

CHARTER OF THE AUDIT COMMITTEE OF GIBRALTAR GROWTH CORPORATION

Section 1 PURPOSE

The audit committee (the “**Audit Committee**”) is a committee of the board of directors (the “**Board**”) of Gibraltar Growth Corporation (the “**Corporation**”). The primary function of the Audit Committee is to assist the directors of the Corporation in fulfilling their applicable roles by:

- (a) recommending to the Board the appointment and compensation of the Corporation’s external auditor;
- (b) overseeing the work of the external auditor, including the resolution of disagreements between the external auditor and management;
- (c) pre-approving all non-audit services (or delegating such pre-approval if and to the extent permitted by law) to be provided to the Corporation by the Corporation’s external auditor;
- (d) satisfying themselves that adequate procedures are in place for the review of the Corporation’s public disclosure of financial information, other than those described in (g) below, extracted or derived from its financial statements, including periodically assessing the adequacy of such procedures;
- (e) establishing procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal controls or auditing matters, and for the confidential, anonymous submission by employees of the Corporation of concerns regarding questionable accounting or auditing matters;
- (f) reviewing and approving any proposed hiring of current or former partner or employee of the current and former auditor of the Corporation; and
- (g) reviewing and approving the annual and interim financial statements, related Management Discussion and Analysis (“**MD&A**”) and other financial information provided by the Corporation to any governmental body or the public.

The Audit Committee should primarily fulfill these roles by carrying out the activities enumerated in this Charter. However, it is not the duty of the Audit Committee to prepare financial statements, to plan or conduct internal or external audits, to determine that the financial statements are complete and accurate and are in accordance with Canadian generally accepted accounting principles, to conduct investigations, or to assure compliance with laws and regulations or the Corporation’s internal policies, procedures and controls, as these are the responsibility of management, and in certain cases, the external auditor.

Section 2 LIMITATIONS ON AUDIT COMMITTEE’S DUTIES

In contributing to the Audit Committee’s discharge of its duties under this Charter, each member of the Audit Committee shall be obliged only to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Nothing in this Charter is intended to be, or may be construed as, imposing on any members of the Audit Committee a standard of care or diligence that is in any way more onerous or extensive than the standard to which the directors are subject.

Members of the Audit Committee are entitled to rely, absent actual knowledge to the contrary, on (i) the integrity of the persons and organizations from whom they receive information, (ii) the accuracy and completeness of the information provided, (iii) representations made by management as to the non-audit services provided to the Corporation by the external auditor, (iv) financial statements of the Corporation represented to them by a member of management or in a written report of the external auditors to present fairly the financial position of the Corporation in accordance with generally accepted accounting principles, and (v) any report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

Section 3 COMPOSITION AND MEETINGS

The Audit Committee should be comprised of not less than three directors as determined by the Board, all of whom shall be independent within the meaning of National Instrument 52-110 – Audit Committees (“**52-110**”) of the Canadian Securities Administrators (or exempt therefrom), and free of any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee. A majority of the members of the Audit Committee must be resident Canadians. All members of the Audit Committee should have (or should gain within a reasonable period of time after appointment) a working familiarity with basic finance and accounting practices. At least one member of the Audit Committee should have accounting or related financial management expertise and be considered a financial expert. Each member should be “financially literate” within the meaning of 52-110. The Audit Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

The members of the Audit Committee shall be elected by the Board on an annual basis or until their successors shall be duly appointed. Unless a Chair of the Audit Committee (the “**Chair**”) is elected by the full Board, the members of the Audit Committee may designate a Chair by majority vote of the full Audit Committee membership.

In addition, the Audit Committee members should meet all of the requirements for members of audit committees as defined from time to time under applicable legislation and the rules of any stock exchange on which the Corporation’s securities are listed or traded.

The Audit Committee should meet at least four times annually, or more frequently as circumstances require. The Audit Committee should meet within forty-five (45) days following the end of the first three financial quarters to review and discuss the unaudited financial results for the preceding quarter and the related MD&A, and should meet within 90 days following the end of the fiscal year end to review and discuss the audited financial results for the preceding quarter and year and the related MD&A.

The Audit Committee may ask members of management or others to attend meetings and provide pertinent information as necessary. For purposes of performing their duties, members of the Audit Committee shall have full access to all corporate information and any other information deemed appropriate by them, and shall be permitted to discuss such information and any other matters relating to the financial position of the Corporation with senior employees, officers and the external auditor of the Corporation, and others as they consider appropriate.

For greater certainty, management is indirectly accountable to the Audit Committee and is responsible for the timeliness and integrity of the financial reporting and information presented to the Board.

In order to foster open communication, the Audit Committee or its Chair should meet at least annually with management and the external auditor in separate sessions to discuss any matters that the Audit Committee or each of these groups believes should be discussed privately. In addition, the Audit Committee or its Chair should meet with management quarterly in connection with the Corporation’s interim financial statements.

A quorum for the transaction of business at any meeting of the Audit Committee shall be a majority of the number of members of the Audit Committee or such greater number as the Audit Committee shall by resolution determine, provided that a majority thereof are resident Canadians.

Meetings of the Audit Committee shall be held from time to time and at such place as any member of the Audit Committee shall determine upon 48 hours’ notice to each of its members. The notice period may be waived by all members of the Audit Committee. Each of the Chair of the Board, the external auditor, the Chief Executive Officer, the Chief Financial Officer or the Secretary shall be entitled to request that any member of the Audit Committee call a meeting.

This Charter is subject in all respects to the Corporation’s articles of incorporation and by-laws from time to time.

Section 4 ROLE

As part of its function in assisting the Board in fulfilling its oversight role (and without limiting the generality of the Audit Committee's role), the Audit Committee should:

- (1) Determine any desired agenda items;
- (2) Review and recommend to the Board changes to this Charter, as considered appropriate from time to time;

Documents / Reports Review

- (7) Review and recommend to the Board for approval the Corporation's annual and interim financial statements, including any certification, report, opinion, undertaking or review rendered by the external auditor and the related MD&A, as well as such other financial information of the Corporation provided to the public or any governmental body as the Audit Committee or the Board require.
- (8) Review other financial information provided to any governmental body or the public as they see fit.
- (9) Review, recommend and approve any of the Corporation's press releases that contain financial information.

External Auditor

- (11) Recommend to the Board the selection of the external auditor, considering independence and effectiveness, and review the fees and other compensation to be paid to the external auditor.
- (12) Review and seek to ensure that all financial information provided to the public or any governmental body, as required, provides for the fair presentation of the Corporation's financial condition, financial performance and cash flow.
- (13) Instruct the external auditor that its ultimate client is not management and that it is required to report directly to the Audit Committee, and not management.
- (14) Monitor the relationship between management and the external auditor including reviewing any management letters or other reports of the external auditor and discussing any material differences of opinion between management and the external auditor.
- (15) Review and discuss, on an annual basis, with the external auditor all significant relationships it has with the Corporation to determine the external auditor's independence.
- (16) Pre-approve all non-audit services (or delegate such pre-approval, as the Audit Committee may determine and as permitted by applicable Canadian securities laws) to be provided by the external auditor.

- (17) Review the performance of the external auditor and any proposed discharge of the external auditor when circumstances warrant.
- (18) Periodically consult with the external auditor out of the presence of management about significant risks or exposures, internal controls and other steps that management has taken to control such risks, and the fullness and accuracy of the financial statements, including the adequacy of internal controls to expose any payments, transactions or procedures that might be deemed illegal or otherwise improper.
- (19) Communicate directly with the external auditor and arrange for the external auditor to be available to the Audit Committee and the full Board as needed.
- (20) Review and approve any proposed hiring by the Corporation of current or former partners or employees of the current (and any former) external auditor of the Corporation.

Audit Process

- (21) Review the scope, plan and results of the external auditor's audit and reviews, including the auditor's engagement letter, the post-audit management letter, if any, and the form of the audit report. The Audit Committee may authorize the external auditor to perform supplemental reviews, audits or other work as deemed desirable.
- (22) Following completion of the annual audit and quarterly reviews, review separately with each of management and the external auditor any significant changes to planned procedures, any difficulties encountered during the course of the audit and, if applicable, reviews, including any restrictions on the scope of work or access to required information and the cooperation that the external auditor received during the course of the audit and, if applicable, reviews.
- (23) Review any significant disagreements among management and the external auditor in connection with the preparation of the financial statements.
- (24) Where there are significant unsettled issues between management and the external auditor that do not affect the audited financial statements, the Audit Committee shall seek to ensure that there is an agreed course of action leading to the resolution of such matters.

Financial Reporting Processes

- (25) Review the integrity of the financial reporting processes, both internal and external, in consultation with the external auditor as they see fit.
- (26) Consider the external auditor's judgments about the quality, transparency and appropriateness, not just the acceptability, of the Corporation's accounting principles and financial disclosure practices, as applied in its financial reporting, including the degree of aggressiveness or conservatism of its accounting principles and underlying estimates, and whether those principles are common practices or are minority practices.
- (27) Review all material balance sheet issues, material contingent obligations (including those associated with material acquisitions or dispositions) and material related party transactions.
- (28) Review with management and the external auditor the Corporation's accounting policies and any changes that are proposed to be made thereto, including all critical accounting policies and practices used, any alternative treatments of financial information that have been discussed with management, the ramification of their use and the external auditor's preferred treatment and any other material communications with management with respect thereto.
- (29) Review the disclosure and impact of contingencies and the reasonableness of the provisions, reserves and estimates that may have a material impact on financial reporting.

- (30) If considered appropriate, establish separate systems of reporting to the Audit Committee by each of management and the external auditor.
- (31) Periodically consider the need for an internal audit function, if not present.

Risk Management

- (32) Review program of risk assessment and steps taken to address significant risks or exposures of all types, including insurance coverage and tax compliance.

General

- (33) With prior Board approval, the Audit Committee may at its discretion retain independent counsel, accountants and other professionals to assist it in the conduct of its activities and to set and pay (as an expense of the Corporation) the compensation for any such advisors.
