Part II  Organizational Action

Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders’ ownership is measured for the action ➤ On September 15, 2014, pursuant to the terms of the Cumulative Perpetual Convertible Preferred Stock, a 6.75% cash distribution was made to all Cumulative Perpetual Convertible Preferred shareholders of record.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ➤ The 6.75% cash distribution described on Line 14 above, should be considered a non-dividend distribution to the Cumulative Perpetual Convertible Preferred shareholders due to the Company's negative current and accumulated earnings and profits. Accordingly, the amount distributed is generally anticipated to represent a return of shareholder basis, to the extent thereof. Once all shareholder basis has been returned, any distribution in excess of shareholder basis should be considered as a gain on the sale of the security pursuant to Internal Revenue Code Section 301(c)(2) & 301(c)(3) and the regulations thereunder. As such, shareholders should consult their tax advisors to determine the tax implications of the non-dividend distribution on their basis in the Company's Convertible Preferred security.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ➤ The 6.75% cash distribution described on Line 14 above, is not from the Company's current or accumulated earnings and profits pursuant to the Internal Revenue Code and Regulations. As such, the distribution should be considered a non-dividend distribution to the Cumulative Perpetual Convertible Preferred shareholders.
17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based:  
Internal Revenue Code sections 301 and 316 and the regulations thereunder. 

18 Can any resulting loss be recognized?  
not applicable 

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year:
