	Totals	\$2.170000	\$1.589572	\$0.068017	\$0.512411

The company's tax return has not been filed for the year ended December 31, 2022. The dividend income tax allocations presented herein have been calculated using the best available information to date and as a result could change upon the filing of the company's tax return.

Because a portion of the company's 2022 distributions are designated as capital gain distributions and qualified dividends, they are not eligible for the 20 percent qualified business income deduction (Section 199A deduction).

Shareholders are encouraged to consult their tax advisor to determine the specific effect these distributions may have on their individual tax situation.

⁽¹⁾ For purposes of section 1061 of the Internal Revenue Code, the Company is disclosing that both the One Year and Three Year amounts are \$0.00/share. Section 1061 is generally applicable to direct and indirect holders of "applicable partnership interests."
