About Brooks Automation

Brooks (Nasdaq: BRKS) operates two global, market-leading businesses, Life Sciences and Semiconductor Solutions, each with its own distinct area of focus and expertise. The Life Sciences business, to be operated under the new Azena brand, provides a full suite of reliable cold-chain sample management solutions and genomic services across areas such as drug development, clinical research and advanced cell therapies for the industry's top pharmaceutical, biotech, academic and healthcare institutions globally. On September 20, 2021, the Company announced the pending sale to Thomas H. Lee Partners of its Semiconductor Solutions Group business, which provides industry-leading precision vacuum robotics, integrated automation systems and contamination control solutions to the world's leading semiconductor chip makers and equipment manufacturers as well as collaborative robotics and automation capabilities for multi-market applications. Brooks is headquartered in Chelmsford, MA, with operations in North America, Europe and Asia. For more information, please visit www.brooks.com.
