

ARDMORE SHIPPING CORPORATION

AUDIT COMMITTEE CHARTER

This Audit Committee (“Committee”) of the Board of Directors (“Board”) of Ardmore Shipping Corporation (the “Company”) has adopted this Audit Committee Charter (“Charter”).

Purpose

The Committee assists the Board in its oversight of:

- the quality and integrity of the Company’s financial statements and its accounting, auditing and financial reporting practices;
- the Company’s compliance with legal and regulatory requirements;
- the independent auditor’s qualifications and independence; and
- the performance of the Company’s independent auditors and the Company’s internal audit function, if any.

The Committee may also have such other duties as may from time to time be assigned to it by the Board and are required by the rules and regulations of the Securities and Exchange Commission (“SEC”), the New York Stock Exchange (“NYSE”).

As the Committee deems appropriate, it may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Committee.

Composition

Independence

The Committee shall be comprised of at least three directors, each of whom meets, as determined by the Board, the director independence and financial literacy requirements of NYSE and the SEC, subject to any applicable exemptions.

Financial Literacy and Expertise

Each member of the Committee will be financially literate, as such qualification is interpreted by the Board in its business judgment, or become financially literate within a reasonable time after appointment to the Committee. At least one member of the Committee will be an “Audit Committee Financial Expert” in accordance with SEC rules. The designation or determination by the Board of a person as an Audit Committee Financial Expert will not impose on such person individually, on the Committee, or on the Board as a whole, any greater duties, obligations or liability than would exist in the absence of such designation or determination.

Service on Other Public Company Audit Committees

Each director appointed to the Committee shall serve on the Audit Committees of no more than two other publicly-traded companies unless the Board determines that such simultaneous service would not impair the ability of such member to serve effectively on the Committee.

Appointment and Removal of Members

The Board shall select the members of the Committee and its Chair on the recommendation of the Nominating and Corporate Governance Committee. The Board shall have the power at any time to change the membership of the Committee and may remove any member from the Committee at any time with or without cause.

Duties and Responsibilities

The Committee's job is one of oversight. Management is responsible for the preparation, presentation and integrity of the Company's financial statements. Management and the internal auditing department, if any, are responsible for maintaining appropriate accounting and financial reporting principles and practices and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the annual financial statements.

The Committee and the Board recognize that management and the independent auditors have more resources and time and more detailed knowledge and information regarding the Company's accounting, financial and auditing practices than do Committee members; accordingly, the Committee's oversight role does not provide any expert or special assurance as to the Company's financial statements or any certification as to the work of the independent auditors. Nor is it the duty of the Committee to conduct investigations or to assure compliance with laws and regulations.

Each member of the Committee shall be entitled to rely on:

- the integrity of those persons and organizations within and outside the Company from which it receives information;
- the accuracy of the financial and other information provided by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board); and
- representations made by management as to all audit and non-audit services provided by the independent auditors to the Company.

The Committee will approve in advance the scope and costs of all audit and non-audit services to be provided by the independent auditors, other than any *de minimis* non-audit services allowed by applicable law or regulation. The independent auditors shall report directly to the Committee.
