

WEYERHAEUSER TAX TREATMENT OF DIVIDEND DISTRIBUTIONS MADE IN 2019

For shareholders of [Weyerhaeuser Company](#) (NYSE: WY), the 2019 dividend distributions totaling \$1.36 per share on the Common Stock CUSIP 96216610 traded under the symbol WY are classified for income tax purposes as Capital Gain Distributions which are treated as long-term capital gain. The common share dividends were paid quarterly as follows: \$0.34 on March 22, 2019; \$0.34 on June 21, 2019; \$0.34 on September 20, 2019; and \$0.34 on December 20, 2019.

Because the company's dividend distributions are characterized as capital gains, they are not eligible for the 20% qualified business income deduction (Section 199A deduction) included in the 2017 Tax Cuts and Jobs Act.

Shareholders are encouraged to consult their tax advisor to determine the specific effect these distributions may have on their individual tax situation.
