About Atlas

Atlas is a leading global asset management company, differentiated by its position as a best-in-class owner and operator with a focus on deploying capital to create sustainable shareholder value. Atlas brings together an experienced asset management team with deep operational and capital allocation experience. We target long-term, risk adjusted returns across high-quality infrastructure assets in the maritime sector, energy sector and other infrastructure verticals. Our two portfolio companies, Seaspan Corporation and APR Energy Ltd. are unique, industry-leading operating platforms in the global maritime and energy spaces, respectively.

About Seaspan

Seaspan is a leading independent owner and operator of containerships. We charter our vessels primarily pursuant to long-term, fixed-rate time charters to the world’s largest container shipping liners. At March 31, 2021, Seaspan’s fleet consisted of 127 containerships representing total capacity of approximately 1,073,200 TEU. On May 19, 2021, we announced the delivery of two second-hand vessels. We also have 37 vessels under construction and have agreed to purchase two additional second-hand vessels, increasing total capacity to 1,670,200 TEU, on a fully delivered basis.
