**ANNOUNCEMENT PURSUANT TO RULES 13.09 AND 13.18
OF THE LISTING RULES
AMENDMENT TO SECOND REVOLVING CREDIT FACILITY**

This announcement is made by the Company pursuant to Rules 13.09 and 13.18 of the Listing Rules and Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

Reference is made to the Company's announcements dated October 24, 2012, April 7, 2015, June 9, 2015, June 15, 2018, August 12, 2019 and May 26, 2020. Reference is also made to the Company's annual reports.

The Board wishes to inform the shareholders of the Company and potential investors that, on June 30, 2023, the Company entered into agreements with the Lenders by way of an amendment letter, pursuant to which, the Lenders and the Company have agreed to amend and restate the terms of the Second Revolving Credit Facility effective on the signing date (the "**Amendments**").

INITIAL SECOND REVOLVING CREDIT FACILITY

On May 26, 2020, the Company entered into agreements with certain lenders pursuant to which the lenders agreed to make available to the Company a second unsecured revolving credit facility in an aggregate amount of HK\$2.34 billion with a final maturity date of May 15, 2024. The Company has the option to increase the amount of the facility up to HK\$3.9 billion subject to certain conditions. The Second Revolving Credit Facility is available for drawdown from the date of the agreement to and including the date falling one month prior to the final maturity date, subject to satisfaction of conditions precedent. On June 29, 2020, the Company increased the available undrawn credit facilities of the Second Revolving Credit Facility by HK\$780 million to HK\$3.12 billion.

AMENDMENTS TO THE SECOND REVOLVING CREDIT FACILITY

Save for minor amendments made to the financial covenants as disclosed in the annual reports, pursuant to the Amendments, it is proposed that certain major terms of the Second Revolving Credit Facility will be amended as follows:

- the final maturity date of the Amended Second Revolving Credit Facility will be extended for an additional two years from May 15, 2024 to May 15, 2026.
- the total commitments (the “**Total Commitments**”) under the Amended Second Revolving Credit Facility are HK\$3.12 billion, with the option to increase the amount of the facility up to HK\$5.85 billion.
- subsequent to the amendments which waived certain financial covenants through to its maturity, as set out in the annual reports, the permitted leverage ratio and the permitted interest coverage ratio under the Amended Second Revolving Credit Facility will be further amended as follows:

Accounting Date	Leverage Ratio	Interest Coverage Ratio
Each Accounting Date commencing from and including March 31, 2023 up to and including December 31, 2024	Not Applicable	Not Applicable
March 31, 2025	5.50:1.00	2.50:1.00
June 30, 2025	5.25:1.00	2.50:1.00
September 30, 2025	5.00:1.00	2.50:1.00
December 31, 2025	4.75:1.00	2.50:1.00
March 31, 2026	4.50:1.00	2.50:1.00

- the definition of “**Total Debt**” (the amount of which is used for calculating leverage ratio) is amended to carve out “*any financial indebtedness that is subordinated and subject in right of payment to the prior payment in full of all amounts owing under the finance documents (including the MGM Resorts International Revolving Credit Facility)*” from the aggregate principal amount of all financial indebtedness of the Group.
- among the conditions precedent documents required for the purpose of requesting a loan, the evidence that the Revolving Credit Facility has been fully withdrawn will not be required under the Amended Second Revolving Credit Facility.

The Amended Second Revolving Credit Facility will bear interest at a fluctuating rate per annum based on HIBOR plus a margin (in the range of 1.625% to 2.75%), which will be determined by the Company’s leverage ratio.

Save as disclosed above and other minor amendments as agreed by the parties in the Agreements, other major terms under the Amended Second Revolving Credit Facility will be similar as the ones under the existing Second Revolving Credit Facility. The change of control provision remains in place such that the revolving credit facility must be prepaid if MGM Resorts International ceases to be the legal and beneficial owner directly or indirectly of more than 50% of the issued share capital of the Company (the “**Specific Performance Obligation**”).

Pursuant to Rule 13.21 of the Listing Rules, the Company will make continuing disclosure in its subsequent interim and annual reports for so long as the Specific Performance Obligations continues to exist.

Shareholders of the Company and potential investors are advised to treat the information in this announcement with adequate level of care and to exercise caution when dealing in the shares of the Company.
