## Notes to the Unaudited Interim Condensed Consolidated Financial Statements For the period ended September 30, 2014

(expressed in thousands of Canadian dollars, except shares, share prices and earnings per share)

### 1 General information

Chorus Aviation Inc. ("Chorus") was incorporated on September 27, 2010 pursuant to the *Canada Business Corporations Act*. On November 18, 2010, Chorus incorporated Aviation General Partner Inc. to act as general partner for Jazz Aviation LP (the "Partnership"). On January 5, 2011, substantially all of the assets of Jazz Air LP were transferred to the Partnership and the airline business previously carried on by Jazz Air LP is now carried on by the Partnership. On February 28, 2011, Chorus incorporated Chorus Leasing I Inc., Chorus Leasing II Inc., and Chorus Leasing III Inc. (collectively, the "Initial LeaseCos"), which were established for the sole purpose of acquiring Q400 NextGen turboprop aircraft ("Q400 aircraft") and related equipment with financing from Export Development Canada ("EDC"). On December 31, 2012, the Initial LeaseCos were reorganized as follows: Chorus Leasing I Inc. and Chorus Leasing II Inc. amalgamated to form Chorus Leasing Amalco (2012) Inc. ("Amalco"), and Chorus Leasing III Inc. then acquired the assets and liabilities of Amalco. Amalco was then wound up into Chorus Aviation Inc.

On November 28, 2013, Chorus incorporated Chorus Aviation Holdings Inc. ("CAHI") and CAHI incorporated Chorus Airport Services Inc. ("CASI"). CAHI was established to act as a holding company and CASI was established for the purpose of providing airport handling services. On December 31, 2013, Chorus' subsidiaries were reorganized as follows: Chorus incorporated Jazz Aviation Holdings Inc. ("JAH"), JAH incorporated Jazz Aircraft Financing Inc. ("JAFI") and JAFI incorporated Jazz Leasing Inc. ("JLI"). Chorus Leasing III Inc. and 7503695 Canada Inc. amalgamated to form Chorus Leasing III Inc. ("CL3 Amalco"). CL3 Amalco transferred the majority of its assets to JLI and JAFI assumed the EDC financing obligations from CL3 Amalco. CL3 Amalco was then wound up into Chorus Aviation Inc.

The registered office of Chorus is located at 100 King Street West, 1 First Canadian Place, Suite 6100, P.O. Box 50, Toronto, Ontario, M5X 1B8 and its country of domicile is Canada.

References to Chorus in the following notes to the consolidated financial statements refer, as the context may require, to Chorus Aviation Inc. and its subsidiaries collectively, Chorus and one or more of its current and former subsidiaries, one or more of Chorus' current and former subsidiaries, or Chorus itself. In the context of the Amended and Restated Capacity Purchase Agreement, references to Chorus are exclusively intended to refer to the Partnership.

Chorus is a holding company with various aviation interests. Its principal business is the Partnership which operates the largest regional airline, and the second largest airline in Canada after Air Canada, based on fleet size. Through the Partnership, Chorus provides a significant part of Air Canada's domestic and transborder network. Chorus is economically and commercially dependent upon Air Canada and one of its subsidiaries, as, in addition to being Chorus' primary source of revenue, these entities currently provide significant services and aircraft to Chorus. Chorus and Air Canada are parties to an Amended and Restated Capacity Purchase Agreement, effective January 1, 2006, as amended on July 6, 2009, September 22, 2009, March 8, 2011, June 21, 2012, August 6, 2012, June 3, 2013 and June 6, 2013 (collectively, the "CPA"), under which Air Canada currently purchases the greater part of Chorus' fleet capacity on aircraft operated by Chorus at predetermined rates.

Under the CPA, Chorus experiences greater demand for its services in the second and third quarters of the calendar year and lower demand in the first and fourth quarters of the calendar year. Chorus has substantial fixed costs that do not meaningfully fluctuate with passenger demand in the short-term. Chorus' revenues do not fluctuate significantly with passenger load factors.

## Notes to the Unaudited Interim Condensed Consolidated Financial Statements For the period ended September 30, 2014

(expressed in thousands of Canadian dollars, except shares, share prices and earnings per share)

### 2 Basis of presentation

These financial statements are in compliance with International Accounting Standards 34, Interim Financial Reporting ("IAS 34"). Accordingly, certain information included in annual financial statements prepared in accordance with International Financial Reporting Standards ("IFRS"), as issued by the International Accounting Standards Board, have been omitted or condensed. The preparation of financial statements in accordance with IAS 34 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying Chorus' accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements, have been set out in note 3 of Chorus' annual consolidated financial statements for the year ended December 31, 2013. These financial statements should be read in conjunction with Chorus' consolidated financial statements for the year ended December 31, 2013.

These financial statements have been authorized for issuance by the Board of Directors on November 12, 2014.

### 3 Significant accounting policies

Except as otherwise indicated hereunder, these financial statements have been prepared using the same policies and methods of computation as the annual consolidated financial statements of Chorus for the year ended December 31, 2013.

#### Update to accounting policies

Stock-based compensation

##### *Long-term incentive plan*

In the first quarter of 2014, pursuant to Chorus' long-term incentive plan ("LTIP") eligible employees were given the option to elect prior to vesting whether to receive cash or shares for their restricted share units ("RSU") that vested in the quarter. As a result, effective February 24, 2014 the RSU obligation changed from an equity settled obligation, accounted for in contributed surplus, to a cash settled obligation, recognized in the appropriate short and long-term liability accounts in the Statement of Financial Position. The liability is adjusted quarterly to reflect the number of RSUs expected to vest and the fair market value of the RSUs at the end of the reporting period. Changes to the outstanding RSU liability are accounted for in salaries, wages and benefits expense in the Statement of Income.

##### *Stock options*

In the second quarter of 2014, the Board of Directors granted equity-settled stock options with a three year vesting period pursuant to the LTIP. The fair value of the stock options are determined at the time of the grant using a Black-Scholes option pricing model. The fair value of the options are recognized as expense over the vesting period, based on the number of options expected to vest, with a corresponding entry to equity.

#### Amendments to standards

IFRS 9, Financial Instruments, has been amended to bring into effect a substantial overhaul of hedge accounting that will allow entities to better reflect the risk management activities in their financial statements. Chorus early adopted the amendments to this standard effective January 1, 2014. The amendments to this standard have no impact on Chorus' consolidated financial statements.

## Notes to the Unaudited Interim Condensed Consolidated Financial Statements For the period ended September 30, 2014

(expressed in thousands of Canadian dollars, except shares, share prices and earnings per share)

### 3 Significant accounting policies (continued)

#### Accounting standards issued but not yet applied

The IASB issued IFRS 15, "Revenue from Contracts with Customers" ("IFRS 15") effective for annual periods beginning on or after January 1, 2017. IFRS 15 establishes a new control-based revenue recognition model and replaces IAS 18, "Revenue", IAS 11, "Construction Contracts", and some revenue related interpretations. The new standard is intended to enhance disclosures about revenue, provide more comprehensive guidance for transactions that were not previously addressed and improve guidance for multiple-element arrangements. Chorus is currently evaluating the impact of the new standard on its consolidated financial statements.

### 4 Convertible debentures

On each of February 10, 2014 and June 20, 2014 (the "Early Redemption Dates"), Chorus exercised its right to redeem outstanding 9.50% convertible unsecured subordinated debentures ("Debentures") in the aggregate principal amount of \$80,201. On June 20, 2014, prior to redemption, \$9 of the Debenture principal was converted to equity. Chorus redeemed the Debentures by paying the outstanding principal amount of the redeemed Debentures (the "Redemption Price"), together with all accrued and unpaid interest thereon up to but excluding the Early Redemption Dates. The Debentures that were redeemed ceased to bear interest from, and subsequent to, the Early Redemption Dates. Chorus used surplus cash to pay the Redemption Price together with all accrued and unpaid interest thereon as described above. As a result of the conversion and redemption, \$9,497 of the equity component of the Debentures has been reclassified to contributed surplus in the Statement of Changes in Equity and the Debenture liability has been extinguished.

### 5 Income taxes

The effective rate on Chorus' earnings before income tax differs from the expected amount that would arise using the combined Canadian Federal and Provincial statutory income tax rates. A reconciliation of the difference is as follows:

	Three months ended September 30,			
	2014 %	2014 \$	2013 %	2013 \$
Income tax expense at the Canadian statutory tax rate	25.6	5,230	28.3	12,354
Recognition of previously unrecognized cumulative eligible capital	(11.9)	(2,426)	(6.0)	(2,604)
Net impact of capital items <sup>(1)</sup>	28.1	5,733	(6.0)	(2,622)
Non-deductible expenses	3.1	634	1.2	493
Income tax expense	44.9	9,171	17.5	7,621

Notes to the Unaudited Interim Condensed Consolidated Financial Statements  
For the period ended September 30, 2014

(expressed in thousands of Canadian dollars, except shares, share prices and earnings per share)

**5 Income taxes (continued)**

	Nine months ended September, 30,			
	2014 %	2014 \$	2013 %	2013 \$
Income tax expense at the Canadian statutory tax rate	27.6	20,744	27.3	18,578
Recognition of previously unrecognized cumulative eligible capital	(9.7)	(7,312)	(11.5)	(7,849)
Net impact of capital items <sup>(1)</sup>	8.3	6,263	5.0	3,390
Non-deductible expenses	2.7	2,047	2.1	1,402
Impact of tax rate changes and tax rate differential	—	—	(0.9)	(580)
<b>Income tax expense</b>	<b>28.9</b>	<b>21,742</b>	<b>22.0</b>	<b>14,941</b>

(1) The impact of capital items is mainly related to the foreign exchange fluctuations on the long-term debt associated with the purchase of the Q400 aircraft, of which the impact of the non-deductible (non-taxable) portion of any unrealized loss (gain) is considered in the calculation of income tax expense at the end of each period. To the extent that a capital loss is recorded for accounting purposes, the benefit of the deductible portion of the loss is recognized only to the extent that it is probable that the loss will be utilized. Income tax expense related to unrealized foreign exchange gains recorded in a period is reduced by previously unrecognized income tax assets related to unrealized foreign exchange losses. Chorus does not have a plan in place to utilize the deductible portion of the balance of the foreign exchange losses, accordingly no deferred tax asset has been recognized related to the foreign exchange losses.

In addition to the tax deductible amounts recognized as deferred tax assets in the financial statements, Chorus has other tax deductible amounts of approximately \$482,450, as at September 30, 2014, related to cumulative eligible capital. In accordance with the initial recognition exemption, as outlined in IAS 12, the benefit of these deductible expenditures cannot be recognized in the financial statements until such time that those benefits can be applied to reduce current tax expense. During the three and nine months ended September 30, 2014, Chorus utilized a total of \$8,880 (\$2,426 tax effected) and \$26,766 (\$7,312 tax effected), respectively, of these previously unrecognized tax deductions to reduce its taxable income. During the three and nine months ended September 30, 2013, Chorus utilized a total of \$9,548 (\$2,604 tax effected) and \$28,780 (\$7,849 tax effected), respectively, of these previously unrecognized tax deductions to reduce its taxable income.

As at September 30, 2014, Chorus had \$31,347 (December 31, 2013 - \$20,363) of allowable capital losses that have not been recognized as a deferred tax asset, as Chorus has no current plan in place to utilize these losses.

Notes to the Unaudited Interim Condensed Consolidated Financial Statements  
For the period ended September 30, 2014

(expressed in thousands of Canadian dollars, except shares, share prices and earnings per share)

**6 Capital stock**

**Capital stock**

a) Authorized:

An unlimited number of Class A Variable Voting Shares, no par value ("Variable Voting Shares"); and  
An unlimited number of Class B Voting Shares, no par value ("Voting Shares")

Issued and outstanding:

	Number of Shares <sup>(1)</sup>	\$
Shares issued and outstanding December 31, 2012	124,015,471	3,628
Shares issued <sup>(2)</sup>	398,355	1,566
Shares repurchased <sup>(3)</sup>	(1,871,800)	(78)
Shares issued and outstanding December 31, 2013	122,542,026	5,116
Shares issued <sup>(4)</sup>	1,713	9
Shares repurchased <sup>(5)</sup>	(2,045,800)	(86)
Shares issued and outstanding September 30, 2014	120,497,939	5,039

- 1) References to "Shares" above are inclusive of Variable Voting Shares and Voting Shares. As at September 30, 2014, Chorus had 4,968,434 Variable Voting Shares (December 31, 2013 - 4,789,193) and 115,529,505 Voting Shares (December 31, 2013 - 117,752,833).
- 2) On February 25, 2013 Chorus issued 398,355 Voting Shares to satisfy the vesting of the stock-based compensation plans. The shares were issued at market price at closing on the day of issuance, net of the amount Chorus paid in withholding taxes on behalf of the employees.
- 3) On March 14, 2013, Chorus announced that it had received approval from the Toronto Stock Exchange to make a normal course issuer bid to purchase up to 11,093,612 Shares during the period March 18, 2013 to no later than March 17, 2014. From April 1 to December 31, 2013, Chorus repurchased and cancelled 1,871,800 Shares under its normal course issuer bid at an aggregate cost of \$4,006. Share capital was reduced by \$78 and the remaining \$3,928 was accounted for as a reduction of contributed surplus.
- 4) On June 20, 2014, \$9 of Debenture principal was converted into 1,713 Shares.
- 5) On March 27, 2014, Chorus announced that it had received approval from the Toronto Stock Exchange to implement a second normal course issuer bid to purchase up to 12,168,157 Shares during the period March 31, 2014 to no later than March 30, 2015. From April 1, 2014 to September 30, 2014, Chorus purchased and cancelled 2,045,800 Shares under its normal course issuer bid at an aggregate cost of \$8,357. Share capital was reduced by \$86 and the remaining \$8,271 was accounted for as a reduction of contributed surplus. Subsequent to September 30, 2014, Chorus repurchased an additional 245,000 Shares at an aggregate cost of \$1,015.

b) Stock options

On May 20, 2014, Chorus granted 5,350,000 stock options to certain executive employees of the company. The options have a three year vesting period and expire five years from the date of grant. The share price at the time of the grant was \$3.84 and all options have a strike price of \$4.50. Expected volatility was determined by calculating the historical volatility of the Chorus shares over a period equal to the expected life of the options, five years. The risk free rate is based on the Government of Canada three to five year monthly average bond yield. Dividend yield is based on the average yield since Chorus announced the current annual dividend rate of \$0.45 per share on December 10, 2013. The fair value of the options on the grant date, calculated using the Black-Scholes share option pricing model, is estimated to be \$1,771.

During the three and nine months ended September 30, 2014, Chorus expensed \$150 and \$214, respectively, related to stock option expense, with an offsetting entry to contributed surplus in the statement of changes in equity. At September 30, 2014 there are no options that are exercisable.

**7 Economic dependence**

The transactions between Air Canada, and its subsidiary (Air Canada Capital Ltd.), and Chorus are summarized in the table below:

	Three months ended September 30,		Nine months ended September 30,	
	2014	2013	2014	2013
	\$	\$	\$	\$
<b>Operating revenue</b>				
Air Canada	426,902	427,585	1,246,556	1,241,318
<b>Operating expenses</b>				
Air Canada	16,005	16,030	52,524	54,001
Air Canada Capital Ltd.	21,150	20,230	63,803	59,850

The following balances with Air Canada and its subsidiary (Air Canada Capital Ltd.) are included in the financial statements:

	September 30, 2014	December 31, 2013
	\$	\$
<b>Accounts receivable</b>		
Air Canada	60,952	58,682
<b>Accounts payable and accrued liabilities</b>		
Air Canada	65,810	60,403
Air Canada Capital Ltd.	12,213	7,768

**Other**

Air Canada provides certain supplies from third parties, primarily fuel, to Chorus and subsequently collects payment from Chorus. As these transactions and balances merely represent a method of settlement for transactions in the normal course of business, they have not been separately disclosed. Air Canada also provides ground handling services.

Substantially all of the trade receivable from Air Canada relates to outstanding balances under the CPA.

The balances in accounts payable and accrued liabilities are payable on normal trade terms and have arisen from the services provided by the applicable party.

### 8 Financial instruments and fair values

Financial assets and liabilities have been classified into categories that determine their basis of measurement and, for items measured at fair value, whether changes in fair value are recognized in the statement of income or comprehensive income. Those categories are: fair value through profit or loss; fair value through other comprehensive income; and amortized cost. With the exception of the items noted below, all financial instruments have fair values that approximate carrying value due to their short-term nature.

Chorus' financial instruments consist of cash and cash equivalents, restricted cash, accounts receivable, asset backed commercial paper, accounts payable and accrued liabilities, dividends payable, LTIP liability, obligations under finance leases and long-term debt.

The following financial instruments have fair values that differ from carrying value:

- Long-term debt

At September 30, 2014, the fixed rate term loans had a fair value of \$390,737 compared to a carrying value of \$399,318. The fair values were calculated by discounting the future cash flow of the respective long-term debt at the estimated yield to maturity of similar debt instruments.

### 9 Contingencies

The Canada Business Corporations Act, as amended (the "CBCA") provides that the Directors will act honestly and in good faith with a view to the best interest of Chorus and, in connection with that duty, will exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The CBCA and bylaws of Chorus provide that each Director will be entitled to indemnification from Chorus in respect of the exercise of the Director's power and the discharge of the Director's duties, provided that the Director acted honestly and in good faith with a view to the best interests of all shareholders, or in the case of a criminal or administrative action proceeding that is enforced by a monetary penalty, where the Director had reasonable grounds for believing that his/her conduct was lawful. Chorus and its subsidiaries have agreed to indemnify their respective directors and officers against certain costs and damages incurred by the directors and officers as a result of lawsuits or any other judicial, administrative or investigative proceeding in which the directors and officers are sued as a result of their service. The directors and officers are also covered by directors' and officers' liability insurance. No claims with respect to such occurrences have been made and, as such, no amount has been recorded in these financial statements with respect to these indemnifications.

Various other lawsuits and claims that have arisen in the normal course of business are pending by and against Chorus. The provisions, if any, that have been recorded are not material. It is the opinion of management that final determination of these claims will not have a material adverse effect on the financial position or the results of Chorus.

Chorus enters into various operating agreements and real estate licenses or leases, which in some cases permit Chorus to use certain premises and/or operate at certain airports, and which in other cases lease space in Chorus' facilities to its tenants. It is common in such commercial license or lease transactions for the licensee or tenant to agree to indemnify the landlord for tort liabilities that arise out of or relate to its use or occupancy of the licensed or leased premises. In certain cases, this indemnity extends to related liabilities arising from the negligence of the indemnified parties, but generally excludes any liabilities caused by their gross negligence or willful misconduct. In addition, the licensee or tenant, as the case may be, typically indemnifies the landlord for any environmental liability that arises out of or relates to its use or occupancy of the leased or licensed premises.

(expressed in thousands of Canadian dollars, except shares, share prices and earnings per share)

**9 Contingencies (continued)**

In aircraft, engine and other equipment ("Equipment") financing or leasing agreements, Chorus typically indemnifies the financing or leasing parties, directors acting on their behalf and other related parties against liabilities that arise from the manufacture, design, ownership, financing, use, operation and maintenance of the Equipment and for tort liability, whether or not these liabilities arise out of or relate to the negligence of these indemnified parties, but generally excluding any liabilities caused by their gross negligence or willful misconduct. In addition, in certain equipment financing or leasing transactions, Chorus typically provides indemnities in respect of certain tax consequences.

When Chorus enters into other types of leases and technical service agreements with service providers, primarily service providers who operate an airline as their main business, Chorus has from time to time agreed to indemnify the other party against liabilities that arise from third party claims, whether or not these liabilities arise out of or relate to the negligence of the other party, but generally excluding liabilities that arise from the other parties' gross negligence or wilful misconduct.

**10 Statement of cash flows - supplementary information**

a) Net changes in non-cash balances related to operations:

	Three months ended September 30,		Nine months ended September 30,	
	2014	2013	2014	2013
	\$	\$	\$	\$
(Increase) decrease in accounts receivable – trade and other	(5,645)	(1,394)	6	(3,389)

Term deposits and fixed income securities	—	29,974	—	29,974

**11 Subsequent event**

On November 6, 2014, upon arrival at Edmonton International Airport, a Q400 aircraft sustained significant damage upon landing. As of this date, the full extent of such damage is unknown. Chorus has worked with Air Canada to minimize the impact on the flight schedule by increasing utilization on the remaining fleet. The company's insurers have been notified and they have appointed an adjuster to facilitate the claim process as damage information becomes available.
