

Azenta Publishes its 2023 Environmental, Social, & Governance (ESG) Report

BURLINGTON, Mass., April 1, 2024 (PRNewswire) – Azenta, Inc. (Nasdaq: AZTA) today announced the publication of its annual Environmental, Social, & Governance (“ESG”) report, highlighting the Company’s ongoing commitment to advancing its strategy and actions aligned with key ESG priorities. The report includes ESG data for the Company’s fiscal year ended September 30, 2023.

The report offers a comprehensive look at the Company's ESG approach and showcases accomplishments in three main pillars:

- **Environmental Protection:** We understand the broad impact of our operations and the potential to impact the world. We are committed to evaluating ways to reduce our environmental footprint while continuing to expand our business.
- **Social Impact:** We are committed to making a positive impact on society, particularly in the regions where we are located and serve our customers.
- **Responsible Operations:** Our products and services enable our customers to have a significant positive impact on the world, and we are committed to ensuring the safety, quality, and reliability of our products and services.

Over the year, the Company made significant progress on its ESG initiatives, highlights include:

- Committing to reducing our environmental footprint by aligning our GHG emissions reduction targets with the Science-Based Targets Initiative (SBTi).
- Establishing short-term emissions reduction targets, committing to reducing Scope 1 and 2 GHG emissions by 55% by 2033, from a 2022 base year.
- Committing to reaching net-zero GHG emissions across the value chain by 2050.
- Launching the BioArc™ Ultra, an a -80°C Sample Storage System, engineered to prioritize energy efficiency and sustainability, featuring unrivaled sample storage density, an eco-conscious refrigeration system, and optimized space-savings usage compared to manual freezer farms.
- Partnering with EcoVadis® to assess and monitor the sustainability practices of our suppliers.

"Safe Harbor Statement" under Section 21E of the Securities Exchange Act of 1934

Some statements in this release are forward-looking statements made under Section 21E of the Securities Exchange Act of 1934. These statements are neither promises nor guarantees but involve risks and uncertainties, both known and unknown, that could cause Azenta's financial and business results to differ materially from our expectations. They are based on the facts known to management at the time they are made. Other forward-looking statements include but are not limited to statements about our ability to meet our ESG commitments, including GHG emission targets. Factors that could cause results to differ from our expectations include the following: our ability to reduce our environmental footprint, our ability to ensure the safety, quality and reliability of our products and our ability to monitor and assess our supply chain; and other factors and other risks, including those that we have described in our filings with the Securities and Exchange Commission, including but not limited to our Annual Report on Form 10-K, Current Reports on Form 8-K and our Quarterly Reports on Form 10-Q. As a result, we can provide no assurance that our future results will not be materially different from those projected. Azenta expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any such statement to reflect any change in our expectations or any change in events, conditions, or circumstances on which any such statement is based. Azenta undertakes no obligation to update the information contained in this press release.
