Tax Reclamation for Individuals Receiving Medtronic Dividends

Ireland imposes a 25% Dividend Withholding Tax (DWT) on dividends paid to foreign shareholders of Irish companies (such as Medtronic plc). However, residents of countries which have a double taxation treaty with Ireland can apply for exemption from this tax.¹

GlobeTax, the world leader in cross-border withholding tax relief, has been engaged to help shareholders apply for exemption on shares held through Medtronic plc’s transfer agent, EQ Shareowner Services (EQ), or through Fidelity Stock Plan Services’ ESPP.

This document explains how U.S. and Non-U.S. tax residents can use GlobeTax’s eCerts service to secure exemption from Irish DWT.
