Second Quarter 2012 Financial Results Conference Call

August 2, 2012

Notice on Forward Looking Statements

This presentation contains certain forward-looking statements (as such term is defined in Section 21E of the Securities Exchange Act of 1934, as amended), which reflect management's current views with respect to certain future events and performance, including, in particular, statements regarding: future operating results, including, without limitation, cash available for distribution for 2012; containership market conditions; expansion of Seaspan's business; vessel deliveries; Seaspan's intention to sustainably increase dividends over time while maintaining financial flexibility for growth; the effects of the acquisition of the Manager, Seaspan Management Services Limited, on Seaspan and its operations and results; repurchases of Seaspan common shares under its share repurchase program; and Seaspan's future capital requirements, drydockings and outstanding common shares. Although these statements are based upon assumptions Seaspan believes to be reasonable, they are subject to risks and uncertainties. These risks and uncertainties include, but are not limited to: the availability of containership acquisition opportunities; the availability and cost of financing to pursue growth opportunities; satisfaction of conditions to draw on our newbuilding vessel financing; chartering rates; integration of the Manager and the number of additional vessels managed by the Manager in the future; conditions in the containership market; increased operating expenses; the number of off-hire days; dry-docking requirements; Seaspan's ability to borrow funds under its credit facilities and to obtain additional financing in the future; Seaspan's future cash flows and its ability to make dividend and other payments; the time that it may take to construct new ships; Seaspan's continued ability to enter into long-term, fixed-rate time charters with customers; changes in governmental rules and regulations or actions taken by regulatory authorities; the financial condition of shipyards, charterers, lenders, refund guarantors and other counterparties and their ability to perform their obligations under their agreements with Seaspan; the potential for early termination of long-term contracts and Seaspan's potential inability to renew or replace long-term contracts; conditions in the capital markets; the price of Seaspan's common shares; and other factors detailed from time to time in Seaspan's periodic reports and filings with the Securities and Exchange Commission, including Seaspan's Report on Form 20-F for the year ended December 31, 2011. Seaspan expressly disclaims any obligation to update or revise any of these forward-looking statements, whether because of future events, new information, a change in Seaspan's views or expectations, or otherwise.

Please refer to the earnings release for a description and reconciliation of Non-GAAP financial measures such as cash available for distribution to common shareholders, normalized net earnings, normalized earnings per share, normalized converted earnings per share and adjusted EBITDA, which is available on our website at www.seaspancorp.com.
