19. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed a new certificate representing the same shares may be issued to the relevant Member upon request and on payment of such fee as the Stock Exchange may determine to be the maximum fee payable or such lesser sum as the Board of Directors may determine and, subject to compliance with such terms (if any) as to evidence and indemnity and to payment of the costs and reasonable out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity as the Board of Directors may think fit and, in case of damage or defacement, on delivery of the old certificate to the Company provided always that where share warrants have been issued, no new share warrant shall be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed.

20. The Directors may issue fractions of a share of any class of shares, and, if so issued, a fraction of a share (calculated to three decimal points) shall be subject to and carry the corresponding fraction of liabilities (whether with respect to any unpaid amount thereon, contribution, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without limitation, voting and participation rights) and other attributes of a whole share of the same class of shares.

The Company's lien, if any, on a share shall extend to all distributions payable thereon. The Board of Directors may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article.

22. The Company may sell, in such manner as the Directors in their absolute discretion think fit, any shares on which the Company has a lien, but no sale shall be made unless an amount in respect of which the lien exists is presently payable nor until the expiration of 14 clear days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the persons entitled thereto by reason of his death or bankruptcy.
23. For giving effect to any such sale the Directors may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
24. The proceeds of the sale after deduction of expenses, fees and commission incurred by the Company shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the date of the sale.

CALLS ON SHARES

25. Subject to these Articles and to the terms of allotment, the Directors may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value for the shares or by way of premium), and each Member shall (subject to receiving at least 14 clear days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on such shares. A call may be extended, postponed or revoked in whole or in part as the Board of Directors determines but no Member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.
26. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay calls in respect thereof.
27. If a sum called in respect of a share is not paid on or before the day appointed for payment thereof, the person from whom the sum is due shall pay interest upon the sum at the rate of eight per cent. per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.

28. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.
29. The Directors may make arrangements on the issue of partly paid shares for a difference between the Members, or the particular shares, in the amount of calls to be paid and in the times of payment.
30. The Directors may, if they think fit, receive from any Member willing to advance the same either in money or money's worth all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight per cent. per annum) as may be agreed upon between the Member paying the sum in advance and the Directors. The Board of Directors may at any time repay the amount so advanced upon giving to such Member not less than one month's notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

31. If a Member fails to pay any call or instalment of a call in respect of partly paid shares on the day appointed for payment, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
32. The notice shall name a further day (not earlier than the expiration of 14 clear days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited. Such forfeiture will include all dividends and bonuses declared in respect of the forfeited shares and not actually paid before the date of forfeiture.

33. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
34. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
35. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the shares forfeited, but his liability shall cease if and when the Company receives payment in full of the amount unpaid on the shares forfeited.
36. A statutory declaration in writing that the declarant is a Director, and that a share has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts in the declaration as against all persons claiming to be entitled to the share.
37. The Company may receive the consideration, if any, given for a share on any sale or disposition thereof pursuant to the provisions of these Articles as to forfeiture and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and that person shall be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the disposition or sale.
38. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a share becomes due and payable, whether on account of the amount of the share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

TRANSFER OF SHARES

39. Title to Listed Shares may be evidenced and transferred in accordance with Hong Kong law and the Listing Rules.

40. Transfers of shares may be effected by an instrument of transfer in the usual common form or in such other form as the Directors may approve, which is consistent with the standard form of transfer as approved by the Directors or prescribed by the Stock Exchange (as appropriate). All instruments of transfer must be left at the Office of the Company or at such other place as the Directors may appoint and all such instruments of transfer shall be retained by the Company.
41. The instrument of transfer shall be executed by or on behalf of the transferor and by or on behalf of the transferee provided that the Directors may dispense with the execution of the instrument of transfer by the transferee in any case which they think fit in their discretion to do so. The instrument of transfer of any share shall be in writing and shall be executed with a manual signature or facsimile signature (which may be machine imprinted or otherwise) by or on behalf of the transferor and transferee provided that in the case of execution by facsimile signature by or on behalf of a transferor or transferee, the Directors shall have previously been provided with a list of specimen signatures of the authorised signatories of such transferor or transferee and the Directors shall be reasonably satisfied that such facsimile signature corresponds to one of those specimen signatures. The transferor shall be deemed to remain the holder of a share until the name of the transferee is entered in the Register in respect thereof.
42. The Directors may, in their absolute discretion, and without assigning any reason, refuse to register a transfer of any share which is not fully paid up or on which the Company has a lien.
43. If the Directors shall refuse to register a transfer of any share, it shall, within two months after the date on which the transfer was lodged with the Company, send to each of the transferor and the transferee notice of such refusal.
44. The Directors may also decline to register any transfer of any shares unless (as is applicable):
 - (a) the instrument of transfer is lodged with the Company accompanied by the certificate for the shares to which it relates (which shall upon registration of the transfer be cancelled) and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer;
 - (b) the instrument of transfer is in respect of only one class of shares;
 - (c) the instrument of transfer is properly stamped (in circumstances where stamping is required);

- (d) in the case of a transfer to joint holders, the number of joint holders to which the share is to be transferred does not exceed four;
 - (e) the shares concerned are free of any lien in favour of the Company; and
 - (f) a fee of such maximum as the Stock Exchange may from time to time determine to be payable (or such lesser sum as the Directors may from time to time require) is paid to the Company in respect thereof.
45. No transfer shall be made to an infant or to a person in respect of whom an order has been made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs or under other legal disability.
46. The registration of transfers may, on 14 days' notice being given by advertisement published on the Stock Exchange's website, or, subject to the Listing Rules, by electronic communication in the manner in which notices may be served by the Company by electronic means as herein provided or by advertisement published in the newspapers, be suspended and the Register closed at such times for such periods as the Directors may from time to time determine, provided always that such registration shall not be suspended or the Register closed for more than 30 days in any year (or such longer period as the Members may by Ordinary Resolution determine provided that such period shall not be extended beyond 60 days in any year).

TRANSMISSION OF SHARES

47. The legal personal representative of a deceased sole holder of a share shall be the only person recognised by the Company as having any title to the share. In the case of a share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only person recognised by the Company as having any title to the share.
48. Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall upon such evidence being produced as may from time to time be required by the Directors, have the right either to be registered as a Member in respect of the share or, instead of being registered himself, to make such transfer of the share as the deceased or bankrupt person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by the deceased or bankrupt person before the death or bankruptcy.

49. A person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of such share, except that he shall not, before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

UNTRACEABLE MEMBERS

50. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.
- (2) The Company shall have the power to sell, in such manner as the Board of Directors thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by these Articles have remained uncashed;
 - (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
 - (c) the Company, if so required by the Listing Rules, has, at the end of the relevant period, given notice to, and caused an advertisement to be published in the newspapers of its intention to sell such shares in the manner required by the Stock Exchange, and a period of three months or such shorter period as may be allowed by the Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board of Directors may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

DOCUMENT DESTRUCTION

51. The Company shall be entitled to destroy all instruments of transfer, probate, letters of administration, stop notices, powers of attorney, certificates of marriage or death and other documents relating to or affecting title to securities in or of the Company (“**Registrable Documents**”) which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of one year from the date of the cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the register if purporting to have been made on the basis of an instrument of transfer or Registrable Document so destroyed was duly and properly made and every instrument of transfer or Registrable Document so destroyed was a valid and effective instrument or document duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company, provided always that:
 - (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without express notice of the Company of any claim (regardless of the parties thereto) to which the document might be relevant;

- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and
 - (c) references herein to the destruction of any document include references to the disposal thereof in any manner.
52. Notwithstanding any provision contained in these Articles, the Directors may, if permitted by applicable law, authorise the destruction of any documents referred to in this Article or any other documents in relation to share registration which have been microfilmed or electronically stored by the Company or by the share registrar on its behalf provided always that this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document might be relevant to a claim.

ALTERATION OF CAPITAL

53. The Company may from time to time by Ordinary Resolution:
- (a) increase its share capital by such sum, to be divided into shares of such classes and amount, as the resolution shall prescribe;
 - (b) consolidate and divide all or any of its share capital into shares of a larger amount than its existing shares;
 - (c) convert all or any of its paid up shares into stock and reconvert that stock into paid up shares of any denomination;
 - (d) sub-divide its existing shares, or any of them into shares of a smaller amount provided that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in case of the share from which the reduced share is derived and may by such resolution determine that, as between the holders of the shares resulting from such sub-division, one or more of the shares may have any such preferred, deferred or other rights or be subject to any such restrictions as compared with the other or others as the Company has power to attach to unissued or new shares; or

- (e) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled.
54. The Board of Directors may settle as it considers expedient any difficulty which arises in relation to any consolidation and division under the last preceding Article and in particular but without prejudice to the generality of the foregoing may issue certificates in respect of fractions of shares or arrange for the sale of the shares representing fractions and the distribution of the new proceeds of sale (after deduction of the expenses of such sale) in due proportion amongst the Members who would have been entitled to the fractions, and for this purpose the Board of Directors may authorise some person to transfer the shares representing fractions to their purchaser or resolve that such net proceeds be paid to the Company for the Company's benefit. Such purchaser will not be bound to see to the application of the purchase money nor will his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.
55. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorised by law.

REDEMPTION AND PURCHASE OF OWN SHARES

56. Subject to the Law, the Memorandum of Association, these Articles and, where applicable, the Listing Rules, and any special rights conferred on the holders of any shares or attaching to any class of shares, the Company may:
- (a) issue shares on terms that they are to be redeemed or are liable to be redeemed at the option of the Company or the Member on such terms and in such manner as the Directors may, before the issue of such shares, determine;
 - (b) purchase its own shares (including any redeemable shares) on such terms and in such manner as the Directors may determine and agree with the Member; and
 - (c) make a payment in respect of the redemption or purchase of its own shares in any manner authorised by the Law, including out of its capital, profits or the proceeds of a fresh issue of shares.
57. Any share in respect of which notice of redemption has been given shall not be entitled to participate in the profits of the Company in respect of the period after the date specified as the date of redemption in the notice of redemption.

58. The redemption or purchase of any share shall not be deemed to give rise to the redemption or purchase of any other share. Where the Company purchases for redemption a redeemable share, purchases not made through the market or by tender shall be limited to a maximum price. If purchases are by tender, tenders shall be available to all Members alike.
59. The Directors may when making payments in respect of redemption or purchase of shares, if authorised by the terms of issue of the shares being redeemed or purchased or with the agreement of the holder of such shares, make such payment either in cash or in specie.

REGISTER OF MEMBERS

60. The Directors shall cause to be kept at the Office or at any other place within or outside the Cayman Islands as they deem fit, the Register of the Members (which for the avoidance of doubt will be comprised of the Listed Share Register, the Unlisted Share Register and any branch register(s) maintained from time to time) and there shall be entered therein the particulars of the Members and the shares issued to each of them and other particulars required under the Law and the Listing Rules (as appropriate).
61. The Listed Share Register may be kept by recording the particulars required under the Law in a form otherwise than legible provided such recording complies with the laws applicable to the Stock Exchange and the Listing Rules. To the extent the Listed Share Register is kept in a form otherwise than legible it must be capable of being reproduced in a legible form.
62. The Listed Share Register shall during normal business hours (subject to such reasonable restrictions as the Directors may impose) be open for inspection by a Member without charge and any other person on payment of such fee not exceeding HK\$2.50 (or such higher amount as may from time to time be permitted under the Listing Rules) as the Directors may determine for each inspection. Any Member may require a copy of the Listed Share Register, or any part thereof, on payment of HK\$0.25, or such lesser sum as the Company may prescribe, for every 100 words or fractional part thereof required to be copied. The Company shall cause any copy so required by any person to be sent to that person within a period of 10 days commencing on the date next after the day on which the request is received by the Company.
63. If the Directors consider it necessary or appropriate, for administrative purposes or otherwise, the Company may establish and maintain a branch register or registers of Members of such category or categories at such location or locations within or outside the Cayman Islands as the Directors may determine.

64. The Company shall cause to be kept at the place where the Unlisted Share Register is kept, a duplicate of any branch register duly entered up from time to time. Subject to this Article, with respect to a duplicate of any branch register:
- (a) the Unlisted Shares registered in the branch register shall be distinguished from those registered in the Unlisted Share Register; and
 - (b) no transaction with respect to any Unlisted Shares registered in a branch register shall, during the continuance of that registration, be registered in any other register.
65. The Company may discontinue keeping any branch register, and thereupon all entries in that branch register shall be transferred to some other branch register kept by the Company or to the Unlisted Share Register.

CLOSING REGISTER OF MEMBERS OR FIXING RECORD DATE

66. For the purpose of determining those Members that are entitled to receive notice of, attend or vote at any meeting of Members or any adjournment thereof, or those Members that are entitled to receive payment of any dividend, or in order to make a determination as to who is a Member for any other purpose, the Directors may provide that the Register shall be closed on terms equivalent to section 632 of the Companies Ordinance (Chapter 622 of the Laws of Hong Kong) as at the date of the adoption of these Articles (or its equivalent provision from time to time) for transfers for a stated period which shall not exceed in any case 30 days in each year (unless extended by Ordinary Resolution of Members, in which case the Register may be closed for transfers for a maximum period of 60 days in any year). If the Register shall be so closed for the purpose of determining those Members that are entitled to receive notice of, attend or vote at a meeting of Members the Register shall be so closed for at least 10 days immediately preceding such meeting and the record date for such determination shall be the date of the closure of the Register.
67. In lieu of or apart from closing the Register, the Directors may fix in advance a date as the record date for any such determination of those Members that are entitled to receive notice of, attend or vote at a meeting of the Members and for the purpose of determining those Members that are entitled to receive payment of any dividend the Directors may, at or within 90 days prior to the date of declaration of such dividend fix a subsequent date as the record date for such determination.

GENERAL MEETINGS

68. In each financial year during the Relevant Period, the Company shall hold a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notices calling it. The Company shall hold the annual general meeting within six months after the end of its financial year. The annual general meeting shall be held at such time and place as the Directors shall appoint. Annual general meetings of the Company must be held at such place within Hong Kong as may be determined by the board, unless otherwise approved by a majority of the Directors.
- 68A. The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations (“**Meeting Location(s)**”) determined by the Board at its absolute discretion. Any Shareholder or any proxy attending and participating in such way or any Shareholder participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.
- 68B. All general meetings are subject to the following:
- (a) where a Shareholder is attending at a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;
 - (b) Shareholders present in person (in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy at a Meeting Location and/or Members participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairperson of the meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that Shareholders at all Meeting Locations in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;

- (c) where Shareholders attend a meeting by being present at one of the Meeting Locations and/or where Shareholders participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Shareholders or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and
- (d) if any of the Meeting Locations is outside Hong Kong and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of notice for meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the notice for the meeting.

68C. The Board and, at any general meeting, the chairperson of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participating in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Shareholder who, pursuant to such arrangements, is not entitled to attend, in person (in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Shareholder so to attend the meeting or adjourned meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the notice of the meeting or adjourned meeting stated to apply to the meeting.

68D. If it appears to the chairperson of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 68A or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of the meeting;

- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate;
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or
- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then without prejudice to any other power which the chairperson of the meeting may have under these Articles or at common law, the chairperson may, at their absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for an indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

68E. The Board and, at any general meeting, the chairperson of the meeting may make any arrangement, determine and/or implement any requirements, procedures or measures which the Board or the chairperson of the meeting, as the case may be, considers appropriate to ensure the security and facilitate the orderly and effective conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Shareholders shall also comply with all requirements imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements or requirements may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

68F. All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 68D, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

68G. Without prejudice to other provisions in Article 68A to 68G, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such meeting shall constitute presence in person at such meeting.

69. All general meetings other than annual general meetings shall be called extraordinary general meetings. All general meetings (including an annual general meeting or any adjourned meeting) may be held as a physical meeting in any part of the world and at one or more locations as provided in Article 68A, as a hybrid meeting or as an electronic meeting, as may be determined by the Board.
70. The Directors may, whenever they think fit, convene an extraordinary general meeting. General meetings shall also be convened on the written requisition of any one or more Members of the Company deposited at the principal office of the Company in Hong Kong or, in the event the Company ceases to have such a principal office, the head office or the Office specifying the objects of the meeting and signed by the requisitionists, provided that such requisitionists held as at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company which carries the right of voting at general meetings of the Company, on a one vote per share basis in the share capital of the Company. General meetings may also be convened on the written requisition of any one Member of the Company which is a recognised clearing house (or its nominee(s)) deposited at the principal office of the Company in Hong Kong or, in the event the Company ceases to have such a principal office, the head office or the Office specifying the objects of the meeting and signed by the requisitionist, provided that such requisitionist held as at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company which carries the right of voting at general meetings of the Company on a one vote per share basis. If the Directors do not within 21 days from the date of deposit of the requisition proceed duly to convene the meeting to be held within a further 21 days, the requisitionist(s) themselves or any of them representing more than one-half of the total voting rights of all of them, may convene the general meeting in the same manner, as nearly as possible, as that in which meetings may be convened by the Directors provided that any meeting so convened shall not be held after the expiration of three months from the date of deposit of the requisition, and all reasonably expenses incurred by the requisitionist(s) as a result of the failure of the Board of Directors shall be reimbursed to them by the Company. The requisitionist(s) may add resolutions to the agenda of a general meeting requisitioned under this Article.

NOTICE OF GENERAL MEETINGS

71. An annual general meeting shall be called by notice of not less than 21 clear days and not less than 20 clear business days and any extraordinary general meeting at which it is proposed to pass a Special Resolution shall be called by notice of at least 21 clear days and not less than 10 clear business days. All other extraordinary general meetings shall be called by notice of at least 14 clear days and not less than 10 clear business days. The notice shall specify (i) the time, date, and agenda of the meeting, and (ii) save for an electronic meeting, the place of the meeting and if there is more than one Meeting Location as determined by the Board pursuant to Article 68A, the principal place of the meeting (the “**Principal Meeting Place**”), (iii) if the general meeting is to be a hybrid meeting or an electronic meeting, the notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting, and (iv), particulars of the resolutions to be considered at the meeting and in the case of special business (as defined in Article 77) the general nature of that business. The notice convening an annual general meeting shall specify the meeting as such, and the notice convening a meeting a pass a Special Resolution shall specify the intention to propose the resolution as a Special Resolution.
72. Notice of every general meeting shall be given in any manner authorised by these Articles to:
- (a) every person shown as a Member in the Register as of the record date for such meeting except that in the case of joint holders the notice shall be sufficient if given to the joint holder first named in the Register;
 - (b) every person upon whom the ownership of a share devolves by reason of his being a legal personal representative or a trustee in bankruptcy of a Member of record where the Member of record but for his death or bankruptcy would be entitled to receive notice of the meeting;
 - (c) the Auditors;
 - (d) each Director and alternate Director;
 - (e) the Stock Exchange; and
 - (f) such other person to whom such notice is required to be given in accordance with the Listing Rules.

No other person shall be entitled to receive notices of general meetings.

73. Notwithstanding that a meeting of the Company is called by shorter notice than that referred to in the preceding Article, it shall be deemed to have been duly called if it can be so demonstrated to the Stock Exchange that reasonable written notice can be given in less time, and it is so agreed:
- (a) in the case of a meeting called as an annual general meeting, by all the Members of the Company entitled to attend and vote thereat or their proxies; and
 - (b) in the case of any other meeting, by a majority in number of the Members having a right to attend and vote at the meeting, being a majority together holding not less than 95 per cent. in nominal value of the shares giving that right.
74. There shall appear with reasonable prominence in every notice of general meetings of the Company a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of him and that a proxy need not be a Member of the Company.
75. The accidental omission to give any such notice to, or the non-receipt of any such notice by, any person entitled to receive notice shall not invalidate any resolution passed or any proceeding at any such meeting.
76. In cases where instruments of proxy are sent out with notices, the accidental omission to send such instrument of proxy to, or the non-receipt of such instrument of proxy by, any person entitled to receive notice shall not invalidate any resolution passed or any proceeding at any such meeting.

PROCEEDINGS AT GENERAL MEETINGS

77. All business carried out at a general meeting shall be deemed special with the exception of (a) declaration and sanctioning a dividend; (b) the consideration of the accounts, balance sheets, and any report of the Directors or of the Auditors; (c) the election of Directors whether by rotation or otherwise in the place of those retiring; (d) the appointment of the Auditors and other officers; (e) the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors; (f) the granting of any mandate or authority to the Directors to offer, allot, grant options over or otherwise dispose of the unissued shares in the capital of the Company representing not more than 20 per cent. in nominal value of its existing issued share capital; and (g) the granting of any mandate or authority to the Directors to repurchase securities of the Company. No special business shall be transacted at any general meeting without the consent of all Members entitled to receive notice of that meeting unless notice of such special business has been given in the notice convening that meeting.

78. No business shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Save as otherwise provided by these Articles, a quorum shall be one or more persons holding or representing at least one third of the issued shares entitled to vote and present in person or by proxy.
79. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place (if applicable), and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting the Member or Members present and entitled to vote shall be a quorum.
80. The chairperson of a general meeting (be it a physical meeting, a hybrid meeting or an electronic meeting) may attend, preside as chairperson at, and conduct proceedings of, such meeting by means of electronic facilities.
81. The chairperson, if any, of the Board of Directors shall preside as chairperson at every general meeting of the Company.
82. If there is no such chairperson, or if at any general meeting he is not present within half an hour after the time appointed for holding the meeting or is unwilling to act as chairperson, the Members present in person or (in the case of a Member being a corporation) by its duly authorised representative or by proxy and entitled to vote shall choose one of their number to be chairperson of that meeting.
83. Subject to Article 68A, the chairperson may, with the consent of any general meeting at which a quorum is present (and shall if so directed by the meeting), adjourn a meeting from time to time (or indefinitely) and from place to place and from one form to another (a physical meeting, a hybrid meeting, or an electronic meeting), but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for 14 days or more at least 7 clear days' notice of the adjourned meeting, specifying the details set out in Article 71, shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

84. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairperson of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon. At any general meeting a resolution put to the vote of the meeting is to be decided by way of a poll.

VOTES OF MEMBERS

85. Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. At any general meeting a resolution put to the vote of the meeting is to be decided by way of a poll except where the chairperson of the meeting, in good faith, allows a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands.

Note: Procedural and administrative matters are those that:

- (i) are not on the agenda of the general meeting or in any supplementary circular to members; and*
- (ii) which relate to the chairperson's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all shareholders a reasonable opportunity to express their views.*

- 85A. Shareholders shall have the right to: (a) speak at general meetings of the Company; and (b) vote at a general meeting except where a Shareholder is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.

86. A poll shall be taken in such manner as the chairperson of the meeting directs, and the result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the Listing Rules.

87. Votes may be given either personally or by proxy.

88. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
89. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Law. In the case of an equality of votes, the chairperson of such meeting shall not be entitled to a second or casting vote in addition to any other vote he may have.
90. Where there are joint holders of any share any one of such joint holder may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.
91. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, curator bonis or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board of Directors may require of the authority of the person claiming to vote shall have been deposited at the Office or head office (or such other place as may be specified in the notice convening the meeting or in any notice of any adjournment or, in either case, in any document sent therewith), not less than 48 hours before the time appointed for holding the meeting, or adjourned meeting, as the case may be.
- (2) Any person entitled under Article 48 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that at least 48 hours before the time of the holding of the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of Directors of his entitlement to such shares, or the Board of Directors shall have previously admitted his right to vote at such meeting in respect thereof.

92. (1) No Member shall, unless the Board of Directors otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) Where the Company has knowledge that any Member is, under the Listing Rules, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.

93. If:

- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairperson of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairperson decides that the same may have affected the decision of the meeting. The decision of the chairperson on such matters shall be final and conclusive.

PROXIES

94. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.

95. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.
96. (a) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.
- (b) The instrument appointing a proxy and (if required by the Board of Directors) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Office) not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of eleven months from the date named in it

as the date of its execution, except at an adjourned meeting in cases where the meeting was originally held within eleven months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

97. Instruments of proxy shall be in any common form or in such other form as the Board of Directors may approve (provided that this shall not preclude the use of the two-way form) and the Board of Directors may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.
98. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) two hours at least before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
99. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply mutatis mutandis in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES AT MEETINGS

100. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.

- (2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company, at any meeting of any class of Members, or at any meeting of the creditors of the Company, provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)), including the right to speak and vote.
- (3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

WRITTEN RESOLUTIONS OF MEMBERS

101. A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a Special Resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

DIRECTORS

102. (1) Unless otherwise determined by the Company in general meeting, the minimum number of Directors shall not be less than eleven and the maximum number shall not be more than fifteen. Subject to Article 136 but notwithstanding any other provision in these Articles, at least one-third (and in any event, not less than three) of the Board of Directors shall be Independent Non-Executive Directors.
- (2) Subject to these Articles and the Law, the Company may by Ordinary Resolution elect any person to be a Director either to fill a casual vacancy on the Board of Directors, or as an addition to the existing Board of Directors.

- (3) Subject to Article 102(1) and Article 136, the Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board of Directors or as an addition to the existing Board of Directors. Any Director so appointed by the Board of Directors shall hold office only until the first annual general meeting of the Company after their appointment and shall then be eligible for re-election.
- (4) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.
- (5) The Members may, at any general meeting convened and held in accordance with these Articles, by Ordinary Resolution remove a Director at any time before the expiration of his period of office notwithstanding anything to the contrary in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement).
- (6) A vacancy on the Board of Directors created by the removal of a Director under the provisions of subparagraph (5) above may be filled by the election or appointment by Ordinary Resolution of the Members at the meeting at which such Director is removed.

ALTERNATE DIRECTOR

103. Any Director may in writing appoint another person to be his alternate to act in his place at any meeting of the Directors at which he is unable to be present, and such written instrument may specify that such appointment shall automatically cease upon on the occurrence of any event or at any time, following which the alternate shall be automatically removed as a Director without any further action being required by any party, the Board of Directors, or the Company. Every such alternate shall be entitled to notice of meetings of the Directors and to attend and vote thereat as a Director when the person appointing him is not personally present and where he is a Director to have a separate vote on behalf of the Director he is representing in addition to his own vote. An alternate Director may be removed at any time by the person or body which appointed him and, subject thereto, the office of alternate Director shall continue until the next annual election of Directors or, if earlier, the date on which the relevant Director ceases to be a Director. Any appointment or removal of an

alternate Director shall be effected by notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board of Directors. Such alternate shall not be deemed to be an officer of the Company solely as a result of his appointment as an alternate. The remuneration of such alternate shall be payable out of the remuneration of the Director appointing him and the proportion thereof shall be agreed between them.

104. Intentionally left blank.

RETIREMENT OF DIRECTORS

105. (1) At each annual general meeting, at least one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation. Every Director shall be subject to retirement at least once every three years.
- (2) A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires.
- (3) The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any other Directors to retire shall be determined on the basis that (a) at least one executive Director shall retire each year, (b) at least one non-executive Director (who is not an Independent Non-Executive Director) shall retire each year, and (c) at least one Independent Non-Executive Director shall retire each year, provided that no Director shall be required by the Board of Directors to retire by rotation if the last re-election or appointment of that Director is more recent than the last re-election or appointment of any other Director who is not being required to retire by rotation.
- (4) Subject to the foregoing provisions of this Article, the Directors to retire shall be determined by the Board of Directors. Any Director appointed pursuant to Article 102(2) or Article 102(3) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

106. No person other than a Director retiring at the meeting shall, unless recommended by the Directors for election, be eligible for election as a Director at any general meeting unless a notice signed by a Member (other than the person to be proposed) duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also a notice signed by the person to be proposed of his willingness to be elected shall have been lodged at the head office or at the Office provided that the minimum length of the period, during which such notice(s) are given, shall be at least seven days and that (if the notices are submitted after the dispatch of the notice of the general meeting appointed for such election) the period for lodgment of such notice(s) shall commence on the day after the dispatch of the notice of the general meeting appointed for such election and end no later than seven days prior to the date of such general meeting.

DIRECTOR'S FEES AND EXPENSES

107. The Directors shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise or by all or any of those modes) and such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board of Directors may from time to time determine, and either in addition to or in lieu of his remuneration as a Director.
108. Each Director shall be entitled to be repaid or prepaid all necessary travelling, hotel and incidental expenses reasonably incurred or expected to be incurred by him in attending meetings of the Board of Directors or committees of the Board of Directors or general meetings or separate meetings of any class of shares or of debentures of the Company or otherwise in connection with the discharge of his duties as a Director.
109. Any Director who, by request from the Board of Directors, goes or resides abroad for any purpose of the Company or who performs services which in the opinion of the Board of Directors go beyond the ordinary duties of a Director may be paid such extra remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board of Directors may determine and such extra remuneration shall be in addition to or in substitution for any ordinary remuneration provided for by or pursuant to any other Article.
110. Notwithstanding Article 107, the Board of Directors shall obtain the approval of the Company in general meeting before making any payment to any Director or past Director of the Company by way of compensation for loss of office, or as consideration for or in connection with his retirement from office (not being payment to which the Director is contractually entitled).

DIRECTOR'S INTERESTS

111. A Director may:

- (a) hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board of Directors may determine. Any remuneration (whether by way of salary, commission, participation in profits or otherwise) paid to any Director in respect of any such other office or place of profit shall be in addition to any remuneration provided for by or pursuant to any other Article;
- (b) act by himself or his firm in a professional capacity for the Company (otherwise than as Auditor) and he or his firm may be remunerated for professional services as if he were not a Director; and
- (c) continue to be or become a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of any other company promoted by the Company or in which the Company may be interested as a vendor, shareholder or otherwise and (unless otherwise agreed) no such Director shall be accountable for any remuneration, profits or other benefits received by him as a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of or from his interests in any such other company. Subject as otherwise provided by these Articles the Directors may exercise or cause to be exercised the voting powers conferred by the shares in any other company held or owned by the Company, or exercisable by them as Directors of such other company in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, joint managing directors, deputy managing directors, executive directors, managers or other officers of such company) or voting or providing for the payment of remuneration to the director, managing director, joint managing director, deputy managing director, executive director, manager or other officers of such other company and any Director may vote in favour of the exercise of such voting rights in manner aforesaid notwithstanding that he may be, or about to be, appointed a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer of such a company, and that as such he is or may become interested in the exercise of such voting rights in manner aforesaid.

112. Subject to the Law and to these Articles, no Director or proposed or intending Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatever, nor shall any such contract or any other contract or arrangement in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the Members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established provided that such Director shall disclose the nature of his interest in any contract or arrangement in which he is interested in accordance with Article 113 herein. No powers shall be taken to freeze or otherwise impair any of the rights attaching to any share by reason only that the Director interested directly or indirectly therein has failed to disclose its interests to the Company.

113. A Director who to his knowledge is in any way, whether directly or indirectly, interested in a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Board of Directors at which the question of entering into the contract or arrangement is first considered, if he knows his interest then exists, or in any other case at the first meeting of the Board of Directors after he knows that he is or has become so interested. For the purposes of this Article, a general notice to the Board of Directors by a Director to the effect that:

- (a) he is a member or officer of a specified company or firm and is to be regarded as interested in any contract or arrangement which may after the date of the notice be made with that company or firm; or
- (b) he is to be regarded as interested in any contract or arrangement which may after the date of the notice be made with a specified person who is connected with him;

shall be deemed to be a sufficient declaration of interest under this Article in relation to any such contract or arrangement, provided that no such notice shall be effective unless either it is given at a meeting of the Board of Directors or the Director takes reasonable steps to secure that it is brought up and read at the next Board of Directors meeting after it is given.

114. (1) A Director shall not vote (nor be counted in the quorum) on any resolution of the Board of Directors approving any contract or arrangement or any other proposal in which he or any of his associate(s) is materially interested, but this prohibition shall not apply to any of the following matters namely:

- (i) any contract or arrangement for the giving to such Director or his associate(s) any security or indemnity in respect of money lent by him or any of his associate(s) or obligations incurred or undertaken by him or any of his associate(s) at the request of or for the benefit of the Company or any of its subsidiaries;
- (ii) any proposal, contract or arrangement for the giving of any security or indemnity to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which the Director or his associate(s) has himself/themselves assumed responsibility in whole or in part whether alone or jointly under a guarantee or indemnity or by the giving of security;
- (iii) any contract or arrangement concerning an offer of shares or debentures or other securities of or by the Company or any other company which the Company may promote or be interested in for subscription or purchase, where the Director or his associate(s) is/are or is/are to be interested as a participant in the underwriting or sub-underwriting of the offer;
- (iv) any contract or arrangement in which the Director or his associate(s) is/are interested in the same manner as other holders of shares or debentures or other securities of the Company by virtue only of his/their interest in shares or debentures or other securities of the Company;
- (v) subject to the Listing Rules, any proposal, contract or arrangement concerning any other company in which the Director or his associate(s) is/are interested only, whether directly or indirectly, as an officer or executive or a shareholder or in which the Director and any of his associate(s) are not in aggregate beneficially interested in 5 per cent. or more of the issued shares or of the voting rights of any class of shares of such company (or of any third company through which his interest or that of any of his associate is derived); or
- (vi) any proposal or arrangement concerning the adoption, modification or operation of
 - (a) any employees' share scheme or any share incentive or a share option scheme under which a Director or his associate(s) may benefit; or

- (b) a pension fund or retirement, death or disability benefits scheme or other arrangement which relates both to directors, his associate(s) and employees of the Company or of any of its subsidiaries and does not provide in respect of any Director, or his associate(s), as such any privilege or advantage not accorded generally to the class of persons to which such scheme or fund relates.
- (2) A company shall be deemed to be a company in which a Director and/or his associate(s) owns 5 per cent. or more if and so long as (but only if and so long as) he and/or his associate(s), (either directly or indirectly) are the holders of or beneficially interested in 5 per cent. or more of any class of the equity share capital of such company or of the voting rights available to members of such company (or of any third company through which his interest or that of any of his associate(s) is derived). For the purpose of this paragraph there shall be disregarded any shares held by a Director or his associate(s) as bare or custodian trustee and in which he or any of them has no beneficial interest, any shares comprised in a trust in which the interest of the Director or his associate(s) is/are in reversion or remainder if and so long as some other person is entitled to receive the income thereof, and any shares comprised in an authorised unit trust scheme in which the Director or his associate(s) is/are interested only as a unit holder.
- (3) Where a company in which a Director and/or his associate(s) holds 5 per cent. or more is materially interested in a transaction, then that Director and/or his associate(s) shall also be deemed materially interested in such transaction.
- (4) If any question shall arise at any meeting of the Board of Directors as to the materiality of the interest of a Director (other than the chairperson of the meeting) or as to the entitlement of any Director (other than such chairperson) to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the chairperson of the meeting and his ruling in relation to such other Director shall be final and conclusive except in a case where the nature or extent of the interest of the Director concerned as known to such Director has not been fairly disclosed to the Board of Directors. If any question as aforesaid shall arise in respect of the chairperson of the meeting such question shall be decided by a resolution of the Board of Directors (for which purpose such chairperson shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such chairperson as known to such chairperson has not been fairly disclosed to the Board of Directors.

POWERS AND DUTIES OF DIRECTORS

115. Subject to the provisions of the Law, these Articles and to any resolutions made in general meeting, the business of the Company shall be managed by the Directors, who may pay all expenses incurred in setting up and registering the Company and may exercise all powers of the Company. No resolution made by the Company in general meeting shall invalidate any prior act of the Directors which would have been valid if that resolution had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Board of Directors by any other Article.
116. Without prejudice to the general powers conferred by these Articles, it is hereby expressly declared that the Board of Directors shall have the following powers:

When signed a resolution may consist of several documents each signed by one or more of the Directors.
136. The continuing Director(s) may act notwithstanding any vacancy in their body, save that:
- (a) if and so long as their number is reduced below the number fixed by or pursuant to these Articles as the minimum number of Directors, the continuing Director(s) may act for the purpose of increasing the number of Directors, or of summoning a general meeting of the Company, but for no other purpose; and

DIVIDENDS

141. Subject to the Law, the Company in general meeting may from time to time declare dividends in any currency to be paid to the Members but no dividend shall be declared in excess of the amount recommended by the Board of Directors.

142. Dividends may be declared and paid out of the profits of the Company, realised or unrealised, or from any reserve set aside from profits which the Directors determine is no longer needed. With the sanction of an Ordinary Resolution dividends may also be declared and paid out of share premium account or any other fund or account which can be authorised for this purpose in accordance with the Law.
143. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:
- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and
 - (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.
144. The Board of Directors may from time to time pay to the Members such interim dividends as appear to the Board of Directors to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board of Directors may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board of Directors acts bona fide the Board of Directors shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board of Directors, justifies such payment.
145. The Board of Directors may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.
146. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.

147. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.
148. All dividends or bonuses unclaimed for one year after having been declared may be invested or otherwise made use of by the Board of Directors for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of Directors of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.
149. Whenever the Board of Directors or the Company in general meeting has resolved that a dividend be paid or declared, the Board of Directors may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board of Directors may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board of Directors and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board of Directors may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other

special formalities, such distribution of assets would or might, in the opinion of the Board of Directors, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

150. (1) Whenever the Board of Directors or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board of Directors may further resolve either:
- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board of Directors so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board of Directors;
 - (ii) the Board of Directors, after determining the basis of allotment, shall give not less than two weeks' notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised (the “**non-elected shares**”) and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board of Directors shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account or capital redemption reserve) as the Board of Directors may determine,

such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non- elected shares on such basis; or

- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board of Directors may think fit. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board of Directors;
 - (ii) the Board of Directors, after determining the basis of allotment, shall give not less than two weeks' notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised (the “**elected shares**”) and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board of Directors shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account or capital redemption reserve) as the Board of Directors may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.

- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of Directors of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (2) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board of Directors shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.
- (b) The Board of Directors may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board of Directors to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board of Directors may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board of Directors by Ordinary Resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to Members to elect to receive such dividend in cash in lieu of such allotment.

- (4) The Board of Directors may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any Members with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board of Directors, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board of Directors, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall mutatis mutandis apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

The Board of Directors shall cause true accounts to be kept of the sums of money received and expended by the Company, and the matters in respect of which such receipt and expenditure take place, and of the property, assets, credits and liabilities of the Company and of all other matters required by the Law or necessary to give a true and fair view of the Company's affairs and to explain its transactions.
