Safe Harbor Summary

This presentation includes forward-looking statements that are subject to many risks and uncertainties. These forward-looking statements, such as statements about Amyris's strategy, growth opportunities, additional financing sources and operating expenses, and can sometimes be identified by use of terms such as "intend," "expect," "plan," "estimate," "future," "strive," and similar words. These statements involve many risks and uncertainties that may cause actual results to differ from what may be expressed or implied in these statements, including risks associated with liquidity, any delays or failures in development, production or commercialization of products, our reliance on third parties to achieve our goals, and other risks discussed in Amyris's Securities and Exchange Commission filings and reports under the section captioned "Risk Factors" in its annual report on Form 10-K filed on March 14, 2011 and its quarterly reports on Form 10-Q filed May 11, August 11 and November 9 of 2011. Amyris disclaims any obligation to update information contained in these forward-looking statements whether as a result of new information, future events, or otherwise.
