

WAIVER OF A PROVISION OF THE CODE OF ETHICS

On May 26, 2022, the Board of Directors (the “Board”) of ClearSign Technologies Corporation (the “Company”) waived a section of the Company’s Code of Business Conduct and Ethics (the “Code of Ethics Waiver”) in connection with a firm commitment underwritten public offering with Newbridge Securities Corporation and a related waiver and modification of the participation right of clirSPV LLC (the “Waiver”). The Code of Ethics Waiver was issued to address the potential conflict of interest of Mr. Robert T. Hoffman Sr. in connection with the negotiation of the Waiver entered into by the Company and clirSPV LLC on May 26, 2022 due to Mr. Hoffman’s role as a Director and Chairman of the Board as well as his position as managing member of GPclirSPV LLC, which is the managing member of clirSPV LLC, the Company’s largest shareholder.
