### **AUDIT AND FINANCE COMMITTEE CHARTER**

#### **Purpose**

The Audit and Finance Committee (the “Committee”) is appointed by the Board of Directors (the “Board”) of Calumet GP, LLC (the “General Partner”), which is the general partner of Calumet Specialty Products Partners, LP (the “Partnership” and together with the General Partner, the “Company”) for purposes of:

1. Overseeing the quality, integrity and reliability of the financial statements and other financial information the Company provides to any governmental body or the public;
2. Overseeing the Company’s compliance with legal and regulatory requirements;
3. Overseeing the independent auditors’ qualifications, independence and performance;
4. Overseeing the Company’s systems of internal controls regarding finance, accounting, disclosure, legal compliance and ethics that management and the Board have established; and
5. Performing such other functions as the Board may assign to the Committee from time to time.

Consistent with these purposes, the Committee should encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels.

#### **Committee Membership**

The Committee shall consist of three or more members of the Board, each of whom shall satisfy the independence and experience requirements of The Nasdaq Stock Market LLC (“Nasdaq”) and the applicable rules and regulations of the Securities and Exchange Commission (the “SEC”) within the time periods specified by Nasdaq and the SEC. Each member of the Committee shall be able to read and understand fundamental financial statements, must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years and at least one member of the Committee shall be an “audit committee financial expert,” as defined by applicable SEC rules. Committee members may not simultaneously serve on the Audit Committees of more than two other public companies unless the Board determines in advance that such simultaneous service does not impair the member’s ability to effectively serve on the Committee. Notwithstanding the foregoing membership requirements and subject to applicable law, no action of the Committee will be invalid by reason of any such requirement not being met at the time such action is taken.

The members of the Committee shall be selected annually by the Board and shall serve at the pleasure of the Board. The Board shall designate the chairperson of the Committee (the “Chairperson”); however, if a Chairperson is not designated by the Board or present at a meeting, the Committee may designate a Chairperson by majority vote of the Committee members then in office. The Board may remove or replace the Chairperson and any other member of the Committee at any time by affirmative vote of a majority of the Board.

### **Authority and Responsibilities**

The Committee is delegated all the authority of the Board as may be required or advisable to fulfill the purposes of the Committee. As such, the Committee shall have the sole authority to appoint, retain, compensate, evaluate and terminate the independent auditor (subject, if applicable, to unitholder ratification), and shall have sole authority to approve all audit engagement fees and terms and all non-audit engagements with the independent auditor. The independent auditor shall report directly to the Committee.

Without limiting the generality of the preceding statements, the Committee shall have authority, and is entrusted with the responsibility, to take the following actions:

#### **A. Oversight Over Financial Reporting**

1. Prior to the filing of the Company’s Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, review and discuss with management and the independent auditor the financial statements, including disclosure under “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in such report, and recommend to the Board whether the financial statements should be included in such report.

4. Set clear hiring policies for employees or former employees of the independent auditor.
5. At least annually, obtain and review a report by the independent auditor describing (a) the firm's internal quality-control procedures; (b) any material issues raised within the preceding five years by the most recent internal-quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or other authority relating to any audit conducted by the firm; (c) any steps taken to deal with any such issues; and (d) registration of the independent auditor with the Public Company Accounting Oversight Board.
6. Instruct the independent auditors to report directly to the Committee any problems or difficulties incurred in connection with the audit, including any restrictions on the scope of activities or access to required information, or any disagreements with management and resolve any disagreements between management and the independent auditors regarding financial reporting that are brought to the attention of the Committee.
7. Review with the independent auditors at the completion of the annual audit relevant matters related to the conduct of the audit, to the extent required to be communicated to the Committee under generally accepted auditing standards.

The Committee may delegate its pre-approval authority for these services to one or more members, provided such approvals are within the pre-approval policy and presented to the full Committee at its scheduled meetings.

5. Establish procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (b) the confidential, anonymous submission by employees of the Company, regarding questionable accounting or auditing matters. Investigate at its discretion any complaint brought to its attention, which investigation may include reviewing the books, records and facilities of the Company and interviewing Company officers or employees.
6. Periodically discuss separately with management and the independent auditors the adequacy and integrity of the Company's accounting policies and procedures and internal accounting controls, the completeness and accuracy of the Company's financial disclosure and the extent to which major recommendations made by the independent auditors have been implemented or resolved.

## **Limitation of Committee's Role**

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete, accurate and in accordance with GAAP and applicable rules and regulations. These are the responsibilities of the Company's management, or as applicable the Company's independent auditor. The Committee's responsibilities are limited to oversight.
