SCHEDULE A
RESTATED ARTICLES OF INCORPORATION
CHORUS AVIATION INC.
(the “Corporation”)
Canada Business Corporations Act

A. The classes and any maximum number of shares that the corporation is authorized to issue

Unlimited number of Class A Variable Voting Shares; and
Unlimited number of Class B Voting Shares.

B. The Class A Variable Voting Shares shall have attached thereto the following rights, privileges, restrictions and conditions

(a) Voting.

The holders of the Class A Variable Voting Shares shall be entitled to receive notice of, and to attend and vote at, all meetings of the shareholders of the Corporation, except where the holders of a specified class are entitled to vote separately as a class as provided in the CBCA.

The holders of Class A Variable Voting Shares are entitled to one vote per Class A Variable Voting Share unless:

- (i) the number of Class A Variable Voting Shares outstanding, as a percentage of the total number of all voting shares outstanding, exceeds 25% (or any higher percentage that the Governor in Council may by regulation specify); or
- (ii) the total number of votes cast by or on behalf of holders of Class A Variable Voting Shares at any meeting exceeds 25% (or any higher percentage that the Governor in Council may by regulation specify) of the total number of votes that may be cast at such meeting.

If either of the above-noted thresholds would otherwise be surpassed at any time, the vote attached to each Class A Variable Voting Share will decrease proportionately, automatically and without further act or formality such that (i) the Class A Variable Voting Shares as a class do not carry more than 25% (or any higher percentage that the Governor in Council may by regulation specify) of the Aggregate Votes attached to all issued and outstanding voting shares of the Corporation, and (ii) the total number of votes cast by or on behalf of holders of Class A Variable Voting Shares at any meeting do not exceed 25% (or any higher percentage that the Governor in Council may by regulation specify) of the total number of votes that may be cast at such meeting.

(b) Dividends and Distributions.

Subject to the rights, privileges, restrictions and conditions attaching to the shares of the Corporation of any other class ranking prior to the Class A Variable Voting Shares, the

holders of Class A Variable Voting Shares shall, at the discretion of the directors, be entitled to receive, out of monies, assets or property of the Corporation properly applicable to the payment of dividends or distributions, any dividends or distributions declared and payable by the Corporation on the Class A Variable Voting Shares. The Class A Variable Voting Shares and the Class B Voting Shares shall rank equally as to dividends and distributions on a share for share basis and all dividends and distributions declared in any fiscal year of the Corporation shall be declared in equal or equivalent amounts per share on all Class A Variable Voting Shares and Class B Voting Shares at the time outstanding, without preference or distinction.

(c) **Subdivision or Consolidation.**

No subdivision or consolidation of the Class A Variable Voting Shares or the Class B Voting Shares shall occur unless, simultaneously, the shares of the other class are subdivided or consolidated in the same manner, so as to maintain and preserve the relative rights of the holders of the shares of each of the said classes.

(d) **Liquidation, Dissolution or Winding-up.**

Subject to the rights, privileges, restrictions and conditions attaching to the shares of the Corporation ranking prior to the Class A Variable Voting Shares, upon liquidation, dissolution or winding-up of the Corporation or other distribution of the Corporation's assets among its shareholders for the purpose of winding up its affairs, the holders of the Class A Variable Voting Shares and the holders of the Class B Voting Shares shall be entitled to receive the remaining property of the Corporation and shall be entitled to share equally, share for share, in all distributions of such assets.

(e) **Conversion.**

- (i) Automatic. Each issued and outstanding Class A Variable Voting Share shall be converted into one Class B Voting Share, automatically and without any further act of the Corporation or of the holder, if (i) such Class A Variable Voting Share becomes held, beneficially owned and controlled, directly or indirectly, otherwise than by way of security only, by a Canadian; or (ii) the provisions contained in the CTA relating to foreign ownership restrictions are repealed and not replaced with other similar provisions.
- (ii) Upon an Offer. In the event that an offer is made to purchase Class B Voting Shares and the offer is one which is required, pursuant to applicable securities legislation or the rules of a stock exchange on which the Class B Voting Shares are then listed, to be made to all or substantially all the holders of Class B Voting Shares in a province of Canada to which the requirement applies, each Class A Variable Voting Share shall become convertible at the option of the holder into one (1) Class B Voting Share at any time while the offer is in effect until one (1) day after the time prescribed by applicable securities legislation for the offeror to take up and pay for such shares as are to be acquired pursuant to the offer. The conversion right may only be exercised in respect of Class A Variable

Voting Shares for the purpose of depositing the resulting Class B Voting Shares in response to the offer and for no other reason, including with respect to voting rights attached thereto, which are deemed to remain subject to Section B(a), notwithstanding their conversion, and the Transfer Agent shall deposit the resulting Class B Voting Shares on behalf of the holder.

To exercise such conversion right, the holder or such holder's attorney duly authorized in writing shall:

- (i) give written notice to the Transfer Agent of the exercise of such right and of the number of Class A Variable Voting Shares in respect of which the right is being exercised;
- (ii) deliver to the Transfer Agent the share certificate or certificates representing the Class A Variable Voting Shares in respect of which the right is being exercised; and
- (iii) pay any applicable stamp tax or similar duty on or in respect of such conversion.

No share certificates representing the Class B Voting Shares resulting from the conversion of the Class A Variable Voting Shares will be delivered to the holders on whose behalf such deposit is being made.

If (i) Class B Voting Shares resulting from the conversion and deposited pursuant to the offer are withdrawn by the holder or are not taken up by the offeror; or (ii) the offer is abandoned or withdrawn by the offeror or the offer otherwise expires without such Class B Voting Shares being taken up and paid for, the Class B Voting Shares resulting from the conversion will be re-converted into Class A Variable Voting Shares and a share certificate representing the Class A Variable Voting Shares will be sent to the holder by the Transfer Agent. Class B Voting Shares resulting from the conversion and taken up and paid for by the offeror shall be re-converted into Class A Variable Voting Shares at the time the offeror is required under the relevant securities legislation to take up and pay for such shares if the offeror is not a Canadian.

In the event that the offeror takes up and pays for the Class B Voting Shares resulting from conversion, the Transfer Agent of the Corporation shall deliver to the holders thereof the consideration paid for such shares by the offeror.

There will be no right to convert the Class A Variable Voting Shares into Class B Voting Shares in the following cases:

- (i) the offer to purchase Class B Voting Shares is not required under applicable securities legislation or the rules of a stock exchange on which the Class B Voting Shares are then listed to be made to all or substantially all of the holders of Class B Voting Shares in a province of Canada to which the requirement applies, that is, the offer is an "exempt take-over bid" within the meaning of the foregoing securities legislation; or

- (ii) an offer to purchase Class A Variable Voting Shares is made concurrently with the offer to purchase Class B Voting Shares and the two offers are identical in respect of price per share, percentage of outstanding shares for which the offer is made, and in all other material respects, including in respect of the conditions attaching thereto. The offer to purchase the Class A Variable Voting Shares must be unconditional, subject to the exception that the offer for the Class A Variable Voting Shares may contain a condition to the effect that the offeror is not required to take up and pay for Class A Variable Voting Shares deposited to the offer if no shares are purchased pursuant to the contemporaneous offer for the Class B Voting Shares; or
- (iii) holders of Class B Voting Shares representing, in the aggregate, more than sixty-six and two thirds percent (66 2/3%) of the then outstanding Class B Voting Shares (excluding shares owned immediately prior to the offer by the offeror and any joint actor) certify to the Transfer Agent and to the secretary of the Corporation that they will not deposit any shares in response to the offer for the Class B Voting Shares.

C. The Class B Voting Shares shall have attached thereto the following rights, privileges, restrictions and conditions:

(a) Voting.

The holders of Class B Voting Shares shall be entitled to receive notice of, and to attend and vote at, all meetings of the shareholders of the Corporation, except where the holders of a specified class are entitled to vote separately as a class as provided in the CBCA. Each Class B Voting Share shall confer the right to one (1) vote in person or by proxy at all meetings of shareholders of the Corporation.

(b) Dividends and Distributions.

Subject to the rights, privileges, restrictions and conditions attaching to the shares of the Corporation of any other class ranking prior to the Class B Voting Shares, the holders of Class B Voting Shares shall, at the discretion of the directors, be entitled to receive, out of monies, assets or property of the Corporation properly applicable to the payment of dividends or distributions, any dividends or distributions declared and payable by the Corporation on the Class B Voting Shares. The Class B Voting Shares and the Class A Variable Voting Shares shall rank equally as to dividends and distributions on a share for share basis and all dividends and distributions declared in any fiscal year of the Corporation shall be declared in equal or equivalent amounts per share on all Class B Voting Shares and Class A Variable Voting Shares at the time outstanding, without preference or distinction.

(c) Subdivision or Consolidation.

No subdivision or consolidation of the Class B Voting Shares or the Class A Variable Voting Shares shall occur unless, simultaneously, the shares of the other class are

subdivided or consolidated in the same manner, so as to maintain and preserve the relative rights of the holders of the shares of each of the said classes.

(d) Liquidation, Dissolution or Winding-up.

Subject to the rights, privileges, restrictions and conditions attaching to the shares of the Corporation ranking prior to the Class B Voting Shares upon liquidation, dissolution or winding-up of the Corporation or other distribution of the Corporation's assets among its shareholders for the purpose of winding up its affairs, the holders of the Class B Voting Shares and the holders of Class A Variable Voting Shares shall be entitled to receive the remaining property of the Corporation and shall be entitled to share equally, share for share, in all distributions of such assets.

(e) Conversion.

- (i) Automatic. Unless the foreign ownership restrictions of the CTA are repealed and not replaced with other similar restrictions, an issued and outstanding Class B Voting Share shall be converted into one Class A Variable Voting Share, automatically and without any further act of the Corporation or the holder, if such Class B Voting Share becomes held, beneficially owned or controlled, directly or indirectly, otherwise than by way of security only, by a person who is not a Canadian.
- (ii) Upon an Offer. In the event that an offer is made to purchase Class A Variable Voting Shares and the offer is one which is required, pursuant to applicable securities legislation or the rules of a stock exchange on which the Class A Variable Voting Shares are then listed, to be made to all or substantially all the holders of Class A Variable Voting Shares, each Class B Voting Share shall become convertible at the option of the holder into one (1) Class A Variable Voting Share at any time while the offer is in effect until one (1) day after the time prescribed by applicable securities legislation for the offeror to take up and pay for such shares as are to be acquired pursuant to the offer. The conversion right may only be exercised in respect of Class B Voting Shares for the purpose of depositing the resulting Class A Variable Voting Shares in response to the offer and for no other reason, including with respect to voting rights attached thereto, which are deemed to remain subject to Section C(a), notwithstanding their conversion, and the Transfer Agent shall deposit the resulting Class A Variable Voting Shares on behalf of the holder.

To exercise such conversion right, the holder or such holder's attorney duly authorized in writing shall:

- (i) give written notice to the Transfer Agent of the exercise of such right and of the number of Class B Voting Shares in respect of which the right is being exercised;

- (ii) deliver to the Transfer Agent the share certificate or certificates representing the Class B Voting Shares in respect of which the right is being exercised; and
- (iii) pay any applicable stamp tax or similar duty on or in respect of such conversion.

No share certificates representing the Class A Variable Voting Shares resulting from the conversion of the Class B Voting Shares will be delivered to the holders on whose behalf such deposit is being made.

If (i) Class A Variable Voting Shares resulting from the conversion and deposited pursuant to the offer are withdrawn by the holder or are not taken up by the offeror; or (ii) the offer is abandoned or withdrawn by the offeror or the offer otherwise expires without such Class A Variable Voting Shares being taken up and paid for, the Class A Variable Voting Shares resulting from the conversion will be re-converted into Class B Voting Shares and a share certificate representing the Class B Voting Shares will be sent to the holder by the Transfer Agent. Class A Variable Voting Shares resulting from the conversion and taken up and paid for by the offeror shall be re-converted into Class B Voting Shares at the time the offeror is required under the relevant securities legislation to take up and pay for such shares if the offeror is a Canadian.

In the event that the offeror takes up and pays for the Class A Variable Voting Shares resulting from conversion, the Transfer Agent of the Corporation shall deliver to the holders thereof the consideration paid for such shares by the offeror.

There will be no right to convert the Class B Voting Shares Into Class A Variable Voting Shares in the following cases:

- (i) the offer to purchase Class A Variable Voting Shares is not required under applicable securities legislation or the rules of a stock exchange on which the Class A Variable Voting Shares are then listed to be made to all or substantially all of the holders of Class A Variable Voting Shares, that is, the offer is an “exempt take-over bid” within the meaning of the foregoing securities legislation, or
- (ii) an offer to purchase Class B Voting Shares is made concurrently with the offer to purchase Class A Variable Voting Shares and the two offers are identical in respect of price per share, percentage of outstanding shares for which the offer is made, and in all other material respects, including in respect of the conditions attaching thereto. The offer to purchase the Class B Voting Shares must be unconditional, subject to the exception that the offer for the Class B Voting Shares may contain a condition to the effect that the offeror is not required to take up and pay for Class B Voting Shares deposited to the offer if no shares are purchased pursuant to the contemporaneous offer for the Class A Variable Voting Shares; or
- (iii) holders of Class A Variable Voting Shares representing, in the aggregate, more than sixty-six and two thirds percent (66 2/3%) of the then

outstanding Class A Variable Voting Shares (excluding shares owned immediately prior to the offer by the offeror and any joint actor) certify to the Transfer Agent and to the secretary of the Corporation that they will not deposit any shares in response to the offer for the Class A Variable Voting Shares.
