

## **WESTERN MIDSTREAM ANNOUNCES FOURTH-QUARTER 2021 DISTRIBUTION INCREASE AND EARNINGS CONFERENCE CALL**

**HOUSTON**—(BUSINESSWIRE)— January 21, 2022 – Today Western Midstream Partners, LP (NYSE: WES) (“WES” or the “Partnership”) announced that the board of directors of its general partner declared a quarterly cash distribution of \$0.327 per unit for the fourth quarter of 2021. This distribution represents a 1.3-percent increase over the prior quarter’s distribution and is consistent with the partnership’s previously disclosed annualized 2021 distribution growth rate of 5-percent. WES’s fourth-quarter 2021 distribution is payable February 14, 2022, to unitholders of record at the close of business on January 31, 2022.

In addition, the Partnership plans to engage with its board of directors regarding its financial policy, inclusive of its 2022 capital allocation plan and distribution policy, at its previously scheduled year-end board meeting in February. The Partnership intends to further discuss its financial policy in conjunction with its fourth-quarter and full-year 2021 results as scheduled below.

The Partnership plans to report its fourth-quarter and full-year 2021 results after market close Wednesday, February 23, 2022. Management will host a conference call on Thursday, February 24, 2022, at 1 p.m. CST (2 p.m. EST) to discuss the Partnership’s quarterly results. The full text of the release announcing the results will be available on the Partnership’s website at [www.westernmidstream.com](http://www.westernmidstream.com).

### **ABOUT WESTERN MIDSTREAM**

Western Midstream Partners, LP (“WES”) is a Delaware master limited partnership formed to acquire, own, develop, and operate midstream assets. With midstream assets located in the Rocky Mountains, North-central Pennsylvania, Texas, and New Mexico, WES is engaged in the business of

gathering, compressing, treating, processing, and transporting natural gas; gathering, stabilizing, and transporting condensate, NGLs, and crude oil; and gathering and disposing of produced water for its customers. In addition, in its capacity as a processor of natural gas, WES also buys and sells natural gas, NGLs, and condensate on behalf of itself and as an agent for its customers under certain of its contracts.

*This news release contains forward-looking statements. WES and its general partner believe that their expectations are based on reasonable assumptions. No assurance, however, can be given that such expectations will prove to have been correct. A number of factors could cause actual results to differ materially from the projections, anticipated results or other expectations expressed in this news release. These factors include our ability to meet distribution expectations and financial guidance; the timeline for a full recovery in commodity demand and prices; our ability to safely and efficiently operate WES's assets; the supply of, demand for, and price of oil, natural gas, NGLs, and related products or services; our ability to meet projected in-service dates for capital-growth projects; construction costs or capital expenditures exceeding estimated or budgeted costs or expenditures; and the other factors described in the "Risk Factors" section of WES's most-recent Form 10-K and Form 10-Q filed with the Securities and Exchange Commission and other public filings and press releases. WES undertakes no obligation to publicly update or revise any forward-looking statements.*

*Note regarding Non-United States Investors: This release is intended to be a qualified notice under Treasury Regulation Section 1.1446-4(b). Brokers and nominees should treat one hundred percent (100.0%) of Western Midstream Partners, LP's distributions to non-U.S. investors as being attributable to income that is effectively connected with a United States trade or business. Accordingly, Western Midstream Partners, LP's distributions to non-U.S. investors are subject to federal income tax withholding at the highest applicable effective tax rate.*
