Note: Adjusted EBITDA in this investor presentation is provided solely as a supplemental disclosure with respect to operating results. Adjusted EBITDA does not represent net income (loss) or operating income (loss), as defined by U.S. GAAP, and should not be considered as a substitute for net income or net loss or operating profit or loss, or as an indicator of operating performance. The Company defines Consolidated Adjusted EBITDA as income (loss) before Goodwill and fixed asset impairment charges, income taxes and noncontrolling interest plus net interest expense and depreciation and amortization expense. The Company defines Adjusted EBITDA for the segments as operating profit (loss) before Goodwill, fixed asset and other intangible assets impairment charges plus other income (expense) and depreciation and amortization expense. Adjusted EBITDA is not a measurement under U.S. GAAP and is not necessarily comparable with similarly titled measures of other companies.
