

OMP GP LLC
CORPORATE GOVERNANCE GUIDELINES
(Adopted as of September 20, 2017)

The Board of Directors (the “Board”) of OMP GP LLC (the “Company”), acting in its capacity as the general partner of Oasis Midstream Partners LP (the “Partnership” and, together with its subsidiaries and the Company, the “Partnership Group”), has adopted the following Corporate Governance Guidelines (these “Guidelines”) to emphasize the Board’s strong commitment to good governance practices.

Because the Partnership is a master limited partnership, it is governed by a limited partnership agreement under Delaware state law. The Amended and Restated Agreement of Limited Partnership of the Partnership, as may be amended from time to time (the “Partnership Agreement”), to which all limited partners (“unitholders”) are parties, set forth the rights of the unitholders. By contract, the unitholders do not participate in the management of the Partnership nor in the selection or election of directors to the Board. The basic charter document for the Company is its Amended and Restated Limited Liability Company Agreement, as may be amended from time to time (the “LLC Agreement”). OMS Holdings LLC, the sole member of the Company, (the “Sole Member”) has delegated to the Board the Company’s power and authority to manage and control the business and affairs of the Partnership. Pursuant to these agreements, the corporate governance of the Company is, in effect, the corporate governance of the Partnership.

The New York Stock Exchange (the “NYSE”) has recognized the distinctive characteristics of limited partnerships in the application of its listing standards regarding corporate governance. For example, the Partnership is excluded from the requirements of the NYSE Listed Company Manual (the “NYSE Manual”) that there be a majority of independent directors on the Board and that the Board have nominating/corporate governance and compensation committees.

In light of the foregoing, the Board has adopted these Guidelines, which, along with the Partnership Agreement, the LLC Agreement, the charters of the Board’s committees and other written governance policies of the Partnership Group, are designed to provide a framework for the functioning of the Board and its committees.

I. The Board of Directors

A. *Size of Board*

The number of directors that constitutes the Board shall be fixed from time to time pursuant to the LLC Agreement. The Board is responsible for reviewing, on an annual basis, the advisability or need for any changes in the number and composition of the Board, and, to the extent any changes are considered advisable or needed, making a recommendation to the Sole Member.

B. *Qualification Standards*

On or before the expiration of the transition periods provided by Rule 303A.00 of the NYSE Manual, the Board will have at least three directors who are “Independent” as defined by the listing requirements of the NYSE. Each year, the

Board will review the relationships between the Partnership Group and its management and each director and will then determine which directors satisfy the applicable independence standards, including the independence standards applicable to Board committee membership, as applicable.

The Board is responsible for identifying individuals qualified to become Board members. Nominees for directorship will be selected by the Board. An invitation to join the Board should be extended by the Board itself or by the Chairman of the Board.

In the event that a vacancy on the Board arises, the Board shall seek and identify qualified director candidates, considering such factors that it deems relevant in identifying and recommending candidates, including:

- Relevant skills and experience;
- Independence under applicable standards;
- Business judgment;
- Service on boards of directors of other companies;
- Personal and professional integrity, including commitment to the Partnership Group's core values;
- Openness and ability to work as part of a team;
- Willingness to commit the required time to serve as a director; and
- Familiarity with the Partnership and its industry.

C. *Director Independence*

Each year, the Board will affirmatively determine whether each director is independent. In order to determine whether a director qualifies as "independent," the Board will consider all relevant facts and circumstances, including the relationships between the Partnership Group and each director, and will apply the standards set forth in Section 303A.02 of the NYSE Manual.

D. *Director Responsibilities*

The basic responsibility of each director is to act in accordance with the requirements of the Partnership Agreement and the LLC Agreement. In discharging this obligation, directors should be entitled to rely on the honesty and integrity of the Company's senior executives and the Partnership Group's outside advisors and auditors.

Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting should generally be distributed in writing to the directors before the meeting, and directors should review these materials in advance of the meeting. Attendance at Board and committee meetings should be considered by the Board in assessing each director's performance.

E. ***Service on Other Boards***

No director may serve on the board of directors of more than four other public companies. In advance of accepting an invitation to serve on another public company board, directors should advise the Chairman of the Board to allow an assessment to be made of, among other things, the potential impact of such service on the director's time and availability, potential conflict of interest issues and the director's status as an independent director.

F. ***Director Tenure***

The Board does not believe it should establish limits on a director's service. As an alternative to term limits, the Board will review each director's continuation on the Board every year. This will allow each director the opportunity to conveniently confirm his or her desire to continue as a member of the Board.

G. ***Chairman of the Board***

The Board has no policy with respect to the separation of the offices of Chairman and Chief Executive Officer. The Board believes that this issue is part of the succession planning process and that it is in the best interests of the Partnership and its unitholders for the Board to make a determination regarding this issue each time it elects a new Chief Executive Officer and/or assesses the leadership structure of the Board.

H. ***Meetings of the Board***

The Chairman of the Board will establish the agenda for each Board meeting. At the beginning of the year, the Chairman of the Board will establish a schedule of agenda subjects to be discussed during the year (to the degree this can be foreseen). Each director is free to suggest the inclusion of items on the agenda. Each director is free to raise at any Board meeting subjects that are not on the agenda for that meeting.

I. ***Meetings of Non-Management Directors***

The non-management directors will have regularly scheduled meetings in executive session that will be held immediately following each regularly scheduled Board meeting. In the event that the non-management directors include directors who are

not independent under the listing requirements of the NYSE, then at least once a year, there should be an executive session including only independent directors. The director who presides at these meetings (the “Lead Director”) will be chosen by the Board at the annual meeting of directors and will serve until the next annual meeting of directors. The Lead Director is responsible for preparing an agenda for the meetings of the independent directors in executive session. The name of the Lead Director will be disclosed in the Partnership’s Annual Report on Form 10-K.

J. *Board Interaction with External Constituencies*

The Board believes that the management speaks for the Partnership Group. As such, individual directors will not meet or otherwise directly communicate with unitholders, research analysts, vendors, the press or other external constituencies on behalf of the Partnership Group unless the communication is (1) requested by the Chairman of the Board, the Chief Executive Officer or the full Board or (2) required to discharge his or her duties as set forth in committee charters.

K. *Director Compensation*

The Board will conduct an annual review of the form and amount of director compensation. The Board will consider that a director’s independence may be jeopardized if (1) director compensation and perquisites exceed customary levels, (2) the Partnership Group makes substantial charitable contributions to organizations with which a director is affiliated or (3) the Partnership Group enters into consulting contracts with (or provides other indirect forms of compensation to) a director or an organization with which the director is affiliated. Directors who are employees of the Partnership Group shall not receive any additional compensation for service on the Board.

L. *Annual Performance Evaluation of the Board*

Each year, the Board will conduct its annual performance review. As part of this process, the Board or a committee thereof will receive comments from all directors and report to the full Board with an assessment of the Board’s performance following the end of each fiscal year.

M. *Director Orientation and Continuing Education*

The Board is responsible for developing and annually evaluating an orientation and continuing education program for directors.

N. *Unitholder Communications with Directors*

The Board welcomes communications from the Partnership’s unitholders and other interested parties. Unitholders and any other interested parties may send communications to the Board, any committee of the Board, the Chairman of the Board, the Lead Director or any other director in particular to:

OMP GP LLC
1001 Fannin Street, Suite 1500
Houston, Texas 77002

Unitholders and any other interested parties should mark the envelope containing each communication as “Unitholder Communication with Directors” and clearly identify the intended recipient(s) of the communication. The Company’s General Counsel or, in the absence of a General Counsel, the Company’s Compliance Officer, will review each communication received from unitholders and other interested parties and will forward the communication, as expeditiously as reasonably practicable, to the addressees if: (1) the communication complies with the requirements of any applicable policy adopted by the Board relating to the subject matter of the communication; and (2) the communication falls within the scope of matters generally considered by the Board. To the extent the subject matter of a communication relates to matters that have been delegated by the Board to a committee or to an executive officer of the Company, then the Company’s General Counsel or, in the absence of a General Counsel, the Company’s President, may forward the communication to the executive officer or chairman of the committee to which the matter has been delegated. The acceptance and forwarding of communications to the members of the Board or an executive officer does not imply or create any fiduciary duty of the Board members or executive officer to the person submitting the communications.

II. Committees of the Board of Directors

A. *Committees*

The Board will have at all times an Audit Committee and a Conflicts Committee. However, the Board may, from time to time, establish and maintain additional committees as necessary or appropriate. Committee members will be appointed by the Board with consideration given to the desires of individual directors.

The members of each committee must satisfy the independence and experience requirements detailed in their respective committee charters, if applicable, and the LLC Agreement and the Partnership Agreement. Each year, Board will determine whether or not each director satisfies the standards applicable to the committees on which such director is serving or may serve.

B. *Committee Charters*

Each committee will have its own charter. The charters will set forth the authority and responsibilities of the committees as well as qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations and committee reporting to the Board. The charters will also provide that each committee will annually evaluate its performance.

C. ***Committee Meetings***

The Chairman of each committee, in consultation with the committee members, will determine the frequency and length of the committee meetings consistent with any requirements set forth in the committee's charter. The Chairman of each committee, in consultation with the appropriate members of the committee and management, will develop the committee's agenda.

D. ***Annual Performance Evaluation of the Committees***

Each year, the Board will conduct the annual performance review of the Board's committees. As part of this process, the Chairman of each committee will report to the full Board about the committee's annual evaluation of its performance and evaluation of its charter following the end of each fiscal year.

III. Director Access to Independent Advisors and Management

The Board and each committee has the power to hire independent legal, financial or other experts and advisors as it may deem necessary, without consulting or obtaining the approval of any officer of the Company in advance.

Directors have full and free access to officers and employees of the Partnership Group. Any meetings or contacts that a director wishes to initiate may be arranged through the Chief Executive Officer or directly by the director. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Partnership Group.

The Board welcomes regular attendance at each Board meeting of executive officers of the Company. If the Chief Executive Officer wishes to have additional employees regularly attend Board meetings, he or she should obtain prior approval of the Board.

IV. Management Evaluation and Succession Planning

The Board will conduct the annual performance review of the Company's management, including its Chief Executive Officer.

The Board will meet periodically on succession planning. The Chief Executive Officer should at all times make available his or her recommendations and evaluations of potential successors, along with a review of any development plans recommended for such individuals.

V. Review of Governance Policies

At least annually, the Board will review and reassess the adequacy of these Guidelines and approve any necessary changes. In addition, the Board will consider any other corporate governance issues that arise from time to time and will take such actions as appropriate to address these issues. Such review will include management's monitoring of the Partnership

Group's compliance programs and Code of Business Conduct and Ethics, including a report of violations and waivers of the Code of Business Conduct and Ethics.

VI. Posting Requirement

The Partnership shall post these Guidelines, the charters of each Board committee, as applicable, and the Partnership's Code of Business Conduct and Ethics on its website as required by applicable rules and regulations. In addition, the Partnership shall disclose in its Annual Report on Form 10-K that a copy of each document is available on the Partnership's website and provide the website address.

VII. Amendments and Waivers

The Board may amend, waive, suspend or repeal any of these Guidelines at any time, with or without public notice, as it determines necessary and appropriate, in the exercise of the Board's judgment and fiduciary duties.
