## EXPLANATORY NOTE

Standex International Corporation (the “Company”) is filing this Amendment No. 1 on Form 10-K/A (this “Form 10-K/A”), which amends and supplements our Annual Report on Form 10-K (“the Original Filing”) for the fiscal year ended June 30, 2018, which was filed with the Securities and Exchange Commission (the “SEC”) on August 28, 2018 (the “2018 Form 10-K”). The Company is filing this Form 10-K/A to refile Item 9A, Controls and Procedures, in its entirety. Due solely to a clerical oversight, The Report of Independent Registered Public Accounting Firm as originally filed was unsigned. This error was identified by the Company’s Independent Registered Public Accountants immediately after filing, and the Company immediately prepared this correcting Amendment. Amendment No. 1 herein now includes a signed Report of Independent Registered Public Accounting Firm.

Exhibit 31.1 and 31.2 of this amendment have also been revised to include Rule 13a-14(a) Certifications. In addition, Exhibit 32 of this amendment has been revised to include Section 1350 Certifications outlining compliance with the requirements of Section 13(a) or Section 15(d), as applicable, of the Securities Exchange Act of 1934, as amended, and that the information contained in such report fairly presents, in all material respects, the financial condition and results of operations of the registrant.

Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended, this Form 10-K/A also contains new certifications pursuant to Section 302 of the Sarbanes-Oxley Act of 2002, which are attached hereto.

This Amendment No. 1 does not update or amend any other items in the Original Filing in any way other than as described in the preceding paragraphs, and the Original Filing, as amended by this Amendment No. 1, continues to be applicable as of the date of the Original Filing. Accordingly, this Amendment No. 1 should be read in conjunction with the Original Filing and the Company’s other filings with the Securities and Exchange Commission.

### **Item 9A. Controls and Procedures**

The management of the Company including its Chief Executive Officer, and Chief Financial Officer, have conducted an evaluation of the effectiveness of the Company’s disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15(d)-15(e) under the Securities Exchange Act of 1934, as amended, (the “Exchange Act”) as of the end of the period covered by this report. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded as of June 30, 2018, that the disclosure controls and procedures are effective in ensuring that the information required to be disclosed by the Company in reports that it files or submits under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in the Commission’s rules and forms and (ii) that such information is accumulated and communicated to the Company’s management, including its Chief Executive Officer and Chief Financial Officer as appropriate to allow timely decisions regarding required disclosure.

SEC guidance permits the exclusion of an evaluation of the effectiveness of a registrant’s disclosure controls and procedures as they relate to the internal control over financial reporting for an acquired business during the first year following such acquisition. As discussed in Note 2 to the consolidated financial statements contained in this Report, the Company acquired all of the outstanding stock of the Piazza Rosa Group. The acquisition represents approximately 1.5% of the Company’s consolidated revenue for the year ended June 30, 2018, and approximately 1.8% of the Company’s consolidated assets at June 30, 2018. Management’s evaluation and conclusion as to the effectiveness of the design and operation of the Company’s disclosure controls and procedures as of June 30, 2018 excludes any evaluation of the internal control over financial reporting of the Piazza Rosa Group.

There were no changes in the Company’s internal control over financial reporting identified in connection with management’s evaluation that occurred during the fourth quarter of our fiscal year (ended June 30, 2018) that has materially affected, or is reasonably likely to materially affect our internal control over financial reporting.

### **Management’s Report on Internal Control over Financial Reporting**

The management of Standex is responsible for establishing and maintaining adequate internal control over financial reporting (as defined in Section 240.13a-15(f) of the Exchange Act). The Company’s internal control over financial reporting is designed to provide reasonable assurance as to the reliability of the Company’s financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Management, including the Chief Executive Officer and the Chief Financial Officer, assessed the effectiveness of our internal control over financial reporting as of the end of the fiscal year covered by this report on Form 10-K. In making this assessment, management used the criteria established by the Committee of Sponsoring Organizations of the Treadway Commission in “Internal Control-Integrated

Framework (2013).” These criteria are in the areas of control environment, risk assessment, control activities, information and communication and monitoring. Management’s assessment included documenting, evaluating and testing the design and operating effectiveness of our internal control over financial reporting.

Based on the Company’s processes, as described above, management, including the Chief Executive Officer and the Chief Financial Officer, has concluded that our internal control over financial reporting was effective as of June 30, 2018 to provide reasonable assurance of achieving its objectives. These results were reviewed with the Audit Committee of the Board of Directors. Grant Thornton, LLP, the independent registered public accounting firm that audited our consolidated financial statements included in this Annual Report on Form 10-K, has issued an unqualified attestation report on the Company’s internal control over financial reporting, which is included below.

#### **Inherent Limitation on Effectiveness of Controls**

No matter how well designed, internal control over financial reporting has inherent limitations. Internal control over financial reporting determined to be effective can provide only reasonable, not absolute, assurance with respect to financial statement preparation and may not prevent or detect all misstatements that might be due to error or fraud. In addition, a design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected.

### **REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Board of Directors and Shareholders  
Standex International Corporation

#### **Opinion on internal control over financial reporting**

We have audited the internal control over financial reporting of Standex International Corporation (a Delaware corporation) and subsidiaries (the “Company”) as of June 30, 2018, based on criteria established in the 2013 *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”). In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of June 30, 2018, based on criteria established in the 2013 *Internal Control—Integrated Framework* issued by COSO.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”), the consolidated financial statements of the Company as of and for the year ended June 30, 2018, and our report dated August 28, 2018 expressed an unqualified opinion on those financial statements.

#### **Basis for opinion**

The Company’s management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management’s Report on Internal Control over Financial Reporting (“Management’s Report”). Our responsibility is to express an opinion on the Company’s internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Our audit of, and opinion on, the Company's internal control over financial reporting does not include the internal control over financial reporting of Piazza Rosa S.r.l. ("Piazza Rosa"), a wholly-owned subsidiary, whose financial statements reflect total assets and revenues constituting 1.8 and 1.5 percent, respectively, of the related consolidated financial statement amounts as of and for the year ended June 30, 2018. As indicated in Management's Report, Piazza Rosa was acquired during 2018. Management's assertion on the effectiveness of the Company's internal control over financial reporting excluded internal control over financial reporting of Piazza Rosa.

**Definition and limitations of internal control over financial reporting**

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
