PLUM CREEK TIMBER COMPANY, INC. ANNOUNCES QUARTERLY DIVIDEND FOR FOURTH QUARTER 2001 OF \$0.57 PER SHARE

SEATTLE, WASHINGTON -- December 7, 2001 -- Plum Creek Timber Company, Inc. (NYSE: PCL) today announced the declaration of its fourth quarter 2001 dividend. The cash dividend of \$0.57 per share will be payable on December 28, 2001, to shareholders of record as of December 17, 2001.

Plum Creek anticipates that this dividend will be sufficient to complete the required distribution of The Timber Company's historic earnings and profits. Therefore, Plum Creek does not expect that any special dividends will be necessary to comply with applicable tax rules pertaining to REITs. Normally the fourth quarter dividend would be paid at the end of February. Plum Creek anticipates it will return to a normal dividend schedule beginning with the first quarter 2002 dividend. First quarter dividends have typically been paid in May.

Plum Creek, a real estate investment trust, is one of the largest land owners in the nation, with over 7.8 million acres of timberlands in every significant timber-growing region of the United States and nine wood product mills in the Northwest.
