B. Committee Membership

The Audit Committee shall consist of no fewer than three independent non-executive directors of the Company. Members of the Audit Committee shall be appointed by the Board upon the recommendation of the Nominating and Governance Committee of the Board and may be removed by the Board in its discretion. Each member of the Audit Committee must satisfy the requirements of the NASDAQ Stock Market ("NASDAQ"), the rules and regulations of the SEC and other applicable laws relating to independence, financial literacy and experience. At least one member of the Audit Committee shall be an "audit committee financial expert" as defined in the Securities Exchange Act of 1934, as amended (the "**Exchange Act**") and as determined by the Board in its business judgment, and the Board may presume that such person satisfies rules of NASDAQ that require at least one member of the Audit Committee to have past employment experience in finance or accounting, requisite professional certification in accounting or any other comparable experience or background. In addition, at least one member of the Audit Committee will be a "financial expert" with relevant knowledge and experience of financial administration and accounting for public companies or other large corporations pursuant to the Dutch Corporate Governance Code. The designation or determination by the Board of a person as an "audit committee financial expert" or "financial expert" will not impose on such person individually, on the Audit Committee or on the Board as a whole, any greater duties, obligations or liability than would exist in the absence of such designation or determination.

The resignation, suspension or removal of a director who is also a member of the Audit Committee shall automatically constitute his or her resignation, suspension or removal, as applicable, from the Audit Committee.

No member of the Audit Committee may serve on the audit committee of more than three public companies, including the Company, unless the Board has affirmatively determined that such simultaneous service would not impair the ability of such member to serve effectively on the Audit Committee.

Any action duly taken by the Audit Committee shall be valid and effective, whether or not the members of the Audit Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein.

No member of the Audit Committee may accept, either directly or indirectly, consulting, advisory or other compensatory fees from the Company or any of its subsidiaries, other than the Company's or its subsidiaries' standard directors' fees (including additional amounts, if any, that may be paid for serving on the Audit Committee or other committees of the Board).

C. **Committee Powers, Duties and Responsibilities**

1. Selection and Engagement of Independent Auditor. The Audit Committee shall have the authority with respect to, and shall be directly responsible for, the selection (for appointment by the Company's general meeting of shareholders or, failing such appointment, by the Board, as applicable), compensation, retention and oversight of the work of the Independent Auditor. The Audit Committee shall directly engage the Independent Auditor and directly oversee, evaluate and, where applicable, select a replacement for the Independent Auditor. The Company shall provide appropriate funding for payment of the compensation to the Independent Auditor, as determined by the Audit Committee in its sole reasonable opinion. The Independent Auditor shall report directly to the Audit Committee and the Audit Committee shall act as the principal contact for the Independent Auditor.

2. Pre-Approval of Audit and Non-Audit Services. The Audit Committee, in its discretion, shall approve (which approval must be in advance) (i) all audit, review and attest services, all internal control-related and all non-audit services as permitted by Section 10A of the Exchange Act provided to the Company by the Independent Auditor and (ii) all fees payable by the Company to the Independent Auditor for such services, all as required by applicable law or rules of NASDAQ. The Audit Committee may adopt a pre-approval policy consistent with applicable law and rules of NASDAQ.

3. Independence of Independent Auditor. The Audit Committee is responsible for taking, or recommending that the Board take, appropriate action to oversee the independence of the Independent Auditor. The Audit Committee shall ensure that the Independent Auditor submits information required by the Public Company Accounting Oversight Board's Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, as modified or supplemented, (Rule 3526), and Independence Standards Board Standard No. 1, including: (1) a written description delineating all relationships with the Company that may impact the objectivity and independence of the Independent Auditor, (2) a discussion of the potential effects of the relationships on the independence of the firm; and (3) an affirmation to the Audit Committee, in writing, that, as of the date of the communication, the firm is independent with respect to the SEC audit client. The Audit Committee shall actively engage in a dialogue with the Independent Auditor with respect to any disclosed services or relationships that may impact the objectivity and independence of the Independent Auditor.

4. Performance of Independent Auditor. The Audit Committee shall review the performance of the Independent Auditor annually. In connection with this evaluation, the Audit Committee shall consult with the Company's executive officers, including the executive director(s) ("**Management**"), and shall obtain and review a formal written report by the Independent Auditor describing their internal quality control procedures, issues raised by the most recent internal quality control review or peer review (if applicable) or by any inquiry or investigation by governmental or professional authorities for the preceding five years, and the

response of the Independent Auditor to any such review, inquiry or investigation, including any steps taken to deal with any such issues, and all relationships between the Independent Auditor and the Company or any of its subsidiaries. As part of the Audit Committee's evaluation of the Independent Auditor, the Audit Committee also shall review and evaluate the lead partner of the Independent Auditor. In making its evaluation, the Audit Committee shall take into consideration the opinions of Management and personnel responsible for the Company's internal audit function. In addition to assuring the regular rotation of the lead partner of the Independent Auditor as required by law, the Audit Committee shall consider whether it is appropriate to adopt a policy of rotating the Independent Auditor on a periodic basis (subject to any Dutch mandatory law requirements requiring the rotation of the Independent Auditor).

5. Performance of Internal Auditors. The Company shall have an internal audit function to provide Management and the Audit Committee with ongoing assessments of the Company's risk management processes and system of internal control. The internal audit function may be provided by Company personnel or by a third-party internal audit service provider approved by the Audit Committee (the provider of such internal audit services to the Company, the "**Internal Auditor**"). The Audit Committee shall be directly responsible for the engagement, evaluation and termination of the Internal Auditor, and shall approve compensation paid to the Internal Auditor. At least annually, the Audit Committee shall review the experience and qualifications of the senior members of the Internal Auditor and the quality control procedures of the Internal Auditor. 7. Review of Disclosure Controls and Procedures. The Audit Committee shall review with the Company's Chief Executive Officer and Chief Financial Officer, the Company's disclosure controls and procedures and shall review periodically, but no less frequently than quarterly, such officers' conclusions about the effectiveness of such disclosure controls and
