PURPOSE

The purposes of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of B. Riley Financial, Inc., a Delaware corporation (the “Company”), are to:

- Assist the Board in its oversight of:
 - the integrity of the Company’s financial statements;
 - the qualifications, independence and performance of the registered public accounting firm employed by the Company for the audit of the Company’s financial statements (the “independent auditors”);
 - the performance of the Company’s internal audit function; and
 - the Company’s compliance with certain other legal and regulatory requirements.
- Prepare the report of the Committee required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual report on Form 10-K or the proxy statement for the Company’s annual meeting.

MEMBERSHIP

The Committee shall be comprised of not less than three members of the Board. Members of the Committee shall be appointed by the Board and may be removed by the Board at its discretion. All members of the Committee shall meet the independence criteria and have the qualifications set forth in the listing standards of The Nasdaq Capital Market (“Nasdaq”) and Rule 10A-3 under the Securities Exchange Act of 1934 (the “Exchange Act”).

Accordingly, all of the members of the Committee shall be directors:

- Who do not accept any direct or indirect consulting, advisory or compensatory fee from the Company other than for board service or in respect of retirement or deferred compensation for prior service, who are not “affiliated persons” within the meaning of Rule 10A-3 under the Exchange Act and who otherwise satisfy the independence criteria set forth in the listing standards of Nasdaq; and
- Who are financially literate (i.e., have the ability to read and understand fundamental financial statements, as determined by the Board).

At least one member of the Committee shall qualify as an “audit committee financial expert” as defined in Instruction to Item 407(d)(5)(ii) and (iii) of Regulation S-K (which the Board may presume satisfies Nasdaq listing standard requiring that one member have accounting or related financial management expertise).

The Board may appoint a member of the Committee to serve as the chairperson of the Committee (“Chair”); if the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings.

The Committee may delegate any of its responsibilities to a subcommittee of its members when it deems appropriate. The Committee may delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Committee at its next scheduled meeting.

Committee members shall not serve simultaneously on more than three audit committees, unless the Board determines that such service will not impair the member’s ability to serve on the Committee.

The Committee’s responsibility is one of oversight. The Company’s management is responsible for preparing the Company’s financial statements and the independent auditors are responsible for auditing those financial statements.

To carry out its oversight responsibility, the Committee shall undertake the activities set forth below. LIMITATION OF AUDIT COMMITTEE'S ROLE

This charter ("Charter") sets forth the authority and responsibilities of the Committee in fulfilling its purpose and performing its principal functions. The function of the Committee is oversight. The Committee does not have the duty to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with GAAP and applicable rules and regulations. These are the responsibilities of management and the independent auditors. In addition, the Committee recognizes that the Company's management, internal audit staff, and independent auditors devote more time to reviewing and analyzing the Company's business and operations and as a result, have more knowledge and detailed information concerning the Company than do members of the Committee. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the quality or adequacy of the independent auditors' work or performance.

Further, nothing contained in this Charter is intended to alter or impair (a) the operation of the “business judgment rule” as interpreted by the courts under the State of Delaware, or (b) the right of the members of this Committee to rely, in discharging their duties and responsibilities, on the records of the Company and on other information presented to the Committee, the Board or the Company by its officers or employees or by outside experts and advisers, including the Company’s independent auditors.

GENERAL

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company. The Committee shall have the authority and sufficient funding to retain outside legal counsel, accountants or other experts as it determines necessary and appropriate to assist the Committee in carrying out its functions, without obtaining the approval of the Board or management. The Company shall provide for appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for payment of:

- Compensation to the independent auditors and any other public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company;
- Compensation of any advisers employed by the Committee; and
- Ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

If any term of this Charter conflicts with any term of the Company’s Certificate of Incorporation or Bylaws, the terms of the Certificate of Incorporation or the Bylaws, as the case may be, shall control.

The Committee will maintain written minutes of its meetings and copies of its actions by written consent. The minutes and copies of written consents will be filed with the minutes of the meetings of the Board. The Chair will report to the Board from time to time with respect to the activities of the Committee, including on significant matters related to the Committee’s responsibilities and the Committee’s deliberations and actions.

This Charter will be made available on the Company’s web site.
