## **CAUTION REGARDING FORWARD-LOOKING INFORMATION**

Certain statements in this presentation may contain statements which are forward-looking statements. These forward-looking statements are identified by the use of terms and phrases such as “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “plan”, “predict”, “project”, “will”, “would”, and similar terms and phrases, including references to assumptions. Such statements may involve but are not limited to comments with respect to strategies, expectations, planned operations or future actions. Forward-looking statements, by their nature, are based on assumptions and are subject to important risks and uncertainties. Any forecasts or forward-looking predictions or statements cannot be relied upon due to, amongst other things, changing external events and general uncertainties of the business. Such statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements to differ materially from those expressed in the forward-looking statements. Results indicated in forward-looking statements may differ materially from actual results for a number of reasons, including without limitation, general industry, market and economic conditions, war, terrorist attacks, changes in demand due to the seasonal nature of the business, the ability to reduce operating costs and employee counts, employee relations, labour negotiations or disputes, restructuring, pension issues, energy prices, currency exchange and interest rates, changes in laws, adverse regulatory developments or proceedings, pending and future litigation and actions by third parties, as well as the factors identified in the Risk Factors section of Jazz Air LP’s and Jazz Air Income Fund’s restated annual MD&A dated February 19, 2008, and interim MD&A dated May 7, 2008. The forward-looking statements contained in this discussion represent Jazz’s expectations as of May 7, 2008, and are subject to change after such date. However, Jazz disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required under applicable securities regulations.

# Agenda

---

- 1 The current environment
- 2 A different kind of airline
- 3 Jazz today
- 4 Performance highlights
- 5 Growth opportunities

# The Current Environment

---

- Air Canada reduces Fall and Winter schedule
  - 2% domestic capacity
  - 13% transborder capacity
  - 7% international capacity
  
- Jazz will operate even more efficiently and minimize costs
  - Freeze on all hiring
  - Freeze on all overtime, unless critical to operation
  - Suspension of all non-regulatory training
  - Executive approval required on all discretionary expenses
  
- Maintaining 2008 guidance of 400,000 – 405,000 block hours

# Regional Airline Sector

---

Regional airlines in U.S. – 2000 to 2007
