On or prior to December 31, 2023, the Company will be required to have at least one director

that is considered “Diverse” pursuant to Rule 5605(f) of the Nasdaq Listing Rules or disclose why it does not meet this requirement. As of November 6, 2023, we did not have at least one

diverse director because we have not yet identified a suitable candidate. Our board of directors (the “Board”) has not yet identified, and may not identify by December 31, 2023, potential

Board nominees that qualify as Diverse, possess the skillsets and other qualifications the Board seeks to bring to the Company, and that have an interest in serving on the Board.
