has been selected to serve as our independent registered public accountants for fiscal 2020. Baker Tilly’s predecessor, Holtz Rubenstein Reminick LLP (“HRR”), audited our financial statements from fiscal 2009 to fiscal 2012. A representative of Baker Tilly will be present at the annual meeting, with an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

If the selection of Baker Tilly is not ratified, or if before the next Annual Meeting of Stockholders it declines to act or otherwise becomes incapable of acting, or if its engagement is otherwise discontinued by the Audit Committee, the Audit Committee will appoint other independent registered accountants whose engagement for any period after the next Annual Meeting will be subject to stockholder approval at that meeting.

Principal Accountant Fees

The fees billed for professional services for fiscal years 2019 and 2018 by Baker Tilly for professional services were as follows:

	Fiscal Year 2019	Fiscal Year 2018
Audit Fees ⁽¹⁾	\$360,723	\$350,000

⁽²⁾ Includes services related to the audit of the Company’s employee benefit plan for the plan years ended December 31, 2019 and 2018, respectively.

The Audit Committee has considered whether the provision of the services described above under the headings “All Other Fees” is compatible with maintaining the auditor’s independence and determined that it is. In fiscal years 2019 and 2018, 100% of “All Other Fees” were approved by the Audit Committee.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee specifically pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval may be provided for up to one year. Each pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.

Item 3. *Consideration of Approval of the Adoption of the NAPCO Security Technologies, Inc. 2020 Non-Employee Stock Option Plan*

The Board of Directors recommends the approval of the adoption of the NAPCO Security Technologies, Inc. 2020 Non-Employee Stock Option Plan (the “2020 Non-Employee Plan”) under which options to purchase a total of 50,000 shares of the Company's Common Stock will be made available for grants. At this time no additional options are available for grant under the 2012 Non-Employee Stock Option Plan (“2012 Non-Employee Plan”) or the 2018 Non-Employees Stock Option Plan (“2018 Non-Employee Plan”). Currently there are an aggregate of 10,200 shares of Common Stock subject to outstanding options under the 2012 Non-Employee Plan and there are an aggregate of 48,150 shares of Common Stock subject to outstanding options under the 2018 Non-Employee Plan. The Board of Directors believes it to be in the best interest of the Company to adopt the 2020 Non-Employee Plan to have available sufficient options to provide additional incentives for non-employee directors and consultants to the Company or its subsidiaries to promote the success of the business. Accordingly, the Board of Directors has adopted the 2020 Non-Employee Plan, subject to approval by stockholders, and recommends that the stockholders approve its adoption.

The full text of the 2020 Non-Employee Plan is attached to this Proxy Statement as Appendix A. The following is a summary of the major provisions of the 2020 Non-Employee Plan and is qualified in its entirety by the full text of the 2020 Non-Employee Plan.

Purpose of the Plan

The 2020 Non-Employee Plan is intended to encourage ownership of Common Stock of the Company by non-employee directors and consultants of the Company and its subsidiaries and to provide additional incentives for them to promote the success of the Company by permitting the Company to grant to such non-employee directors and consultants options to purchase shares of Common Stock of the Company.

Stock Subject to the Plan

There will be reserved for issuance upon the exercise of options granted under the 2020 Non-Employee Plan an aggregate of 50,000 shares of Common Stock of the Company, par value \$.01 per share. If any options granted expire or terminate without being exercised, the shares covered thereby will be added back to the shares reserved for issuance. The 2020 Non-Employee Plan contains certain anti-dilution provisions relating to the stock dividends, stock splits and the like.

Administration of the Plan

The 2020 Non-Employee Plan will be administered by the Board of Directors. The Board will have the full power to grant options, to determine the persons eligible to receive such options, and to determine the amount, type and terms and conditions of each such option.

Eligibility

Options may be granted to the five non-employee directors and consultants of the Company or a subsidiary of the Company.

No determination has yet been made as to the non-employee directors and consultants to whom options will be granted in the future or as to the total number of non-employee directors and consultants who may be selected in the future to receive options under the 2020 Non-Employee Plan.

Option Price

The purchase price of each share of Common Stock under any option will be established by the Board provided, however, the exercise price will not be less than the fair market value of the Common Stock at the time of the grant of such option.

The exercise price is to be paid in full at the time of exercise (i) in good funds, or (ii) if the Board determines, by delivery of shares of Common Stock of the Company (valued at their then fair market value), or (iii) if the Board determines and subject to any restrictions or conditions as it deems appropriate, by electing to have the Company withhold from the shares issuable upon exercise of the Option such number of shares of Common Stock as shall have an aggregate fair market value on the date of exercise equal to the exercise price, or (iv) by a combination of (i) and (ii) or (i) and (iii) above.

The last sale price of the Common Stock of the Company reported on the NASDAQ Stock Market, Global Market System on April 9, 2020 was \$17.65 per share.

Term of Option

Each Option shall expire as the Board shall determine, provided, that in no event shall an option be exercisable after the expiration of ten (10) years from the grant thereof.

Exercise of Options

Each Option shall be exercisable immediately as to 20% and as to an additional 20% on each of the four anniversary dates of grant. An option granted under the 2020 Non-Employee Plan shall vest in full upon a “change in control” as defined in the 2020 Non-Employee Plan.

Early Termination of Options

If an optionee ceases to be a member of the Board or a consultant to the Company or its subsidiaries other than upon such optionee’s death, his or her options terminate immediately. The estate of a deceased optionee may exercise the decedent’s options within three months after the death of the optionee, to the extent exercisable at the time of death.

Amendments to the Plan

The Board of Directors may at any time terminate or modify or suspend the 2020 Non-Employee Plan, provided that no such termination, modification or suspension shall adversely affect any rights or obligations of the holder of any then outstanding option, and further provided that no such modification, without the approval of the stockholders shall (i) modify the eligibility requirements for participation, (ii) increase the maximum number of shares as to which options may be granted, (iii) extend the term of the plan beyond February 11, 2030, (iv) permit a repricing (or decrease in exercise price) of outstanding

options, or (v) permit any expansion in the types of options provided under the 2020 Non-Employee Plan.

Federal Income Tax Consequences

The following is a brief summary of the Federal income tax aspects of grant and exercise of options, and the disposition of shares of Common Stock purchased pursuant to the exercise of options, under the 2020 Non-Employee Plan. The summary reflects the current provisions of the Code and the regulations thereunder, is not intended to be exhaustive and does not describe state or local tax consequences.

No tax obligation will arise for the optionee or the Company upon the granting of stock options under the Plan. Upon exercise of a stock option, an optionee will recognize ordinary income in an amount equal to the excess, if any, of the fair market value, on the date of exercise, of the stock acquired over the exercise price of the option. Thereupon, the Company will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the optionee. Any additional gain or loss realized by an optionee on disposition of the shares generally will be capital gain or loss to the optionee and will not result in any addition tax deduction to the Company.

Term of the Plan

The 2020 Non-Employee Plan will terminate on February 11, 2030 and no options may be granted under the 2020 Non-Employee Plan after that date.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE PROPOSAL TO ADOPT THE 2020 NON-EMPLOYEE STOCK OPTION PLAN.

Item 4. *Advisory Vote to Approve Named Executive Officer Compensation*

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) enacted in 2010 and Section 14A of the Securities and Exchange Commission Act of 1934 (the “Exchange Act”) require that the Company provide its stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of its named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

The Compensation Committee and the Board believe that the Company’s compensation policies and procedures align with the long-term success of the Company and the interests of its stockholders.

We urge stockholders to read the Summary Compensation Table and the related compensation tables and narratives for more detailed information on the compensation of our named executive officers appearing at pages 15-18 of this proxy statement.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting following Fiscal Year 2019:

RESOLVED, that our stockholders approve, on an advisory basis, compensation for the named executive officers, as disclosed in our Proxy Statement for the Annual Meeting of Stockholders following Fiscal Year 2019 pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and other related tables and disclosure.

The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

Because your vote is advisory, it is not binding on us, our Board of Directors or the Compensation Committee of the Board. However, the Compensation Committee will take into account the outcome of the vote and will evaluate whether any actions are necessary to address our stockholders’ concerns.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE *FOR* THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

Item 5. *Advisory Vote on Frequency of Future Votes on Executive Compensation*

As required under the Dodd-Frank Act and Section 14A of the Exchange Act, we are asking stockholders to vote, on a non-binding, advisory basis, for their preference as to how frequently we should seek future advisory votes on executive compensation of the type described in Item 4 above. By voting on this Item 5, stockholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation once every one, two, or three years. Stockholders also may, if they wish, abstain from casting a vote on this Item.

This vote is advisory and not binding on the Company, our Board of Directors or the Compensation Committee in any way. The Board of Directors and the Compensation Committee will take into account the outcome of the vote, however, when considering the frequency of future advisory votes on executive compensation. The Board may decide that it is in the best interests of the stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes by the stockholders.

The Board and the Compensation Committee value the input of shareholders on the Company's compensation practices. However, the Board and the Compensation Committee also believe that a three-year cycle would give stockholders, management and the Compensation Committee time to evaluate the effectiveness of executive compensation on long-term company performance. A three-year cycle would also provide the Compensation Committee sufficient time to thoughtfully respond to stockholders' input and to implement any appropriate changes to our executive compensation program and to evaluate the results of such changes before the next stockholder advisory vote. Therefore, after consideration, the Board and Compensation Committee believe that a three-year review of executive officer compensation is in the best interest of the stockholders and the Company.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendations of the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE OPTION OF EVERY THREE YEARS AS THE PREFERRED FREQUENCY FOR ADVISORY VOTES ON EXECUTIVE COMPENSATION.

SUBMISSION OF FUTURE STOCKHOLDER PROPOSALS AND NOMINATION OF DIRECTORS

From time to time stockholders present proposals that may be proper subjects for inclusion in the Proxy Statement and for consideration at an annual meeting. Stockholders who intend to present proposals at the Annual Meeting following Fiscal Year 2020, and who wish to have such proposals included in the Company's Proxy Statement for such Annual Meeting, must be certain that such proposals are received by the Company's Secretary at the Company's executive offices, 333 Bayview Avenue, Amityville, New York 11701, not later than August 15, 2020. Such proposals must meet the requirements set forth in the rules and regulations of the Securities and Exchange Commission in order to be eligible for inclusion in the Proxy Statement. Stockholders who intend to present a proposal at the Annual Meeting following Fiscal Year 2020 but who do not wish to have such proposal included in the Company's Proxy Statement for such meeting must be certain that notice of such proposal is received by the Company's Secretary at the Company's executive offices not later than October 13, 2020.

Pursuant to the Company's by-laws, any nominations for director by a stockholder must be delivered or mailed to and received by the principal executive offices of the Company not less than sixty (60) days prior to the date of meeting which is currently expected to be held in the second week of December 2020.

EXPENSES OF SOLICITATION

The Company will bear all costs in connection with the solicitation by the Board of Directors of proxies for the Meeting. The Company intends to request brokerage houses, custodial nominees and others who hold stock in their names to solicit proxies from the persons who beneficially own such stock. The Company will reimburse brokerage houses, custodial nominees and others for their out-of-pocket expenses and reasonable clerical expenses. It is estimated that these expenses will be nominal. In addition, officers and employees of the Company may solicit proxies personally or by telephone, telegram or letter; they will receive no extra compensation for such solicitation.

Dated: April 13, 2020

By Order of The Board of Directors

Richard L. Soloway, Secretary

Upon the written request of any stockholder of the Company, the Company will provide to such stockholder a copy of the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2019, including the financial statements and the schedules thereto, filed with the Securities and Exchange Commission. Any such request should be directed to Secretary, NAPCO Security Technologies, Inc., 333 Bayview Avenue, Amityville, New York 11701. There will be no charge for such report unless one or more exhibits thereto are requested, in which case the Company's reasonable expenses of furnishing such exhibits may be charged.

All stockholders are urged to fill in, sign and mail the enclosed proxy promptly whether or not you expect to attend the meeting. If you are mailing your Proxy, kindly do so sufficiently in advance of the meeting date so that it will be received in time to be counted at the meeting.

NAPCO SECURITY TECHNOLOGIES, INC.

2020 NON-EMPLOYEE STOCK OPTION PLAN

1. Purpose of the Plan. This 2020 Non-Employee Stock Option Plan (hereinafter referred to as the “Plan”) is intended to encourage ownership of stock of NAPCO Security Technologies, Inc. (hereinafter referred to as the “Company”) by non-employee directors and consultants of the Company and its subsidiaries, if any, and to provide additional incentive for them to promote the success of the Company. As used in the Plan, the term “subsidiary” shall have the same meaning as the term “subsidiary corporation” defined in Section 424(f) of the Internal Revenue Code of 1986, as amended (the “Code”). All options granted under the Plan shall be non-qualified stock options and do not qualify as incentive stock options within the meaning of Section 422 or any successor section of the Code.

2. Scope of the Plan. Fifty Thousand (50,000) shares of the Company’s Common Stock, par value \$.01 per share (hereinafter referred to as “Common Stock”), shall be available and reserved for issuance under the Plan subject, however, to the provisions of Section 10 hereof. Shares issued under the Plan may be, in whole or in part, as determined by the Board, authorized but unissued shares of Common Stock or treasury shares. If an option should expire or terminate for any reason without having been exercised in full, the unpurchased shares that were subject thereto shall, unless the Plan shall have terminated, become available for other options under the Plan. Common Stock shall not be issued in respect of an option granted under the Plan unless the exercise of such option and the issuance and delivery of shares of Common Stock pursuant thereto shall comply with all relevant provisions of law, including the Securities Act of 1933, as amended, the rules and regulations thereunder, the Securities Exchange Act of 1934, as amended, the rules and regulations thereunder, and the requirements of any stock exchange upon which the Common Stock may then be listed.

3. Administration of the Plan. The Plan shall be administered by the Board of Directors of the Company. The Board of Directors shall have the full power to grant options under the Plan, to construe and interpret the Plan, and to establish rules and regulations and perform all other acts it believes reasonable and proper, including the authority to delegate responsibilities to others to assist in administering the Plan. The determination of those eligible to receive options, and the amount, type and terms and conditions of each stock option shall rest in the sole discretion of the Board of Directors, subject to the provisions of the Plan.

4. Eligibility. Options may be granted only to non-employee directors serving on the Board of Directors of the Company or any subsidiary and to non-employee consultants serving the Company or any subsidiary.

5. Option Price. The purchase price to be paid for Common Stock issued pursuant to the exercise of any option granted under the Plan shall be not less than the fair market value of such stock on the date the option is granted as provided in Section 12 hereof (but in no event less than the par value of the Common Stock), and shall not thereafter be subject to reduction except as provided in Section 10 hereof. For purposes of the Plan, the fair market value of a share of Common Stock on a particular date shall be equal to the last reported sales price of the Common Stock (i) reported by the NASDAQ Stock Market Global Market System on that date or (ii) if the Common Stock is listed on a national stock exchange, reported on the stock exchange composite tape on that date; or, in either case, if no prices are reported on that date, on the last preceding date on which such price of the Common Stock is so reported. If the Common Stock is traded over the counter at the time a determination of its fair market value is required to be made hereunder, its fair market value shall be deemed to be equal to the average between the reported high and low or closing bid and asked prices of Common Stock on the most recent date on which Common Stock was publicly traded. In the event Common Stock is not publicly traded at the time a determination of its value is required to be made hereunder, the determination of its fair market value shall be made by the Board in such manner as it deems appropriate.

6. Term of Options. The Board shall establish the term of any option granted under the Plan provided however that no option shall be exercisable after the expiration of ten (10) years from the date of grant of the option.

7. Non-Transferability of Options. An option granted under the Plan shall by its terms not be transferable and an option may be exercised, during the lifetime of the holder of the option, only by such holder; provided however, an option may be transferred by will or the laws of descent and distribution, to the estate of a deceased option holder, and such option may be exercised by the estate's legal representative within three (3) months of the date of death. More particularly, but without limiting the generality of the foregoing, and subject to the preceding sentence, an option may not be assigned, transferred, pledged, or hypothecated in any way (whether by operation of law or otherwise), and will not be subject to execution, attachment or similar process. Any attempted assignment, transfer, pledge, hypothecation or other disposition of any option contrary to the provisions of the Plan, and any levy of any attachment or similar process upon an option will be null and void and without effect.

8. Exercise of Options. Except as hereinafter provided in this Section 8 and in Section 9, options may be exercised within one year from the date of grant with respect to no more than twenty percent (20%) of the total number of shares of Common Stock subject to such grant. Thereafter, during each succeeding year beginning on an anniversary date of the grant, options with respect to an additional twenty percent (20%) of the total number of shares subject to a grant may be exercised. However, no option shall be exercisable after the expiration of the term of the option. Moreover, except as provided herein, an option shall not be exercisable unless the holder thereof shall, at the time of exercise, be a non-employee director of the Company or a consultant of the Company or a subsidiary.

Notwithstanding anything herein to the contrary, such holder's options will vest and become immediately exercisable in full upon a change in control. For purposes of this Plan, a "change in control" shall mean:

(i) either (x) any merger or consolidation of the Company into or with another corporation, (y) the acquisition by another person, group or entity after the date hereof of beneficial ownership of more than 25% of the Common Stock of the Company (such person, group or entity reporting, or being required to report, the acquisition pursuant to Section 13 of the Securities Exchange Act of 1934), or (z) the commencement of a non-issuer tender offer seeking to acquire more than 25% of the Common Stock of the Company, or

(ii) any sale by the Company of substantially all of the assets and business of the Company for cash, stock, or any combination thereof, unless, immediately after such sale, the holders of Common Stock of the Company immediately prior to such sale own more than 50% or more of the voting capital stock of the acquiring corporation or, if the acquiring person or entity is not a corporation, more than 50% of the voting equity interests of such acquiring person or entity, or

(iii) if a majority of the Company's Board of Directors consists of individuals who were not Incumbent Directors. "Incumbent Directors" shall mean directors who either (A) are directors of the Company as of the date hereof, or (B) are elected, or nominated for election, to the Board with the affirmative votes of at least a majority of the Incumbent Directors at the time of such election or nomination.

The purchase price of any shares as to which an option shall be exercised shall be paid in full at the time of exercise. Payment may be made:

(i) in United States dollars by good check, bank draft or money order payable to the order to the Company; or

(ii) at the discretion of the Board as set forth in the option grant or at any time prior to the exercise by an option holder by transfer to the Company of shares of Common Stock owned by the holder of the option having an aggregate fair market value on the date of exercise equal to the purchase price of the portion thereof being paid; or

(iii) at the discretion of the Board and subject to any restrictions or conditions as it deems appropriate (including any restrictions as may be set forth in Rule 16b-3 under the Securities and Exchange Act of 1934), by electing to have the Company withhold from the shares issuable on exercise of the option such number of shares of Common Stock as shall have an aggregate fair market value on the date of exercise equal to the purchase price or the portion thereof being paid; or

(iv) at the discretion of the Board by a combination of (i) and (ii) or (i) and (iii) above.

The Board shall determine the procedures for the use of Common Stock in payment of the purchase price and may impose such limitations and prohibitions on such use as it deems appropriate.

The holder of an option shall not have any of the rights of a stockholder with respect to the shares covered by his option until such shares shall have been issued to him (as

evidenced by the appropriate entry on the books of a duly authorized transfer agent of the Company) upon the purchase of such shares upon exercise of the option.

9. Exercise Upon Cessation of Relationship With Company. Except as provided in Sections 7 and 8 above, the right of a non-employee director who holds an option to exercise such option shall terminate immediately upon termination of service as a non-employee director and the right of a consultant who holds an option to exercise such option shall terminate immediately upon termination of service as a consultant to the Company or its subsidiaries upon dismissal, death or otherwise.

10. Adjustments.

(a) In the event of a recapitalization, stock split, stock combination, stock dividend, exchange of shares, or a change in the corporate structure or shares of the Company, or similar event, the Board shall make appropriate adjustments in the kind or number of shares which may be issued upon exercise of options and in the kind or number of shares issuable upon exercise of options theretofore granted and in the exercise price of such options.

(b) If the Board shall be a party to a merger or consolidation or shall sell substantially all its assets, each outstanding option shall pertain and apply to the securities and/or property which a holder of the number of shares of Common Stock subject to the option immediately prior to such merger, consolidation, or sale of assets would be entitled to receive in such merger, consolidation or sale of assets.

11. Effectiveness of the Plan. The Plan shall become effective as of February 12, 2020, but shall be subject to approval by the holders of Common Stock at a meeting of stockholders of the Company duly called and held no later than twelve months after the date of adoption of the Plan by the Board of Directors.

12. Time of Granting Options. The date of grant of an option under the Plan shall, for all purposes, be the date on which the Board makes the determination granting such option; and no grant shall be deemed effective under the Plan prior to such date. Notice of the determination shall be given to each optionee to whom an option is so granted within a reasonable time after the date of such grant.

13. Termination and Amendment of the Plan. The Plan shall terminate ten (10) years from the date on which it is adopted by the Board of Directors. Prior thereto, the Board of Directors may terminate the Plan at any time; provided, however, that any such termination shall not affect any options then outstanding under the Plan. No options under the Plan may be granted after termination of the Plan.

The Board of Directors from time to time may make such modifications or amendments of the Plan and, with the consent of the holder of an option, of the terms and conditions of his option, as it shall deem advisable, but may not, without further approval of the stockholders of the Company, except as provided in Section 10 hereof (a) increase the maximum number of shares which shall be available and reserved for issue under the Plan, (b) change the class of individuals eligible to receive options, (c) extend the term of the Plan beyond the period provided in this Section 13, (d) permit a repricing (or decrease in exercise price) of outstanding options, or (e) expand the types of options or awards provided under the Plan.

Neither the termination nor any modification or amendment of the Plan shall, without the consent of the holder of an option theretofore granted under the Plan, adversely affect the rights of such holder with respect to such option.

14. Section 16 of the Securities Exchange Act of 1934. It is intended that the Plan and any grant of an option made to a person subject to Section 16 of the 1934 Act meet all requirements of Rule 16b-3. If any provision of the Plan or any such option would disqualify the Plan or such option under, or would otherwise not comply with, Rule 16b-3, such provision or option shall be construed or deemed amended to conform to Rule 16b-3.
